You may not be perplexed to enjoy all ebook collections modoc true story of the greatest elephant that ev that we will enormously offer. It is not regarding the costs. Its virtually what you craving currently. This modoc true story of the greatest elephant that ev, as one of the most committed sellers here will unconditionally be in the middle of the best options to review.

The Last Rhinos Graham Spence 2012-04-01 Another extraordinary story of life on a South African game reserve from the authors of *The Elephant Whisperer*. Lawrence Anthony's South African game reserve is home to many animals he has saved, from a remarkable herd of elephants to a badly behaved bushbaby called George. Described as "the Indiana Jones of conservation", when one of his rhinos was brutally slaughtered for her horn, he didn't hesitate to lead an armed response against the poachers. Then he learned that there were only a handful of northern white rhinos left in the wild, living in an area of the Congo controlled by the infamous Lord's Resistance Army and soon to be hunted into extinction. Lawrence knew he had to take action. What followed was an extraordinary adventure, as he headed into the jungle to negotiate with the rebels, while battling to save his own animals from terrible drought and to save the eyesight of his beloved elephant matriarch Nana. *The Last Rhinos* is peopled with unforgettable characters, both human and animal, and is a sometimes funny, sometimes moving, always exciting read.

The Eye of the Elephant Delia Owens 1993-10-29 An "exciting" true account of battling the elephant poachers of Zambia by the author of *Where the Crawdads Sing* and her fellow biologist (The Boston Globe). Intelligent, majestic, and loyal, with lifespans matching our own, elephants are among the greatest

of the wonders gracing the African wilds. Yet, in the 1970s and 1980s, about a thousand of these captivating creatures were slaughtered in Zambia each year, killed for their valuable ivory tusks. When biologists Mark and Delia Owens, residing in Africa to study lions, found themselves in the middle of a poaching fray, they took the only side they morally could: that of the elephants. From the authors of *Secrets of the Savanna*, *The Eye of the Elephant* is “part adventure story, part wildlife tale,” recounting the Owens’s struggle to save these innocent animals from decimation, a journey not only to supply the natives with ways of supporting their villages, but also to cultivate support around the globe for the protection of elephants (*The Boston Globe*). Filled with daring exploits among disgruntled hunters, arduous labor on the African plains, and vivid depictions of various wildlife, this remarkable tale is at once an adventure story, a travelogue, a preservationist call to action, and a fascinating examination of both human and animal nature.

[The Last Rhinos](#) Lawrence Anthony 2012-07-03 When Lawrence Anthony learned that the northern white rhino, living in the war-ravaged Congo, was on the very brink of extinction, he knew he had to act. If the world lost the sub-species, it would be the largest land mammal since the woolly mammoth to go extinct. In *The Last Rhinos*, Anthony recounts his attempts to save these remarkable animals. The demand for rhino horns in the Far East has turned poaching into a dangerous black market that threatens the lives of not just these rare beasts, but also the rangers who protect them. The northern white rhino's last refuge was in an area controlled by the infamous Lord's Resistance Army, one of the most vicious rebel groups in the world. In the face of unmoving government bureaucracy, Anthony made a perilous journey deep into the jungle to try to find and convince them to help save the rhino. An inspiring story of conservation in the face of brutal war and bureaucratic quagmires, *The Last Rhinos* will move animal lovers everywhere.

The Elephant's Secret Sense Caitlin O'Connell 2008-09 From an internationally renowned field scientist comes this fascinating story of her unexpected discovery of a RsecretS new mode of elephant communication. This unforgettable journey takes readers into the wilds of Africa where naturalists do their difficult work in a troubled land.

Death at SeaWorld David Kirby 2012-07-17 From the New York Times bestselling author of *Evidence of*

