Forbidden Lessons in a Kabul Guesthouse Suraya Sadeed 2011-06-21 Includes a Reading Group Guide and Author Q&A From her first humanitarian visit to Afghanistan in 1994, Suraya Sadeed has been personally delivering relief and hope to Afghan orphans and refugees, to women and girls in inhuman situations deemed too dangerous for other aid workers or for journalists. Her memoir of these missions, *Forbidden Lessons in a Kabul Guesthouse*, is as unconventional as the woman who has lived it. This is no humanitarian missive; it is an adventure story with heart. To help the Afghan people, Suraya has flown in a helicopter piloted by a man who was stoned beyond reason. She has traveled through mountain passes on horseback alongside mules, teenage militiamen, and Afghan leaders. She has stared defiantly into the eyes of members of the Taliban and of the Mujahideen who were determined to slow or stop her. She has hidden and carried \$100,000 in aid, strapped to her stomach, into ruined villages. She has built clinics. She has created secret schools for Afghan girls. She has dedicated the second half of her life to the education and welfare of Afghan women and children, founding the organization Help the Afghan Children (HTAC) to fund her efforts. Suraya was born the daughter of the governor of Kabul amid grand walls, beautiful gardens, and peace. In the aftermath of the Soviet invasion of Afghanistan in 1979, she fled to the United States with her husband, their young daughter, their I-94 papers, and little else. In America, she became the workaholic owner of a prosperous real estate company, enjoying all the worldly comforts anyone could want, but when a personal tragedy struck in the early 1990s, Suraya seriously questioned how she was living and soon sharply changed the direction of her life. Now, in *Forbidden Lessons in a Kabul Guesthouse*, she shares her story of passion, courage, and love, painting a complex portrait of Afghanistan, its people, and its foreign visitors that defies every stereotype and invites us all to contribute to the lives of others and to hope.

The Incredible Journey of Plants Stefano Mancuso 2020-03-24 In this richly illustrated volume, a leading neurobiologist presents fascinating stories of plant migration that reveal unexpected connections between nature and culture. When we talk about migrations, we should study plants to understand that these phenomena are unstoppable. In the many different ways plants move, we can see the incessant action and drive to spread life that has led plants to colonize every possible environment on earth. The history of this relentless expansion is unknown to most people, but we can begin our exploration with these surprising tales, engagingly told by Stefano Mancuso. Generation after generation, using spores, seeds, or any other means available, plants move in the world to conquer new spaces. They release huge quantities of spores that can be transported thousands of miles. The number and variety of tools through which seeds spread is astonishing: we have seeds dispersed by wind, by rolling on the ground, by animals, by water, or by a simple fall from the plant, which can happen thanks to propulsive mechanisms, the swaying of the mother plant, the drying of the fruit, and much more. In this accessible, absorbing overview, Mancuso considers how plants convince animals to transport them around the world, and how some plants need particular animals to spread; how they have been able to grow in places so inaccessible and inhospitable as to remain isolated; how they resisted the atomic bomb and the Chernobyl disaster; how they are able to bring life to sterile islands; how they can travel through the ages, as they sail around the world.

The Fairy Gunmother Daniel Pennac 2003 A policeman on a mission of mercy is shot dead at point-blank range by a sweet old granny on a frosty morning. The neighbourhood, Paris's bubbling Belleville quarter, is already in uproar, because half a dozen other grannies have been found with their shrivelled throats slit. Into this tense situation stumbles Benjamin Malaussene, with his overly complicated life: his multitude of dependant siblings, their fecund and scatty mother, his stinking epileptic dog, Julius, and his journalist lover Julie, who would dearly like to keep all these complications to a minimum. Benjamin's unusual profession – that of scapegoat in a publishing house – makes

him the ideal person to be framed for just about everything, and he is. Meanwhile, two policemen are putting their all into solving the case: Van Thian, a cop ingeniously disguised, and his cherubic partner, Pastor. The criminal galaxy explodes (not to mention the Paris police force) when the anarchic worlds of Benjamin, Julie, Thian, Pastor and the whole of Belleville finally collide ... The Fairy Gunmother is an old-fashioned thriller studded with a brilliantly new-fashioned wit.

