[Come With Me](#) Holly M. McGhee 2017-09-05 "Together, the words and pictures work seamlessly to deliver a powerful message: What we do matters."—R. J. Palacio, The New York Times When the news reports are flooded with tales of hatred and fear, a girl asks her papa what she can do to make the world a better place. "Come with me," he says. Hand-in-hand, they walk to the subway, tipping their hats to those they meet. The next day, the girl asks her mama what she can do—her mama says, "Come with me," and together they set out for the grocery, because one person doesn't represent an entire race or the people of a land. After dinner that night, the little girl asks if she can do something of her own—walk the dog . . . and her parents let her go. "Come with me," the girl tells the boy across the hall. Walking together, one step at a time, the girl and the boy begin to see that as small and insignificant as their part may seem, it matters to the world. In this lyrical and timely story, author Holly M. McGhee and illustrator Pascal Lemaître champion the power of kindness, bravery, and friendship in the face of uncertainty.

Begin Again Ursula Orange 2017-03-20 Oxford, it appeared, if it did not seem to have fitted her for any precise occupation, had at least unfitted her for a great many things. In her charming and incisive debut novel, Ursula Orange focuses her sharp eye on four young women only recently down from Oxford. Jane and Florence live in London, working at office jobs, the latter channelling her excess energy into a dreadfully earnest novel of her own. Sylvia remains at home, shocking her family with theories of sexual and social liberation. And Leslie, as the novel opens, idealizes the other three, as she tries to convince her mother to let her use her small nest egg to attend art school in London. As the four friends balance their youthful ideals with the realities of work and romance in 1930s England, Orange offers hilarious and thoughtful perspectives on the quandaries of educated, ambitious women in a world not yet ready for them. This new edition includes an introduction by Stacy Marking. "a charming and deftly written book" Sunday Times "The fresh quality and genuine youthfulness of this story are as charming in fiction as in life." Times Literary Supplement "an unusually good first novel, in a decade of unusually good first novels." Daily Telegraph

Wee Gillis Munro Leaf 2006-05-30 A Caldecott Honor Book by the creators of the beloved Story of Ferdinand Wee Gillis lives in Scotland. He is an orphan, and he spends half of each year with his mother's people in the lowlands, while the other half finds him in the highlands with his father's kin. Both sides of Gillis's family are eager for him to settle down and adopt their ways. In the lowlands, he is taught to herd cattle, learning how to call them to him in even the heaviest of evening fogs. In the rocky highlands, he stalks stags from outcrop to outcrop, holding his breath so as not to make a sound. Wee Gillis is a quick study, and he soon picks up what his elders can teach him. And yet he is unprepared when the day comes for him to decide, once and for all, whether it will be the lowlands or the highlands that he will call his home. Robert Lawson and Munro Leaf's classic picture book is a tribute to the powers of the imagination and a triumph of the storyteller's and illustrator's art.

Ten Days In a Mad-House Nellie Bly 2014-06-02 *Ten Days In a Mad-House* (1887) by Nellie Bly. Nellie Bly (1864–1922) was the pen name of American journalist Elizabeth Jane Cochrane. She was a groundbreaking reporter known for a record-breaking trip around the world in 72 days, in emulation of Jules Verne's fictional character Phileas Fogg, and an exposé in which she faked insanity to study a mental institution from within. She was a pioneer in her field, and launched a new kind of investigative journalism. Nellie Bly, whose given name was Elizabeth Jane Cochran, was a pio-neer of investigative journalism. She died in 1922. Of her many exposé assignments for Joseph Pulitzer's NEW YORK WORLD, her voluntary (and undercover) journey into the "lunatic asylum" on Blackwell's (now Roosevelt) Island is perhaps the most well known. In previous chapters of the series, she has (without much difficulty) fooled various doctors and authorities into deeming her insane and admitting her to the asylum, which is located on an island just east of Manhattan. "SINCE my experiences in Blackwell's Island Insane Asylum were published in the World I have received hundreds of letters in regard to it. The edition containing my story long since ran out, and I have been prevailed upon to allow it to be published in book form, to satisfy the hundreds who are yet asking for copies."

How to Speak Politely and Why Munro Leaf 2005-08-09 Updated for the 21st century, *How to Speak Politely and Why* is a picture book with a point: proper speech and good grammar without nagging. It aims to remove "ain't" and "uh-huh" and "gimme" and "got" and a score of unfortunate nuances by a simple, sure painless and humorous process. In his signature style of amusing stick figure drawings and captions, Leaf makes clear such things as the difference between can and may, and the reason why one does not say "he done it" or "she come." Exasperated parents (and grandparents) faced with the unpleasant task of dealing with grammatical lapses acquired by their children from (gasp!) their neighbor's children will be delighted (and relieved) by this veritable "grammar without tears." Teachers will find it an indispensable ally, and even the culprits themselves—the children—will discover that learning to speak politely and correctly isn't such a chore after all.
