**Steps Under Water** Alicia Kozameh 1996 "Translation of Pasos bajo el agua, with brief introductory notes (dated 1987 and 1996) by author and foreword by Sosnowski, who describes the military dictatorship under which Kozameh lived and was imprisoned. A powerful, moving book in both languages; however, bilingual readers no doubt will miss Kozameh's drawings done during her imprisonment, and may regret the alterations to the original intended to make the book more attractive and accessible to readers in English"--Handbook of Latin American Studies, v. 58.

**Icy Sparks** Gwyn Hyman Rubio 2001-03-08 A New York Times Notable Book and the March 2001 selection of Oprah's Book Club® ! Icy Sparks is the sad, funny and transcendent tale of a young girl growing up in the mountains of Eastern Kentucky during the 1950's. Gwyn Hyman Rubio's beautifully written first novel revolves around Icy Sparks, an unforgettable heroine in the tradition of Scout in To Kill a Mockingbird or Will Treed in Cold Sassy Tree. At the age of ten, Icy, a bright, curious child orphaned as a baby but raised by adoring grandparents, begins to have strange experiences. Try as she might, her "secrets"—verbal croaks, groans, and physical spasms—keep afflicting her. As an adult, she will find out she has Tourette's Syndrome, a rare neurological disorder, but for years her behavior is the source of mystery, confusion, and deep humiliation. Narrated by a grown up Icy, the book chronicles a difficult, but ultimately hilarious and heartwarming journey, from her first spasms to her self-acceptance as a young woman. Curious about life beyond the hills, talented, and energetic, Icy learns to cut through all barriers—physical, mental, and spiritual—in order to find community and acceptance. Along her journey, Icy faces the jeers of her classmates as well as the malevolence of her often-ignorant teachers—including Mrs. Stilton, one of the most evil fourth grade teachers ever created by a writer. Called willful by her teachers and "Frog Child" by her schoolmates, she is exiled from the schoolroom and sent to a children's asylum where it is hoped that the roots of her mysterious behavior can be discovered. Here Icy learns about difference—her own and those who are even more scarred than she. Yet, it isn't until Icy returns home that she really begins to flower, especially through her friendship with the eccentric

and obese Miss Emily, who knows first-hand how it feels to be an outcast in this tightly knit Appalachian community. Under Miss Emily's tutelage, Icy learns about life's struggles and rewards, survives her first comical and heartbreaking misadventure with romance, discovers the healing power of her voice when she sings, and ultimately—takes her first steps back into the world. Gwyn Hyman Rubio's *Icy Sparks* is a fresh, original, and completely redeeming novel about learning to overcome others' ignorance and celebrate the differences that make each of us unique.

African Pasts, Presents, and Futures Touria Khannous, Ph.D 2013-10-17 African Pasts, Presents, and Futures: Generational Shifts in African Women's Literature, Film, and Internet Discourse, by Touria Khannous, critically reevaluates assumptions in liberal feminist theory, which has examined African women primarily in terms of their object status rather than as agents effecting change. By analyzing forces of marginalization, subordination and empowerment, the book carves out arenas for African women within feminist theory and creates spaces for the recognition of their place in national and global politics.

The Spy Wore Silk Aline Countess of Romanones 1991-03-04 The Spy Wore Silk America's most captivating secret agent tells the true story of a Cold War mission into Morocco with William Casey. "For glamor, adventure and intrigue, this is as good as it gets," wrote *Cosmopolitan* of *The Spy Went Dancing*, Aline Romanones' best selling successor to her memoir of OSS adventures during World War II, *The Spy Wore Red*. American beauty, Spanish socialite, devoted wife and mother, and spy, Aline, Countess of Romanones, wrote *Time*, lived a life of glamour and danger that Ingrid Bergman only played at in *Notorius*. Now in her third book, Aline unveils a true story of royalty and murder. It is 1971, and news reports of the near-assassination of Morocco's King Hassan II shock Aline. Just months before, she had received veiled warnings of such a plot, but few people had paid much attention. Now it is her job to make sure that the would be assassins do not succeed in their second attempt. With the help of onetime OSS colleague and future CIA chief William Casey, she searches for the conspirators, from the shadowy back streets of the Marrakesh souks to the lavish palaces of Casablanca and Rabat, from exotic desert banquets that turn into terrorist targets to elaborate shooting parties masking treachery and death. With the days running out, she must somehow untangle the complex web of motives and deceptions perpetrated by traitors, Soviet agents, illicit lovers, and uncertain allies, in order to ensure the king's survival—and increasingly, her own. Written with great style and her supreme talent for both suspense and the exotic details of high society, the *spy Wore Silk* is irresistible real life intrigue. "My husband's role in *The Spy Wore Silk* fills me with pride. I wish Bill could have read this terrific, gripping story— not only because his patriotism and courage come through so clearly, but also because the book is so much fun." Sophia Casey, widow of William Casey, CIA Director, 1981-1987

