Memoirs of a Goldfish Devin Scillian 2010-08-20 Day One I swam around my bowl. Day Two I swam around my bowl. Twice. And so it goes in this tell-all tale from a goldfish. With his bowl to himself and his simple routine, Goldfish loves his life..until one day... When assorted intruders including a hyperactive bubbler, a grime-eating snail, a pair of amorous guppies, and a really crabby crab invade his personal space and bowl, Goldfish is put out, to say the least. He wants none of it, preferring his former peace and quiet and solitude. But time away from his new companions gives him a chance to rethink the pros and cons of a solitary life. And discover what he's been missing. Devin Scillian is an award-winning author and Emmy award-winning broadcast journalist. He has written more than 10 books with Sleeping Bear Press, including the bestselling *A is for America: An American Alphabet* and *Brewster the Rooster*. Devin lives in Michigan and anchors the news for WDIV-TV in Detroit. Early in his career Tim Bowers worked for Hallmark Cards, helping to launch the Shoebox Greetings card line. He has illustrated more than 25 children's books, garnering such awards as the Chicago Public Library's "Best of the Best" list. He also illustrated the widely popular *First Dog*. Tim lives in Granville, Ohio.

**Using Children's Literature Across the Curriculum** Catherine M. O'Callaghan 2011  
Catherine M. O'Callaghan, Patricia A. Antonacci, Lucy P. Murphy, Florence D.

Musiello, and Eugene Wolfson "Using Children's Literature Across the Curriculum: A Handbook of Instructional Strategies" This resource uniquely offers preservice and inservice teachers templates for using quality children's literature to implement six themes across grades K-8. The themes are based on national curriculum standards and text sets are carefully selected to facilitate discussion, analysis, and problem solving across the grades. "Using Children's Literature Across the Curriculum, "provides teachers with a guide to using multilayered texts to facilitate students attainment of critical literacy. It is designed to be a supplemental guide for teachers in designing literacy instruction. The instructional sequence includes collaborative inquiry activities across the curriculum to extend each theme to math, science, technology and social studies. Teachers are shown how to incorporate family literacy with a component entitled Home School Connections and to differentiate instruction for individual learners with a section entitled On Your Own Activities . The theme concludes with a critical literacy activity that applies the content knowledge of the theme with collaborative inquiry. "I m excited to have this tool to share with the teachers in our program ..." "I had been given this as a first year teacher, I would have been thrilled. It s wonderful all encompassing."" - Susan T. Weakland, Pathways Educational Program, Curriculum Coordinator, Moultrie, GA "Highly recommended!" - Dr. Gail Singleton Taylor, Old Dominion University, Darden College of Education, Norfolk, VA ""A useful reference for teachers (new and experienced) to use to see how interdisciplinary work can be accomplished. It provides good examples, activities, and references that would provide a successful first experience for teachers working" "with thematic studies."" - Lisa Grundstrom, Bloomington Public Schools, K-2 Teacher, Bloomington, MN "

**Stitches** David Small 2012-07-17 A Publishers Weekly Top Ten Best Book of the Year An Amazon.com Top Ten Best Book of 2009 A Washington Post Book World's Ten Best Book of the Year A California Literary Review Best Book of 2009 An L.A. Times Top 25 Non-Fiction Book of 2009 An NPR Best Book of the Year, Best Memoir With this stunning graphic memoir, David Small takes readers on an unforgettable journey into the dark heart of his tumultuous childhood in 1950s Detroit, in a coming-of-age tale like no other. At the age of fourteen, David awoke from a supposedly harmless operation to discover his throat had been slashed and one of his vocal chords removed, leaving him a virtual mute. No one had told him that he had cancer and was expected to die. The resulting silence was in keeping with the atmosphere of secrecy and repressed frustration that pervaded the Small household and revealed itself in the slamming of cupboard doors, the thumping of a punching bag, the beating of a drum. Believing that they were doing their best, David's parents did just the reverse. David's mother held the family emotionally hostage with her furious withdrawals, even as she kept her emotions hidden – including from herself. His father, rarely present, was a radiologist, and although David grew up looking at X-rays and drawing on X-ray paper, it would be years before he discovered the shocking consequences of his father's faith in science. A work of great bravery and humanity, Stitches is a gripping and ultimately redemptive story of a man's struggle to understand the past and reclaim his voice.

