Across the Void S.K. Vaughn 2019-07-02 A visceral space thriller—perfect for fans of *Arrival* and *The Martian*—following the sole survivor of a catastrophic accident in space that leaves her drifting in the void with only the voice of her estranged husband, a NASA scientist, to guide her back to Earth. Commander Maryam “May” Knox awakes from a medically induced coma alone, adrift in space on a rapidly failing ship, with little to no memory of who she is or why she’s there. Slowly, she pieces together that she’s the captain of the ship, *Hawking II*; that she was bound for Europa—one of Jupiter’s moons—on a research mission; and that she’s the only survivor of either an accident—or worse, a deliberate massacre—that has decimated her entire crew. With resources running low, and her physical strength severely compromised, May must rely on someone back home to help her. The problem is: everyone thinks she’s dead. Back on Earth, it’s been weeks since *Hawking II* has communicated with NASA, and Dr. Stephen Knox is on bereavement leave to deal with the apparent death of his estranged wife, whose decision to participate in the Europa mission strained their marriage past the point of no return. But when he gets word that NASA has received a transmission from May, Stephen comes rushing to her aid. What he doesn’t know is that not everyone wants May to make it back alive. Even more terrifying: she might not be alone on that ship. Featuring a twisting and suspenseful plot and compelling characters, *Across the Void* is a moving and evocative thriller that you won’t be able to put down.

The Blackbird Season Kate Moretti 2017-09-26 "Exceptional...a deliciously sinister glimpse into the duplicity of small-town lives and the ease with which people turn on each other when tragedy comes calling. Moretti's tale of jealousy and obsession is nothing less than dark magic. Witchery indeed." –Kirkus Reviews, starred review Known for novels featuring "great pacing and true surprises" (Kirkus Reviews, starred review) and "nerve-shattering suspense" (Heather Gudenkauf, New York Time bestselling author), New York Times bestselling author Kate Moretti's latest is the story of a scandal-torn Pennsylvania town and the aftermath of a troubled girl gone missing. "Where did they come from? Why did they fall? The question would be asked a thousand times... Until, of course, more important question arose, at which time everyone promptly forgot that a thousand birds fell on the town of Mount Oanoke at all." In a quiet Pennsylvania town, a thousand dead starlings fall onto a high school baseball field, unleashing a horrifying and unexpected chain of events that will rock the close-knit community. Beloved baseball coach and teacher Nate Winters and his wife, Alecia, are well respected throughout town. That is, until one of the many reporters investigating the bizarre bird phenomenon catches Nate embracing a wayward student, Lucia Hamm, in front of a sleazy motel. Lucia soon buoys the scandal by claiming that she and Nate are engaged in an affair, throwing the town into an uproar...and leaving Alecia to wonder if her husband has a second life. And when Lucia suddenly disappears, the police only to have one suspect: Nate. Nate's coworker and sole supporter, Bridget Harris, Lucia's creative writing teacher, is determined to prove his innocence.

She has Lucia's class journal, and while some of the entries appear particularly damning to Nate's case, others just don't add up. Bridget knows the key to Nate's exoneration and the truth of Lucia's disappearance lie within the walls of the school and in the pages of that journal. Told from the alternating points of view of Alecia, Nate, Lucia, and Bridget, *The Blackbird Season* is a haunting, psychologically nuanced suspense, filled with Kate Moretti's signature "chillingly satisfying" (Publishers Weekly) twists and turns.

The Bullet Journal Method Ryder Carroll 2021-12 THE NEW YORK TIMES BESTSELLER Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in more ways than you can imagine' Hal Elrod, author of *The Miracle Morning* In his long-awaited first book, Ryder Carroll, the creator of the enormously popular Bullet Journal organisational system, explains how to use his method to: * TRACK YOUR PAST: using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. * ORDER YOUR PRESENT: find daily calm by prioritising and minimising your workload and tackling your to-do list in a more mindful and productive way. * PLAN YOUR FUTURE: establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls "intentional living": making sure that your beliefs and actions align. Even if you already use a Bullet Journal, this book gives you new exercises to become more calm and focused, new insights on how to prioritise well, and a new awareness of the power of analogue tools in a digital world. *** This book has been printed with three different colour designs, black, Nordic blue and emerald. We are unable to accept requests for a specific cover. The different covers will be assigned to orders at random. ***