Harm and Animal Factory—a groundbreaking scientific thriller that exposes the dark side of SeaWorld, America's most beloved marine mammal park. Death at SeaWorld centers on the battle with the multimillion-dollar marine park industry over the controversial and even lethal ramifications of keeping killer whales in captivity. Following the story of marine biologist and animal advocate at the Humane Society of the US, Naomi Rose, Kirby tells the gripping story of the two-decade fight against PR-savvy SeaWorld, which came to a head with the tragic death of trainer Dawn Brancheau in 2010. Kirby puts that horrific animal-on-human attack in context. Brancheau's death was the most publicized among several brutal attacks that have occurred at Sea World and other marine mammal theme parks. Death at SeaWorld introduces real people taking part in this debate, from former trainers turned animal rights activists to the men and women that champion SeaWorld and the captivity of whales. In section two the orcas act out. And as the story progresses and orca attacks on trainers become increasingly violent, the warnings of Naomi Rose and other scientists fall on deaf ears, only to be realized with the death of Dawn Brancheau. Finally he covers the media backlash, the eyewitnesses who come forward to challenge SeaWorld's glossy image, and the groundbreaking OSHA case that challenges the very idea of keeping killer whales in captivity and may spell the end of having trainers in the water with the ocean's top predators.

Last Chain On Billie Carol Bradley 2014-07-22 Against the backdrop of a glittering but brutal circus world, Carol Bradley's Last Chain on Billie charts the history of elephants in America, the inspiring story of the Elephant Sanctuary and the spellbinding tale of a resilient elephant who defied the system even as she struggled to conquer her past, who never lost sight of the life she was meant to have. Left in the wild, Billie the elephant would have spent her days surrounded by family, free to wander the jungles of Asia. Instead, traders captured her as a baby and shipped her to America, where she learned to carry humans, stand on a tub and balance on one leg – the full repertoire of elephant tricks. For decades, Billie crisscrossed the country, dazzling audiences as she performed breathtaking stunts. But behind the scenes she lived a life of misery: traveling in trucks, chained for hours on end, barely able to move, giving eight-minute performances under harsh lights and to the sounds of blaring music. And worse. Finally, she got a lucky break. As part of the largest elephant rescue in American history, Billie wound up at a sanctuary for performing elephants in Tennessee, able once more to roam through open meadows and share her days with a herd. She would never be beaten again. But, overcome with anxiety, she withdrew from the rest of

the elephants and refused to let anyone remove a chain still clamped around her leg. Her caregivers began to wonder if Billie could ever escape her emotional wounds. The compelling story of Billie's battle to reclaim her old self is a testament to the intelligence, emotional complexity and remarkable strength of all elephants, captive or free.

A Wolf Called Romeo Nick Jans 2014 An award-winning writer and photographer tells the extraordinary story of a lone black wolf who, showing up on his doorstep, returned again and again to interact with the people and dogs of Juneau, giving humans a rare chance to understand it a little more. 40,000 first printing.

Elephant Company Vicki Croke 2015-04-14 NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK The remarkable story of James Howard “Billy” Williams, whose uncanny rapport with the world’s largest land animals transformed him from a carefree young man into the charismatic war hero known as Elephant Bill In 1920, Billy Williams came to colonial Burma as a “forest man” for a British teak company. Mesmerized by the intelligence and character of the great animals who hauled logs through the jungle, he became a gifted “elephant wallah.” In *Elephant Company*, Vicki Constantine Croke chronicles Williams’s growing love for elephants as the animals provide him lessons in courage, trust, and gratitude. *Elephant Company* is also a tale of war and daring. When Japanese forces invaded Burma in 1942, Williams joined the elite British Force 136 and operated behind enemy lines. His war elephants carried supplies, helped build bridges, and transported the sick and elderly over treacherous mountain terrain. As the occupying authorities put a price on his head, Williams and his elephants faced their most perilous test. *Elephant Company*, cornered by the enemy, attempted a desperate escape: a risky trek over the mountainous border to India, with a bedraggled group of refugees in tow. Part biography, part war epic, *Elephant Company* is an inspirational narrative that illuminates a little-known chapter in the annals of wartime heroism. Praise for *Elephant Company* “This book is about far more than just the war, or even elephants. This is the story of friendship, loyalty and breathtaking bravery that transcends species. . . . *Elephant Company* is nothing less than a sweeping tale, masterfully written.”—Sara Gruen, *The New York Times* Book Review “Splendid . . . Blending biography, history, and wildlife biology, [Vicki Constantine] Croke’s story is an often moving account of [Billy] Williams, who earned the sobriquet ‘Elephant Bill,’ and

his unusual bond with the largest land mammals on earth.”—The Boston Globe “Some of the biggest heroes of World War II were even bigger than you thought. . . . You may never call the lion the king of the jungle again.”—New York Post “Vicki Constantine Croke delivers an exciting tale of this elephant whisperer—cum—war hero, while beautifully reminding us of the enduring bonds between animals and humans.”—Mitchell Zuckoff, author of *Lost in Shangri-La* and *Frozen in Time*

The Dirty Life Kristin Kimball 2011-04-12 Documents the first year spent by the Harvard-graduate author with her new husband on their sustainable farm in the Adirondacks, describing how she withdrew from big-city life to be married in their barn loft, the difficult obstacles they faced attempting to provide a whole diet for one hundred locals, and the rewards of a physical-labor lifestyle.

