Sapiens: A Graphic History Yuval Noah Harari 2020-11-03 The ebook is designed to be read on devices with large color displays The Kindle edition is incompatible with iOS. See below for a list of supported devices. New York Times Bestseller The first volume of the graphic adaptation of Yuval Noah Harari's smash #1 New York Times and international bestseller recommended by President Barack Obama and Bill Gates, with gorgeous full-color illustrations and concise, easy to comprehend text for adult and young adult readers alike. One hundred thousand years ago, at least six different species of humans inhabited Earth. Yet today there is only one—homo sapiens. What happened to the others? And what may happen to us? In this first volume of the full-color illustrated adaptation of his groundbreaking book, renowned historian Yuval Harari tells the story of humankind's creation and evolution, exploring the ways in which biology and history have defined us and enhanced our understanding of what it means to be "human." From examining the role evolving humans have played in the global ecosystem to charting the rise of empires, Sapiens challenges us to reconsider accepted beliefs, connect past developments with contemporary concerns, and view specific events within the context of larger ideas. Featuring 256 pages of full-color illustrations and easy-to-understand text covering the first part of the full-length original edition, this adaptation of the mind-expanding book furthers the ongoing conversation as it introduces Harari's ideas to a wide new readership.

Macanudo #3 Liniers 2015-10 "Macanudo #2" was called "an indispensable work of comic art" by "Publishers Weekly." Volume #3 further builds and deepens this strip's charming, surreal world."

Comics Beyond the Page in Latin America James Scorer 2020-02-17 Comics Beyond the Page in Latin America is a cutting-edge study of the expanding worlds of Latin American comics. Despite lack of funding and institutional support, not since the mid-twentieth century have comics in the region been so dynamic, so diverse and so engaged with pressing social and cultural issues. Comics are being used as essential tools in debates about, for example, digital cultures, gender identities and political disenfranchisement.

The Wolf in Underpants Wilfrid Lupano 2019-01-01 In this witty graphic novel, a community of forest animals trades scary rumors about a nearby wolf. Some critters have even gone into business selling wolf traps and anti-wolf fences. But when the wolf appears in a pair of striped underpants, everyone rethinks their fears. This is a heartwarming story about understanding differences, told with an oddball sense of humor.

Mafalda & Friends - 2 Quino 2020-09-28 Mafalda, the six-year-old girl who has captivated millions of hearts in Latin America and the world, is now on Google Play with her love for The Beatles, pancakes, books, tv (except for series), running in the open air, and playing cowboys. This character has been an inspiration to many, others have learnt to read with her stories. Mafalda is a symbol of liberty and of children's rights; she hates soup and can't stand injustice, war, violence, or racism. She would like to work at ONU when she grows up, so she can help the world. She is both critical and naive at the same time, a mix that you will surely find charming. Her thoughts and the values she stands for are good reasons for sharing her comic strips with the family. Download and share her eleven books, now available on Google Play. Enjoy.

Wrinkles Paco Roca 2016-08-03 Retired bank manager Emilio, suffering from Alzheimer's, is taken to an assisted living home by his son. He befriends his roommate Miguel, an overconfident ladies' man. Together, they employ clever tricks to keep the doctors from noticing Emilio's ongoing deterioration — and keep him from being transferred to the dreaded confinement of the top floor of the facility. ("Better to die than to end up there." Their determination to stay active as individuals and maintain their dignity culminates in an adventurous escape.

Graphic Storytelling Will Eisner 1996 Examines the fundamentals of storytelling in comic book style and offers advice on story construction and visual narratives.

World of Quino Quino 1986-10-15 An Argentine cartoonist presents a collection of his wordless cartoons

Caricatura y prensa nacional Ana C. Sánchez Molina 2002 An excellent scholarly history of political cartooning in Costa Rica's mainstream press, with focus on the tradition of the caricature in Latin American society, its development in the national press and a review of the nation's leading popular artists.

Zaroff Sylvain Runberg 2019-08-21 1937: An island somewhere in the middle of the ocean, which Count Zaroff has chosen as his new hunting ground. He's tired of hunting the usual

game — animals are far too easy to kill. He has set himself the supreme challenge: a prey that is both dangerous and unpredictable, in fact the only prey worth hunting — people. But when the Count brings down a Mafia boss, the "family" lands on the island looking for revenge. Suddenly, the roles are reversed and the Count finds himself being hunted. To make matters worse, the Mafiosi have kidnapped the Count's sister and her children and brought them to the island. If Zaroff doesn't find them soon, they'll all be killed. And he'll be next.