Benediction Kent Haruf 2013-02-26 From the beloved and best-selling author of Plainsong and Eventide comes a story of life and death, and the ties that bind, once again set out on the High Plains in Holt, Colorado. When Dad Lewis is diagnosed with terminal cancer, he and his wife, Mary, must work together to make his final days as comfortable as possible. Their daughter, Lorraine, hastens back from Denver to help look after him; her devotion softens the bitter absence of their estranged son, Frank, but this cannot be willed away and remains a palpable presence for all three of them. Next door, a young girl named Alice moves in with her grandmother and contends with the painful memories that Dad's condition stirs up of her own mother's death. Meanwhile, the town's newly arrived preacher attempts to mend his strained relationships with his wife and teenaged son, a task that proves all the more challenging when he faces the disdain of his congregation after offering more than they are accustomed to getting on a Sunday morning. And throughout, an elderly widow and her middle-aged daughter do everything they can to ease the pain of their friends and neighbors. Despite the travails that each of these families faces, together they form bonds strong enough to carry them through the most difficult of times. Bracing, sad and deeply illuminating, *Benediction* captures the fullness of life by representing every stage of it, including its extinction, as well as the hopes and dreams that sustain us along the way. Here Kent Haruf gives us his most indelible portrait yet of this small town and reveals, with grace and insight, the compassion, the suffering and, above all, the humanity of its inhabitants.

Someone to Run With David Grossman 2005-02-01 Earnest, awkward, and painfully shy, sixteen-year-old Assaf is having the worst summer of his life. With his big sister gone to America and his best friend suddenly the most popular kid in their class, Assaf worries away his days at a lowly summer job in Jerusalem

city hall and spends his evenings alone, watching television and playing games on the Internet. One morning, Assaf's routine is interrupted by an absurd assignment: to find the owner of a stray yellow lab. Meanwhile, on the other side of the city, Tamar, a talented young singer with a lonely, tempestuous soul, undertakes an equally unpromising mission: to rescue a teenage drug addict from the Jerusalem underworld . . . and, eventually, to find her dog. Someone to Run With is the most popular work to date from "a writer who has been, for nearly two decades, one of the most original and talented . . . anywhere" (The New York Times Book Review), a bestseller hailed by the Israeli press (and reform politicians such as Shimon Peres) for its mixture of fairy-tale magic, emotional sensitivity, and gritty realism. The novel explores the life of Israeli street kids-whom Grossman interviewed extensively for the novel-and the anxieties of family life in a society racked by self-doubt. Most of all, it evokes the adventure of adolescence and the discovery of love, as Tamar and Assaf, pushed beyond the limits of childhood by their quests, find themselves, and each other.

Me and You Niccolò Ammaniti 2012-02-01 The bestselling author of I'm Not Scared "elegizes adolescence fiercely and sympathetically" in a novel that's "scary, lovely and at last a heartbreaker" (Kirkus Reviews). Lorenzo Cuni is a fourteen-year-old loner. His wealthy parents think he is away on a school skiing trip, but in fact he has stowed away in a forgotten cellar. For a week he plans to live in perfect isolation, keeping the adult world at bay. Then a visit from his estranged half-sister, Olivia, changes everything. Evoking the fierce intensity and the pulse-quickening creepiness of I'm Not Scared, Ammaniti's bestselling first novel, Me and You is a breathtaking tale of alienation, acceptance, and wanting to be loved by "a fearsomely gifted writer" (The Independent). "Immensely engaging . . . Both tender and emotionally arresting, Ammaniti's novel is unforgettable." –Publishers Weekly, starred review "Italian author Niccolò Ammaniti does a lot in 160 pages, including surprise, humor, and frighten you–sometimes simultaneously." –Daily Candy "Ammaniti's prose is nimble, perceptive and economical . . . There's a lot to love about this book–its reticent empathy, its delicate and pragmatic treatment of addiction, its remarkable use of restricted physical space." –Full Stop "Me and You takes a short time to read but offers a memorable experience in a mutual recognition of loneliness and grief." –Curled Up With a Good Book "Me And You, at just over one hundred pages . . . [is a] perfect book . . . Niccolò Ammaniti disgusts me for how talented he is . . . He has written a masterpiece." –Antonio D'Orrico, Corriere della Sera

