Scale: 1 to 2 depending on experience. 35 hours per week, term time Start Date: As soon as possible . Key Responsibility: To work under the guidance of the Communication and Engagement Manager to support the Business and Education team with administration tasks and support with the communications and events work of the school. General Duties

202 - static1.squarespace.com

One of the issues we all experience going through 'school' math is that we are used to doing problems that have answers in the back of the book. But when mathematicians work on problems, rEAL problems, there isn't an answer in the back of the book. real mathematicians make assumptions, they wonder in the dark, and that's OK. Students

6IH1½RMRK7XERHEVHM^IH8IWXRK

retention of knowledge and key concepts through analyzing and presenting information, evaluating and constructing arguments, and solving problems creatively.¹⁰ When sheer memorization and strategies to “game the test” are no longer necessary to succeed, students are able to approach learning in an increasingly conceptual
