The Boy who Loved Durjoy Datta 2017 The only thing you cannot plan in life is when and who to fall in love with . . . Raghu likes to show that there is nothing remarkable about his life--loving, middle-class parents, an elder brother he looks up to, and plans to study in an IIT. And that's how he wants things to seem--normal. Deep down, however, the guilt of letting his closest friend drown in the school's swimming pool gnaws at him. And even as he punishes himself by hiding from the world and shying away from love and friendship, he feels drawn to the fascinating Brahmi--a girl quite like him, yet so different. No matter how hard Raghu tries, he begins to care . . . Then life throws him into the deep end and he has to face his worst fears. Will love be strong enough to pull him out? The Boy Who Loved , first of a two-part romance, is warm and dark, edgy and quirky, wonderfully realistic and dangerously unreal.

Apprenticed to a Himalayan Master Sri M 2022-11-08 In this tell-all autobiography, Sri M writes about his fascinating journey as a young man from the southern coast of India to the mystical Himalayan Mountains. At the age of nineteen and a half, he felt an irresistible urge to go to the Himalayas in quest for his great Master. He finally met his Master at the Vyasa Cave, beyond the Badrinath shrine. After spending three and half years with his Master, wandering freely across the length and breadth of the Himalayan ranges, he was instructed to go back to live in the plains and lead a normal life. He started working for a living, fulfilled his social commitments and prepared himself to teach others all that he had learned and experienced. This book reveals the spiritual journey of a young lad from Kerala, who by his sincerity and dedication evolved into a living yogi. Sri M shares his knowledge of the Upanishads and spiritual insights born out of first hand experiences in his autobiography. **Apprenticed to a Himalayan Master** will make for an engaging and riveting read for those interested in the life and teachings of Sri M.

Anthropology on the March L. Krishna Anantha Krishna Iyer (Diwan Bahadur) 1963

A Description of Indian and Oriental Armour Edgerton of Tasson 2001 A well illustrated book about the various arm and armour that have been use in the east. For want of a volume describing the subject, the author wrote this book. It starts with a sketch of the military history of India from the earliest invasions up to the first Burmese war of 1824. It then gives a descriptive catalogue of Indian Arms with introductory notes on styles of decoration, processes of manufacture and ethnological characteristics. Various areas are described in separate chapters. The descriptions are complimented with a map, 23 full page illustrations and numerous wood cuts. This book was first published in 1896.

Calcutta Nights Hemendra Kumar Roy 2020-01-06 Calcutta nights (Raater Kolkata) is the real-life story and memoir of the enigmatic 'Meghnad Gupta', pen name of famed Bengali fiction writer Hemendra Kumar Roy. Translated into English by Rajat Chaudhuri almost a century after the first publication of Raater Kolkata in 1923, Roy reveals to contemporary readers The darkest secrets of an earlier Calcutta. The first two decades of the last century, the backdrop for this book, were politically turbulent times. Those days, Calcutta, the erstwhile capital of British India, was teeming with people from different parts of the country besides Europeans and other foreigners. It was a city of sin, pleasure and suffering. Indians who arrived and settled here mingled with locals, some of them picking up dress, manners and the wanton lifestyles of the Bengali 'Babu', while others kept their identities intact. All this created a unique cosmopolitan setting, coloured with shades of debauchery, darkness and crime that this first-hand account brilliantly recounts. Written in an age very different from ours, certain views of the author could be jarring for the present times. However, these need to be tempered by the understanding of the sociopolitical contexts and the distance of a century separating us from Meghnad Gupta's Calcutta. Calcutta nights is the hootum pyanchar naksha

(published in 1862 and penned by kaliprasanna Sinha) of the early twentieth century, a book that will help anyone understand the contrasts and colours of a unique Indian metropolis.