Cape May Chip Cheek 2019-04-30 "Inside this mesmerizing tale of sexual desire and discovery, naive newlyweds Henry and Effie are honeymooning in Cape May, N.J., in 1957, tentatively navigating intimacy. Then they meet Clara and Max, hard-partying lovers who dazzle the innocent pair until they've lost more than their virginity. Cheek's sensual first novel leaves you wanting more." – PEOPLE "Henry and Effie's honeymoon is meant to be their introduction to the pleasures of the body, but in the company of Clara and her promiscuous cohort they lose all track of boundaries. A dozy, luxurious sense of enchantment comes over the story, until the rude awakening at its finale.... Cape May does something better than critique or satirize: It seduces." – The Wall Street Journal Cape May is a raw, provocative portrayal of a young 1950s couple on the cusp of a sexual awakening, and the temptations that upturn their honeymoon and reshape their marriage. In this erotic and intimate debut novel, a naïve southern couple is exposed to a group of raucous, debauched urbanites. Arriving for their honeymoon in Cape May, New Jersey, during the off season, Henry and Effie are startled to find the beach town deserted. The abandoned homes and desolate beaches make them shy of each other, and, isolated in their new marriage, they decide to cut their trip short. But before they leave, they encounter their glamorous, sensual neighbors and become swept up by their drama. Clara, a beautiful socialite who feels her youth slipping away; Max, a wealthy playboy and Clara's lover; and Alma, Max's aloof, mysterious, and evocative half-sister, to whom Henry is irresistibly drawn. Slowly, agonizingly, these deeply-flawed, profoundly human characters pull Henry and Effie out of themselves and expose them to a side of desire they never expected. While they discover new truths in each other and in their marriage, the empty beach town becomes their playground. And as they sneak into the vacant summer homes, go sailing, walk naked under the stars, make love, and drink an enormous amount of gin, Henry and Effie slip from innocence into betrayal, with irrevocable consequences. Seductive and moving, this is a novel about marriage, love, raw sexuality, and the ways in which desire and betrayal can reverberate endlessly throughout our lives.

The Love Books Ovid 2021-12-13 *The Love Books of Ovid* - The Love Books of Ovid is a collection of four works of Roman poet Ovid's verses on love in English prose translation. Ovid, born in 43 B.C., a contemporary of Virgil and Horace, lived during the reign of Augustus and is perhaps best remembered today for his work on Roman mythology entitled *The Metamorphoses*. This volume collects the poet's following works: *The Loves*, *The Art of Love*, *Loves Cure*, and *The Art of Beauty*. Ovid was an innovator in the writing of love poetry in that he changed the focus of the poem from the poet to love itself and examined the effect of love

on people. These works were considered controversial in their time and many scholars believe that Ovid's *The Art of Love* was the cause of his life-long banishment by Augustus to a remote province on the Black Sea. Considered to be a master of the elegy form of poetry, which are poems of lamentation and mourning, and the last of the Latin love elegists, Ovid is faithfully represented here in this English prose translation. Students of classical literature and fans of romantic poetry will both delight in this volume of works by a poetic master. This edition follows the translation of J. Lewis May.

Not Everybody Lives the Same Way Jean-Paul Dubois 2022-03-29 THE INTERNATIONAL BESTSELLER AND WINNER OF THE PRIX GONCOURT FOR FICTION Paul Hansen is in prison. He's been in this prison on the outskirts of Montreal for a couple of years now, sharing a cell with a murderous Hells Angel who often reminds Paul that he could kill him at any moment. What did Paul do to end up here? And why does he jeopardize his life and release by refusing to show remorse? Before prison, there were his parents. There were his friends at the Excelsior, the luxury apartment complex where Paul worked as caretaker as well as restorer of souls and comforter of the afflicted. And there was his partner, Winona, an intrepid seaplane pilot, and their beloved dog, Nouk. Many of those closest to him are gone now, but Paul still talks to them; they appear in his dreams and as ghosts in his cell. From France in the sixties to the asbestos mines of Québec, from the sand dunes of the peninsula where the Baltic connects to the North Sea to the wild lakes and mountains of Canada, Jean-Paul Dubois's extraordinary novel and winner of the Prix Goncourt *Not Everybody Lives the Same Way*, follows this man, Paul Hansen, as he reviews his life. A life of equilibrium, it has given Paul both tragedy and gifts—that is, until the moment when fate presents him with someone capable of breaking his balance. *Not Everybody Lives the Same Way* is a powerfully original and unusual novel. Masterfully translated by David Homel and brilliantly animated by Jean-Paul Dubois's keen feeling for humanity and intense revolt against all forms of injustice, it asks the question: What does it take to live a dignified life?