Mindful Framing Oscar Segurado 2018-03-25 The ancient practices of meditation have much to teach us, but they're not well suited for our anxiety-driven modern life. Techniques such as mindfulness meditation once worked well, but today, only experienced meditators achieve calm, relaxed minds by focusing on mantras, breathing, or objects. We need a different approach to deal with anxiety. Beyond engaging daily our mind on self-reflection, we need to frame each of the 1,440 minutes in a day around a natural, empathetic, and healthy lifestyle. Oscar Segurado, MD, PhD, has developed the practice of mindful framing and the associated NEO Chi lifestyle to address this unmet need. A physician-scientist passionate for integrative medicine, he experienced firsthand the emotional effects of anxiety even as he witnessed its impact on family, friends, and colleagues. As an immunologist, he knows too well how stress and anxiety trigger serious immune-mediated diseases, including cancer, chronic infections, and autoimmunity. Combining his medical knowledge with a lifelong interest in Ayurveda and Chinese medicine, Segurado developed and practices daily mindful framing and the NEO Chi lifestyle, designed with the modern world in mind. Supported with audiovisual materials, mindful framing defines a novel nature-minds-body connection for the twenty-first century. With just fifteen minutes of daily practice, you'll experience a more intimate connection with the natural world, emotional harmony with the minds around you, and a feeling of overall invigoration.

App Kid Michael Sayman 2021-09-21 An inspiring and deeply personal coming of age memoir from one of Silicon Valley's youngest entrepreneurs—a second-generation Latino immigrant who taught himself how to code as a thirteen-year-old and went on to claim his share of the American dream. As his parents watched their restaurant business collapse in the wake of the Great Recession, Michael Sayman was googling "how to code." Within a year, he had launched an iPhone app that was raking in thousands of dollars a month, enough to keep his family afloat—and in America. Entirely self-taught, Sayman headed from high school straight into the professional world, and by the time he was seventeen, he was Facebook's youngest employee ever, building new features that wowed its founder Mark Zuckerberg and are now being used by more than half a billion people every day. Sayman pushed Facebook to build its own version of Snapchat's Stories and, as a result, engagement on the platform soared across

all demographics. Millions of Gen Z and Millennials flocked to Facebook, and as teen engagement rose dramatically on Instagram and WhatsApp, Snapchat's parent company suffered a billion-dollar loss in value. Three years later, Sayman jumped ship for Google. App Kid is the galvanizing story of a young Latino, not yet old enough to drink, who excelled in the cutthroat world of Silicon Valley and went on to become an inspiration to thousands of kids everywhere by following his own surprising, extraordinary path. In this candid and uplifting memoir, Sayman shares the highs and lows, the successes and failures, of his remarkable journey. His book is essential and affirming reading for anyone marching to the beat of their own drum.

Tsubasa Album de Reproductions CLAMP (Mangaka group) 2009 Presents official art from the graphic novel series, and includes the artists' commentary on creating each artwork and how they relate to Tsubasa's characters and plotline.

From Comic Strips to Graphic Novels Daniel Stein 2015-04-24 This essay collection examines the theory and history of graphic narrative as one of the most interesting and versatile forms of storytelling in contemporary media culture. Its contributions test the applicability of narratological concepts to graphic narrative, examine aspects of graphic narrative beyond the 'single work', consider the development of particular narrative strategies within individual genres, and trace the forms and functions of graphic narrative across cultures. Analyzing a wide range of texts, genres, and narrative strategies from both theoretical and historical perspectives, the international group of scholars gathered here offers state-of-the-art research on graphic narrative in the context of an increasingly postclassical and transmedial narratology. This is the revised second edition of *From Comic Strips to Graphic Novels*, which was originally published in the *Narratologia* series.

The First Mrs. Rothschild Sara Aharoni 2019-07 In this award-winning historical saga, passionate young lovers in a Jewish ghetto rise to become the foremost financial dynasty in the world. It is the turn of the eighteenth century in Frankfurt, Germany, and young Gutle and Meir Amschel Rothschild struggle to establish themselves in the cramped and restricted Judengasse. But when Meir's talents as a novice banker catch the attention of a German prince, Meir is suddenly afforded entrée into the European world of finance and nobility, and the Rothschilds' lives are changed forever. As proud as Gutle is of her husband's success, she

is also cautious--very much aware of the fact that her husband's rise is tied to his patrons' willingness to "see past" his Jewishness. As their family grows, and a dream of fortune comes true, so does their belief that money will ultimately bring the power needed to establish Jewish civil rights. Told through Gutle's intimate journals, revealed across decades--from the French Revolution through personal tragedies and triumphs--The First Mrs. Rothschild paints a rich and intimate tapestry of family drama, world-changing history, and one woman's steadfast strength.