Wahala Nikki May 2022-01-11 "Contemporary female friendship goes glam in this lively debut novel with remarkable depth." -- Washington Post "Great fun and extremely smart." -- npr.org NAMED A MOST ANTICIPATED BOOK OF 2022 BY Vogue * Marie Claire * Glamour * Essence * Oprah Daily * Entertainment Weekly * Bustle * PopSugar * CrimeReads * and more! An incisive and exhilarating debut novel following three Anglo-Nigerian best friends and the lethally glamorous fourth woman who infiltrates their group—the most unforgettable girls since Carrie, Miranda, Charlotte, and Samantha. Ronke wants happily ever after and 2.2. kids. She's dating Kayode and wants him to be "the one" (perfect, like her dead father). Her friends think he's just another in a long line of dodgy Nigerian boyfriends. Boo has everything Ronke wants—a kind husband, gorgeous child. But she's frustrated, unfulfilled, plagued by guilt, and desperate to remember who she used to be. Simi is the golden one with the perfect lifestyle. No one knows she's crippled by impostor syndrome and tempted to pack it all in each time her boss mentions her "urban vibe." Her husband thinks they're trying for a baby. She's not. When the high-flying, charismatic Isobel explodes into the group, it seems at first she's bringing out the best in each woman. (She gets Simi an interview in Shanghai! Goes jogging with Boo!) But the more Isobel intervenes, the more chaos she sows, and Ronke, Simi, and Boo's close friendship begins to crack. A sharp, modern take on friendship, ambition, culture, and betrayal, *Wahala* (trouble) is an unforgettable novel from a brilliant new voice.

Medical Traditions Alain Touwaide 2021-12-31 Medical traditions encapsulate the knowledge of life, health, nutrition, diseases and their treatment patiently assembled by populations over a long period of time in the past, carefully handed down through generations, and subsequently recorded in writing and preserved in books now scattered in libraries across the world. Rarely the object of a specific study, they are approached here as a field in its own right. The present essay explores such key topics as the impact of tradition approach on medical historiography, the relation between written documents and practice, and the transmission of knowledge across time and cultures with its possible modifications and their processes and causes. Though based on a decade-long close scrutiny of the Greek medical tradition, it establishes parallels with other traditions, and invites not only to do comparative study, but also to apply to other traditions the approach proposed here. By laying down the foundations for a fresh analysis of ancient medical knowledge as a discipline, *Medical Traditions - Exploring the Field* will be a reference for any scholar interested in the medical record of the past, be it for the sake of history or for renewed applications in present day.

Sacred Games Vikram Chandra 2011-03-03 An enormously satisfying, exciting and enriching book, Vikram Chandra's novel draws the reader deep into the lives of detective Sartaj Singh and Ganesh Gaitonde, the most wanted gangster in India. Sartaj, the only Sikh inspector in the whole of Mumbai, is used to being

Downloaded from avenza-dev.avenza.com

identified by his turban, beard and the sharp cut of his trousers. But 'the silky Sikh' is now past forty, his marriage is over and his career prospects are on the slide. When Sartaj gets an anonymous tip off as to the secret hideout of the legendary boss of the G-company, he's determined that he'll be the one to collect the prize. This is a sprawling, epic novel of friendships and betrayals, of terrible violence, of an astonishing modern city and its underworld. Drawing on the best of Victorian fiction, mystery novels, Bollywood movies and Vikram Chandra's years of first hand research on the streets of Mumbai, this novel reads like a potboiling page-turner but resonates with the intelligence and emotional depth of the best of literature.

Rearview Raghu 2013 Autobiography of an executive producer of reality television shows.

