The Trial That Never Ends Richard J. Golsan 2017-03-17 The fiftieth anniversary of the Adolf Eichmann trial may have come and gone but in many countries around the world there is a renewed focus on the trial, Eichmann himself, and the nature of his crimes. This increased attention also stimulates scrutiny of Hannah Arendt's influential and controversial work, *Eichmann in Jerusalem*. The contributors gathered together by Richard J. Golsan and Sarah M. Misemer in *The Trial That Never Ends* assess the contested legacy of Hannah Arendt's famous book and the issues she raised: the "banality of evil", the possibility of justice in the aftermath of monstrous crimes, the right of Israel to kidnap and judge Eichmann, and the agency and role of victims. The contributors also interrogate Arendt's own ambivalent attitudes towards race and critically interpret the nature of the crimes Eichmann committed in light of newly discovered Nazi documents. *The Trial That Never Ends* responds to new scholarship by Deborah Lipstadt, Bettina Stangneth, and Shoshana Felman and offers rich new ground for historical, legal, philosophical, and psychological speculation.

Great Serbian Short Stories Stjepan Mitrov Ljubisa 2019-07-16 "But the country could not accept the

bridge and the bridge could not accept the country." This quotation, from the short story "The Bridge on the Zepa," by the 1961 Nobel laureate Ivo Andric, whose story, "Thirst," is included in this collection, reflects the essence of the state of human relations in the Balkans. Here Andric observes that while bridges are built to connect and not divide, human nature, as it is, can lead to discord and alienation. In fact, throughout its history Serbia was a point of convergence, and even more often, a place of confrontation. The stories in this anthology depict figuratively the banks on either side of the bridge in Serbia and the Balkans. On the one side there is respectfulness and coalescence, and on the other, turbulence and division among people along social, economic, ethnic, and religious lines. One of the best ways to get acquainted with foreign literature is to select an anthology in order to sample individual writers to get a sense of a nation's literary culture. To that end, the purpose of this anthology of short stories is to enlighten the reader about Serbia and the Serbian people. This volume represents the quintessential anthology of Serbian short stories in the English language selected in terms of the diversity of topics, styles, and literary trends, covering both the nineteenth and twentieth centuries. The stories chosen for this anthology represent the best available selection presenting unique tales indigenous to Serbia. The nineteenth-century stories deal with life in rural Serbia, characterized by realistic descriptions, simplicity, and appealing characters. In contrast, Serbia's twentieth-century authors are recognized for their courage and daring in confronting totalitarian communist norms, and later for literary innovations illustrating the environment, people, and values of democratic Serbia. These Serb writers rank among the masters of modern literature. The first short stories appearing in Serbia of literary value date from the middle of the nineteenth century. During that period, the Serbian literary milieu was impacted significantly by Western European and Russian cultures, due mostly to two developments: firstly, a number of Serbian students acquired higher education in Western European countries, and upon returning, exerted their influence on the Serbian literary scene, bringing with them new and progressive ideas. Through the influx of such foreign-educated Serb intellectuals, Serbia was able to establish at least a peripheral literary connection with Western Europe. Secondly, Russian literature of the nineteenth century with its two literary giants, Leo Tolstoy and Fedor Dostoyevsky, were accessible to Serbian intellectuals because of the similarity of the Serbian and Russian languages and the ability of Serbs to read some of the works in the original, as well as in translation. B. M. Authors represented in this anthology: Stjepan Mitrov Ljubisa (1824-1878) Milovan Glisic (1847-1908) Lazar (Laza) Lazarevic (1851-1890) Simo Matavulj (1852-1908) Janko

The Things We Cherished Pam Jenoff 2011-07-12 Pam Jenoff, whose first novel, *The Kommandant's Girl*, was a Quill Award finalist, a Book Sense pick, and a finalist for the ALA Sophie Brody Award, joins the Doubleday list with a suspenseful story of love and betrayal set during the Holocaust. An ambitious novel that spans decades and continents, *The Things We Cherished* tells the story of Charlotte Gold and Jack Harrington, two fiercely independent attorneys who find themselves slowly falling for one another while working to defend the brother of a Holocaust hero against allegations of World War II-era war crimes. The defendant, wealthy financier Roger Dykmans, mysteriously refuses to help in his own defense, revealing only that proof of his innocence lies within an intricate timepiece last seen in Nazi Germany. As the narrative moves from Philadelphia to Germany, Poland, and Italy, we are given glimpses of the lives that the anniversary clock has touched over the past century, and learn about the love affair that turned a brother into a traitor. Rich in historical detail, Jenoff's astonishing new work is a testament to true love under the worst of circumstances.

Estoril Dejan Tiago-Stankovic 2018-03-08 Set in a luxurious grand hotel just outside Lisbon, at the height of the Second World War, Estoril is a delightful and poignant novel about exile, divided loyalties, fear and survival. The hotel's guests include spies, fallen kings, refugees from the Balkans, Nazis, American diplomats and stateless Jews. The Portuguese secret police broodingly observe the visitors, terrified that their country's neutrality will be compromised. The novel seamlessly fuses the stories of its invented characters with appearances by historical figures like the ex-King Carol of Romania, the great Polish pianist Jan Paderewski, the British agent Ian Fleming, the Russian chess grandmaster Alexander Alekhine and the French writer and flyer Antoine de St Exupery, who forms a poignant friendship with a young Jewish boy living alone in the hotel.

