Canadian Organizational Behaviour Steven Lattimore McShane 2009 The Seventh Edition of Canadian Organizational Behaviour is truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholicism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of

the end-of-chapter exercises and end-of-part cases.

Business Driven Technology Stephen Haag 2006 BDT takes a business-first approach, improving students' perception of the value of IS within the business discipline. This perspective allows instructors to more easily demonstrate how technology and systems support business performance and growth. The adaptive chapter/plugin organization enables the instructor to adjust content according to their business or technical preferences.

King, The Science of Psychology (NASTA Reinforced High School Binding) Laura King 2010-10-22 The Science of Psychology: An Appreciative View treats psychology as an integrated science - placing function before dysfunction. The narrative shows where the various subfields of the science interconnect. This second edition provides a flexible solution for an AP Psychology course. From its readable and lively prose to the adaptive questioning diagnostic tool and personalized study plan on Connect Psychology, The Science of Psychology ensures an accurate and timely understanding of psychology as a science. Pedagogical and analytical thinking aides, intersections, and Psychological Inquiry encourage students' critical thinking and active engagement with the reading. Laura King's contemporary, engaging, and personal writing style draws students into the text and encourages them to read more actively and critically. The Science of Psychology adapts to students individually and provides a roadmap for success that gets students reading and studying more frequently, effectively, and efficiently. The adaptive questioning diagnostic in the Connect Psychology web-based assignment and assessment platforms ensures students understand key chapter concepts. Connect Psychology - turnkey course setups are available almost immediately, or the course can be customized at virtually any level. This makes The Science of Psychology perfect for face-to-face, online, or hybrid course delivery.

Avanti!: Beginning Italian Janice Aski 2009-01-21 Welcome to the second edition of Avanti! In the new edition out priorities remain the same as those of the first edition, to provide an introductory language course that meets the needs of both instructors and learners. Three significant characteristics set Avanti! apart from other first-year Italian texts: First, Avanti!

satisfies students' desire to communicate in everyday situations right from the start and to explore Italy's rich and unique culture in meaningful ways. Second, Avanti! responds to instructors' concern that most textbooks attempt to cover too much material in the first year. We have designed an elementary course that reflects reasonable expectations for the amount of material that most beginning learners can acquire in one year of classroom instruction. Third, the methodology of Avanti! is firmly grounded in current findings of research in second language acquisition and foreign language pedagogy. The materials provide support for instructors, particularly those with limited experience, whose goals are to teach mainly, if not exclusively, in Italian, and to create the student-centered, communicative classroom environment that is promoted by this research. The title Avanti! was chosen to convey the forward-thinking approach of this exciting new program.

Advanced Accounting Joe Ben Hoyle 2014-02-01 The approach used by Hoyle, Schaefer, and Douppnik in the new edition allows students to think critically about accounting, just as they will do while preparing for the CPA exam and in their future careers. With this text, students gain a well-balanced appreciation of the Accounting profession. As Hoyle 12e introduces them to the field's many aspects, it often focuses on past controversies and present resolutions. The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the future. The writing style of the eleven previous editions has been highly praised. Students easily comprehend chapter concepts because of the conversational tone used throughout the book. The authors have made every effort to ensure that the writing style remains engaging, lively, and consistent which has made this text the market leading text in the Advanced Accounting market. The 12th edition includes an increased integration of IFRS as well as updated accounting standards.

Financial Accounting J. David Spiceland 2021-09 "We've incorporated an enormous amount of feedback from over 700 reviewers, focus group, and symposium participants. The list of changes and improvements on the next few pages is testament to the many hours that reviewers spent thinking about and analyzing our earlier editions, helping us to make Financial Accounting the best book of its kind. Text was reduced in many places to simplify and clarify discussion. Feature stories, real-world examples, and ratio analyses in each chapter were updated to the most recent year. Financial statement effects were highlighted in the margin of all journal entries. Chapter Framework illustrations at the end of each chapter were modified to include Analysis in most chapters. Five self-study multiple-choice questions were added to the Chapter Framework illustration in each chapter. Five additional questions are available online"--

Fundamentals of Financial Accounting Fred Phillips 2021 "Fundamentals of Financial Accounting responds by using carefully chosen focus companies that students recognize and engage with in their everyday lives. From tech start-ups to some of the world's most familiar trademark brands, each chapter opens with an engaging scenario or story using a familiar company. The same focus company, such as Walmart, Cedar Fair, American Eagle, National Beverage, Under Armour, or General Mills, is used throughout the entire chapter so that students can see how the concepts and calculations apply to a real-world company they are already familiar with"--

