**The Queen's Adept** Rodolfo Martínez 2015-04-01 The People's Covenant and God's Hammer have raged a Cold War that has lasted for over twenty years. A war without armies, where battles are fought in the dark and information is the most dangerous weapon. In this world —which sometimes seems the Middle Ages, sometimes the Renaissance and sometimes the Nineteenth Century— lives Yáxtor Brandan, empirical adept at the service of the Queen of Alboné. A relentless, amoral and unscrupulous character, Yáxtor fights to recover his own past as he tries to prevent a new player in the espionage game to end the world, as he knows it. A fascinating fast-moving and complex plot, full of tension and surprises and excellently paced; a main character for whom it should be impossible to feel the slightest sympathy, and yet somehow we do, even as his cruelty disturbs us more and more -an extremely difficult feat to pull off so successfully; powerful secondary actors, who either leave you with a sense of uneasiness with regard to their motivations and loyalties, or make you want to shout out -as people did in the early days of cinema- "Look out, don't trust him!"; and a pervading atmosphere of tragedy, especially in a final unexpected and shocking, yet on reflection almost inevitable, scene. In short, a totally addictive and highly original novel set in a world that is at once both strangely familiar and disturbingly alien. —Steve Redwood, author of Fisher of Devils.

**Anne Frank** Melissa Müller 2013-06-20 Tracing Anne Frank's life from an early childhood in an assimilated family to her adolescence in German-occupied Amsterdam, Melissa Müller's biography, originally published in 1998, follows her life right up until her desperate end in Bergen Belsen. This updated edition includes the five missing pages from Anne Frank's diary, a number of new photographs, and brings to light many fascinating facts surrounding the Franks. As well as an epilogue from Miep Gies, who hid them for two years, it features new theories surrounding their betrayal, revelations about the pressure put on their helpers by the Nazi party and the startling discovery that the family applied for visas to the US. This authoritative account of Anne Frank's short but extraordinary life has been meticulously revised over seven years.

*Four Seasons of Love* Nacarid Portal 2017-12-25 Hi, my name is Christopher, and this is my story, maybe It's just like yours, or maybe it isn't. We might not have anything in common, but, we may be very similar and have questions without answers. I'm sure we are both constatly hunted by our past. Although we may not, I don't think I'm like you, my shy friend, invisible in the crowd, addicted to be an addict. In the end, it doesn't matter whom I look like, or who I truly am. What you have in your hands is my journal and it is welcoming you to live inside of a "MAYBE," and to fall in love as much as to end up ignoring it. Life introduced her to me, to show me my desire of living through her eyes. Everything started in May, but I can't tell you what day is today. I'd like to welcome you to my life, filled with excess and fun. I invite you to a world merged with crisis, and to a life filled with music, concerts and poetry.

No Word from Gurb Eduardo Mendoza 2007 A shape-shifting extraterrestrial named Gurb has assumed the form of Madonna and disappeared in Barcelona's back streets. His hapless commander, desperately trying to find him, records the daily pleasures, dangers, and absurdities of our fragile world, while munching his way through enormous quantities of churros. No stone is left unturned in the search for his old pal Gurb. Will Barcelona survive this alien invasion? Will the captain ever find his subordinate? Are there enough churros in Barcelona to satisfy his intergalactic appetite?

**Six Thinking Hats** Edward De Bono 2009-11-05 The classic work about meetings and decision-making. Meetings are a crucial part of all our lives, but too often they go nowhere and waste valuable time. In Six Thinking Hats, Edward de Bono shows how meetings can be transformed to produce quick, decisive results every time. The Six Hats method is a devastatingly simple technique based on the brain's different modes of thinking. The intelligence, experience and information of everyone is harnessed to reach the right conclusions quickly. These principles have been adopted by businesses and governments around the world, ending conflict and confusion in favour of harmony and productivity. The Six Hats strategy will fundamentally change the way you work and interact. 'An inspiring man with brilliant ideas. De Bono never ceases to amaze with his clarity of thought.' Sir Richard Branson
