Mama Tingo Raynela A. Calderon 2021-04-15 Mama Tingo was born on November 8, 1921 in the Dominican Republic. She was the leader of a group of farmers whose lands wanted to be taken from them. The inspiring story of this courageous peasant woman who didn't know how to read and write is meant to inspire children to be their own brave selves. ***** Mamá Tingo nació en la República Dominicana el 8 de noviembre de 1921. Fue líder de un grupo de agricultores cuyas tierras querían ser arrebatadas. La historia inspiradora de esta valiente campesina que no sabía leer ni escribir tiene la intención de inspirar a jóvenes lectores a que sean valientes y siempre sean ellos mismos.

Mother Daughter Me Katie Hafner 2014-04-08 The complex, deeply binding relationship between mothers and daughters is brought vividly to life in Katie Hafner's remarkable memoir, an exploration of the year she and her mother, Helen, spent working through, and triumphing over, a lifetime of unresolved emotions. Dreaming of a "year in Provence" with her mother, Katie urges Helen to move to San Francisco to live with her and Zoë, Katie's teenage daughter. Katie and Zoë had become a mother-daughter team, strong enough, Katie thought, to absorb the arrival of a seventy-seven-year-old woman set in her ways. Filled with fairy-tale hope that she and her mother would become friends, and that Helen would grow close to her exceptional granddaughter, Katie embarked on an experiment in intergenerational living that she would soon discover was filled with land mines: memories of her parents' painful divorce, of her mother's drinking, of dislocating moves back and forth across the country, and of

Katie's own widowhood and bumpy recovery. Helen, for her part, was also holding difficult issues at bay. How these three women from such different generations learn to navigate their challenging, turbulent, and ultimately healing journey together makes for riveting reading. By turns heartbreaking and funny—and always insightful—Katie Hafner's brave and loving book answers questions about the universal truths of family that are central to the lives of so many. Praise for *Mother Daughter Me* "The most raw, honest and engaging memoir I've read in a long time."—KJ Dell'Antonia, *The New York Times* "A brilliant, funny, poignant, and wrenching story of three generations under one roof, unlike anything I have ever read."—Abraham Verghese, author of *Cutting for Stone* "Weaving past with present, anecdote with analysis, [Katie] Hafner's riveting account of multigenerational living and mother-daughter frictions, of love and forgiveness, is devoid of self-pity and unafraid of self-blame. . . . [Hafner is] a bright—and appealing—heroine."—Cathi Hanauer, *Elle* "[A] frank and searching account . . . Currents of grief, guilt, longing and forgiveness flow through the compelling narrative."—Steven Winn, *San Francisco Chronicle* "A touching saga that shines . . . We see how years-old unresolved emotions manifest."—Lindsay Deutsch, *USA Today* "[Hafner's] memoir shines a light on nurturing deficits repeated through generations and will lead many readers to relive their own struggles with forgiveness."—Erica Jong, *People* "An unusually graceful story, one that balances honesty and tact . . . Hafner narrates the events so adeptly that they feel enlightening."—Harper's "Heartbreakingly honest, yet not without hope and flashes of wry humor."—Kirkus Reviews "[An] emotionally raw memoir examining the delicate, inevitable shift from dependence to independence and back again."—O: *The Oprah Magazine* (Ten Titles to Pick Up Now)

Estudios de lingüística hispánica Amparo Morales 1999 A celebration of the academic and scientific works of Dr. Maria Vaquero. Includes writings by renowned figures from the world of Hispanic letters.

Culture and Paradiplomatic Identity Ioan Horga 2016-02-22 The beginning of the millennium has been influenced by a visible acceleration of the globalisation process. A complex and dynamic phenomenon, it has generated a series of consequences at the political, strategic and military levels, as well as the cultural level. The increase of interdependence between actors on the international stage, modern technologies, means of communication, cross-border relations, and the constant flux of goods, capital, services and people entail major changes for the tools used by states in international relations. In this context, states are obligated to identify solutions to overcome risks and threats posed to peace and security, as current regional conflicts can easily become international. In order to streamline communication and interstate cooperation, beyond the classic appeal to tolerance, there has been, in recent years, an exponential increase of the use of culture and, by extension, cultural diplomacy. Thus, cultural cooperation represents a vital part of the current process of transformation and transition. Adopting an interdisciplinary character, this volume investigates some of the aspects that emphasise the essential role of culture, as a promoter and supporter of peace and security,

as an agent of regional and national development, as well as its contributions to attracting and retaining human and financial capital, regional branding, and improving quality of life, among others. The volume will particularly appeal to professors and students of political science, international relations, history, economy, law, and sociology, as well as intellectuals interested in the catalysing role of culture in all areas of activity.