The Art of Public Speaking Stephen Lucas 2004 Lucas' "The Art of Public Speaking" is the leading public speaking textbook in the field. Whether a novice or an experienced speaker when beginning the course, every student will learn how to be a better public speaker through Lucas' clear explanations. Creative activities, vivid examples, annotated speech samples, and foundation of classic and contemporary rhetoric provide students a strong understanding of public speaking. When instructors teach from this textbook, they benefit from Lucas' Integrated Teaching Package. The Annotated Instructor's Edition and Instructor's Manual, both written by Steve Lucas, provide teaching tips and give outlines on how to use the various supplements. As a result, instructors are able to see various teaching examples, how to integrate technology, and analyses and discussion questions for video clips in class. The Annotated Instructor's Edition, Instructor's Manual, Test Bank, CDs, videos, and other supplements provide instructors the tools needed to create a dynamic classroom. This edition has a supplement to meet the needs of online classes, Teaching Public Speaking Online with The Art of Public Speaking.

Foundations of Financial Management, 8th Cdn Edition Stanley B. Block 2009-04-08 Block Foundations of Financial Management is a proven and successful text recognized for its excellent writing style and step-by-step explanations that make the content relevant and easy to understand. The text's approach focuses on the "nuts and bolts" of finance with clear and thorough treatment of concepts and applications. Block provides a strong review of accounting and early coverage of working capital (or short term) financial management before covering the Time Value of Money. Foundations of Financial Management is committed to making finance accessible to students. This text has stood the test of time due to the authors' commitment to quality revisions.

Hole's Essentials of Human Anatomy and Physiology David Shier 2006-01-01 Designed for the one-semester anatomy and physiology course, "Hole's Essentials of Human Anatomy and Physiology" assumes no prior science knowledge and supports core topics with clinical applications, making difficult concepts relevant to students pursuing careers in the allied health field. The unparalleled teaching system is highly effective in providing students with a solid understanding of the important concepts in anatomy and physiology.

Vis-à-vis Evelyne Amon 2004 The third edition of *Vis-À -vis* continues the excitement of the innovative second edition with a fully integrated and revised multimedia package and updated cultural information presented in the "Correspondance" feature (chapter

opening letter, postcard, or e-mail, which is answered in the mid-lesson (Correspondance cultural spread) and in the new Bienvenue dans le monde francophone feature that recurs after every four chapters in the text. The overall goal of the revision remains the same as that of the second edition: to promote a balanced four-skills approach to learning French through a wide variety of listening, speaking, reading, and writing activities, while introducing students to the richness and diversity of the Francophone world.

Interpersonal Communication Kory Floyd 2011 Kory Floyds approach to interpersonal communication stems from his research area where he studies the positive impact of communication on our health and well-being. Interpersonal Communication 2e shows students how effective interpersonal communication can make their lives better. With careful consideration given to the impact of computer-mediated communication, the program reflects the rapid changes of the modern world that todays students live and interact in, and helps them understand and build interpersonal skills and choices for their livesacademically, personally, and professionally.

Loose Leaf for Avanti! Janice Aski 2021-01-21 Informed by second-language acquisition research, the Avanti! program for introductory Italian is known for its focused approach and flexible content, its emphasis on communicative competence, its opportunities for recycling, and its exploration of culture. With Avanti!, students begin to learn and practice the language while developing an authentic appreciation for Italian culture, both inside and outside of class. Avanti! is built around the following principles: Focus and Flexibility: Whereas most Italian programs attempt to cover too much material in the first year, Avanti! reflects a reasonable expectation that most beginning learners can acquire in one year of classroom instruction. The Strutture sections focus on the core structures that are necessary for meaningful communication at the elementary level. Additional structures are either presented "for recognition only" or appear in Per saperne di più, giving instructors flexibility to teach the grammar they want to teach. The Connect platform allows instructors to fully customize course content to meet the needs of their students, whether their courses are face-to-face, hybrid, or online. Communicative Competence: From the very beginning, Avanti! satisfies student's desire to communicate in everyday situations through a guided and gradual process of acquisition. In the Strategie di comunicazione authentic videos that open each chapter, students see and hear Italians of all ages and backgrounds using high-frequency, practical expressions that students can begin using immediately. Outside of class, McGraw Hill Connect® provides easy-to-use voice tools for synchronous partnered speaking practice and asynchronous chat (Recordable Video Chat and Voice Board powered by GoReact). With Avanti! students are always well supported in their practice whether in person or online, building their communicative competence along with their confidence. Recycling: Avanti! is designed to provide maximum exposure to vocabulary and grammar structures. Every fourth chapter provides practice of four previously taught grammar points,

