The Mystery of Mrs. Christie Marie Benedict 2020-12-29 THE INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER! "A stunning story... The ending is ingenious, and it's possible that Benedict has brought to life the most plausible explanation for why Christie disappeared for 11 days in 1926."—The Washington Post The New York Times and USA Today bestselling author of *The Only Woman in the Room* returns with a thrilling reconstruction of one of the most notorious events in literary history: Agatha Christie's mysterious 11-day disappearance in 1926. In December 1926, Agatha Christie goes missing. Investigators find her empty car on the edge of a deep, gloomy pond, the only clues some tire tracks nearby and a fur coat left in the car—strange for a frigid night. Her World War I veteran husband and her daughter have no knowledge of her whereabouts, and England unleashes an unprecedented manhunt to find the up-and-coming mystery author. Eleven days later, she reappears, just as mysteriously as she disappeared, claiming amnesia and providing no explanations for her time away. The puzzle of those missing eleven days has persisted. With her trademark historical fiction exploration into the shadows of the past, acclaimed author Marie Benedict brings us into the world of Agatha Christie, imagining why such a brilliant woman would find herself at the center of such murky historical mysteries. What is real, and what is mystery? What role did her unfaithful husband play, and what was he not telling investigators? Agatha Christie novels have withstood the test of time, due in no small part to Christie's masterful storytelling and clever mind that may never be matched, but Agatha Christie's untold history offers perhaps her greatest mystery of all. Fans of *The Secrets We Kept*, *The Lions of Fifth Avenue*, and *The Alice Network* will enjoy this riveting saga of literary history, suspense, and love gone wrong. Other Bestselling Historical Fiction from Marie Benedict: *Lady Clementine* *The Only Woman in the Room* *Carnegie's Maid* *The Other Einstein*

Stuff You Should Know Josh Clark 2020-11-24 From the duo behind the massively successful and award-winning podcast *Stuff You Should Know* comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast *Stuff You Should Know* back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making *Stuff You Should Know* one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow

for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with *Stuff You Should Know*. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

Missing People in America's National Parks Keefe Cheetham 2017-05-14 There is a sinister side to National Parks; one the Forest Service does not want you to know about...National Parks are a place for family fun, camping, and adventure. Millions of Americans and foreign tourists flock to National Parks around the globe each year. But for some, they go through the entrance, never to come out again. In the last century close to 1100 people have disappeared while on a visit to a National Park, just in the USA. Yet, research into this high rate of missing people associated with various National Parks around America is difficult. The National Park Service does not want anyone to research the missing, according to one ex-officer. Is a conspiracy in the works to ensure millions of visitors still come to the National Parks or is it a case of keeping details of an ongoing investigation quiet?

[Before She Disappeared](#) Lisa Gardner 2021-09-28 THE INSTANT NEW YORK TIMES BESTSELLER From #1 New York Times bestselling author Lisa Gardner, a propulsive thriller featuring an ordinary woman who will stop at nothing to find the missing people that the rest of the world has forgotten Frankie Elkin is an average middle-aged woman, a recovering alcoholic with more regrets than belongings. But she spends her life doing what no one else will--searching for missing people the world has stopped looking for. When the police have given up, when the public no longer remembers, when the media has never paid attention, Frankie starts looking. A new case brings her to Mattapan, a Boston neighborhood with a rough reputation. She is searching for Angelique Badeau, a Haitian teenager who vanished from her high school months earlier. Resistance from the Boston PD and the victim's wary family tells Frankie she's on her own--and she soon learns she's asking questions someone doesn't want answered. But Frankie will stop at nothing to discover the truth, even if it means the next person to go missing could be her.