**Good Eggs** Phoebe Potts 2010-09-21 In the tradition of the acclaimed graphic memoirs *Fun Home* and *Persepolis* comes a funny, insightful, and deeply moving book about learning to appreciate what we have when we can't seem to get what we want. For Phoebe Potts, the path to maternal fulfillment has not been easy. All her friends seem to get pregnant, but she can't conceive for all her trying. As Phoebe and her husband, Jeff, navigate the emotionally and physically fraught world of fertility experts, she takes stock of what matters in the rest of her life and reflects on the winding journey to her true calling as an artist. From her days as an amateur union organizer in Texas to her spiral into paralyzing depression in Mexico; from her soul-shrinking, all-for-the-benefits stint as an administrative assistant at a fancy university in Cambridge to her flirtation with rabbinical school, Phoebe illuminates the bumpy road to vocational and personal contentment. Her wonderful, hilarious, and utterly original drawings capture the truly good eggs—an unforgettably nutty mother; a devoted husband; a team of therapists, hairdressers, and landladies; friends; and a sidekick housecat—that together expand the definition of what really makes a family.

**Tomboy** Liz Prince 2019-08-01 Growing up, Liz Prince wasn't a girly girl, but she wasn't exactly one of the guys either (as she learned when her little league baseball coach exiled her to the distant outfield). She was somewhere in between. But with the forces of middle school, high school, parents, friendship, and romance pulling her this way and that, the middle wasn't an easy place to be. *Tomboy* follows award-winning author and artist Liz Prince through her early years and explores—with humor, honesty, and poignancy—what it means to "be a girl." From staunchly refuting "girliness" to the point of misogyny, to discovering through the punk community that your identity is whatever you make of it, *Tomboy* offers a sometimes hilarious, sometimes heartbreaking account of self-discovery in modern America.

**Joyful Reading** Sally M. Reis 2009-04-27 *Joyful Reading* offers teachers a differentiated instructional approach for motivating students at varied levels to discover the rewards and delights of reading appropriately challenging books. Authored by Sally M. Reis, an acclaimed scholar of gifted and talented education, the book describes the Schoolwide Enrichment Model for Reading (SEM-

R), an easy-to-implement program that encourages students to read independently for a period of time during the school day on books of their own choice while supporting them in learning comprehension strategies. The program includes three phases: a Book Hook component in which the teacher reads aloud from a high-interest book while engaging the class in critical thinking responses a Supported Independent Reading component in which students are encouraged to select and read progressively challenging books while the teacher offers instruction through individualized conferences a Special Interest component in which students engage in reading-enrichment activities The SEM-R program has been shown by research to improve students' fluency and comprehension as well as their attitudes toward reading and is praised by teachers for getting students excited about books. The book includes a DVD showing teachers using the program. A companion book, The Joyful Reading Resource Kit, is also available.

**We Are Not Here to Be Bystanders** Linda Sarsour 2021-03-02 Linda Sarsour, co-organizer of the Women's March, shares an "unforgettable memoir" (Booklist) about how growing up Palestinian Muslim American, feminist, and empowered moved her to become a globally recognized activist on behalf of marginalized communities across the country. On a chilly spring morning in Brooklyn, nineteen-year-old Linda Sarsour stared at her reflection, dressed in a hijab for the first time. She saw in the mirror the woman she was growing to be—a young Muslim American woman unapologetic in her faith and her activism, who would discover her innate sense of justice in the aftermath of 9/11. Now heralded for her award-winning leadership of the Women's March on Washington, Sarsour offers a "moving memoir [that] is a testament to the power of love in action" (Michelle Alexander, author of *The New Jim Crow*). From the Brooklyn bodega her father owned, where Linda learned the real meaning of intersectionality, to protests in the streets of Washington, DC, Linda's experience as a daughter of Palestinian immigrants is a moving portrayal of what it means to find one's voice and use it for the good of others. We follow Linda as she learns the tenets of successful community organizing, and through decades of fighting for racial, economic, gender, and social justice, as she becomes one of the most recognized activists in the nation. We also see her honoring her grandmother's dying wish, protecting her children, building resilient friendships, and mentoring others even as she loses her first mentor in a tragic accident. Throughout, she inspires you to take action as she reaffirms that we are not here to be bystanders. In this "book that speaks to our times" (The Washington Post), Harry Belafonte writes of Linda in the foreword, "While we may not have made it to the Promised Land, my peers and I, my brothers and sisters in liberation can rest easy that the future is in the hands of leaders like Linda Sarsour. I have often said to Linda that she embodies the principle and purpose of another great Muslim leader, brother

Malcolm X." This is her story.

**Bad Boy** Walter Dean Myers 2009-10-06 A classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading—an engaging and powerful autobiographical exploration of growing up a so-called "bad boy" in Harlem in the 1940s. As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.

