He just wanted to be closer to Jesus. No matter the storm, no matter the danger, he saw only Jesus--and that's what got him out of the boat and into the impossible. We all have storms and barriers in life. And, like Peter, we have a choice: stay in the safe, small places or pursue with reckless abandon the limitless heart of Jesus. With fresh biblical insight and immediately practical application, author and teacher Jennifer Miskov paints a bigger and entirely more compelling vision of a life lived on the water. You'll discover the source of courageous faith and how to let go and take those first steps. The wind and the waves will come. But the One you're walking toward has calmed the storm, and he's waiting to do the impossible on your behalf. He's waiting for you to take a risk, to follow your heart--and to step out of the boat.

**Confronting Jezebel** Steve Sampson 2012-05 Classic Text on Jezebel Spirit Now Completely Revised and Expanded The obsession for some people to control everything, and everyone, in their lives is as old as the biblical account of Queen Jezebel. In this newly revised and updated classic, Steve Sampson offers a biblical, balanced, and eye-opening approach to bringing the spirit of Jezebel--a demonic spirit of control--under the power of the Holy Spirit. By showing how the Jezebel spirit sows discord, confusion, rebellion, and even passivity, Sampson exposes the signs of the Jezebel spirit's presence as well as its strategies of destruction. Sampson also empowers Christians to break free from the cycles of control and manipulation by offering a clear and effective battle plan for those confronting this insidious and demonic influence, whether in their lives or inside themselves.

*Love Has a Face* Michele Perry 2009-09-01 Termites for dinner. Bombs in the backyard. A nation torn by decades of war still on the brink. Can one life really make a difference? So when she arrived in war-torn Southern Sudan--with little more than her faith in God's promises--she did what everyone told her was crazy: she opened a home for orphaned children in the middle of guerilla warfare territory and has now become "mama" to over one hundred little lives. Her own story is just as compelling as the ministry she is living. From working in the slums of India to finding her home in war-ravaged Africa, Michele's life has been a journey deeper into the supernatural power of God. Readers will be swept

*The Story of Daniel the Prophet* Stephen Nelson Haskell 1993-09 The Book of Daniel is a prophecy given by God to Daniel 600 years before Christ that reaches clear down to the end of earth's history. It is especially applicable to our day, pointing out the immediate future. In *The Story of Daniel the Prophet*, a few of the interesting facts in regard to God's dealings with His people have been gathered into a simple narrative. This book is the result of much prayerful study. It is sent forth with an earnest prayer, that in the hands of the parents it may be the means of making the study of the Bible in the family a blessing to young and old; and that the teacher in the schoolroom may see precious rays of light flashing from its pages, pointing both teacher and pupil to the Great Divine Teacher. We trust that while its simplicity will attract many who might not be inclined to read a deep argumentative treatise, the most studious will find food for thought, and thus become better acquainted with the character of our Heavenly Father. Those who wish to enter into more comprehensive study, will find that the marginal references open up many veins of precious ore in the deep mines of God's Word. Throughout the entire book the special providence of God over those who are faithful to Him is brought out in clear contrast to the fate of those who ignore His guiding hand. The truth is the same, whether in the history of nations or individuals. As *The Story of Daniel the Prophet* goes forth on its mission of love for the Great Master, may it prove a blessing to all classes, young and old, rich and poor, learned and unlearned.

*Organic Disciples* Kevin G. Harney 2021-12-28 Could sharing your faith be the secret to unlocking your spiritual growth? For many followers of Jesus, spiritual growth involves a series of spiritual practices that promise to deepen our connection with God and train us in the ways of Jesus. Unfortunately, these practices are often disconnected from the mission and purposes of God in reaching a lost world with the gospel message. What if the secret to unlocking spiritual growth was as simple as infusing our spiritual practices with an outward focus? What if we could learn from the example of Jesus and walk naturally in his footsteps as he leads us closer to the heart of God and the deepest needs of the world? In *Organic Disciples*, Kevin and Sherry Harney lead ordinary followers of Jesus through seven markers of spiritual maturity, showing how simple shifts in our Bible reading, prayer, community life, giving, service, and other biblical practices can connect us with God's work of reaching people with his love. Taking a holistic approach that unites

evangelism and discipleship, Kevin and Sherry explain how God's plan for our spiritual growth is intimately connected to his mission to the world. True spiritual growth and maturity will always lead believers outward to engage the world with the good news and truth of Jesus. And in a surprising twist, our own spiritual growth will often remain stunted and limited until we take the step of joining God in his mission to love others. This book will help you see how Jesus modelled a lifestyle of loving others, overcome the common roadblocks and false narratives that stand in the way of spiritual maturity, and design a personal pathway of growth to be more like Jesus in character and mission. Along with the Organic Disciples book, churches and individuals can utilize a free, self-directed online tool to help each person identify where they are in their growth journey. In addition, there will be an eight-week sermon series and small group curriculum to take congregations and Christians deeper on this journey.