The World's Greatest Elephant Ralph Helfer 2006 Born on the same day in the same German town, Bram and his elephant, Modoc, grew up side by side. Their circus act brought them wide fame, but their incredible bond would also lead to a series of adventures with danger at every turn.

An African Love Story Daphne Sheldrick 2012-03-01 Daphne Sheldrick's best-selling love story of romance, life and elephants, *An African Love Story: Love, Life and Elephants* is an incredible story from Africa's greatest living conservationist. A typical day for Daphne involves rescuing baby elephants from poachers; finding homes for orphan elephants, all the while campaigning the ever-present threat of poaching for the ivory trade. *An African Love Story* is the incredible memoir of her life. It tells two stories - one is the extraordinary love story which blossomed when Daphne fell head over heels with Tsavo Game Park and its famous warden, David Sheldrick. The second is the love story of how Daphne and David, who devoted their lives to saving elephant orphans, at first losing every infant under the age of two until Daphne at last managed to devise the first-ever milk formula which would keep them alive. 'Compulsively readable', Mail on Sunday 'An enchanting memoir', Telegraph Daphne Sheldrick has spent her entire life in Kenya. For over 25 years, she and her husband, David, the famous founder of the the giant Tsavo National Park, raised and rehabilitated back into the wild orphans of misfortune from many different wild species. These included elephants, rhinos, buffaloes, zebra, eland, kudu, impala, warthogs and many other smaller animals. In 2006 she was made Dame Commander of the British Empire by the Queen.

Gorilla vs. Leopard Jon Alan 2018-10-23 It's fight time for the gorilla and the leopard! One animal is The Showy Silverback, and the other animal is The Treetop Terror. Both fighters know how to use strategy for their benefit. But which one will be crowned champion of the Jungle War?

Elephant Bill James Howard Williams 1982

Tippi My Book of Africa Tippi Degré 2012-10-04 This book takes the reader on a delightful journey into Africa and into the world of a little girl called Tippi who tells her unforgettable story on her return from Africa to France at the age of ten. Tippi is no ordinary child. She believes that she has the gift of talking to animals and that they are like brothers to her. Her world is filled with characters like Leon the Chameleon, Abu the elephant whom she calls 'my brother', and leopards, snakes, baboons, lions and ostriches ... 'I speak to them with my mind, or through my eyes, my heart or my soul, and I see that they understand and answer me.' My Book of Africa contains the words of a little girl who has the gift of reaching out and touching the people and animals of Africa. It is beautifully illustrated with over 100 magical photographs taken by her parents, French filmmakers and photographers, Sylvie Robert and Alain Degré.

The Cowboy and His Elephant Malcolm Macpherson 2007-04-01 In the late 1980s, a female baby elephant was born into a herd that lived on the plains of southern Africa. Her mother has carried her for two years, and normally she would have nursed her for five more. But the close-knit family of wild elephants was to face a predator for which it was no match--humans. In a "cull," her family was slaughtered in a few moments. Only the newborn female's life was spared. Terrified and bewildered the young elephant was transported to America to be sold. There she met the person who was to change her life forever. Bob Norris is a cowboy with an enormous empathy for animals that overwhelms his other emotions. He was raised with a pet bear and as a boy decided to become a real cowboy. He saw his dream come true in Colorado on one of the larger horse-and-cattle ranches in America. Handsome as a movie star, he became the Marlboro Man and appeared on TV and on billboards around the world. But with the passing of years, and with his own family grown up, he felt the need for something that he could not name. When she came into his life by happenstance, the hurt, vulnerable little elephant tapped the fullness of Bob's