**The Punishment** Tahar Ben Jelloun 2020-04-14 An innocent man's gripping personal account of terrifying confinement by the Moroccan military during the reign of a formidable twentieth-century despot In 1967 Tahar Ben Jelloun, a peaceful

young political protestor, was one of nearly a hundred other hapless men taken into punitive custody by the Moroccan army. It was a time of dangerous importance in Moroccan history, and they were treated with a chilling brutality that not all of them survived. This powerful portrait of the author's traumatic experience, written with a memoirist's immediacy, reveals both his helpless terror and his desperate hope to survive by drawing strength from his love of literature. Shaken to the core by his disillusionment with a brutal regime, unsure of surviving his ordeal, he stole some paper and began to secretly write, with the admittedly romantic idea of leaving some testament behind, a veiled denunciation of the evils of his time. His first poem was published after he was unexpectedly released, and his vocation was born.

*Stolen Lives* Malika Oufkir 2002-04-01 The daughter of a former aide to the king of Morocco, who was executed after a failed assassination attempt on the ruler, describes how she, her five younger siblings, and her mother were imprisoned in a desert penal colony for twenty years. (Biography)

**Everyday Life in the Muslim Middle East** Donna Lee Bowen 2002 A revised and updated edition of a popular and widely used text

**Freedom** Malika Oufkir 2007-10-09 *Stolen Lives*, Malika Oufkir's intensely moving account of her twenty years imprisoned in a desert jail in Morocco, was a surprise international best seller and the second non-fiction title ever selected for Oprah's Book Club. In her highly anticipated follow-up, Malika reflects on the life she lived before and during incarceration and how dramatically the world had changed when she emerged. Malika Oufkir was born into extreme privilege as the daughter of the king of Morocco's closest aide, and she grew up in the palace as companion to the Moroccan princess. But in 1972, her life of luxury came to a crashing halt. Her father was executed for attempting to assassinate the king, and she and her family were locked away for two decades. After a remarkable escape, Malika and her family returned to the world they'd left behind, only to find it transformed. Living for the first time as an adult, Malika writes candidly about adjusting to the world we take for granted, from negotiating ATMs to the excesses of shopping malls, to falling in love and sex. In *Stolen Lives*, Malika mourned the children she was not having as she wasted away in prison. When she is finally free, motherhood becomes crucial to Malika's ability to fully live her life: she adopts first her niece, then a baby boy from Morocco. Full of insight and piercing observations, as well as humor, *Freedom* is as masterful and thoughtprovoking as the original.

**Helena Rubinstein** Michèle Fitoussi 2013-03-11 Helena Rubinstein was born into a poor Polish family at the end of the nineteenth century; by the time of her death in 1965 she had built a cosmetics empire that spanned the world. When Rubinstein opened her first salon in Melbourne, her scientific approach to beauty was an instant sensation. Women just couldn't get enough of her innovative advice on skincare, and her beauty products were constantly sold out. Having conquered Australia, Rubinstein went on to open salons in Europe and America, at a time when women were barely seen in business, let alone running their own multinational companies. Dressed by Chanel and Yves St Laurent, painted by Salvador Dali and Picasso and mingling with Colette and Proust, Helena Rubinstein not only enjoyed unbelievable success, but was also instrumental in empowering and liberating women. Helena Rubinstein was a total original, and her legacy can still be seen today in the methods used to market and manufacture cosmetics. This is her amazing life story.

