Mental Mindfulness: a Mental Health Journal for Girls The Therapy Institute 2021-05-25 Today's world is full of ups and downs and young people must guard their mental health. Whether it is dealing with the realities of COVID-19, depression, anxiety, anger, grief, guilt, low self-esteem, or the stresses of everyday life, a person's mental health can suffer. There is no better way to guard mental health than through journaling. Unlike the complexity of other journals that prompt writing about something that is irrelevant to a person's life or steers them away from what they are truly feeling or experiencing, this journal is simple and open. It allows for TRUE expression. This journal was composed by the award-winning team at The Therapy Institute. The Therapy Institute boasts nearly two decades of working with children from all walks of life and their tried-and-true methods have been utilized to maintain the mental and physical health of children from around the world.

Mastering Your Data Andy Graham 2015-01-01 This is my latest book on Data Architecture focusing on the subject of MDM (Master Data Management). It is intended to provide a overview of the subject with chapters covering key topics such as: the business case, data privacy, the challenges of global MDM, golden source and authoritative source explanations, the different MDM styles and the record matching process. The back cover text says the following: " Master Data Management (MDM for short) has become a whole industry, within an industry. There are many companies now claiming to be MDM software (or services) providers. Everyone wants a master data project on their CV, and in general it has become hip

and trendy to talk about and do. The reality is that MDM is in fact the reincarnation of the problem of how to manage the consistency and integrity of the myriads of data assets that exist across the enterprise. This book provides an understanding of MDM, the business drivers behind it, the various techniques that are critical to its success and gives a good architectural grounding in the subject. It is perfect for anyone embarking on an 'adventure' in this problem space." I hope you find this book enjoyable and useful. Andy

Preacher's Pearl Cyndi Raye 2020-04-20 The last of the single men of Pistol Ridge - A woman doctor trying to find home - A town that welcomes both. Laura Malburn is fresh out of medical college when she is offered a job taking over her uncle's office. She heads to Pistol Ridge, a place out west where doctors of the female gender are tolerated. Pierson Radcliff, or better known as Preacher, is the last single man in the small group of heroes in Pistol Ridge. He thinks he has a reputation to uphold as a charmer, but when a new doctor arrives, everything changes. When things go awry, as it tends to do in Pistol Ridge, will these two hearts beat as one, or will evil prevail? Will the folks of Pistol Ridge be able to stand up once again to keep their town clean? Pistol Ridge is a small remote mining town near Nevada City, Montana Territory, where a dirty sheriff had held the town hostage by ordering his thugs to steal a percentage of their earnings to keep law and order. But, the women, holding a secret society, went looking for a hero. They found him and cleaned up the town with the help of seven men who fought in the war to help their former commander. Now, seven men are looking for somewhere to hang their hats. Will Pistol Ridge be the place to find reprieve for their weary souls? This is Pierson Radcliff's story - also known as Preacher
