Roman Legionary AD 284-337 Ross Cowan 2015-04-20 Diocletian and Constantine were the greatest of the Late Roman emperors, and their era marks the climax of the legionary system. Under Constantine's successors the legions were reduced in size and increasingly sidelined in favour of new units of elite auxilia, but between AD 284 and 337 the legions reigned supreme. The legionaries defeated all-comers and spearheaded a stunning Roman revival that humbled the Persian Empire and reduced the mighty Goths and Sarmatians to the status of vassals. This title details the equipment, background, training and combat experience of the men from all parts of the empire who made up the backbone of Rome's legions in this pivotal period.

Den of Inequities Kinyanjui Kombani 2013 Omosh has been whirled to the edge of the cliff and handed a rope by fate to hang himself. Gosti has been betrayed by life and his prodigal father. Aileen is the sophisticated socialite and model. How do the three co-exist? Den of Inequities is a nerve-wracking page turner that comes fast on the heels of the success of *The Last Villains of Molo*. It is a novel that vividly addresses the issues of insecurity. Perhaps it is the most authoritative novel on such issues in the history of Kenya.

The Last Villains of Molo Kinyanjui Kombani 2012 Bone, Bomu, Bafu, Ngeta and Rock find themselves in Ngando slums having fled the ethnic-based violence in Molo. With little to do, they engage in all manner of trade to eke out a living. The entry of Nancy - stylish sophisticated and shrewd - catapults them into a nightmare that leads to destitution, betrayal, desperation, revenge, friendship and lasting love. This is a story of a new generation that rises above the confines of hatred and retribution and reasserts the inherent goodness in man. Told against the background of the 1992 'tribal' clashes in Kenya, *The Last Villains of Molo* is one of the most critically acclaimed modern stories. It has been studied in five universities in Kenya and Germany, and is currently being scripted for film.

A Politics of Presence Peter Pels 2013-12-16 Christian missions in Africa are commonly viewed as a blatant example of ethnocentrism. This stereotype partly exists because the day-to-day interaction between missionaries and Africans has so rarely been studied. This book shows how Africans and missionaries co-produced a Catholic Church in the Uluguru mountains of Eastern Tanzania in the late colonial period, thereby adapting each others' routines in the fields of initiation, education, magic, and religion. It explores how the presence of the mission resulted in a rift between spiritual and worldly magic, and in the underdevelopment of the capacity of Waluguru to manage their own practices of revelation.

Follow Me Back A. Meredith Walters 2015-06-02 The sequel to *Lead Me Not*, this dangerously sexy second installment in the Twisted Love series continues Aubrey and Maxx's love story, from New York Times bestselling author A. Aubrey Duncan has loved...and lost. Should she follow a heart that's betrayed her or a head that tells her to let go? Maxx Demelo's addiction almost destroyed him. It ruined his life and, most importantly, his relationship with the only girl he ever loved. He has vowed to become the man Aubrey Duncan deserves. Even if he has to tear himself apart to do it. So he enters rehab, trying to fix the parts of him that are shattered as he longs to be healthy and whole. Aubrey lost everything because she chose to listen to her heart. Now she has sworn to put herself first, to heal in the only way that she can...far away from Maxx and his demons. But just as Aubrey is starting over, Maxx is released from rehab and thrust back into her world, determined to prove how much they still need each other. And the chaos that had defined them threatens to unleash once again... But a heart, no matter how broken, is impossible to ignore.

The Caucasian Chalk Circle Bertolt Brecht 2015-03-16 This Student Edition of Brecht's classic dramatisation of the conflict over possession of a child features an extensive introduction and commentary that includes a plot summary, discussion of the context, themes, characters, style and language as well as questions for further study and notes on words and phrases in the text. It is the perfect edition for students of theatre and literature. Brecht projects an ancient Chinese story onto a realistic setting in Soviet Georgia. In a theme that echoes the Judgment of Solomon, two women argue over the possession of a child; thanks to the unruly judge, Azdak (one of Brecht's most vivid creations) natural justice is done and the peasant Grusha keeps the child she loves, even though she is not its mother. Written in exile in the United States during the Second World War, *The Caucasian Chalk Circle* is a politically-charged, much-revived and complex example of Brecht's epic theatre. This volume contains expert notes on the author's life and work, historical and political background to the play, photographs from stage productions and a glossary of difficult words and phrases. It features the acclaimed translation by James and Tania Stern with W. H. Auden.