**What Looks Like Crazy On an Ordinary Day** Pearl Cleage 2009-03-17 After a decade of elegant pleasures and luxe living with the Atlanta brothers and sisters with the best clothes and biggest dreams, Ava Johnson has temporarily returned home to Idlewild—her fabulous career and power plans smashed to bits by cold reality. But what she imagines to be the end is, instead, a beginning. Because, in the ten-plus years since Ava left, all the problems of the big city have come to roost in the sleepy North Michigan community whose ordinariness once drove her away; and she cannot turn her back on friends and family who sorely need her in the face of impending trouble and tragedy. Besides which, that one unthinkable, unmistakable thing is now happening to her: Ava Johnson is falling in love. Acclaimed playwright, essayist, New York Times bestselling author, and columnist Pearl Cleage has created a world rich in character, human drama, and deep, compassionate understanding, in a remarkable novel that sizzles with sensuality, hums with gritty truth, and sings and crackles with life-affirming energy.

**The Black Prince** Michael Jones 2018-05-01 As a child he was given his own suit of armor; at the age of sixteen, he helped defeat the French at Crécy. At Poitiers, in 1356, his victory over King John II of France forced the French into a humiliating surrender that marked the zenith of England's dominance in the Hundred Years War. As lord of Aquitaine, he ruled a vast swathe of territory across the west and southwest of France, holding a magnificent court at Bordeaux that mesmerized the brave but unruly Gascon nobility and drew them like moths to the flame of his cause. He was Edward of Woodstock, eldest son of Edward III, and better known to posterity as "the Black Prince." His military achievements captured the imagination of Europe: heralds and chroniclers called him "the flower of all chivalry" and "the embodiment of all valor." But what

was the true nature of the man behind the chivalric myth, and of the violent but pious world in which he lived?

*Marching Powder* Thomas McFadden 2004-05-01 Rusty Young was backpacking in South America when he heard about Thomas McFadden, a convicted English drug trafficker who ran tours inside Bolivia's notorious San Pedro prison. Intrigued, the young Australian journalist went to La Paz and joined one of Thomas's illegal tours. They formed an instant friendship and then became partners in an attempt to record Thomas's experiences in the jail. Rusty bribed the guards to allow him to stay and for the next three months he lived inside the prison, sharing a cell with Thomas and recording one of the strangest and most compelling prison stories of all time. The result is *Marching Powder*. This book establishes that San Pedro is not your average prison. Inmates are expected to buy their cells from real estate agents. Others run shops and restaurants. Women and children live with imprisoned family members. It is a place where corrupt politicians and drug lords live in luxury apartments, while the poorest prisoners are subjected to squalor and deprivation. Violence is a constant threat, and sections of San Pedro that echo with the sound of children by day house some of Bolivia's busiest cocaine laboratories by night. In San Pedro, cocaine--"Bolivian marching powder"--makes life bearable. Even the prison cat is addicted. Yet *Marching Powder* is also the tale of friendship, a place where horror is countered by humor and cruelty and compassion can inhabit the same cell. This is cutting-edge travel-writing and a fascinating account of infiltration into the South American drug culture.

**The Year the Colored Sisters Came to Town** Jacqueline Guidry 2001 Shines a fierce light on the effects of racism in a corner of Louisiana and, by doing so, illuminates the heavy price paid for bigotry.

The Tragedy of the Templars Michael Haag 2013-08-13 From Michael Haag, bestselling author of *The Templars: The History and the Myth*, comes *The Tragedy of the Templars*, an exciting new look at the rise of Templar power and the saga of their destruction. Founded on Christmas Day 1119 in Jerusalem, the Knights Templar was a religious order dedicated to defending the Holy Land and its Christian pilgrims in the decades after the First Crusade. Legendary for their bravery and dedication, the Templars became one of the wealthiest and most powerful bodies of the medieval world—and the chief defenders of Christian society against growing Muslim forces. In *The Tragedy of the Templars: The Rise and Fall of the Crusader States*, Haag masterfully details the conflicts and betrayals that sent this faction of powerful knights spiraling from domination to condemnation. This stirring and thoroughly researched work of historical investigation includes maps and full-color photographs of important cultural sites, many of which doubled as battlefields during the Crusades.