What Your Aches and Pains Are Telling You Michel Odoul 2018-01-09 Reveals the precise correspondences between specific emotional and mental tensions and the illnesses and traumas of the body • Explains how physical complaints--energetic disturbances that lead to ailments or chronic conditions--are your soul speaking to you • Shows how the body part affected as well as which side it is on pinpoints what your soul is trying to tell you and what you need to work through emotionally • Explains the Yin-Yang energetic correspondences of the body: the Yang axis of the shoulders, the Yin axis of the hips, and the Yin-

Yang maternal/paternal connections Our body speaks. Physical complaints-- allergies, fever, sore throat, inflammation, cysts, backache, migraines, sinus problems, sciatica, dizzy spells, and even cancer--are all signs of deep tensions inside of us are seeking expression. This is why, given the same genetic foundation, one individual develops a specific illness while another remains in good health. Drawing on 20 years of experience and several thousand individual consultations with patients, Michel Odoul shows the "proof" of this lies in the clear correspondences between emotional and mental tensions and specific ailments. The author reveals how every illness or trauma is a signal of incredible precision: The part of the body affected pinpoints what your inner being is trying to tell you and what you need to work through emotionally. Providing a reference grid of body-mind connections, he explains, for example, how skin conditions reflect difficulties with aggression from the outside world and knee problems indicate inflexibility or tension in relationships. He shows not only how each side of the body has specific meanings and connections to emotions, relationships, and family but also how the upper and lower halves of the body have specific connections--together forming four quadrants with unique Yin-Yang balances, where Yin represents emotional issues and Yang represents action/inaction. He also explores the role of the meridians of Chinese medicine in distributing emotional and mental energy throughout the body. Offering keys to decipher what the body is trying to tell us, the author shows that we can learn to see physical ailments not as something caused by chance or fate but as a message from our heart and soul. By releasing the energies and patterns they point to, we can return to a state of health and forward movement on our path through life.

Yoni Massage Michaela Riedl 2009-03-02 A tantric massage practice for awakening and enhancing women's innate sensual, emotional, and spiritual energies • Provides emotional healing by releasing traumatic memories stored in the yoni • Includes exercises that use sexual energy to cleanse and stimulate the chakras • Empowers women to draw strength and radiant vitality from the restored connection to their innermost core "Yoni" is the Sanskrit word for the female genitalia, describing not only the anatomy but also encompassing the energetic and spiritual dimensions. While a yoni massage offers women the opportunity to enhance their sexuality, Michaela Riedl shows that the effects of this practice are much more profound and have ramifications affecting every area of life. Long held inhibitions in the West about sexuality and the shame and guilt associated with the sexual zones of the body have created deep-seated barriers that prevent individuals from fully expressing themselves. The practices provided in Yoni Massage are designed to allow women to overcome these barriers and reconnect to their innermost core and deepest feminine nature. Yoni massage is not simply a hands-on technique but involves the conscious direction of energy throughout the body through deep breathing and visualization. It provides women the ability to cleanse and energetically stimulate the chakras as well as achieve emotional healing by releasing the traumatic pain that often becomes seated in the yoni. The author explains that the relegation of this important spiritual and energetic center to a "private part" hinders the process of enlightenment. Once women are able to be in touch with their yoni energy, their connection to the entire web of life is restored to its rightful place.

The Curse of Lono Hunter S. Thompson 2014-05-01 A wild ride to the dark side of Americana. Hunter S. Thompson's and Ralph Steadman's most eccentric book The Curse of Lono is to Hawaii what Fear and Loathing was to Las Vegas: the crazy tales of a journalist's "coverage" of a news event that ends up being a wild ride to the dark side of Americana. Originally published in 1983, The Curse of Lono features all of the zany, hallucinogenic wordplay and feral artwork for which the Hunter S. Thompson/Ralph Steadman duo became known and loved. This curious book, considered an oddity among Hunter's oeuvre, was long out of print, prompting collectors to search high and low for an original copy. TASCHEN's signed, limited edition sold out before the book even hit the stores—this unlimited version, in a different, smaller format, makes The Curse of Lono accessible to everyone.