empathy, and an incredible bond between the most unlikely of friends was forged. Bob adopted the baby orphan elephant--named Amy--and patiently set about helping her recover from the trauma of her ordeal. He had never seen a real African elephant up close, except in zoos. He was a horseman and breeder of champion quarter horses. But through close observation, gentle training, humor, and endless perseverance, Bob gradually coaxed Amy into overcoming her mistrust of humans, and indeed, her fear of the world. The little elephant became a "hand" on Bob's ranch, tending to simple chores, riding the fences, and shadowing Bob on his horse. She developed a winning personality, and a strong character, and became a beloved member of the Norris family and partner to the ranch hands. But Bob knew from the start that the ultimate goal was for Amy to regain her confidence and her independence - even, if it were possible, to go back to the savannahs of Africa. This is the true story of how Amy and Bob came together. No one who reads *The Cowboy and His Elephant* can fail to be moved by such a simple tale of unlikely love.

Saving the White Lions Linda Tucker 2013-05-07 In this captivating, suspenseful memoir, white lion conservationist Linda Tucker describes her perilous struggle to protect the sacred white lion from the merciless and mafia-like trophy-hunting industry, armed only with her indomitable spirit and total devotion. Her story begins in 1991 with a heart-stopping misadventure in the Timbavati Reserve of South Africa. Tucker--then a successful advertising executive--and a group of fellow travelers found themselves surrounded by a pride of angry lions. There was no way out, night had fallen, and the battery in their only flashlight was beginning to flicker. Miraculously, a local medicine woman, with two youngsters in tow, passed, trancelike and fearless, through the lions and escorted them all to safety. For Tucker, that life-threatening experience became a life-changing one. She abandoned her career, left Europe, and returned to Timbavati to track down the medicine woman who had saved her: Maria Khosa. Upon seeing Tucker again, Khosa only smiled and said, "What took you so long?" She had been expecting her, and there was so much to do. Under Khosa's shamanic tutelage, Tucker learned of her sacred destiny: to be the "keeper of the white lions," believed to be angelic beings sent to Earth to save humanity at a time of crisis. Khosa also prophesized that the queen of the white lions--the embodiment of the mother of Ra, the sun god--would soon be born, on a day and in a place considered holy by Westerners. On December 25, 2000, in the little South Africa town of Bethlehem, a snowy white lion cub, Marah, was born. From the

moment of her first meeting with Marah, Tucker's story immediately takes off into battle, as she dedicates her every waking moment to prying Marah and her siblings from the grips of the trophy-hunting industry. Compellingly written in the intimate style of a journal, Tucker describes with unflinching honesty her fears, doubts, hopes, and dreams, all the while unfolding for us an unforgettable tale of adventure, romance, spirituality, and most of all, justice.

Sami and the Time of the Troubles Florence Parry Heide 1992 Sami, a ten-year-old boy living with his family in war-torn Beirut, Lebanon, yearns for the day when he can live a normal, peaceful life, safe from the devastation of war.

Unlikely Loves Jennifer S. Holland 2013-10-08 *Unlikely Friendships* is the phenomenal New York Times bestseller that's spent 44 weeks on the list and has 615,000 copies in print. It's struck a chord with media, from CBS This Morning to USA Today, and Temple Grandin has praised it as "amazing. It shows the power of friendship." Now its author, Jennifer Holland, who writes about animal relationships with insight, compassion, and a fine narrative touch, explores animal attachments that, in human terms, can only be called love. Packed with beautiful, breathtaking full-color photographs, *Unlikely Loves* is a celebration of love between species. Here are stories of parental love, like the Dalmatian who mothers a newborn lamb—a lamb that just happens to be white with black spots! Stories of playful love, including the fox and the hound who become inseparable. And stories of orphaned animals who have found family-like ties in unexpected combinations, like the elephant who's bonded with sea lions, goats, and other animals in her walks around the Oregon Zoo. Ms. Holland has interviewed scientists, zoologists, and animal caretakers from around the world, tracking down firsthand sources and eyewitnesses. The stories are written with journalistic integrity and detail—and always filled with the author's deep affection for her subjects.

Mosey Ralph Helfer 2002 Tells the true story of a boy's devotion to a beloved circus elephant and the ordeals they endured to stay together.

