Sample Statement of Purpose - Mathematics

elementary mathematics. While leaving school I had developed my keen interest on number theory also. In the penultimate year in my high school, I took part in Regional Mathematical Olympiad-about ten thousand students took that test-and got selected for participation in Indian National Mathematical Olympiad.

Advanced High-School Mathematics - Kansas State University

ing during the AY 2007{2008 school year. Such a course is offered only under special circumstances and is typically reserved for those rare students who have finished their second year of IB mathematics HL in their junior year and need a "capstone" mathematics course in their senior year. During the above school year I had two such IB math-