Gargoyles Thomas Bernhard 2010-12-01 The playwright and novelist Thomas Bernhard was one of the most widely translated and admired writers of his generation, winner of the three most coveted literary prizes in Germany. Gargoyles, one of his earliest novels, is a singular, surreal study of the

nature of humanity. One morning a doctor and his son set out on daily rounds through the grim mountainous Austrian countryside. They observe the colorful characters they encounter—from an innkeeper whose wife has been murdered to a crippled musical prodigy kept in a cage—coping with physical misery, madness, and the brutality of the austere landscape. The parade of human grotesques culminates in a hundred-page monologue by an eccentric, paranoid prince, a relentlessly flowing cascade of words that is classic Bernhard.

Twice Born Margaret Mazzantini 2013 Gemma returns with her teenage son to war-scarred Sarajevo to teach him about the city of his birth and the father he never knew, a journey that causes her to experience vivid memories.

The Catholic School Edoardo Albinati 2019-08-13 A semiautobiographical coming-of-age story, framed by the harrowing 1975 Circeo massacre Edoardo Albinati's The Catholic School, the winner of Italy's most prestigious award, The Strega Prize, is a powerful investigation of the heart and soul of contemporary Italy. Three well-off young men—former students at Rome's prestigious all-boys Catholic high school San Leone Magno—brutally tortured, raped, and murdered two young women in 1975. The event, which came to be known as the Circeo massacre, shocked and captivated the country, exposing the violence and dark underbelly of the upper middle class at a moment when the traditional structures of family and religion were seen as under threat. It is this environment, the halls of San Leone Magno in the late 1960s and the 1970s, that Edoardo Albinati takes as his subject. His experience at the school, reflections on his adolescence, and thoughts on the forces that produced contemporary Italy are painstakingly and thoughtfully rendered, producing a remarkable blend of memoir, coming-of-age novel, and true-crime story. Along with indelible portraits of his teachers and fellow classmates—the charming Arbus, the literature teacher Cosmos, and his only Fascist friend, Max—Albinati also gives us his nuanced reflections on the legacy of abuse, the Italian bourgeoisie, and the relationship between sex, violence, and masculinity.

The Curious Incident of the Dog in the Night-Time Mark Haddon 2009-02-24 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

The Chosen Ones Steve Sem-Sandberg 2016-08-02 The Am Spiegelgrund clinic, in glittering Vienna, masqueraded as a well-intentioned reform school for wayward boys and girls and a home for chronically ill children. The reality, however, was very different: in the wake of Germany's annexation of Austria on the eve of World War II, its doctors, nurses, and teachers created a monstrous parody of the institution's benign-sounding brief. The Nazi regime's euthanasia program would come to determine the fate of many of the clinic's inhabitants. Through the eyes of a child inmate, Adrian Ziegler, and a nurse, Anna Katschenka, Steve Sem-Sandberg, the author of the award-winning *The Emperor of Lies*, explores the very meaning of survival. An absorbing, emotionally overwhelming novel, rich in incident and character, *The Chosen Ones* is obliquely illuminated by the author's sharp sense of the absurd. Passionately serious, meticulously researched, and deeply profound, this extraordinary and dramatic novel bears witness to oppression and injustice, and offers invaluable and necessary insight into an intolerable chapter in Austria's past.

Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.