Tokyo Ghoul, Vol. 6 Sui Ishida 2016-04-19 Things heat up in the 11th Ward as the CCG investigates the high rate of investigator deaths. Kaneki has an explosive run-in with Aogiri Tree, essentially a Ghoul Gang, run by a Ghoul known only as the One-Eyed King. -- VIZ Media

PandoraHearts Jun Mochizuki 2014-04-15 Brother, master, friend... There once was an impure soul who, unknowingly, sealed a contract with Humpty Dumpty in the dark bowels of Sablier. But the time has come for him to face both his true self and his sins. Reexamining the events that have led him to this juncture, he comes to a realization and, choosing to stand by his convictions, decides on a course of action...as though it may yet save him somehow...

Clyde Fans Seth 2021-10-20 Legendary Canadian cartoonist Seth's magnum opus Clyde Fans, two decades in the making, appeared on twenty best of 2019 lists, including those from the New York Times, the Guardian, and Washington Post, and was nominated for an Eisner Award and the Giller Prize. Clyde Fans peels back the optimism of mid-twentieth century capitalism, showing the rituals, hopes, and delusions of a vanished middle-class—garrulous self-made men in wool suits extolling the virtues of their wares to taciturn shopkeepers. Much like the myth of an ever-growing economy, the Clyde Fans family business is a fraud. The patriarch has abandoned it to mismatched sons, one who strives to keep the company afloat and the other who retreats into his memories. Abe and Simon Matchcard are brothers, struggling to save their archaic family business selling oscillating fans in a world switching to air conditioning. Simon flirts with becoming a salesman as a last-ditch effort to leave the protective walls of the family home, but is ultimately unable to escape Abe's critical voice in his head. As Clyde Fans Co. crumbles, so does the relationship between the two men, who choose very different life paths but both end up utterly unhappy. Seth's intimate storytelling and gorgeous art allow cityscapes and detailed period objects to tell their own stories as the brothers struggle to find themselves suffocating in an airless home. Twenty years in the making, Clyde Fans peels back the optimism of mid-twentieth century capitalism. Legendary Canadian cartoonist Seth lovingly shows the rituals, hopes, and delusions of a middle-class that has long ceased to exist in North America—garrulous men in wool suits extolling the virtues of the wares to taciturn shopkeepers with an eye on the door. Much like the myth of an ever-growing economy, the Clyde Fans family unit is a fraud—the patriarch has abandoned the business to mismatched sons, one who strives to keep the business afloat and the other who retreats into the arms of the remaining parent. Abe and Simon Matchcard are brothers, the second generation struggling to save their archaic family business of selling oscillating fans in a world switching to air conditioning. At Clyde Fans' center is Simon, who flirts with becoming a salesman as a last-ditch effort to leave the protective walls of the family home, but is ultimately unable to escape Abe's critical voice in his head. As the business crumbles so does any remaining relationship between the two men, both of whom choose very different life paths but still end up utterly unhappy. Seth's intimate storytelling and gorgeous art allow

urban landscapes and detailed period objects to tell their own stories as the brothers struggle to find themselves suffocating in an airless city home. An epic time capsule of a storyline that begs rereading.

The Language of Comics Mario Saraceni 2003 The Language of Comics provides a history of comics from the end of the nineteenth century to the present and explores the 'semiotics of comics'.

The Big Bad Fox Benjamin Renner 2017-06-20 Who's afraid of the Big Bad Fox? No one, it seems. The fox dreams of being the terror of the barnyard. But no one is intimidated by him, least of all the hens—when he picks a fight with one, he always ends up on the losing end. Even the wolf, the most fearsome beast of the forest, can't teach him how to be a proper predator. It looks like the fox will have to spend the rest of his life eating turnips. But then the wolf comes up with the perfect scheme. If the fox steals some eggs, he could hatch the chicks himself and raise them to be a plump, juicy chicken dinner. Unfortunately, this plan falls apart when three adorable chicks hatch and call the fox Mommy. Beautifully rendered in watercolor by Benjamin Renner, The Big Bad Fox is a hilarious and surprisingly tender parable about parenthood that's sure to be a hit with new parents (and their kids too).

My Favorite Thing is Monsters Emil Ferris 2017-02-15 Set against the tumultuous political backdrop of late '60s Chicago, My Favorite Thing Is Monsters is the fictional graphic diary of 10-year-old Karen Reyes, filled with B-movie horror and pulp monster magazines iconography. Karen Reyes tries to solve the murder of her enigmatic upstairs neighbor, Anka Silverberg, a holocaust survivor, while the interconnected stories of those around her unfold. When Karen's investigation takes us back to Anka's life in Nazi Germany, the reader discovers how the personal, the political, the past, and the present converge.