Missing People Joseph Exton 2017-02-07 True Stories From Police Files: What Really Happened To Them? Claim Your FREE Books Each Week With This Book! How far would you go to find a missing loved one? Would you send out flyers, appear on TV shows, or ask some of your connections to assist you? Let's change the question: what would you want your loved ones to do in case it was you who went missing? Would you want to spare them the trouble, ask them to let it go? Or would you encourage them to fight and find you at all costs? In this book we'll tackle 7 cases - each, different in nature and response, but all ending in one direction: the missing person could not be found... We have the toddler who was abducted in his room, which, was devoid of fingerprints except for the baby. How that became possible especially since other people touched many things in the room, the police still don't know. We also have a teenager who went missing in her own apartment after hanging out with two friends. A lyricist who seemed to have orchestrated the perfect escape, a Polaroid featuring a tied up woman and boy, a young mother, a graduate hiker, and a 14 year old who could have died at the hands of her own adoptive parents. All these people never returned... Here's A Preview Of What's In This Book... Missing Andrew Clark 2018-04-25 They just vanished... disappeared without leaving a trace. This book shed lights on some of the most intriguing missing person cases. There are countless stories all over the globe of average, everyday people suddenly vanishing under the strangest and most inopportune of circumstances. These cases have baffled the experts and remained unsolved for decades. The missing person cases presented in this book have diverse backgrounds, but they are all equally mysterious. Here we will dive headfirst into some of the most unusual disappearing acts on record. Rational explanations have been put forward for some, but many lack any plausible theories whatsoever. This book relates the true yet astonishing tales of prime ministers lost at sea, esteemed physicists vanishing without a trace, great explorers lost in the wilderness. From the World War II veteran who seemed to literally disappear into thin air on a bus ride home, to the ill-fated singer-songwriter Connie Converse who right around her 50th birthday decided to pull a "Bilbo Baggins" (Connie's own words) on the ones she loved by slipping on her very own ring of invisibility and vanishing out of sight, this book takes us through some of the saddest, the most intriguing, and the most downright bizarre accounts of lost souls that you will ever find. Missing Person Case Files Solved Andrew J. Clark 2015-10-09 Vanished into thin air... Disturbing cases of people gone missing and being found again. Read about their mysterious and sometime chilling journey. Missing people are far more common than you might think. Every year, around the world, hundreds of thousands of people vanish into thin air. Usually, they have simply been involved in a freak accident that has led to their death. Sometimes, they vanish on purpose and don't wish to be found. On very rare occasions, there is violence at play and the person has been deliberately removed from the public or even killed. In this book, we will be examining the various circumstances in which people happen to vanish. These circumstances can vary from elegant plans of their own design to freak accidents that result in memory loss. In some cases, we will find that there is a malicious party at play and a far greater crime to be solved. But in every single case, we will learn of someone who vanishes before being found again. So, read on to discover the strange and mysterious events which can drive people away, as well as the emotions and motivations that lead them to come home. With so many people disappearing across the planet, the stories of those who are able to come home are inspirational, fascinating, and - in some cases - almost unbelievable. In this book, we will learn the true stories of the lost and found, the real life events which see people arrive back home after most people might have given up hope. Read on and discover just what it takes to come back. Here are some of the cases that you will find inside: * The young boy abducted by a crazed man * The boy whose kidnap inspired a search and rescue team * The controversial lawyer who vanished for eight years * The rapper who dropped off the radar * The actress who vanished without warning * The man kidnapped by North Korea * The man struck down by a little known medical issue * And many more! Missing 411-North America and Beyond David Paulides 2013-02-28 (www.canammissing.com) This is the third "Missing 411" book researching facts of people who have vanished in remote locations of the world. "Missing 411-North America and Beyond" is the first edition that discusses missing people and relevant facts from five countries (Australia, England, France, Iceland and Indonesia) outside of North America and examines the parallels between the cases. The book also includes a multitude of new stories from North America. There is a continuing trend of clusters of missing people in United States National Parks. The National Park Service has continued with their policy of failing to keep ledgers, track or otherwise document lists of missing people inside their parks and monuments. This edition has cases from Florida, Texas, Hawaii and forty other states. There are new clusters of missing people from Sequoia and Mount Rainier National Park, Three Sisters Wilderness (OR) and Adirondacks (NY). Canada has missing cases from six provinces that are documented. This new book brings further clarity to the missing person issue by examining multiple disappearances of people in small-confined areas and

exposing the similarities of their case. David Paulides also exposes a series of coed disappearances that date back to the early 1900's, which have unusual facts surrounding their case."Missing 411-North America and Beyond" is the largest and most comprehensive of the trilogy, 472 pages. The Missing 411 series builds upon itself. It is recommended that you read "Missing 411-Western United States" first, then the eastern version and then "North America and Beyond." There is a historical aspect to this issue and there are common elements that run through the disappearances.

*****One of the early reviews of "Missing 411-North America and Beyond" was written by New York Times Best Selling author Whitley Strieber:David Paulides has shined a light onto one of the greatest and most disturbing mysteries of our time: the simple and awful fact that people disappear, especially in our national parks, and little effort is made to find them, let alone inform the public about the danger.Even when massive searches are mounted, and people are found, the events surrounding their loss and recovery are often far beyond logical explanation.This is the most comprehensive and expertly presented series of books on the subject ever written, and the latest volume, which includes stories from five countries, is sobering, chilling and far too well researched to ignore. Essential reading.Whitley StrieberNew York Times Best Selling Author*****

People Missing in the Woods Steph Young 2018-12-13 People in the Woods are disappearing.... hikers missing in national parks, people lost to the woods never to return, people taken....never found again... Natural predators can lurk in the wilderness; bears, mountain lions, cougars, and occasionally a hiker will be victim to these wild animals. They feed where they kill or drag their bloody victim to a nearby lair; they leave a trail that is obvious to searchers. However, the victims in this book show no evidence of an animal attack. For these victims, there is no logical explanation.... only cryptic mysteries, enigma and many unanswered questions... Baffling, strange, and cryptic cases. Based on True Stories. Bestselling Author Steph Young has appeared on radio shows including Coast to Coast AM, telling creepy unexplained mysteries of stories that come from her books, and her Podcast; Unexplained Mysteries with Steph Young. PEOPLE MISSING IN THE WOODS: People are disappearing in the Woods. True Stories of Unexplained Disappearances, Unexplained Mysteries. Creepy Unexplained Disappearances. Strange vanishings of people. Missing hikers missing in national parks. Baffling, strange, creepy and cryptic cases.