The 57 Bus Dashka Slater 2017-10-17 One teenager in a skirt. One teenager with a lighter. One moment that changes both of their lives forever. If it weren't for the 57 bus, Sasha and Richard never would have

met. Both were high school students from Oakland, California, one of the most diverse cities in the country, but they inhabited different worlds. Sasha, a white teen, lived in the middle-class foothills and attended a small private school. Richard, a black teen, lived in the crime-plagued flatlands and attended a large public one. Each day, their paths overlapped for a mere eight minutes. But one afternoon on the bus ride home from school, a single reckless act left Sasha severely burned, and Richard charged with two hate crimes and facing life imprisonment. *The 57 Bus* is Dashka Slater's true account of the case that garnered international attention and thrust both teenagers into the spotlight.

Zamba Ralph Helfer 2009-10-13 When Ralph Helfer, now one of Hollywood's top animal behaviorists, first began working, he was shocked by the cruelty that was accepted practice in the field. He firmly believed in "affection training" -- that love, not fear, should be the basis of any animal's development, even when dealing with the most dangerous of creatures. Then Zamba came into his life -- an adorable four-month-old lion cub that went on to prove Helfer's theories resoundingly correct. Over the next eighteen years, Zamba would thrive and grow, and go on to star in numerous motion pictures and television shows -- all the while developing a deep and powerful bond of love and affection with the man who raised him. By turns astonishing, hilarious, and poignant, *Zamba* is not only the unforgettable story of the relationship that Helfer would come to consider one of the most important in his life but also that of the amazing career and adventures of the greatest lion in the world.

A Lion Called Christian Anthony Bourke 2009-03-10 NEW YORK TIMES BESTSELLER • “A stirring tale of a rare bond formed between humans and an animal.”—Time Two men. One baby lion. What could go wrong? *A Lion Called Christian* tells the remarkable story of how Anthony “Ace” Bourke and John Rendall, visitors to London from Australia in 1969, bought a boisterous lion cub in the pet department of Harrods. For several months, the three of them shared a flat above a furniture shop on London’s King’s Road, where the charismatic and intelligent Christian quickly became a local celebrity, cruising the streets in the back of a Bentley, popping in for lunch at a local restaurant, even posing for a fashion advertisement. But the lion cub was growing up—fast—and soon even the walled church garden where he went for exercise wasn’t large enough for him. How could Ace and John avoid having to send Christian to a zoo for the rest of his life? A coincidental meeting with English actors Virginia McKenna and Bill

Travers, stars of the hit film *Born Free*, led to Christian being flown to Kenya and placed under the expert care of the “father of lions” George Adamson. Incredibly, when Ace and John returned to Kenya to see Christian a year later, they received a loving welcome from their lion, who was by then fully integrated into Africa and a life with other lions. A video of this reunion has become a YouTube classic. Originally published in 1971, and now fully revised and updated with more than 50 photographs of Christian from cuddly cub in London to magnificent lion in Africa, *A Lion Called Christian* is a touching and uplifting true story of an indelible human-animal bond. It is destined to become one of the great classics of animal literature.

Zoology DK 2019-10-08 See the animal kingdom in all its glory, from jellyfish to polar bears, with up-close details of their unique features from head to toe. Filled with magnificent photographs that were specially commissioned for this book and cannot be seen anywhere else. Written in association with the Smithsonian Institution. This visual reference book starts with the question "what is an animal?" and takes you through the animal kingdom - mammals, reptiles, birds, and sea creatures. It uses a unique head-to-toe approach that showcases in spectacular detail special features like the flight feathers of a parrot, the antenna of a moth, or the tentacles of coral. This visual encyclopedia is filled with clear and fascinating information on everything about the social lives of animals. Read exciting stories like how animals communicate, defend their territories, and attract mates. Learn how evolution has helped wildlife to adapt to their unique environments, whether it's the ability to live in difficult habitats, adjust to specific diets, or how they work physically. Humans have drawn and painted animals for thousands of years. *Zoology* has included some of these, like early rock art that depicts our awe of the animal kingdom or natural history artworks like those commissioned by the Mughal Courts in the 1600s. *Dramatic Wildlife Photography* Spectacular, never-before-seen photographs that will bring you close to many of the world's most captivating and intriguing inhabitants. This book offers an extraordinary introduction to the animal world by taking you through chapters that details their diversity. Go from head to toe in *Zoology*: - The animal kingdom - Shape and size - Skeletons - Skins, coats, and armor - Senses - Mouth and jaws - Legs, arms, tentacles, and tails - Fins, flippers, and paddles - Wings and parachutes - Eggs and offspring