I want to say about this book, its only imperfection is that it ended. But that might give the wrong impression: that it is a happy book, a book that makes a body feel good. It is not a happy book. I love it like I love food, I love it for what it did to me, I love it for having made me feel stronger and more sure in a nightmare world, but it is not a happy book. It is an antidote to poison. It is inoculation against pervasive, enduring disease. Like a vaccine, it is briefly painful, leaves a lingering soreness, but armors you from the inside out." --NPR "Ghosts are 'the past refusing to be forgot,' says a character in this assured science-fiction debut. That's certainly the case aboard the HSS Matilda, a massive spacecraft arranged along the cruel racial divides of pre-Civil War America." --Toronto Star "This novel from an exciting new voice follows Aster, who lives in the slums of a spaceship that is escorting the last survivors of humanity to a Promised Land--a journey that has taken decades so far. The vessel is segregated and cruel, and as she tries to escape, she starts discovering dark connections between her own mother's death and the fate of the ship's sovereign. Solomon has already been called a successor to Octavia Butler, rightly so." --Elle UK "In Rivers Solomon's highly imaginative sci-fi novel An Unkindness of Ghosts, eccentric Aster was born into slavery on--and is trying to escape from--a brutally segregated spaceship that for generations has been trying to escort the last humans from a dying planet to a Promised Land. When she discovers clues about the circumstances of her mother's death, she also comes closer to disturbing truths about the ship and its journey." --Buzzfeed "Rivers Solomon's debut science fiction novel is cunning, dark, and unapologetic; atmospheric and visceral; the kind of story that pulls you in and doesn't let go. Aboard the HSS Matilda, a spaceship in the future, Solomon and her characters deftly tackle race, identity, sexuality, gender, poverty, and discrimination, all with thoughtful insight and thrilling intensity. This is a difficult work that pays off; the rare kind of book that stays with you for years. You should read it now--I plan to read it again." --Shondaland Aster has little to offer folks in the way of rebuttal when they call her ogre and freak. She's used to the names; she only wishes there was more truth to them. If she were truly a monster, she'd be powerful enough to tear down the walls around her until nothing remains of her world. Aster lives in the lowdeck slums of the HSS Matilda, a space vessel organized much like the antebellum South. For generations, Matilda has ferried the last of humanity to a mythical Promised Land. On its way, the ship's leaders have imposed harsh moral restrictions and deep indignities on dark-skinned sharecroppers like Aster. Embroiled in a grudge with a brutal overseer, Aster learns there may be a way to improve her lot--if she's willing to sow the seeds of civil war.

Lingam Massage Michaela Riedl 2010-03-09 A tantric massage practice for awakening and honoring male creative energy and allowing a man conscious, loving contact with his own masculinity • Empowers men to expand and deepen their experience of arousal and sensuality • Demonstrates how deep relaxation is important to a strong and lasting erection • Shows how the lingam connects a man to his dynamic strength while the prostate is linked to his more receptive side Lingam is the Sanskrit word for the male generative organ, the penis. In India, the lingam is revered as an expression of Shiva's clarity, symbolizing the fine sword that differentiates between truth and falsehood. The goal of a lingam massage is to provide a man conscious, loving contact with his own masculinity. Western cultural expectations around sexual "performance" have created sexual difficulties for many men, including erectile dysfunction and premature ejaculation. Through loving touch, lingam massage provides the deep relaxation that supports sustained erection, putting a man in touch with less familiar aspects of his sexuality, including the energetic responses of his perineum, prostate gland, and anus. Lingam massage is not simply a hands-on technique but involves the conscious direction of energy throughout the body. It allows men to savor longer, deeper orgasms and teaches taoist and tantric practices for conserving sexual energy. Over time, as his consciousness deepens, these practices give a man complete control over his ejaculation.

Gonzo Girl Cheryl Della Pietra 2015-07-28 The road to hell is paved with good intentions...and tequila, guns, and cocaine in this "rambunctiously entertaining" (Teddy Wayne) debut novel inspired by the author's time as Hunter S. Thompson's assistant. Alley Russo is a recent college grad desperately trying to make it in the grueling world of New York publishing, but like so many who have come before her, she has no connections and has settled for an unpaid magazine internship while slinging drinks on Bleeker Street just to make ends meet. That's when she hears the infamous Walker Reade is looking for an assistant to replace the eight others who have recently quit. Hungry for a chance to get her manuscript onto the desk of an experienced editor, Alley jumps at the opportunity to help Reade finish his latest novel. After surviving an absurd three-day "trial period" involving a .44 magnum, purple-pyramid acid, violent verbal outbursts, brushes with fame and the law, a bevy of peacocks, and a whole lot of cocaine, Alley is invited to stay at the compound where Reade works. For months Alley attempts to coax the novel out of Walker page-by-page, all while battling his endless procrastination, vampiric schedule, Herculean substance abuse, mounting debt, and casual gunplay. But as the job begins to take a toll on her psyche, Alley realizes she's alone in the Colorado Rockies at the mercy of a drug-addicted literary icon who may never produce another novel—and her fate may already be sealed. "A margarita-fueled, miniskirt-clad cautionary tale of lost literary innocence" (Vogue), *Gonzo Girl* is a loving fictional portrait of a larger-than-life literary icon.

you've finished it' Anna Todd, author of the After series 'A glorious and touching read, a forever keeper' USA Today 'Will break your heart while filling you with hope' Sarah Pekkanen, Perfect Neighbors **SOMETIMES THE ONE WHO LOVES YOU IS THE ONE WHO HURTS YOU THE MOST**. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town in Maine where she grew up - she graduated from college, moved to Boston, and started her own business. So when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life suddenly seems almost too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily, but Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan - her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. With this bold and deeply personal novel, *It Ends With Us* is a heart-wrenching story and an unforgettable tale of love that comes at the ultimate price.
