Lana Montgomery is everything the quirky small town of Moose Springs, Alaska can't stand: a rich socialite with dreams of changing things for the better. But Lana's determined to prove that she belongs...even if it means trading her stilettos for snow boots and tracking one of the town's hairiest Christmas mysteries: the Santa Moose, an antlered Grinch hell-bent on destroying every bit of holiday cheer (and tinsel) it can sink its teeth into. And really...how hard could it be? The last few years have been tough on Rick Harding, and it's not getting any easier now that his dream girl's back in town. When Lana accidentally tranquilizes him instead of the Santa Moose, it's clear she needs help, fast...and this could be his chance to finally catch her eye. It's an all-out Christmas war, but if they can nab that darn moose before it destroys the town, Rick and Lana might finally find a place where they both belong...together. bring these two newlyweds closer together, or will the ghosts of the past lead them into a destructive discovery from which not even a Dickens's Christmas can save them? Mistletoe is beautiful and dangerous, much like the woman from Lord Frederick's Percy's past, so when he turns over a new leaf and arranges to marry for his estate, instead of his heart, he never expects the wrong bride to be the right choice. Gracelynn Ferguson never expected to take her elder sister's place as a Christmas bride, but when she's thrust into the choice, she will trust in her faithful novels and overactive imagination to help her not only win Frederick's heart but also to solve the murder mystery of Havensbrook Hall before the ghosts from Frederick's past ruin her fairytale future.

Make Merry in Step and Song Bronwen Forbes 2009 "See the blazing Yule before us..." This is just one of the many ancient British folk songs we all know and love. Other tunes and symbols that tug on our memories have similar historical roots, hearkening back to a shared Pagan past. These dances, songs, and theatrical plays in the English folk tradition are now little known to most of the modern Pagan community. Reviving these vital traditions can bring new life to Renaissance festivals, neopagan rituals, and community events. Introducing the lively music and homegrown entertainments of times long past, this descriptive how-to is designed for twenty-first-century joviality. The songs, dances, and plays of old are explained in their mythical, seasonal, and historical significance and outlined for easy reenactment. Simple-to-follow instructions detail six dances including the popular Abbots Bromley Horn dance, six full scripts for dramatic performances of Mummer's Plays (folk plays of death and rebirth), and over thirty songs with lyrics and music. Kick up your heels, hold high your skirts, and make merry the year through.

This magical new collection brings together all the classic folk songs as well as many lesser-known discoveries, complete with music and annotations on their original sources and meaning.