The Missing Among Us Erin Stewart 2021-03-01 In Australia 38 000 people are reported missing each year and in the US it's over 600 000. In the UK someone is reported missing every 90 seconds. Many of these cases are never resolved. Blending long-form journalism with true crime and philosophy, *The Missing Among Us* takes us from the Australian bush to the battlefields of Northern France and the perilous space of a refugee camp to explore the stories of the missing. Erin Stewart speaks to parents of missing children, former cult members, detectives and investigators, advocates working on the crisis of missing refugees, a child of the Stolen Generations and many more to trace the mysterious world of missing persons. Examining famous cases like that of Madeleine McCann to those who are lesser known yet equally loved and mourned, this unique book forces us to see the complex story behind each missing person and those they leave behind. 'The Missing Among Us will wrench your heart while it stretches your mind. Erin Stewart has undertaken a large inquiry, encompassing personal investigation, historical events, true crime, untold and untellable mysteries, while never losing sight of the emotional distress at the core of every missing person's story. This is a rare book from a gifted writer: intelligent yet poignant, enlightening yet deeply disturbing.' — Malcolm Knox 'The Missing Among Us is illuminating, profound and wise. Stewart is a distinct new voice and her inquiry into the gaps and absences so many of us try to gloss over is intelligent, gentle and brave.' — Anna Krien 'A deeply moving and insightful exploration of the concept of "missingness". Erin Stewart brings compassion and informed

understanding to these hugely diverse stories of personal loss, resilience and advocacy.' — Siobhán McHugh 'Nothing goes unnoticed in this beautifully written and thought-provoking exploration that will enlighten and enthrall.' — Loren O'Keeffe, founder of the Missing Persons Advocacy Network 'The Missing Among Us is instantly enthralling. Erin Stewart profiles a number of missing persons cases, deftly and confidently straddling the line between reportage and personal response. Balancing the interviewees' stories with her own thoughtful responses, Stewart paints a picture of the research process that feels inclusive of the reader, detailing her interviews with her subjects in a way that feels immediate and intimate...a fulfilling, easy read.' — Books+Publishing

True Crime Addict James Renner 2016-05-24 As seen on the Oxygen mini-series The Disappearance of Maura Murray When an eleven year old James Renner fell in love with Amy Mihaljevic, the missing girl seen on posters all over his neighborhood, it was the beginning of a lifelong obsession with true crime. That obsession leads James to a successful career as an investigative journalist. It also gave him PTSD. In 2011, James began researching the strange disappearance of Maura Murray, a UMass student who went missing after wrecking her car in rural New Hampshire in 2004. Over the course of his investigation, he uncovers numerous important and shocking new clues about what may have happened to Maura, but also finds himself in increasingly dangerous situations with little regard for his own well-being. As his quest to find Maura deepens, the case starts taking a toll on his personal life, which begins to spiral out of control. The result is an absorbing dual investigation of the complicated story of the All-American girl who went missing and James's own equally complicated true crime addiction. James Renner's True Crime Addict is the story of his spellbinding investigation of the missing person's case of Maura Murray, which has taken on a life of its own for armchair sleuths across the web. In the spirit of David Fincher's Zodiac, it is a fascinating look at a case that has eluded authorities and one man's obsessive quest for the answers.

Missing People Seth Balfour 2016-04-19 Volume 2 of the Missing People series: Mysterious True Stories And Gripping Missing Persons Cases Of The Last Century: Where Do Missing People Go? Closure. People who mysteriously lost someone crave this. Whatever happened to their loved ones, whether they are still alive somewhere, or they died, the people they left behind want to know. For them, knowing the ending, no matter how horrible, is better than continuously thinking of the terrible things that they might be suffering. In the cases that we discuss, closure is elusive. It's a wonder whether the families will ever find the truth behind these disappearances cases. Unexplained disappearances are something not to be taken lightly. Just imagine, how could someone not be found when in almost all corners, authorities and concerned, vigilant people are on the lookout? If they were murdered, then why does the perpetrator have the ability to hide the body without a law enforcers' knowledge? If they willingly disappeared, how come no solid tip was observed? Perhaps their disappearances are ought to teach us a lesson, that anything can happen to anyone at anytime."

Ghost Ship Brian Hicks 2004-06-01 On December 4th, 1872, a 100-foot brigantine was discovered drifting through the North Atlantic without a soul on board. Not a sign of struggle, not a shred of damage, no ransacked cargo—and not a trace of the captain, his wife and daughter, or the crew. What happened on board the ghost ship Mary Celeste has baffled and tantalized the world for 130 years. In his stunning new book, award-winning journalist Brian Hicks plumbs the depths of this fabled nautical mystery and finally uncovers the truth. The Mary Celeste was cursed as soon as she was launched on the Bay of Fundy in the spring of 1861. Her first captain died before completing the maiden voyage. In London she accidentally rammed and sank an English brig. Later she was abandoned after a storm drove her ashore at Cape Breton. But somehow the ship was recovered and refitted, and in the autumn of 1872 she fell to the reluctant command of a seasoned mariner named Benjamin Spooner Briggs. It

was Briggs who was at the helm when the Mary Celeste sailed into history. In Brian Hicks's skilled hands, the story of the Mary Celeste becomes the quintessential tale of men lost at sea. Hicks vividly recreates the events leading up to the crew's disappearance and then unfolds the complicated and bizarre aftermath—the dark suspicions that fell on the officers of the ship that intercepted her; the farcical Admiralty Court salvage hearing in Gibraltar; the wild myths that circulated after Sir Arthur Conan Doyle published a thinly disguised short story sensationalizing the mystery. Everything from a voodoo curse to an alien abduction has been hauled out to explain the fate of the Mary Celeste. But, as Brian Hicks reveals, the truth is actually grounded in the combined tragedies of human error and bad luck. The story of the Mary Celeste acquired yet another twist in 2001, when a team of divers funded by novelist Clive Cussler located the wreck in a coral reef off Haiti. Written with the suspense of a thriller and the vivid accuracy of the best popular history, *Ghost Ship* tells the unforgettable true story of the most famous and most fascinating maritime mystery of all time.