Memoirs of a Parrot Devin Scillian 2016-05-01 Join a brilliant, but stubborn, parrot as he endures the banality of the pet store before being purchased by an equally insufferable young man. But while things between parrot and owner get off to a rocky start, the delights of having a pet (or human) bring them both around in the end. From author Devin Scillian and illustrator Tim Bowers of the Memoirs series, this is sure to please fans new and old.

An Age of License Lucy Knisley 2014-09-09 Written during a European book tour promoting her work, a cartoonist depicts the new experiences, romantic encounters, and cute cats she met as she visited historic cities across the continent.

Flight of Remembrance Marina Dutzmann Kirsch 2011-12 Now an Award-Winning Finalist in the Non-Fiction: Narrative category of The 2012 USA Best Book Awards, sponsored by USA Book News. Obtain a free 40-page excerpt on [www.kirschstonebooks.com](http://www.kirschstonebooks.com). Against the backdrop of World War II tragedy and devastation in Latvia, Poland and Germany and three decades of European history, this true narrative provides a window into the palpating heart of wartime upheaval through the lives of Rolf Dutzmann and Lilo Wassull—two people fatefully positioned "on the other side." In December of 1939, swept along on a tide of dire necessity and circumstance due to the imminent Soviet takeover of his homeland, Rolf, a young Latvian aeronautical engineering student, flees with his family to Germany, a country fully under Hitler's control and already engaged in a brutal war. While the account chronicles Rolf's pursuit of his technical dream against daunting wartime odds, it is first and foremost a poignant love story that plays out against a panorama of worldwide chaos and destruction. It is also a story of the seen and unseen forces that coalesce to keep Rolf and Lilo alive after they meet in 1940 Berlin, leading them through a chain of cataclysmic events including Rolf's draft into the Luftwaffe and his father's assignment as chief inspector of V-2 rocket production; the bombing of Berlin; the destruction of their homes; their numerous desperate, cross-country escapes from the bombing, the advancing Soviet troops from the east, and other

Allied forces from the west; the POW camp hardships; and the deprivation of the postwar years. Despite the immeasurable evil, suffering and desolation of World War II, a synchronistic chain of events provides an uplifting reminder that love and hope may take wing even out of the ashes of life's most terrifying adversities.

*Memoirs of an Elf* Devin Scillian 2014-09-01 It's Christmas Eve and Spark Elf has the very important job of keeping Santa Claus on schedule as he travels the globe in 24 hours delivering presents. Small in stature with pointy ears and stopwatch in hand, Spark lets Santa know it's time to go. He programs the GPS while the other elves secure the toy bag and check the Nice list. Little known fact: We don't even bring the Naughty list with us. Six hours into the trip Santa, sleigh and crew begin to fall behind--so many cuddly doggies to pet and extra cookies to eat. The jolly group makes up time in Brazil and soon find themselves back at the North Pole. Their work is done. But wait, there's something left in the bag--but it isn't a present at all--it's a family dog! Well known fact: Santa gives things away. He does not take things! Momma Claus comes to the rescue with a plan to get the dog back to his family. Can Santa return the family's beloved pooch in time to keep their Christmas merry?

Brown Girl Dreaming Jacqueline Woodson 2016-10-11 Jacqueline Woodson's National Book Award and Newbery Honor winner is a powerful memoir that tells the moving story of her childhood in mesmerizing verse. A President Obama "O" Book Club pick Raised in South Carolina and New York, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 additional poems, including "Brown Girl Dreaming." Praise for Jacqueline Woodson: "Ms. Woodson writes with a sure

understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery.”—The New York Times Book Review

**March: Book One** John Lewis 2013-08-12 Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents *March*, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for *Swallow Me Whole*). *March* is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. Book One spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book *Martin Luther King and the Montgomery Story*. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.

*Marshfield Dreams* Ralph Fletcher 2005-09-01 The colorful boyhood of a popular author comes to life in this personal account. Imagine learning from a nosy classmate that your mother is having yet another baby. To Ralph's classmates, news of one more Fletcher baby is just "scuttlebutt." But for Ralph, the oldest of nine, being part of a large family means more kids to join in the fun—from making tripods in the woods and "snicking" up the rug, to raising chicks and even discovering a meteor (well, maybe). It doesn't feel like there's life beyond Marshfield, Massachusetts. Then one day Dad's new job moves the family to Chicago, and there's so much Ralph has to leave behind. In this humorous and captivating memoir, Ralph Fletcher traces the roots of his storytelling.