**Thach Weave** Steve Ewing 2013-03-22 This biography completes a trilogy on the three Navy fighter pilots—Jimmie Thach, Butch O'Hare, and Jimmy Flatley—who developed sweeping changes in aerial combat tactics during World War II. While O'Hare and Flatley were instrumental in making the "weave" a success, Thach was its theoretical innovator, and his use of the tactic in combat at Midway documented its practical application. This portrait of the famous pilot provides a memorable account of how Thach, convinced that his Wildcat was no match for Japan's formidable Zero, found a way to give his squadron a fighting

chance. Using matchsticks on his kitchen table, he devised a solution that came to be called the Thach Weave. But as Steve Ewing is quick to point out, this was not Thach's sole contribution to the Navy. Throughout his forty-year career, Thach provided answers to multiple challenges facing the Navy, and his ideas were implemented service wide. A highly decorated ace, Thach was an early test pilot, a creative task force operations officer in the last year of the World War II, and an outstanding carrier commander in the Korean War. During the Cold War, he contributed to advances in antisubmarine warfare. This biography shows him to be a charismatic leader interested in everyone around him, regardless of rank or status. His dry sense of humor and constant smile attracted people from all walks of life, and he was a popular figure in Hollywood. Thach remains a hero among naval aviators today, his most famous combat tactic still in use by modern jets.

**The Land Beyond the Sea** Sharon Kay Penman 2020-03-03 From the critically acclaimed New York Times bestselling author Sharon Kay Penman comes the story of the reign of King Baldwin IV and the Kingdom of Jerusalem's defense against Saladin's famous army. The Kingdom of Jerusalem, also known as Outremer, is the land far beyond the sea. Baptized in blood when the men of the First Crusade captured Jerusalem from the Saracens in the early twelfth century, the kingdom defined an utterly new world, a land of blazing heat and a medley of cultures, a place where enemies were neighbors and neighbors became enemies. At the helm of this growing kingdom sits young Baldwin IV, an intelligent and courageous boy committed to the welfare and protection of his people. But despite Baldwin's dedication to his land, he is afflicted with leprosy at an early age and the threats against his power and his health nearly outweigh the risk of battle. As political deception scours the halls of the royal court, the Muslim army--led by the first sultan of Egypt and Syria, Saladin--is never far from the kingdom's doorstep, and there are only a handful Baldwin can trust, including the archbishop William of Tyre and Lord Balian d'Ibelin, a charismatic leader who has been one of the few able to maintain the peace. Filled with drama and battle, tragedy and romance, Sharon Kay Penman's latest novel brings a definitive period of history vividly alive with a tale of power and glory that will resonate with readers today.

**Maghrebs in Motion** Suzanne Gauch 2016-01-04 Exploring films made in Tunisia, Morocco, and Algeria from 1985 to 2009, Suzanne Gauch illustrates how late post-independence and early twenty-first century North African cinema prefigured many of the transformations in perception and relation that stunned both participants and onlookers during the remarkable uprisings of the 2011 Arab Spring. Through multifaceted examinations of key films by nine filmmakers--Farida Benlyazid, Mohamed Chouikh, Nacer Khemir, Nabil Ayouch, Lyès Salem, Nadia El Fani, Tariq Tegua, Faouzi Bensaïdi, and Nejjib Belkadhi--Gauch delineates the shifting relation of politics to film in the era of neoliberal globalization. Each work, she argues, taps the power inherent in cinema to destabilize patterns of perception and judgment while taking film's role as popular entertainment in new directions. Highlighting how each film taps into the mobility at the core of cinema to break through the boundaries that have

long circumscribed filmmaking from North Africa, Gauch shows how this cinema continues to forge and reflect unexpected trajectories for itself and its audiences.

Constructed in large part by inmate labor, the "Old Idaho Penitentiary" stands as a reminder of Idaho's Wild West past. Horse thieves, moonshiners, bank robbers, and assassins alike all called this penitentiary home. Owned and operated by the Idaho State Historical Society, the Old Idaho Penitentiary is one of only four territorial prisons open to the public in the United States.

When the Emperor Was Divine Julie Otsuka 2007-12-18 From the bestselling, award-winning author of *The Buddha in the Attic*, this commanding debut novel paints a portrait of the Japanese incarceration camps that is both a haunting evocation of a family in wartime and a resonant lesson for our times. On a sunny day in Berkeley, California, in 1942, a woman sees a sign in a post office window, returns to her home, and matter-of-factly begins to pack her family's possessions. Like thousands of other Japanese Americans they have been reclassified, virtually overnight, as enemy aliens and are about to be uprooted from their home and sent to a dusty incarceration camp in the Utah desert. In this lean and devastatingly evocative first novel, Julie Otsuka tells their story from five flawlessly realized points of view and conveys the exact emotional texture of their experience: the thin-walled barracks and barbed-wire fences, the omnipresent fear and loneliness, the unheralded feats of heroism. *When the Emperor Was Divine* is a work of enormous power that makes a shameful episode of our history as immediate as today's headlines. Don't miss Julie Otsuka's new novel, *The Swimmers*, coming in February 2022!