Unexplained Disappearances Joseph Exton 2017-01-23 Bizarre Missing People Stories That Baffled The Authorities... Claim Your FREE Books Each Week With This Book! At a distance, a farmer and a policeman saw a lightning strike the rocks of the Stonehenge of Salisbury; at the same time, they heard the terrifying screams of several people. When they checked, no one was there. When Bobby Jamison's phone was inspected, a picture of his 6-year old daughter was seen: she had her arms folded, as if not wanting to be touched, her face was scrunched up, and she wasn't looking at the camera. Could the photographer be the Jamison Family's abductor? Captain Benjamin Briggs sailed together with his wife and daughter when they vanished in the Mary Celeste; could he have led his family and crew elsewhere because he sensed some sort of danger? Richard Colvin Cox, then a cadet at West Point when vanished, had 2 unidentified visitors. He also shouted a very inexplicable statement one time when he was startled awake. Are these things connected to his disappearance? Does the Bennington Triangle "eat" people? It seemed so... Based from the way the people disappeared in the area... The Night She Disappeared April Henry 2012-03-13 Gabie drives a Mini Cooper. She also works part time as a delivery girl at Pete's Pizza. One night, Kayla—another delivery girl—goes missing. To her horror, Gabie learns that the supposed kidnapper had asked if the girl in the Mini Cooper was working that night. Gabie can't move beyond the fact that Kayla's fate was really meant for her, and she becomes obsessed with finding Kayla. She teams up with Drew, who also works at Pete's. Together, they set out to prove that Kayla isn't dead—and to find her before she is. This title has Common Core connections.

The Disappearance of the Clinton Avenue Five Ava Benton 2020-07-21 A collection of True Crime Stories with mysterious disappearances at the forefront...Missing persons cases are frighteningly frequent in the United States of America. Approximately, 100,000 people are on that list every single day. Surely, those individuals do not vanish in groups. So when five boys from Newark, New Jersey disappeared on one August night in 1978, the authorities were in disbelief. These cases are so baffling, and the investigators explored numerous possibilities throughout the decades including wild theories and psychic readers. They did make an arrest more than three decades later, and a possible killer appeared in the courtroom. But not everyone is convinced that the case itself is solved, and the families are still trying to find the traces of the boys they lost.

Missing True Cases of Mysterious Disappearances 2 Andrew J Clark 2020-07-24 They just vanished... disappeared without leaving a trace. This second book sheds light on more of the most intriguing missing person cases. They're here one second and then they're gone. Without rhyme or reason, people going about their mundane day-to-day affairs vanish without a trace. Sure, missing person cases may be a dime a dozen, but some are just a little stranger than others. Because there are disappearances-and then there are mind-bogglingly mysterious disappearances. When it comes to missing people, there are some cases that just seem to completely defy explanation. In this book, we will take a look at a wide variety of such extra-mysterious disappearances that have yet to be solved. From Jim Sullivan's UFO to the Yuba County Five, there is no easy way to figure out what happened to these lost souls. Were they kidnapped? Were they killed? Did they kill themselves? Or did they literally just disappear into thin air? Put on your detective hat and get ready for real mystery as we present to you 15 disappearances that defy all logical explanation, 15 cases in which folks have gone missing in the blink of an eye. Some of the cases included inside: -Maura Murray-Ciara Breen-Alan Addis-Jim Sullivan-Amy Bechtel-Gary Mathias-And Many More Scroll back up and order your copy today!

Missing People Malcolm Cliver 2016-03-11 A Stunning Collection Of Missing Persons Cases And Stories Of Missing People And Their Unusual Disappearances People disappear everyday: some of them turn up murdered, some willingly escaped their current lives, while some cases remain to be clouded with mystery. Day by day, we hear and read about missing people, but we take them for granted because none of them are connected to us. For the families of the people who disappeared, they are constantly hoping that the public would care enough if they happen to see a person who resembles their lost loved one. Who knows, perhaps if you were just familiar with the case, you would be able to identify one missing persons? But what happens to these people is mostly unknown. Sure, we speculate but most of the time, we will never really know the truth...

The Disappearances Scott Thybony 2016 "The gripping true story of three young people who went missing at the same time in the same tangle of canyons and slickrock expanses of the American Southwest. In 1935, during the wind-swept years of the Dust Bowl, three people went missing on separate occasions in the rugged canyon country of southeastern Utah, a place 'wild, desolate, mysterious.' A thirteen-year old girl, Lucy Garrett, was tricked into heading west with the man who had murdered her father under the pretense of reuniting with him. At the same time, a search was underway for Dan Thrapp, a young scientist on leave from the American Museum of Natural History. Others were scouring the same region for an artist, Everett Ruess, who had disappeared into 'the perfect labyrinth.' Intrigued by this unusual string of coincidental disappearances, Scott Thybony set out to learn what happened. His investigations took him from Island in the Sky to Skeleton Mesa, from Texas to Tucson, and from the Green River to the Red. He traced the journey of Lucy Garrett from the murder of her father to her dramatic courtroom testimony. Using the pages of an old journal he followed the route of Dan Thrapp as he crossed an expanse of wildly rugged country with a pair of outlaws. Thrapp's story of survival in an unforgiving land is a poignant counterpoint to the fate of the artist Everett Ruess, which the New York Times has called 'one of the most enduring mysteries of the modern West.' Thybony draws on extensive research and a lifetime of exploration to create a riveting story of these three lives"--Provided by publisher.