Tears in Iraq Anabelle Valencia 2007-05 Anabelle Valencia's book is a truly painful and absolutely real condemnation of the war in Iraq. It is a testimonial which seeks to make the public aware of the war's awful consequences.

Infant Mortality by Hispanic Origin of Mother, 20 States, 1985-87 Birth Cohorts Lisa M. Pastore 1995

Introducción a la lingüística hispánica José Ignacio Hualde 2009-12-03 Written entirely in Spanish, this is the ideal introduction to Spanish linguistics for students. Using clear explanations, it covers all the basic concepts required to study the structural aspects of the Spanish language - phonetics and phonology, morphology and syntax - as well as the history of Spanish, its dialects and linguistic variation. This second edition incorporates new features designed to enhance its usefulness for classroom teaching: chapters have been added on the sociolinguistics of Spanish in the USA, and on semantics and pragmatics. The chapter on syntax has been considerably expanded. Numerous exercises have been added throughout the book, as well as a new glossary to help with technical terms.

A History of the Spanish Language through Texts Christopher Pountain 2002-09-11 A History of the Spanish Language through Texts examines the evolution of the Spanish language from the Middle Ages to the present day. Pountain explores a wide range of texts from poetry, through newspaper articles and political documents, to a Bunuel film script and a love letter. With keypoints and a careful indexing and cross-referencing system this book can be used as a freestanding history of the language independently of the illustrative texts themselves.

Visiones de la monarquía hispánica Víctor Mínguez 2007 La monarquía hispana se convierte en una monarquía sacra a través de un solemne pacto entre Dios y sus reyes: el primero legitima a los segundos, garantizándoles la gloria y la grandeza, y los segundos asumen la defensa de Dios y de su Iglesia. La creación de los Estados modernos va pareja a un amplio debate intelectual en el que los teóricos del pensamiento político reflexionan sobre el papel que debe desarrollar el monarca en el gobierno de su reino

Introducción a la sociolingüística hispánica Manuel Diaz-Campos 2013-12-02
Introducción a la SociolingüísticaHispánica es un libro de texto imprescindible para los estudiantes de pregrado que cursan sociolingüísticahispánica. Cada capítulo está redactado en un lenguaje sencillo y accesible. Sobre la base de un enfoque pedagógico, cada capítulo incluye una introducción, una lista de los temas a ser discutidos, el desarrollo de tales temas, un resumen, una lista de términos claves, un glosario de la terminología clave, una sección de ejercicios y preguntas de comprensión al final de cada sección temática de cada capítulo. Provee una introducción actualizada sobre los temas más relevantes de la versátil sociolingüística española contemporánea tales como la variación fonológica, el bilingüismo, la lengua y las leyes, las actitudes lingüísticas, entre otros Incluye una variedad de actividades para apoyar y extender el aprendizaje de los estudiantes Ofrece un enfoque pedagógico único que incluye ejercicios de análisis de datos. Estas actividades estimulan la investigación por parte de los estudiantes a través del uso de las bases de datos, la música popular y otros recursos audiovisuales El libro incluye ejemplos de las variedades de español habladas en el mundo hispanohablante con secciones especiales dedicadas a las variedades habladas en los EEUU
Introducción a la SociolingüísticaHispánica is a much-needed undergraduate introduction to the study of sociolinguistics in the Spanish-speaking world. Written in accessible Spanish, each chapter includes an overview, a review of topics, a section of key terms, exercises and questions. Provides up-to-date coverage of the main topics of sociolinguistics – such as phonological variation, bilingualism, and language attitudes – in relation to the Hispanic

world Incorporates a variety of activities to support and extend student's learning Offers a unique pedagogical approach, in which data analysis exercises encourage students to conduct research by using electronic databases, popular music, and audiovisual material Features examples that apply to Spanish varieties spoken around the world, with special sections dedicated to the Spanish varieties of the US