Modoc Ralph Helfer 2009-10-13 "Once I started this incomparable story, I couldn't put it down, and I

cannot get it out of my mind—nor will I ever. The message of what can be accomplished by training through affection and joy will thrill all animal lovers." –Betty White A captivating true story of loyalty, friendship, and high adventure that spans several decades and three continents, Modoc is one of the most remarkable true stories ever told, perfect for fans of *The Zookeeper's Wife* or *Water for Elephants*. Raised together in a small German circus town, a boy and an elephant formed a bond that would last their entire lives, and would be tested time and again: through a near-fatal shipwreck in the Indian Ocean, an apprenticeship with the legendary Mahout elephant trainers in the Indian teak forests, and their eventual rise to circus stardom in 1940s New York City. As the *African Sun-Times* put it, Modoc is "heartwarming. . . probably the greatest love story ever told."

Elephant Dawn Sharon Pincott 2016-06-01 'A book to take readers into another world.' - Caroline Jones AO, presenter, *Australian Story* 'A raw, honest story that needs to be heard.' - Tony Park, bestselling author of *An Empty Coast* 'This mesmerizing book is not just about a love of elephants, it is also about the indomitable spirit of someone who followed her passion.' - Cynthia Moss, world-renowned elephant specialist, celebrated in the BBC's *Echo of the Elephants* In 2001, Sharon Pincott traded her privileged life as a high-flying corporate executive to start a new one with the Presidential Elephants of Zimbabwe. She was unpaid, untrained, self-funded and arrived with the starry-eyed idealism of most foreigners during early encounters with Africa. For thirteen years - the worst in Zimbabwe's volatile history - this intrepid Australian woman lived in the Hwange bush fighting for the lives of these elephants, forming an extraordinary and life-changing bond with them. Powerfully moving, sometimes disturbing and often very funny, *Elephant Dawn* is a celebration of love, courage and honour amongst our greatest land mammals. With resilience beyond measure, Sharon earns the supreme right to call them family.

[The World's Greatest Lion](#) Ralph Helfer 2012-07-05 From the creators of *The World's Greatest Elephant* comes the real-life story of the MGM Studios Lion. Perhaps the most recognizable Hollywood animal--outside of Lassie--is "Leo the Lion," MGM Studios' famous mascot. For decades his image introduced hundreds of motion pictures, and Zamba the lion acted in dozens more. But he wasn't always a Hollywood star, and he certainly proved to be much more. This real-life story of Zamba, told by world-renowned animal behaviorist Ralph Helfer and Caldecott Honor recipient Ted Lewin, follows the famous lion from an

orphaned cub in Africa to iconic Hollywood actor. But Zamba's greatest role wasn't scripted and it certainly wasn't captured on film. In 1969, the canyon that housed Ralph Helfer's animal ranch was ravaged by floods. As death claimed many of the animals, dozens were led to safety by one heroic lion. Zamba's story, beautifully told and illustrated, is one that will entertain and inspire--both cubs and lions.

Modoc Ralph Helfer 1997 The greatest elephant story ever told, re-created by Modoc's owner during the last twenty years of her seventy-eight-year life, the story spans eight decades and three continents.

Sirocco Dana Haynes 2021-01-26 A serial bomber is wreaking havoc throughout Europe. Former New York City cop Michael Finnigan and former Spanish assassin Katalin Fiero—the brains behind St. Nicholas Salvage & Wrecking, a covert bounty-hunting operation based in Cyprus—may be the only ones who can stop the carnage. The partners have a reputation for tracking down the worst of the worst in international crime, all while staying firmly under the radar. But as they draw ever closer to the bombers, and as the terrorism sweeps up Katalin's own family, Finnigan and Fiero have to decide if they can continue to operate in the shadows. As the partners learn who they can—and can't—trust, they come face-to-face with shocking secrets at the highest echelons of the world's intelligence communities. Nonstop action and whip-smart dialogue power this compelling thriller to its final, heart-stopping conclusion.