**The 1960s Times of Change** Sandra Hauss 2011-01-01 Sandra's grandpa inspires her to fight prejudice and discrimination. What other influences make her an activist? A love of aviation leads Efrain to Vietnam in 1969, as a member of the 101st Airborne. What was his journey like along the way? Read these memoirs to find out.

**When I Was Puerto Rican** Esmeralda Santiago 2006-02-28 Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called

morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

Run John Lewis 2021-08-03 RUN, the Eisner Award-Winner for Best Graphic Memoir, is one of the most heralded books of the year including being named a: New York Times Top 5 YA Books of the Year · Top 10 Great Graphic Novels for Teens (Young Adult Library Services Association) · Washington Post Best Books of the Year · Variety Best Books of the Year · School Library Journal Best Books of the Year · Kirkus Reviews Best Books of the Year · Amazon Best History Book of 2021 · Top Ten Title of the Year (In the Margins Book Award) · In the Margins Book Award for Nonfiction winner · Top Ten Graphic Novels for Adults (American Library Association) · Best Books for Young Readers (U of Penn Graduate School of Education) · Books All Young Georgians Should Read (Georgia Center for the Book) First you march, then you run. From the #1 bestselling, award-winning team behind March comes the first book in their new, groundbreaking graphic novel series, Run: Book One. "Run recounts the lost history of what too often follows dramatic change—the pushback of those who refuse it and the resistance of those who believe change has not gone far enough. John Lewis's story has always been a complicated narrative of bravery, loss, and redemption, and Run gives vivid, energetic voice to a chapter of transformation in his young, already extraordinary life." —Stacey Abrams "In sharing my story, it is my hope that a new generation will be inspired by Run to actively participate in the democratic process and help build a more perfect Union here in America." —Congressman John Lewis The sequel to the #1 New York Times bestselling graphic novel series March—the continuation of the life story of John Lewis and the struggles seen across the United States after the Selma voting rights campaign. To John Lewis, the civil rights movement came to an end with the signing of the Voting Rights Act in 1965. But that was after more than five years as one of the preeminent figures of the movement, leading sit-in protests and fighting segregation on interstate busways as an original Freedom Rider. It was after

becoming chairman of SNCC (the Student Nonviolent Coordinating Committee) and being the youngest speaker at the March on Washington. It was after helping organize the Mississippi Freedom Summer and the ensuing delegate challenge at the 1964 Democratic National Convention. And after coleading the march from Selma to Montgomery on what became known as "Bloody Sunday." All too often, the depiction of history ends with a great victory. But John Lewis knew that victories are just the beginning. In *Run: Book One*, John Lewis and longtime collaborator Andrew Aydin reteam with Nate Powell—the award-winning illustrator of the March trilogy—and are joined by L. Fury—making an astonishing graphic novel debut—to tell this often overlooked chapter of civil rights history.

**The Writing Revolution** Judith C. Hochman 2017-08-07 "HELP! My Students Can't Write!" Why You Need a Writing Revolution in Your Classroom and How to Lead It. The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, TWR can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities TWR is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

**Life in the City of Dirty Water** Clayton Thomas-Muller 2021-08-24 \*FINALIST FOR 2022 CANADA READS\* \*SHORTLISTED FOR THE 2022 J.W. DAFOE BOOK PRIZE\* \*SHORTLISTED FOR THE 2022 MANITOBA BOOK AWARDS' MCNALLY ROBINSON BOOK OF THE YEAR AWARD\* NATIONAL BESTSELLER A gritty and inspiring memoir from renowned Cree environmental activist Clayton Thomas-Muller, who escaped the world of drugs and gang life to take up the warrior's fight against the assault on Indigenous peoples' lands—and eventually the warrior's spirituality. There have been many Clayton Thomas-Mullers: The child who played with toy planes as an escape from domestic and sexual abuse, enduring the intergenerational trauma of Canada's residential school system; the angry youngster who defended himself with fists and sharp wit against racism and violence, at school and on the streets of Winnipeg and small-town British Columbia; the tough teenager who, at 17, managed a drug house run by members of his family, and slipped in and out of juvie, operating in a world of violence and pain. But behind them all, there was another Clayton: the one who remained immersed in Cree spirituality, and who embraced the rituals and ways of thinking vital to his heritage; the one who reconnected with the land during summer visits to his great-grandparents' trapline in his home territory of Pukatawagan in northern Manitoba. And it's this version of Clayton that ultimately triumphed, finding healing by directly facing the trauma that he shares with Indigenous peoples around the world. Now a leading organizer and activist on the frontlines of environmental resistance, Clayton brings his warrior spirit to the fight against the ongoing assault on