Missing Person Sarah Lotz 2019-09-03 From acclaimed thriller writer Sarah Lotz, hailed by Stephen King as "vastly entertaining," a new novel about a group of amateur detectives infiltrated by the sadistic killer whose crimes they're investigating. Reclusive bookseller Shaun Ryan has always believed that his uncle Teddy died in a car accident twenty years ago. Then he learns the truth: Teddy fled his home in Catholic, deeply conservative County Wicklow, Ireland, for New York and hasn't been heard from since.

None of Shaun's relatives will reveal why they lied about his uncle's death or why they want Shaun to leave the whole affair alone. But Shaun has a burning need to find out the truth. His search is unsuccessful until he's contacted by Chris Guzman, a woman who runs a website dedicated to matching missing-persons cases with unidentified bodies. Chris and her team of cold-case obsessives suspect that Shaun is looking for the "Boy in the Dress," one victim in a series of gay men murdered by the same killer. But who are these internet fanatics really, and how do they know so much about a case that has stumped police for decades? Soon armchair sleuths and professional investigators are on a collision course with a sadistic serial killer who's gotten away with his crimes for far too long - and now they're in his sights.

Unsolved Disappearances in the Great Smoky Mountains Juanitta Baldwin 1998

The Night She Disappeared Lisa Jewell 2021-09-07 From the #1 New York Times bestselling author of *Then She Was Gone* comes "her best thriller yet" (Harlan Coben, New York Times bestselling author) about a young couple's disappearance on a gorgeous summer night, and the mother who will never give up trying to find them. On a beautiful summer night in a charming English suburb, a young woman and her boyfriend disappear after partying at the massive country estate of a new college friend. One year later, a writer moves into a cottage on the edge of the woods that border the same estate. Known locally as the Dark Place, the dense forest is the writer's favorite place for long walks and it's on one such walk that she stumbles upon a mysterious note that simply reads, "DIG HERE." Could this be a clue towards what has happened to the missing young couple? And what exactly is buried in this haunted ground? "Utterly gripping with richly drawn, hugely compelling characters, this is a first-class thriller with heart" (Lucy Foley, New York Times bestselling author) that will keep you on the edge of your seat.

The Mysterious Disappearance of Aidan S. (as told to his brother) David Levithan 2021-02-02 New York Times bestselling author David Levithan takes young readers on twisting journey through truth, reality, and fantasy and belief. Aidan disappeared for six days. Six agonizing days of searches and police and questions and constant vigils. Then, just as suddenly as he vanished, Aidan reappears. Where has he been? The story he tells is simply. . . impossible. But it's the story Aidan is sticking to. His brother, Lucas, wants to believe him. But Lucas is aware of what other people, including their parents, are saying: that Aidan is making it all up to disguise the fact that he ran away. When the kids in school hear Aidan's story, they taunt him. But still Aidan clings to his story. And as he becomes more of an outcast, Lucas becomes more and more concerned. Being on Aidan's side would mean believing in the impossible. But how can you believe in the impossible when everything and everybody is telling you not to?

Weird Disappearances Tom McCarthy 2017-05-16 Where did Virginia Dare and the rest of the colonists of Roanoke go? Did Anastasia Romanov escape being murdered by revolutionaries? *Weird Disappearances: Real Tales of Missing People*, for readers ages 9 to 12, features five true tales that examine moments in history when someone vanished without a trace. These mysterious disappearances are discussed against the backdrop of historical circumstances, whether it be the upheaval of the Russian Revolution or the blazing of a new trail high in the skies. This is the fourth book in the new *Mystery & Mayhem* series, which features true tales that whet kids' appetites for history by engaging them in genres with proven track records--mystery and adventure. History is made of near misses, unexplained disappearances, unsolved mysteries, and bizarre events that are almost too weird to be true--almost! Delving into these tidbits of history offers a jumping off point into a lifelong habit of appreciating history. Each of the five true tales told within *Weird Disappearances* is paired with a map, as well as fun facts about the setting and time period. These nonfiction narratives use clear, concise

language with compelling plots that both avid and reluctant readers will be drawn to.

Missing Persons Victor Ellanos 2016-04-18 The Stunning Cases Of Unsolved Missing People And Mysterious Missing Persons Cases: The True Stories Every missing persons case is an agonizing experience. The anguish the family has to go through is unimaginable, at least. The life as they know it stops, and stays paused. The only time these people feel alive is when they hear news about their missing loved ones. Everyday, a lot of missing person reports are filed at police stations. Some of them include lost children-- some of them are missing adults. Some are purely by accident, while some have a touch of "malicious" intent as to why the disappearance happened. In this book, we will have a detailed look at six people who have been living a normal life, until they were plucked out from it for unknown reasons. What their families have, up to now, are mere theories. Some of them can already be considered dead, what with the amount years that passed without solid leads. For the cases that have happened recently, their families are still hoping-- living by the belief that one day, they will be united.

