The Hidden Mickeys of Disneyland Bill Scollon 2015-05-12 Walt Disney was fond of saying, "I only hope that we never lose sight of one thing: that it was all started by a mouse." And so it is only appropriate that the mouse is incorporated into nearly every aspect of the Disney parks and resorts. In some cases, Mickey's presence is obvious—as in the Partners statue that stands in the center of the hub at the end of Main Street, U.S.A. But in other cases, Mickey's influence is a bit more hidden. . . . So what exactly is a Hidden Mickey? Quite simply, it's an artistic representation of Mickey that was intentionally placed amid the architecture and design of the parks and resorts. Oftentimes it's the familiar three-circle shape of his ears and head. Other times it might be a profile of his face or a full-body silhouette. Disneyland Guests with keen eyes can tell you that Mickey pops up all over the resort, often in the most unexpected places. With this resort wide scavenger hunt,

you'll be guided toward each Hidden Mickey, first with a general hint—if you're up for a challenge—and then with a very specific clue. It's so much search-and-find fun, you might forget about your FastPass reservation for Big Thunder Mountain Railroad!

The Ultimate Disney Parks Scavenger Hun Shelby Pickett 2015-01-07 Your Hands-on Guide to the Magic. The Disney Song Encyclopedia Thomas S. Hischak 2009-07-29 Songs written for Disney productions over the decades have become a potent part of American popular culture. Since most Americans first discovered these songs in their youth, they hold a special place in one's consciousness. The Disney Song Encyclopedia describes and discusses hundreds of famous and not-so-famous songs from Disney films, television, Broadway, and theme parks from the 1930s to the present day. Over 900 songs are given individual entries and presented in alphabetical order. The songwriters and original singers are identified, as well as the source of the song and other venues in which it might have been used over the years. Notable recordings of the song are also listed. But most important, the song is described and what makes it memorable is discussed. This is not a reference list but a true encyclopedia of Disney songs. The book also contains a preface describing the criteria for selecting the songs, a glossary of song terms, a list of all the Disney songs and their sources, a songwriter's directory in which every song by each composer/lyricist is listed, a bibliography, a guide to recordings and DVDs of Disney productions, and an index of people and titles.

Epic James L. Nicodem 2013-03-15 To many people, the Bible is a series of incongruous and confusing stories. It jumps from one person or place to the next leaving the reader scrambling to keep up and make sense of it all. That's a tall task. Epic provides a big picture view of the Bible to explain how its individual pieces fit together. Is it really possible that the Bible's collection of 66 books actually has a single storyline? Yes! The theme of that storyline is redemption, and Epic traces it from Genesis to Revelation. Discover in the opening chapters of the Bible why redemption became humanity's desperate need. Learn how God set this rescue effort into motion through promises He made to Abraham. Follow the unfolding of these promises through Old

Testament history. Note the role of the prophets, from Isaiah to Malachi, in the overall drama. Witness Jesus Christ bringing redemption to a climax. Perfect for believers at any stage, small group leaders, and those discipling others, Epic will open your eyes to the way all the different parts of scripture contribute to a single story that can change your life.

A Gift Is for Giving Marilyn Wickstrom 2019-12-18 A Gift Is for Giving By: Marilyn Wickstrom A Gift Is for Giving is a guide for navigating the gifted program as well as the general structure Marilyn Wickstrom taught. But it's more than that. This book is a group of activities that helped create the backbone for her classes. This information could be useful to home schooled parents, any general education teacher who has the freedom to interact their own ideas in the classroom, and of course to gifted teachers as well. The text includes the structure for field trips, treasure hunts, many quiz bowls, making and selling products, service projects, essay writing, and more. The information offered within is from years of experience and learning. Wickstrom hopes this book proves to be useful to everyone who reads it. Many of her classroom activities were successful, and she presents the best practices she learned along the way. Knowing she didn't want her experience to retire with her, Wickstrom wrote this book. The most important lesson she shares is: Everyone has a gift, and a gift is for giving.

Bible Savvy Set of 4 books James L. Nicodem 2013-03-25 Made up of four individual volumes (Epic, Foundation, Context, and Walk), Bible Savvy is a foundational resource for those wanting to better understand the Bible. From the whole storyline of the Bible to the personal application of it, this set of four accessible books is an ideal resource for small groups, Sunday school classes, youth groups, and individuals seeking to increase their breadth of knowledge about God's word. Epic: The Storyline of the Bible unveils the single theme that ties all the various parts of scripture together: redemption. Foundation: The Trustworthiness of the Bible explains that the Bible is God's book, not merely man-made, and why it can be wholly trusted. Context: How to Understand the Bible shows readers how to read the different parts of the Bible as they were meant to be read, and how they fit together. Walk: How to Apply the Bible helps readers put their greater understanding of the text into practice and know how to draw real-life applications from it.