Definitely Hispanic LeJuan James 2019-06-04 Perfect for fans of Fresh Off the Boat's situational humor and Jane the Virgin's celebration of Latinidad, *Definitely Hispanic* is a collection of introspective memoiristic essays by social media influencer and viral phenomenon LeJuan James about growing up Hispanic in the US. LeJuan James loves being Hispanic. But growing up in the United States to immigrant parents, he quickly noticed that their house rules and traditions didn't always match up with his friends'. The result was a lifetime of laugh-out-loud relatable content for his videos. After half a decade of reenacting his experiences online, LeJuan is taking a closer look at everything he loves about his family's culture. *Definitely Hispanic* is a collection of heartfelt memoiristic essays that explores the themes LeJuan touches upon in his videos and celebrates the values and traditions being kept alive by Hispanic parents raising US-born children. He shares anecdotes about discovering the differences between his and his friends' households, demystifies "La Pela" (the Spanking), explains the vital role women play in Hispanic families, and pays reverence to universal cultural truths like food is love and music is in Hispanics' DNA. From #Home, where he talks about how his family moved back and forth between the United States and Puerto Rico until settling in Orlando, FL, to #TheHouse, when he was finally able to buy his parents the home they deserve thanks to his online success; this wide-ranging collection of essays will resonate with fans of all ages who feel like they straddle the line between two (or more) cultures, languages, and/or identities.

Chicken Beaks Ben Romero 2003-08-25 CHICKEN BEAKS: GROWING UP HISPANIC, tells a story about family, religion, and values. The setting is northern New Mexico during the late 1950's and early 60's. Told in first person, using dialogue sprinkled with Spanish, each event comes alive as told through the eyes of a child. Every chapter has an underlying lesson mixing humor, love and drama. Though Hispanic in flavor, the vignettes have universal appeal. Portions have appeared in *Reminisce* and *Sun* magazines. This book is written for older children and adults. Hispanics account for 35.3 million people in the United States, and census figures show a 60 percent growth in the last decade. Cultural similarities that exist among Hispanics include a strong commitment to traditional values such as family, religion and heritage. While the common language, Spanish, is regionalized, the need to learn English is a binding tie.

Hispanics are notorious for learning to read by employing humor. That explains the high sales of comic books in Mexican and South American markets. Even so, there is a shortage of Hispanic writers. **CHICKEN BEAKS: GROWING UP HISPANIC** developed from the stories the author told his children about his life. What people are saying about **CHICKEN BEAKS: GROWING UP HISPANIC** "Many parents like myself, forget there were happy childhoods without Game Boys, cartoon networks and Beanie Babies. Fresno resident Ben Romero recounts such a childhood in "Chicken Beaks: Growing up Hispanic" The book is filled with stories about life in the village of Nambe, N.M., which had a populations of fewer than 300 when Romero was a child. "Romero could have titled his collection of stories "What Are You Doing?" That often was his mother's refrain after, just in the nick of time, finding her boys on the verge of doing something that could have caused serious injury." Mary Lou Aguirre, Fresno Bee

Teatro! Angel Vigil 1996 Consists of fourteen scripts for classroom use based upon Hispanic culture and traditions of the American Southwest.

A Toda Madre Mexican Notebooks 2018-07-28 The great gift journal contains blank, ruled lines.

Enciclopedia de Lingüística Hispánica Javier Gutiérrez-Rexach 2016-01-29 The Enciclopedia de Linguística Hispánica provides comprehensive coverage of the major and subsidiary fields of Spanish linguistics. Entries are extensively cross-referenced and arranged alphabetically within three main sections: Part 1 covers linguistic disciplines, approaches and methodologies. Part 2 brings together the grammar of Spanish, including subsections on phonology, morphology, syntax and semantics. Part 3 brings together the historical, social and geographical factors in the evolution of Spanish. Drawing on the expertise of a wide range of contributors from across the Spanish-speaking world the Enciclopedia de Linguística Hispánica is an indispensable reference for undergraduate and postgraduate students of Spanish, and for anyone with an academic or professional interest in the Spanish language/Spanish linguistics.