which are then followed by a related topic. Chapter 16 contains only review grammar sections, providing students with additional practice with challenging structures. With Adaptive Learning Assignments in Connect, students can practice key vocabulary and grammar points outside of class. Cultural Competence: In addition to providing a meaningful and extensive exploration of Italy's gorgeous and unique culture, the 5th edition of Avanti! places a new emphasis on the importance of intercultural competence. Students are asked to think critically about the experience of learning a language and how it can benefit people's lives through exposure to new skills, behaviors, and attitudes. The first of four new modules features a video interview of Pulitzer Prize-winning author Jhumpa Lahiri, who sets the stage for new learners by describing the challenges and benefits of learning a new language. Subsequent modules feature a series of interviews with a diverse group of young Italians, and new activities related to intercultural competence have been added to each chapter (Prospettive a confronto and Cosa vedi? Cosa capisci?). The former Cultura section has also been extensively revised in this edition, with all sections renamed and re-envisioned to develop discourse-level language skills while exploring rich cultural content. Following a sensitivity analysis, users will also find more inclusive representation of the regions of Italy, historical information, race and ethnicity, gender and LGBTQ, religion, body image, mental health, and gender roles.

LL FOR PUNTOS DE PARTIDA Anne Becher 2016-01-04 It's more than a text. It's a program. Success in the language classroom requires so much more than just a text. In any language-learning setting, students require numerous and various opportunities to read, write, hear, and speak. Puntos de partida sets the standard for Spanish-language teaching. An innovative program that has been continuously refined for today's classroom, Puntos delivers proven pedagogy with clear and effective presentations, comprehensive teaching resources, and powerfully adaptive digital tools. Now in its anniversary Tenth Edition, Puntos builds on the holistic, five-skills approach it pioneered. It's the Puntos you know. It's the Puntos of today. Puntos hallmark features include: Engaging and Immersive Digital Tools: Connect Spanish is the most powerful and flexible course management system available. Rooted in research on effective student learning practices, the platform integrates adaptive learning tools with dynamic, engaging language practice activities. McGraw-Hill's LearnSmart provides each student with a personalized and adaptive learning experience based on individual needs. Connect Spanish also provides the instructor with both the ability and flexibility to pull from the robust set of content available in the platform and craft a unique learning path based on the goals of the course. With Practice Spanish: Study Abroad, the market's first 3-D immersive language game designed exclusively by McGraw-Hill, Puntos brings the language to the students in a fun, engaging, and immersive gaming experience. Students "study abroad" virtually in Colombia where they will create their very

own avatar, live with a host family, make new friends, and navigate a variety of real-world scenarios using their quickly developing Spanish language skills. The first and only analytics tool of its kind, Connect Insight is a series of visual data displays—each framed by an intuitive question—to provide instructors at-a-glance information regarding how your class is doing. Connect Insight provides analysis on five key insights, available at a moment's notice from your Connect course.

A Comprehensive scope and sequence: The comprehensive scope and sequence allows instructors to choose what to cover throughout the course without having to supplement their own materials to fill gaps present in other texts.

Carefully arranged organization: the overall organization carefully progresses from formulaic expressions to vocabulary and grammar relevant to daily life and personal interests (studies, family, home, leisure activities), then goes on to prepare students for survival situations (ordering a meal, traveling), and finally branches out to broader themes (current events, social and environment issues). This forward progress is reinforced by a cyclical structure where vocabulary, grammar, and language functions are continuously reviewed and recycled.

Clear and effective vocabulary and grammar presentations: Puntos' approach to vocabulary and grammar focuses on the acquisition of vocabulary during the early stages of language learning and then at the start of each chapter throughout the text. Grammar is introduced in thorough explanations, with careful attention given to skills development rather than grammatical knowledge alone. These explanations are now even more accessible to students, featuring conversational language, increased clarity, additional examples, and organization of complex, dense explanations into manageable chunks of concise grammar summary.

Integrated four-skills approach: Puntos carefully sequences activities, moving students from controlled to free-form tasks. In the tenth edition, this overall scaffolding is improved and introduced at the individual activity level. Starting with the very first activity fol