Mrs. Sherlock Holmes Brad Ricca 2017-01-03 Nominated for the Edgar Award for Best Fact Crime! This is the shocking and amazing true story of the first female U.S. District Attorney and traveling detective who found missing 18-year-old Ruth Cruger when the entire NYPD had given up. Mrs. Sherlock Holmes tells the true story of Grace Humiston, the lawyer, detective, and first woman U.S. District Attorney who turned her back on New York society life to become one of the nation's greatest crime-fighters during an era when women were still not allowed to vote. After agreeing to take the sensational case of missing eighteen-year-old Ruth Cruger, Grace and her partner, the hard-boiled detective Julius J. Kron, navigated a dangerous web of secret boyfriends, two-faced cops, underground tunnels, rumors of white slavery, and a mysterious pale man, in a desperate race against time. Brad Ricca's Mrs. Sherlock Holmes is the first-ever narrative biography of this singular woman the press nicknamed after fiction's greatest detective. Her poignant story reveals important clues about missing girls, the media, and the real truth of crime stories. Mrs. Sherlock Holmes is a nominee for the 2018 Edgar Awards for Best Fact Crime.

Missing Andrew J Clark 2019-07-22 Cases of missing people that defy explanation! Some missing person cases are more bizarre and mysterious than others. This book reports such cases. We often tend to think that we can easily find the explanation to everything around us, yet there are so many situations where this is not possible. People themselves continue to disappear seemingly without a trace even with all of the technological and scientific advancement that humanity has had. People disappear every single day, but there are a few cases that simply defy explanation. There are those who have walked into forests and never come out. There are people who have disappeared from secure compounds with no explanation, and even individuals who seem to have vanished into thin air right in front of security cameras. As much as we would like to find some mundane explanation for these cases, a persistent percentage of disappearances remain completely mysterious in every sense of the word. Here in this book, we have brought together some of the most mind-boggling of these strange instances of abrupt vanishing on record, including: The Ill-Fated Alien Abductee Anjikuni, the Vanishing Village Abducted by Bigfoot The Fierce Legend of Ambrose Bierce What Happened to Gerry Irwin? The Mysterious Disappearance of a Manic Street Preacher The Troubling Case of Brandon Lawson And many more! Scroll back up and order your copy today!

Missing People: the Multiple Effect Richard Bolden 2017-05-14 Are you fascinated by mysterious and unsolved cases? Do you like to speculate on what might have happened? Do you want to know more about the many missing persons in the United States who are never found again? Missing People - The Multiple Effect: True Case Studies of Unexplained Disappearances relates the frightening and

intriguing tales that have stumped detectives and investigators for years, decades, and even centuries. In "The Crew of the Sarah Joe" to "The Roanoke Colony", you'll learn about how large groups of people can simply vanish - leaving behind only vague clues and mysteries! Perhaps you will be the one to puzzle out the truth of these fascinating multiple disappearances!

Without A Trace Troy Taylor 2020-07 WITHOUT A TRACE UNSOLVED DISAPPEARANCES AND MYSTERIOUS VANISHINGS BY TROY TAYLOR We all love a mystery - but what about a mystery that has no solution? Delve into the shadowy world of unsolved disappearances and people who have vanished without a trace, never to be seen again. Such strange and chilling tales run the gamut of the terrifying and the bizarre and include crime victims, lost explorers, ships vanished at sea, outdoor disappearances, and supernatural mysteries that defy all explanation. Among these pages you'll find accounts of America's Lost Colony, history's most famous ghost ships, famous figures who vanished into the unknown, the unknown fate of America's first kidnapping for ransom, a vanished heiress, lighthouse keepers who impossibly disappeared, the killer who escaped the noose - permanently, the Grand Canyon adventurers who were never seen again, the Prohibition lawman's nephew who was never found, the Ohio sorority girl who never made it home, the abducted housewife who disappeared, the Hollywood starlet who left her family behind, a missing West Point cadet, the babysitter who vanished on Halloween, the missing Texas couple who may have been Russian spies, the little boy who walked away for good in the Smoky Mountains, a missing heiress to a candy empire, a missing TV news reporter, a long distance runner whose run never ended, plus infamous vanishings of figures like Theodosia Burr, Amelia Earhart, Glenn Miller, Judge Crater, Jimmy Hoffa, and far too many more! Just remember as you turn the pages, that if these people so easily vanished from the face of the earth, then it means it could happen to anyone - perhaps even you. You may want to read this one with the lights on!

Real Disappearances Mystery Stories Ronna Delval 2021-07-02 Missing person cases attached to national parks are difficult to research even with the online databases of today. The problem is many of these cases are classified as cold, meaning they are still open and unsolved. The incident reports are not public knowledge and unless you have a warrant you cannot access the details. Even family members have a hard time getting all the information in some of the cases. It leads to numerous questions for those who happen upon any one of the missing person's cases mentioned in the following chapters. What you will also discover within these pages is the high rate of missing person's cases within certain national parks. This is not where the talk of Bigfoot and other "supposed" creatures of the forest are going to be labeled as the "killers" as in other books. Rather, there are various reasons for people to come up missing, while their camping and other equipment is left behind, as well as their clothes.

