The Complete O. Henry Short Stories (Rolling Stones + Cabbages and Kings + Options + Roads of Destiny + The Four Million + The Trimmed Lamp + The Voice of the City + Whirligigs and more) O. Henry 2015-05-21 This carefully crafted ebook: "The Complete O. Henry Short Stories (Rolling Stones + Cabbages and Kings + Options + Roads of Destiny + The Four Million + The Trimmed Lamp + The Voice of the City + Whirligigs and more)" is formatted for your eReader with a functional and detailed table of contents. William Sydney Porter (1862-1910), known by his pen name O. Henry, was an American writer. O. Henry's short stories are known for their wit, wordplay, warm characterization, and surprise endings. Most of O. Henry's stories are set in his own time, the early 20th century. Many take place in New York City and deal for the most part with ordinary people: clerks, policemen, waitresses, etc. O. Henry's work is wide-ranging, and his characters can be found roaming the cattle-lands of Texas, exploring the art of the con-man, or investigating the tensions of class and wealth in turn-of-the-century New York. O. Henry had an inimitable hand for isolating some element of society and describing it with an incredible economy and grace of language. Some of his best and least-known work is contained in Cabbages and Kings, a series of stories each of which explores some individual aspect of life in a paralytically sleepy Central American town, while advancing some aspect of the larger plot and relating back one to another.

Bridging the Chasm Ray Gosa 2020-07-20 This book contains some of the most powerful and effective gap-bridging units. What makes them gap-bridging is not their physical composition alone; but rather, it is their tandem use and application. There are essentially three components to the units: a vocabulary list, complete with part of speech and denotations; a grammatically incorrect short story that features the same vocabulary words from the first component list; and a set of comprehension / discussion questions that focus back to the short story. When protocols are followed, these exercises are enormously effective! My students have grown tremendously over the years!
