Chaotics Philip Kotler 2009-06-11 We have entered into an entirely new era, an age of increasingly frequent and intense periods of turbulence in the global economy. Unlike past recessions, today's crises have precipitated a need for businesses to develop a new mindset, one that takes into account intermittent periods of disturbance, allowing them to thrive while under the constant threat of chaos. Chaotics presents a revolutionary set of guidelines designed to help businesses:

- detect sources of turbulence
- prepare scenarios
- predict resulting vulnerabilities and opportunities
- develop responses to ensure long-term resilience and success
- avoid risk while advancing the interests of the company
- build flexibility into the balance sheet
- price strategically