The Cold Vanish Jon Billman 2020-07-07 Perfect for readers of Jon Krakauer and Douglas Preston, this "authentic and encyclopedic" book examines real-life cases of those who vanish in the wilderness without a trace (Roman Dial)—and those eccentric, determined characters who try to find them. These are the stories that defy conventional logic. The proverbial vanished without a trace incidences, which happen a lot more (and a lot closer to your backyard) than almost anyone thinks. These are the missing whose situations are the hardest on loved ones left behind. The cases that are an embarrassment for park superintendents, rangers and law enforcement charged with Search & Rescue. The ones that baffle the volunteers who comb the mountains, woods and badlands. The stories that should give you pause every time you venture outdoors. Through Jacob Gray's disappearance in Olympic National Park, and his father Randy Gray who left his life to search for him, we will learn about what happens when someone goes missing. Braided around the core will be the stories of the characters who fill the vacuum created by a vanished human being. We'll meet eccentric bloodhound-handler Duff and R.C., his

flagship purebred, who began trailing with the family dog after his brother vanished in the San Gabriel Mountains. And there's Michael Neiger North America's foremost backcountry Search & Rescue expert and self-described "bushman" obsessed with missing persons. And top researcher of persons missing on public wildlands Ex-San Jose, California detective David Paulides who is also one of the world's foremost Bigfoot researchers. It's a tricky thing to write about missing persons because the story is the absence of someone. A void. The person at the heart of the story is thinner than a smoke ring, invisible as someone else's memory. The bones you dig up are most often metaphorical. While much of the book will embrace memory and faulty memory—history—The Cold Vanish is at its core a story of now and tomorrow. Someone will vanish in the wild tomorrow. These are the people who will go looking.

Missing People Randall Cornett 2022-07-27 The majority of missing people are white, male adults, missing children are rightfully more covered by the media as studies show that the first three hours after a child is missing is when they are most likely to be murdered if killing the child is the intent of the abductor. With increased technology, improvements in dna evidence gathering and better law enforcement communication and cooperation, solving missing persons cases should have gotten easier and been more successful over time. However, solving these cases is still difficult and many are never found. Some of the stories within are: The missing colonists of roanoke island The heiress who went shopping and never returned The english lord who disappeared after a night of bloodshed The tragic mystery of three missing australian children The man who vanished from a cruise ship And many more. This is an interesting area of the case. Some investigations are done with great resources and expertise. Occasionally investigations are botched, such as one featured case where the primary suspect's social prominence and wealth caused sweeping allegations of corruption. Some investigations are hampered by cruel coincidence, as occurs in one featured case when torrential downpours swept across the plains, causing the destruction of crucial evidence.

Conspiracy Theories Of Disappearances Ellis Wolken 2021-07-02 Missing person cases attached to national parks are difficult to research even with the online databases of today. The problem is many of these cases are classified as cold, meaning they are still open and unsolved. The incident reports are not public knowledge and unless you have a warrant you cannot access the details. Even family members have a hard time getting all the information in some of the cases. It leads to numerous questions for those who happen upon any one of the missing person's cases mentioned in the following chapters. What you will also discover within these pages is the high rate of missing person's cases within certain national parks. This is not where the talk of Bigfoot and other "supposed" creatures of the forest are going to be labeled as the "killers" as in other books. Rather, there are various reasons for people to come up missing, while their camping and other equipment is left behind, as well as their clothes.

In the Lake of the Woods Tim O'Brien 2006-09-01 This riveting novel of love and mystery from the author of *The Things They Carried* examines the lasting impact of the twentieth century's legacy of violence and warfare, both at home and abroad. When long-hidden secrets about the atrocities he committed in Vietnam come to light, a candidate for the U.S. Senate retreats with his wife to a lakeside cabin in northern Minnesota. Within days of their arrival, his wife mysteriously vanishes into the watery wilderness.

The Lamplighters Emma Stonex 2021-03-16 "Transported me effortlessly...Haunting, harrowing and heartbreaking, this is a novel that will stay with you." --Ashley Audrain, New York Times bestselling author of *The Push* "A ghost story and fantastically gripping psychological investigation rolled into one. It is also a pitch-perfect piece of writing. . . . As with Shirley Jackson's work or Sarah Waters's masterpiece *Affinity*, in Stonex's hands the unspoken, unexamined, unseen world we can call the

supernatural, a world fed by repression and lies, becomes terrifyingly tangible." --The Guardian (London) Inspired by a haunting true story, a gorgeous and atmospheric novel about the mysterious disappearance of three lighthouse keepers from a remote tower miles from the Cornish coast--and about the wives who were left behind. What strange fate befell these doomed men? The heavy sea whispers their names. Black rocks roll beneath the surface, drowning ghosts. And out of the swell like a finger of light, the salt-scratched tower stands lonely and magnificent. It's New Year's Eve, 1972, when a boat pulls up to the Maiden Rock lighthouse with relief for the keepers. But no one greets them. When the entrance door, locked from the inside, is battered down, rescuers find an empty tower. A table is laid for a meal not eaten. The Principal Keeper's weather log describes a storm raging round the tower, but the skies have been clear. And the clocks have all stopped at 8:45. Two decades later, the keepers' wives are visited by a writer determined to find the truth about the men's disappearance. Moving between the women's stories and the men's last weeks together in the lighthouse, long-held secrets surface and truths twist into lies as we piece together what happened, why, and who to believe. In her riveting and suspenseful novel, Emma Stonex writes a story of isolation and obsession, of reality and illusion, and of what it takes to keep the light burning when all else is swallowed by dark.

Mysterious And Unsolved Cases Laverne Mortimer 2021-06-21 Disappearances make for some of the world's most fascinating mysteries, as it's always baffling when people go missing and no trace of them is ever found. However, it's even more baffling when multiple people manage to go missing at the same time. In some of these cases, it seems like abduction is the most likely scenario, but you'd think that successfully abducting more than one person would be an insanely difficult task. In cases like the "Fort Worth Three", "The Lyons Sisters", and "The McStay Family", (and many more) you'll puzzle over how groups of family members could go missing without an explanation: -Were they kidnapped? -Did they run away? -Is important information being withheld? -Was there a cover-up? -Does someone out there know the truth?