Sarajevo Marlboro Miljenko Jergovic 2012-04-26 Miljenko Jergovic's remarkable début collection of stories, Sarajevo Marlboro – winner of the Erich Maria Remarque Peace Prize – earned him wide acclaim throughout Europe. Croatian by birth, Jergovic spent his childhood in Sarajevo and chose to remain there throughout most of the war. A dazzling storyteller, he brings a profoundly human, razor-sharp understanding of the fate of the city's young Muslims, Croats, and Serbs with a subterranean humor and profoundly personal vision. Their offbeat lives and daily dramas in the foreground, the killing zone in the background.

The Coffee Book Nina Luttinger 2012-05-01 A history of coffee from the sixth century to Starbucks that's "good to the last sentence" (Las Cruces Sun News). One of Library Journal's "Best Business Books"

This updated edition of *The Coffee Book* is jammed full of facts, figures, cartoons, and commentary covering coffee from its first use in Ethiopia in the sixth century to the rise of Starbucks and the emergence of Fair Trade coffee in the twenty-first. The book explores the process of cultivation, harvesting, and roasting from bean to cup; surveys the social history of café society from the first coffeehouses in Constantinople to beatnik havens in Berkeley and Greenwich Village; and tells the dramatic tale of high-stakes international trade and speculation for a product that can make or break entire national economies. It also examines the industry's major players, revealing the damage that's been done to farmers, laborers, and the environment by mass cultivation—and explores the growing “conscious coffee” market. “Drawing on sources ranging from Molière and beatnik cartoonists to the Food and Agriculture Organization, the authors describe the beverage's long and colorful rise to ubiquity.” —*The Economist* “Most stimulating.” —*The Baltimore Sun*

On the Edge of Reason Miroslav Krleža 2017-05-17 "On the Edge of Reason is one of the great European novels of the first half of the twentieth century – and Krleža's themes, his seriousness, his protest against the normality of delusion and cruelty, could hardly be more relevant to the century's end." —Susan Sontag
During his long and distinguished career, the Croatian writer Miroslav Krleža (1893-1981) battled against many forms of tyranny. In *On the Edge of Reason*, his protagonist is a middle-aged lawyer whose life and career have been eminently respectable and respected. One evening, at a party attended by the local elite, he inadvertently blurts out an honest thought. From this moment, all hell breaks loose.... *On the Edge of Reason* reveals the fundamental chasm between conformity and individuality. As folly piles on folly, hypocrisy on hypocrisy, reason itself begins to give way, and the edge between reality and unreality disappears.

Leica Format Dasa Drndić 2015-05 This is like a fairy tale, all this. A woman meets a stranger who tells her her identity is a lie. 772 (or 789) children's brains rest silently in jars. A traveller comes to a quotidian

city, unknowingly approaching her past. From the author of Trieste (shortlisted for the Independent Foreign Fiction Prize) comes this bedazzling kaleidoscopic novel, stitching together fact and fiction, history and memory, words and images into a heart-breaking collage that manages to look askance at the blinding horror of history. Ranging across themes of memory, loss, inheritance and storytelling, Drndic borrows from every tradition of writing to weave together a fragmented narrative of love and disease, in a novel that's very format raises penetrating and unanswerable questions about history, and the processes by which we describe and remember it.

The Development of Spiritual Life in Bosnia under the Influence of Turkish Rule Ivo Andrić 1990-05-01
Ivo Andric (1892-1975), Nobel Prize laureate for literature in 1961, is undoubtedly the most popular of all contemporary Yugoslav writers. Over the span of fifty-two years some 267 of his works have been published in thirty-three languages. Andric's doctoral dissertation, *The Development of Spiritual Life in Bosnia under the Influence of Turkish Rule* (1924), never before translated into English, sheds important light on the author's literary writings and must be taken into account in any current critical analysis of his work. Over his long and distinguished career as a diplomat and man of letters Andric never again so directly or discursively addressed, as a social historian, the impact of Turkish hegemony on the Bosnian people (1463–1878), a theme he returns to again and again in his novels. Although Andric's fiction was embedded in history, scholars know very little of his actual readings in history and have no other comparable treatment of it from his own pen. This dissertation abounds with topics that Andric incorporated into his early stories and later novels, including a focus on the moral stresses and compromises within Bosnia's four religious confessions: Catholic, Orthodox, Jew, and Muslim. Z. B. Juricic provides an extensive introduction describing the circumstances under which this work was written and situating it in Andric's oeuvre. John F. Loud's original bibliography drawn from this dissertation stands as the only comprehensive inventory of historical sources known to have been closely familiar to the author at this early stage in his development.

The Fortress Meša Selimović 1999 The Fortress is one of the most significant and fascinating novels to come out of the former Yugoslavia. Ahmet Shabo returns home to eighteenth-century Sarajevo from the war in Russia, numbed by the death in battle or suicide of nearly his entire military unit. In time he overcomes the anguish of war, only to find that he has emerged a reflective and contemplative man in a society that does not value, and will not tolerate, the subversive implications of these qualities.

Miris Kise Na Balkanu Gordana Kuic 2018-01-11 ..". U nastojanju da prikaze sudbinu jedne jevrejske porodice s naseg tla, autor je u stvari otisao mnogo dalje: pokazao je da se od neminovnosti istorije ne moze pobeci. Naslikao je istoriju kao neman koja se u ciklicnim periodima vraca, ali i kao suludog saljivcinu koji je svakog casa spreman da promeni boju figurama kojima se igra. Miris kise na Balkanu jeste znacajan doprinos oskudnoj jevrejskoj knjizevnosti kod nas, ali s obzirom na to da su prelomni trenuci u istoriji ovdasnje jevrejske zajednice u isto vreme prelomni trenuci za celu nasu zemlju, da se

njena istorija oslikava u tragicnoj povesti jedne jevrejske porodice, onda ovaj roman prerasta uske granice takvog odredjenja i njegov znacaj postaje znatno siri." - Iz recenzije Davida Albaharija
