Do you want to use positive psychology to be more likable? Do want to understand the psychology of persuasion and influence? If the answer is YES, you've come to the right place! This book is the bundle of TWO life-changing books. The FIRST book MANIPULATION AND DARK PSYCHOLOGY presents the science-based techniques to address your questionable

behaviors including selfishness, ruthlessness, and other "dark" behaviors. What many people don't know about the dark behavior is the fact that it can be seen in other classes of dark personality such as greed, sadism, egoism, amorality, and spitefulness. What should you do about it? Don't worry - help is available in this book! This life-changing book gives a comprehensive guide on the following: - What is dark psychology? Why should you know about it? - What are the aspects of dark psychology? How do you recognize it? - What's it like to be a victim of dark psychology? What are the symptoms? - Are you the victim of dark psychology yourself (OMG! Do something about it)? - What is deception? What is manipulation? Why should you know it? - What is the real power of persuasion (you will be surprised to know the answers)? - What is the "dark triad"? Why is it important to know? - What is "mind control"? Why is hypnosis a form of mind control? - Exactly how to use dark psychology in your daily life... AND MORE!!! The SECOND book presents the research-based methods to INFLUENCE THE PSYCHOLOGY OF PERSUASSION. If you always wanted to clearly understand the psychology of persuasion and be more successful in business and life, then, this book is for you. While other books teach you to use manipulative techniques, this book encourages you NOT to pressure your customers or audience. This book will teach you NOT to ask manipulative questions and demand more. This book gives a comprehensive guide on the following: - What are the science-based methods of persuasion? Why should you know them? - What's the different between dark psychology and persuasion? - How to persuade your customers and people in business and life (learn the secret art of persuasion)? - How to spot a psychopath? What are the "must-know" mind control techniques? - How to employ positive manipulation and persuasion techniques to get what you want? - How to understand as to how our bodies communicate? - How to use persuasion techniques in business (and relationship) negotiations? - What is dark NLP? What are the strategies sex traffickers use to find victims (defend yourself and your loved ones)... AND MORE!!! Just thinking about getting this book sometime in the future is not enough. You need to take an action today. Your little investment could prove a life-changing decision. Get your copy of

Dark Psychology for Beginners Judith Dawson 2021-05-21 Would you like to know how people are able to trick you into believing them? Have you ever wondered why you end up buying things that you didn't need? Would you like to learn how to be more persuasive? Have you ever wondered what you could accomplish if you knew how to control people using dark psychology? If you answered yes to any of these questions, then this book is for you... Control, manipulation, charisma, and persuasion. Most people wouldn't see all of those words as belonging to the same group. In fact, most would see the first two as something terrible and the last two as something good. It's understandable. That's what we've been led to believe. What would you say if I told you that all four of those words use similar mechanisms to be effective and that the only difference is how a person uses them? Look at it this way, a politician who lies all the time can be charismatic. A persuasive store ad is manipulating you to make a purchase. They really are one and the same, and the difference lies within your reason behind using them... In *Dark Psychology for Beginners*, you're going to learn the best ways to analyze and read people through persuasion, mind control, and manipulation techniques... This two-in-one series includes the following 2 books: 1. *Dark Psychology for Beginners: How to Analyze Anyone Through Mind Manipulation Techniques and Dark Psychology Tactics* 2. *Manipulation Techniques: Discover How to Analyze People Through Mind Manipulation, Psychological Techniques and Body Language* In this book you'll learn: What manipulation is and how it doesn't always have to be something terrible The basics of dark psychology and how the study of dark psychology came to be Why dark psychology is so effective and why people choose to use the techniques The big differences between persuasion and manipulation and the importance of being good at persuasion Some of the most common manipulation techniques and common vulnerabilities they exploit What mind control is and the different forms of mind control How neuro-linguistic programming (NLP) can help you be more persuasive How to develop your NLP skills How to develop charisma and use charm to influence people Examples of some of the best scenarios to use dark psychology and manipulation And so much more! Knowing how to be persuasive or manipulative, and knowing dark psychology doesn't make you a bad person. If your intentions are good, then you likely won't fall into the category of a manipulative or toxic person. This book isn't just about learning how to use dark psychology and be manipulative, though. This book will help you learn how to spot people who are trying to manipulate you. You'll be able to pick up on those NLP techniques and put a stop to them. This is great if you ever come across a person who is looking to negatively control you, such as a psychopath... Everyone needs to have some skills in persuasion, rapport building, and body language. This book will help you to do just that. Once you understand these methods and techniques, you'll find that you no longer worry about people taking advantage of you. You'll know exactly what to look for and how to shut it down immediately before they take control of your mind. Get this book and start your journey today!