Fear in the Woods 2017-10-26 *Fear in the Woods: Creepy Unexplained Encounters in the Woods. True Stories: Unexplained Disappearances & Missing people. Unexplained Encounters in the Woods: True Stories: Unexplained Mysteries.* In 1603, a young country boy confessed to a court room in France, that he had carried out abductions of a number of children under the direct orders of 'The Lord of the Forest.' He said that he was a bond-slave to the 'Lord of the Forest,' who he described as a tall dark man, dressed all in black and who came riding upon a horse. But who is the Lord of the Forest....? Who, or What is behind the mass disappearance of hikers, campers, and travellers in the woods? All of the missing, the children, the adults; who is taking them, and why? This book looks at some of these extremely strange and very disturbing disappearances, all of them true and all of them still cryptically unsolved. Steph Young has appeared on National radio shows including "Coast to Coast Am," "Midnight in the Desert," "Where did the road go?" "The Unexplained," & "Darkness Radio." Steph Young is an independent researcher, addicted to researching all Supernatural, Paranormal, Esoteric and enigmatic Mysteries. Each book seems to lead to further questions and searches for answers, as the Mysteries inevitably deepen & develop into ever more complex riddles in the spectrum of the Unknown.... Creepy true tales of strange disappearances in the woods, unexplained vanishings & mysterious Deaths. Creepy Mysteries of the Unexplained. Unexplained Disappearances & Missing people; True Stories.

If I Can't Have You Gregg Olsen 2014-05-20 In *If I Can't Have You*, bestselling author Gregg Olsen and co-author Rebecca Morris investigate one of the 21st Century's most puzzling disappearances and how it resulted in the murder of two children by their father. Every once in a great while a genuine murder mystery unfolds before the eyes of the American public. The tragic story of Susan Powell and her murdered boys, Charlie and Braden, is the only case that rivals the Jon Benet Ramsey saga in the

annals of true crime. When the pretty, blonde Utah mother went missing in December of 2009 the media was swept up in the story - with lenses and microphones trained on Susan's husband, Josh. He said he had no idea what happened to his young wife, and that he and the boys had been camping in the middle of a snowstorm. Over the next three years bombshell by bombshell, the story would reveal more shocking secrets. Josh's father, Steve, who was sexually obsessed with Susan, would ultimately be convicted of unspeakable perversion. Josh's brother, Michael, would commit suicide. And in the most stunning event of them all, Josh Powell would murder his two little boys and kill himself with brutality beyond belief.

Hell in the Heartland Jax Miller 2020-07-28 "There is, in the best of us, a search for the truth, to serve the living and dead alike...Jax Miller is one of those people and Hell in the Heartland is one of those books."—Robert Graysmith, New York Times bestselling author of Zodiac As seen in Marie Claire's "Best True Crime Books of 2020" • HuffPost • OK! Magazine • CrimeReads • LitHub's "Best New Summer Books" S-Town meets I'll Be Gone in the Dark in this stranger-than-fiction cold case from rural Oklahoma that has stumped authorities for two decades, concerning the disappearance of two teenage girls and the much larger mystery of murder, possible police cover-up, and an unimaginable truth... On December 30, 1999, in rural Oklahoma, sixteen-year-old Ashley Freeman and her best friend, Lauria Bible, were having a sleepover. The next morning, the Freeman family trailer was in flames and both girls were missing. While rumors of drug debts, revenge, and police corruption abounded in the years that followed, the case remained unsolved and the girls were never found. In 2015, crime writer Jax Miller--who had been haunted by the case--decided to travel to Oklahoma to find out what really happened on that winter night in 1999, and why the story was still simmering more than fifteen years later. What she found was more than she could have ever bargained for: evidence of jaw-dropping levels of police negligence, entire communities ravaged by methamphetamine addiction, and a series of interconnected murders with an ominously familiar pattern. These forgotten towns were wild, lawless, and home to some very dark secrets.

Missing People Roger P. Mills 2016-10-18 Disturbing Stories From The Last 100 Years: People That Disappeared Without A Trace... Claim Your FREE Bonuses After the Conclusion! We often see flyers of missing people - many of them are children who perhaps enjoyed too much of their escapade that they were separated from their parents. Others were probably adults suffering from a mental condition that rendered them incapable of returning home. Other missing people cases, however, are far more intriguing and creepy... For example, would you imagine a group of passengers abandoning a ship even though it was still capable of operating? If pirates killed them, then why would they bother bringing the bodies? Another case was about three friends who went missing after talking to a man with blond hair. They boarded a boat, according to some witnesses, but what transpired in the boat is still a mystery... Other cases such as a lost plane, a missing woman with bipolar disorder, and a police cover up on the disappearance of a teenage boy can also be found in this book. So... if you want to share creepy real-life tales to friends during a bonfire session, then get ready for some disturbingly weird stories..... Here Is A Preview Of What's Inside... Missing People: The Sad Story of the Sodder Children Missing People: Dianne, Her Finger, and a Bag Missing People: Last Seen at Kinross Missing People: Three Gone Missing at the Beach Missing People: Where are the Keepers? Missing People: Rebecca and Her Wonderful Work Much, much more! Scroll up and download this book now!