*A Hope in the Unseen* Ron Suskind 2010-08-18 The inspiring, true coming-of-age story of a ferociously determined young man who, armed only with his intellect and his willpower, fights his way out of despair. In 1993, Cedric Jennings was a bright and ferociously determined honor student at Ballou, a high school in one of Washington D.C.'s most dangerous neighborhoods, where the dropout rate was well into double digits and just 80 students out of more than 1,350 boasted an average of B or better. At Ballou, Cedric had almost no friends. He ate lunch in a classroom most days, plowing through the extra work he asked for, knowing that he was really competing with kids from other, harder schools. Cedric Jennings's driving ambition—which was fully supported by his forceful mother—was to attend a top college. In September 1995, after years of near superhuman dedication, he realized that ambition when he began as a freshman at Brown University. But he didn't leave his struggles behind. He found himself unprepared for college: he struggled to master classwork and fit in with the white upper-class students. Having traveled too far to turn back, Cedric was left to rely on his intelligence and his determination to maintain hope in the unseen—a future of acceptance and reward. In this updated edition, *A Hope in*

the Unseen chronicles Cedric's odyssey during his last two years of high school, follows him through his difficult first year at Brown, and tells the story of his subsequent successes in college and the world of work. Eye-opening, sometimes humorous, and often deeply moving, A Hope in the Unseen weaves a crucial new thread into the rich and ongoing narrative of the American experience.

My Name Is Mary Sutter Robin Oliveira 2010-05-13 An enthralling historical novel about a young woman's struggle to become a doctor during the Civil War In this stunning first novel, Mary Sutter is a brilliant, headstrong midwife from Albany, New York, who dreams of becoming a surgeon. Determined to overcome the prejudices against women in medicine-and eager to run away from her recent heartbreak- Mary leaves home and travels to Washington, D.C. to help tend the legions of Civil War wounded. *The Monk and the Philosopher* Jean Francois Revel 2011-03-16 Jean Francois-Revel, a pillar of French intellectual life in our time, became world famous for his challenges to both Communism and Christianity. Twenty-seven years ago, his son, Matthieu Ricard, gave up a promising career as a scientist to study Tibetan Buddhism -- not as a detached observer but by immersing himself in its practice under the guidance of its greatest living masters. Meeting in an inn overlooking Katmandu, these two profoundly thoughtful men explored the questions that have occupied humankind throughout its history. Does life have meaning? What is consciousness? Is man free? What is the value of scientific and material progress? Why is there suffering, war, and hatred? Their conversation is not merely abstract: they ask each other questions about ethics, rights, and responsibilities, about knowledge and belief, and they discuss frankly the differences in the way each has tried to make sense of his

life. Utterly absorbing, inspiring, and accessible, this remarkable dialogue engages East with West, ideas with life, and science with the humanities, providing wisdom on how to enrich the way we live our lives.

*She's Come Undone* Wally Lamb 2012-12-11 Meet Dolores Price. She's thirteen, wise-mouthed but wounded. Beached like a whale in front of her bedroom TV, she spends the next few years nourishing herself with the chocolate, crisps and Pepsi her anxious mother supplies. When she finally rolls into young womanhood at 257 pounds, Dolores is no stronger and life is no kinder. But this time she's determined to rise to the occasion and give herself one more chance before really going belly up. In his extraordinary coming-of-age odyssey, Wally Lamb invites us to hitch an incredible ride on a journey of love, pain, and renewal with the most heartbreakingly comical heroine to come along in years. At once a fragile girl and a hard-edged cynic, so tough to love yet so inimitably loveable, Dolores is as poignantly real as our own imperfections.

**True Notebooks** Mark Salzman 2007-12-18 In 1997 Mark Salzman, bestselling author *Iron and Silk* and *Lying Awake*, paid a reluctant visit to a writing class at L.A.'s Central Juvenile Hall, a lockup for violent teenage offenders, many of them charged with murder. What he found so moved and astonished him that he began to teach there regularly. In voices of indelible emotional presence, the boys write about what led them to crime and about the lives that stretch ahead of them behind bars. We see them coming to terms with their crime-ridden pasts and searching for a reason to believe in their future selves. Insightful, comic, honest and tragic, *True Notebooks* is an object lesson in the redemptive power of writing.