Mama Might Be Better Off Dead Laurie Kaye Abraham 2019-05-10 North Lawndale, a neighborhood that lies in the shadows of Chicago's Loop, is surrounded by some of the city's finest medical facilities, Yet, it is one of the sickest, most medically underserved communities in the country. **Mama Might Be Better Off Dead** immerses readers in the lives of four generations of a poor, African-American family in the neighborhood, who are beset with the devastating illnesses that are all too common in America's inner-cities. Headed by Jackie Banes, who oversees the care of a diabetic grandmother, a husband on kidney dialysis, an ailing father, and three children, the Banes family contends with countless medical crises. From visits to emergency rooms and dialysis units, to trials with home care, to struggles for Medicaid eligibility, Laurie Kaye Abraham chronicles their access—or more often, lack thereof—to medical care. Told sympathetically but without sentimentality, their story reveals an inadequate health care system that is further undermined by the direct and indirect effects of poverty. Both disturbing and illuminating, **Mama Might Be Better Off**

Dead is an unsettling, profound look at the human face of health care in America. Published to great acclaim in 1993, the book in this new edition includes an incisive foreword by David Ansell, a physician who worked at Mt. Sinai Hospital, where much of the Banes family's narrative unfolds.

Latin American Folktales John Bierhorst 2002 Presents more than one hundred folktales selected from the Hispanic and Indian peoples of Latin America and the Caribbean and includes stories of mischievous tricksters, scheming witches, angels, arrogant aristocrats, humble peasants, and heroes and heroines.

The Amazon Legion Tom Kratman 2011-04-01 On the colony planet of Terra Nova, Carrera has achieved his revenge, destroying those who had destroyed his life by killing his wife and children in a terrorist strike. And, with this help of his second wife, he has thwarted an attempted coup that would have restored the rule of the oligarchy and undone his hard-won victory. But his fight is not over yet... The problem of the Tauran Union's control of the Transitway between Terra Nova and Earth remains, as does the problem of the nuclear armed United Earth Peace Fleet, orbiting above the planet. The Taurans will not leave, and the Balboans³a proud people, with much recent success in war - will not tolerate that they should remain. And yet, with one hundred times the population and three or four hundred times the wealth, the Tauran Union outclasses little Balboa in almost every way, even without the support of Old Earth. Sadly, they have that support. Everything, everyone, will have to be used to finish the job of freeing the country and, if possible, the planet. The children must fight. The old must serve, too. And the women? This is their story, the story of Balboa's Tercio Amazona, the Amazon Regiment. At the publisher's request, this title is sold without DRM (Digital Rights Management).

are concisely and accurately outlined providing a comprehensive foundation in the field. A comprehensive companion website provides a wealth of additional resources including further exercises to reinforce the material covered in the book, extra examples to clarify the most difficult concepts, extensive audio clips which reproduce the sounds of phonemes and allophones and sonograms. Written in a clear and accessible manner with extensive auxiliary materials, *Introducción a la lingüística hispánica actual* has been specially designed for students of Spanish with little or no linguistic background who need to understand the key concepts and constructs of Spanish linguistics.

Bibliotheca hispanica 1900

Molecular Systematics of Plants II Douglas E. Soltis 1998-06-30 In the five years since the publication of *Molecular Systematics of Plants*, the field of molecular systematics has advanced at an astonishing pace. This period has been marked by a volume of new empirical data and advances in theoretical and analytical issues related to DNA. Comparative DNA sequencing, facilitated by the amplification of DNA via the polymerase chain reaction (PCR), has become the tool of choice for molecular systematics. As a result, large portions of the *Molecular Systematics of Plants* have become outdated. *Molecular Systematics of Plants II* summarizes these recent achievements in plant molecular systematics. Like its predecessor, this completely revised work illustrates the potential of DNA markers for addressing a wide variety of phylogenetic and evolutionary questions. The volume provides guidance in choosing appropriate techniques, as well as appropriate genes for sequencing, for given levels of systematic inquiry. More than a review of techniques and previous work, *Molecular Systematics of Plants II* provides a stimulus for developing future research in this rapidly evolving field. *Molecular Systematics of Plants II* is not only written for systematists (faculty, graduate students, and researchers), but also for evolutionary biologists, botanists, and paleobotanists interested in reviewing current theory and practice in plant molecular systematics.

