**Chinese Stories for Language Learners** Vivian Ling 2021-03-23 The highly anticipated next book in Tuttle's Stories for Language Learners series is here! This book presents 22 classic Chinese proverbs and the traditional tales behind them. The stories are bilingual, with the Chinese and English versions presented on facing pages. Each includes an explanation of how the proverb is used today, cultural notes, vocabulary and discussion questions. Online audio recordings of the tales by native speakers give students a chance to improve their pronunciation and comprehension. Some of the proverbs featured in this collection include: "Painting the Eyes on the Dragon" Based on the story of a famous court painter in 6th century China who painted dragons, this proverb refers to the finishing touches needed to bring a work of art or literature to life. In a discussion, it refers to the final statements used to clinch the argument. "Waiting for Rabbits by a Tree Stump" Based on an ancient folktale about a foolish farmer who sees a rabbit kill itself in front of him by running into a tree stump, then gives up tilling his field to wait for more rabbits by the stump. This saying is applied to people who wait passively for luck to strike again. It also refers to impractical people who stick to one way of doing things only because it has worked for them once in the past. "Pure Water Has No Fish; Perfect People Have No Friends" Many versions of this historical tale exist. The one told here is about a 2nd century AD official sent to govern a far-flung outpost on the Silk Road who is fastidious in applying strict rules and thereby causes the local people to rebel against him. In the professional world, it is used to refer to people who do not like to work with an overly strict supervisor or colleague. Whether being used in a classroom or for self-study, Chinese Stories for Language Learners provides an educational and entertaining way for intermediate Mandarin learners to expand their vocabulary and understanding of the language.

*Japanese Kanji Made Easy* Michael L. Kluemper 2015-04-28 This highly-visual book introduces an effective new method to learn over 1,000 Japanese kanji characters using visual stimuli and pictographs. Learning the fundamental kanji characters used to write Japanese can be challenging, but this book is designed to speed up learning by presenting the 1,000 most common characters using a mnemonic approach. In a fun and accessible way to learn Japanese, each kanji is associated with memorable visual and verbal clues. For example, the Japanese character for person is superimposed over a sketch of a smiling man. The visual clue is "a person standing on two legs". By seeing the distinctive shape of the kanji, learners create a mental image of its meaning. Each character is presented as part of a group of characters which share similar traits. These groups use common root symbols known as radicals; they are also categorized by themes such as colors, numbers, animals, or body parts. Pronunciations, meanings and common vocabulary compounds are provided for each character in the group. Mnemonic clues are also given for the basic 92 hiragana and katakana phonetic symbols. A free audio CD helps you learn pronunciation for all of the characters and vocabulary in this book. The introduction explains the basic history and structure of the kanji.