Kadhai & Tava Cooking Delights Tarla Dalal Ask a housewife what she cannot do without in the kitchen and she would name the tava and the kadhai instantaneously! Be it roti, dosa, upma or subzi , most Indian recipes call for these two common and important utensils to complete the job quickly and easily. However, this awesome twosome is handy not just for such everyday Indian cooking but for exotic recipes too, and even those with an international touch. Take the tava; while rotis , parathas and tikkis are likely to pop up in your mind first, this book also includes innovative options like Mini Idlis in Coconut Sauce, Aloo Paneer Chaat and Mutter Dhingri. Likewise, while the kadhai is commonly used to make subzis, dals and deep-fried snacks, this book will also help you explore unusual recipes like Urad Dal with Paneer, Black Bean Dal and Crispy Bhindi. From snacks to rotis and parathas, from subzis and dals, to kadhi too, the 48 recipes in this book 'Kadhai and Tava Cooking Delights' explore various sumptuous and delicious dishes for everyday cooking as well as special occasions. To make sure you are able to whip up a wholesome and balanced Indian meal, there are also rice delicacies like Potato and Green Peas

Maslaa Bhaat, Coconut Rice with Vegetable Curry and so on. Most of these rice preparations are such that they can be prepared quickly and served casually with a papad and raita. Ideal for an impromptu meal! If international cuisine excites you, then you will enjoy the three sizzler recipes in this book. It is amazing how the kadhai and the tava enable you to prepare sizzlers swiftly and easily too! Indeed, it is true that the most common things are most valuable too! We can do without glamorous kitchen tools, but not without the kadhai and the tava. Understandably, several types of kadhais and tavas of various qualities and price-points are available in the market today. So, select these handy utensils with care, and handle them with love – watch simple ingredients transform into irresistible foods that your family, friends and you too will enjoy to the core! Welcome to the digital version of Tarla Dalal's Kadhai & Tava Cooking! You can now carry your cookbook with you wherever you go. Although this book contains the same delicious and inspiring recipes as the print version, you might find the look-and-feel a bit different, due to the changes we have consciously implemented, to make using this eBook easy and interesting for you. All the items in the menus are directly linked to the relevant pages, making navigation a breeze. Just click on any chapter in the Table of Contents, and you will be taken to a list of recipes in that chapter. Just choose, and click on any of those recipes, and you are ready to start cooking it, with the clear recipes and lovely images to inspire you. If you are in doubt about any of the ingredients, worry not... just click on it and you will be taken to the glossary section of our website, tarladalal.com, to view a simple description and easy explanation of the culinary usage of that ingredient. Many recipes are enhanced with their video links, so you can even enjoy watching your favourite recipes being prepared right in front of you. Happy Cooking

The Roots of Hinduism Asko Parpola 2015 Hinduism has two major roots. The more familiar is the religion brought to South Asia in the second millennium BCE by speakers of Aryan or Indo-Iranian languages, a branch of the Indo-European language family. Another, more enigmatic, root is the Indus civilization of the third millennium BCE, which left behind thousands of short inscriptions in a forgotten pictographic script. Discovered in the valley of the Indus River in the early 1920s, the Indus civilization had a population estimated at one million people, in more than 1000 settlements, several of which were cities of some 50,000 inhabitants. With an area of nearly a million square kilometers, the Indus civilization was more extensive than the other key urban cultures of the time, in Mesopotamia and Egypt. Yet, after almost a century of excavation and research the Indus civilization remains little understood. What language did the Indus people speak? How might we decipher the exquisitely carved Indus inscriptions? What deities did they worship? Are the roots of contemporary Hinduism to be found in the religion of the Indus civilization as well as in the Vedic religion? Since the rise of Hindu nationalist politics in the 1980s, these questions have been debated with increasing animosity, colored by the history of modern colonialism in India. This is especially true of the enigmatic Indus script, which is at the hub of the debates, and a particular focus of this book. Asko Parpola has spent fifty years researching the roots of Hinduism to answer these fundamental questions. In this pioneering book, he traces the Indo-Iranian speakers from the Aryan homeland north of the Black Sea through the Eurasian steppes to Central, West, and South Asia. Among many other things, he discusses the profound impact of the invention of the horse-drawn chariot on Indo-Aryan religion, and presents new ideas on the origin and formation of the Vedic literature and rites, and the great Hindu epics.