Diálogo y oralidad en la narrativa hispánica moderna Rolf Eberenz 2001-01-01 La representación de la comunicación oral en los textos escritos se encuentra actualmente en la encrucijada de varias disciplinas científicas dedicadas al estudio del lenguaje y de sus productos culturales (lingüística, antropología, sociología, historia de la literatura, etc.). En lingüística el (re-) descubrimiento de la oralidad ha empezado a minar la tradicional certidumbre sobre la preeminencia de la lengua escrita y a provocar una revisión de muchos conceptos gramaticales nunca cuestionados. Los estudiosos de la literatura conocía, desde hacía tiempo, fenómenos conexos, como el género del diálogo literario, la inserción de diálogos en el relato o el coloquialismo de estos últimos, que a veces impregna también el discurso del propio narrador.

Amore Therapy Xiomara Melo 2010-08 Xiomara Melo introduces AmoRe Therapy, a clinical intervention designed for the specific needs of Hispanics couples and families, utilizing Biblical concepts of marriage, this modality speaks

straight to the basic emotional needs of love and respect of men and women, within a spiritual context that allows for greater safety and security of attachment to God as well as to each other. Additionally this model bridges the gap in research and clinical practice in working with families with a domestic violence history. Through the use of humor, story telling, and psychodrama techniques such as doubling, role reversal, touching, soliloquy, replay, and role playing, mirror, the author has worked with approximately 200 Hispanic couples in the last seven years. The most successful type of clients have been Hispanic couples with a history of domestic violence and trauma.

Revelation Revealed Stonie Waters 2010-11 If you're looking for "WOW," this is it! Revelation Revealed interprets how the world ends - based on the Kings James version of the Bible - as if it were happening today. This powerful manuscript's images and passages are brought to life through mini episodes featuring fictional characters from the Bible, as well as non-fictional people living today. In the mode of current Hollywood blockbusters, Revelation provides in earth-shaking terms what people today crave. There is the ultimate showdown between angels and demons, and good vs. evil. Its ending will stun! The story is filled with equal doses of sci-fi, horror, and religion. You will be frightened by it, but will have to know how it ends. So hang on for the ride of your life! "Revelation Revealed by Stonie Waters is part thriller, part sci-fi novel and part morality play, in the same league as the Left Behind series. There are many apocalyptic stories out there, but few that also entertain as well as enlighten. The story was gripping from the first page to the last. Whether you are a believer, nonbeliever or skeptic about the history and fate of our world's end, this book will definitely make an impact and quite possibly change your mind. If anything, you will have been entertained. I hope to see more work from this gifted author." - Marisela Campas, Retail Book Store Manager Author Stonie Waters wrote this book during "one of the most spiritual times of my life." Publisher's Website: <http://www.strategicpublishinggroup.com/title/RevelationRevealed.html>

Vital and Health Statistics 1994

Emblemata Hispanica Pedro F. Campa 1990 Emblem books—books containing pictorial representations whose symbolic meaning is expressed in words—were produced in great quantities and in numerous languages during the sixteenth and seventeenth centuries. Because literary critics and art historians increasingly recognize the importance of the emblem in Renaissance and Baroque studies, this book answers the need for a bibliography listing the locations of all known emblem books in Spanish, as well as those translated into Spanish, written by Spaniards in other languages, and polyglot editions that contain a Spanish text. Covered in this bibliography are all emblem books published from the beginning to the end of the Spanish Golden Age, as well as a wide range of secondary sources on relevant subjects, among them mythography, paradoxography, numismatics, fetes, funerals, proverbs, apothegms, antiquarianism, collecting, and pertinent studies in art history and architecture. Providing call numbers for library locations, information on facsimile reprints, and microform

editions, the work is extensively indexed—by date and place of publication, by printers and booksellers, by authors and artists, and by dedicatees, as well as by subject.

The Hispanic Mother-daughter Program Jason A. Casares 2003

The Collected Historical Works of Sir Francis Palgrave, K.H. Francis Palgrave
2013-12-05 Sir Francis Palgrave (1788-1861) was a distinguished English historian, solicitor and antiquarian, now considered to be the founder of the Public Record Office. After his death, Palgrave's son Sir Inglis Palgrave edited his Collected Historical Works, which focus mostly on the Anglo-Norman and Middle Ages. Originally published in 1921, this fourth volume of the Collected Historical Works contains the text of the fourth and final part of Palgrave's exhaustive history of England and Normandy, which covers events in Britain and Normandy between the death of William the Conqueror and the accession of Henry Plantagenet. Editorial notes are supplied at the back of the volume. This book will be of value to anyone with an interest in English or French history or in Victorian historiography.