The Revolution According to Raymundo Mata Gina Apostol 2021-01-12 Revealing glimpses of the Philippine Revolution and the Filipino writer Jose Rizal emerge despite the worst efforts of feuding academics in Apostol's hilariously erudite novel, which won the Philippine National Book Award. Gina Apostol's riotous second novel takes the form of a memoir by one Raymundo Mata, a half-blind bookworm and revolutionary, tracing his childhood, his education in Manila, his love affairs, and his discovery of writer and fellow revolutionary, Jose Rizal. Mata's 19th-century story is complicated by present-day foreword(s), afterword(s), and footnotes from three fiercely quarrelsome and comic voices: a nationalist editor, a neo-Freudian psychoanalyst critic, and a translator, Mimi C. Magsalin. In telling the contested and fragmentary story of Mata, Apostol finds new ways to depict the violence of the Spanish colonial era, and to reimagine the nation's great writer, Jose Rizal, who was executed by the Spanish for his revolutionary activities, and is considered by many to be the father of Philippine independence. *The Revolution According to Raymundo Mata* offers an intoxicating blend of fact and fiction, uncovering lost histories while building dazzling, anarchic modes of narrative.

The Pavlova Story Helen Leach 2008-01-01 Australians and New Zealanders have

long debated which country invented the pavlova, a large meringue dessert cake said to emulate the lightness of the famous ballerina, Anna Pavlova. However, the real story of the ballerina's visit to the Antipodes and the emergence of three different pavlovas has been neglected. The contributions of a gelatine manufacturer, a Dunedin spinster, and numerous other New Zealand housewives are all revealed in this fascinating contribution to food history. The book shows the evolution of the three pavlova types, that their recipes have never been set in stone, and that creative and innovative cooks have played the most important roles in transforming a fashionable afternoon tea cake into an iconic dessert. The book includes 12 classic pavlova recipes.

Eating India Chitrita Banerji 2008-12-10 Though it's primarily Punjabi food that's become known as Indian food in the United States, India is as much an immigrant nation as America, and it has the vast range of cuisines to prove it. In *Eating India*, award-winning food writer and Bengali food expert Chitrita Banerji takes readers on a marvelous odyssey through a national cuisine formed by generations of arrivals, assimilations, and conquests. With each wave of newcomers-ancient Aryan tribes, Persians, Middle Eastern Jews, Mongols, Arabs, Europeans-have come new innovations in cooking, and new ways to apply India's rich native spices, poppy seeds, saffron, and mustard to the vegetables, milks, grains, legumes, and fishes that are staples of the Indian kitchen. In this book, Calcutta native and longtime U.S. resident Banerji describes, in lush and mouthwatering prose, her travels through a land blessed with marvelous culinary variety and particularity.

Historical Grammar of Apabhramśa Ganesh Vasudeo Tagare 1987 Apabhramsa forms the previous stage of modern Indo-Aryan languages like Hindi, Gujarati, Marathi, Bengali etc., its study is essential not only for its literature but also for the formation of modern Indian languages. The present volume is a chrono-regional study of nearly all the edited Apabhramsa texts available. The Apabhramsa texts were classified according to the place of their composition and the linguistic data was arranged in a chronological sequence and thus the space-time context of each forms was determined. After illuminating the term Apabhramsa and fixing its period and classifying the texts in their space-time context, the author offers a general conspectus of the phonological and morphological features of Apabhramsa in the Introduction. Then follow sections on Phonology, Declension, Conjugation, Nominal Stem-formation according to diachronic method connecting the evolved linguistic features to its modern descendant wherever possible. The work ends with an Index Verborum which lists all the words occurring in the study with their Sanskrit and Prakrit

etymologies as well as references to their cognates in the modern Indo-Aryan. As Dr. Siddheshwar Varma says, It is the history of Indo-Aryan between A.D. 500-1200 .