An Elephant in My Kitchen Françoise Malby-Anthony 2019-11-05 THE INTERNATIONAL BESTSELLER "Malby-Anthony offers a book of great inspiration and wide appeal to nature-loving readers." —Publishers Weekly A heart-warming sequel to the international bestseller *The Elephant Whisperer*, by Lawrence Anthony's wife Françoise Malby-Anthony. A chic Parisienne, Françoise never expected to find herself living on a South African game reserve. But then she fell in love with conservationist Lawrence Anthony and everything changed. After Lawrence's death, Françoise faced the daunting responsibility of running Thula Thula without him. Poachers attacked their rhinos, their security team wouldn't take orders from a woman and the authorities were threatening to cull their beloved elephant family. On top of that, the herd's feisty new matriarch Frankie didn't like her. In this heart-warming and moving book, Françoise describes how she fought to protect the herd and to make her dream of building a wildlife rescue center a reality. She found herself caring for a lost baby elephant who turned up at her house, and offering refuge

to traumatized orphaned rhinos, and a hippo called Charlie who was scared of water. As she learned to trust herself, she discovered she'd had Frankie wrong all along. Filled with extraordinary animals and the humans who dedicate their lives to saving them, *An Elephant in My Kitchen* is a captivating and gripping read.

The Elephant Whisperer Lawrence Anthony 2012-05-22 Lawrence Anthony devoted his life to animal conservation, protecting the world's endangered species. Then he was asked to accept a herd of "rogue" wild elephants on his Thula Thula game reserve in Zululand. His common sense told him to refuse, but he was the herd's last chance of survival: they would be killed if he wouldn't take them. In order to save their lives, Anthony took them in. In the years that followed he became a part of their family. And as he battled to create a bond with the elephants, he came to realize that they had a great deal to teach him about life, loyalty, and freedom. *The Elephant Whisperer* is a heartwarming, exciting, funny, and sometimes sad memoir of Anthony's experiences with these huge yet sympathetic creatures. Set against the background of life on an African game reserve, with unforgettable characters and exotic wildlife, Anthony's unrelenting efforts at animal protection and his remarkable connection with nature will inspire animal lovers and adventurous souls everywhere.

Ballet of the Elephants Leda Schubert 2006-04-04 The story of how "Circus polka" a dance of 50 elephants and 50 ballerinas, choreographed by George Balanchine, was created.

To Save an Elephant Allan Thornton 1991

Marley & Me John Grogan 2009-03-17 The heartwarming and unforgettable story of a family and the wondrously neurotic dog who taught them what really matters in life. Now with photos and new material. Is it possible for humans to discover the key to happiness through a bigger-than-life, bad-boy dog? Just ask the Grogans. John and Jenny were just beginning their life together. They were young and in love, with not a care in the world. Then they brought home Marley, a wiggly yellow furball of a puppy. Life would never be the same. Marley grew into a barreling, ninety-seven-pound streamroller of a Labrador retriever. He crashed through screen doors, gouged through drywall, and stole women's undergarments.

Obedience school did no good -- Marley was expelled. But just as Marley joyfully refused any limits on his behavior, his love and loyalty were boundless, too. Marley remained a model of devotion, even when his family was at its wit's end. Unconditional love, they would learn, comes in many forms. Marley & Me is John Grogan's funny, unforgettable tribute to this wonderful, wildly neurotic Lab and the meaning he brought to their lives.

The Elephant Whisperer Lawrence Anthony 2009-11-10 When South African conservationist Lawrence Anthony was asked to accept a herd of "rogue" wild elephants on his Thula Thula game reserve in Zululand, his common sense told him to refuse. But he was the herd's last chance of survival: they would be killed if he wouldn't take them. In order to save their lives, Anthony took them in. In the years that followed he became a part of their family. And as he battled to create a bond with the elephants, he came to realize that they had a great deal to teach him about life, loyalty, and freedom. The Elephant Whisperer is a heartwarming, exciting, funny, and sometimes sad account of Anthony's experiences with these huge yet sympathetic creatures. Set against the background of life on an African game reserve, with unforgettable characters and exotic wildlife, it is a delightful book that will appeal to animal lovers and adventurous souls everywhere.

An Unforgettable World Juan C Piñeiro Escoriaza 2020-05-18 Think of all the amazing places on earth to discover, the incredible animals living in their natural habitat, and those fleeting moments in nature that only you'll get to see. A child's imagination is only limited by what it can dream. This story helps children look and think about our world that is full of wonders. From animals to landscapes to stargazing, there are so many things we have experienced and have yet to experience. As you read it with your children, you may start reaching for a backpack and walking stick yourself. Not only does it help children see new possibilities, but it also encourages readers to live in the moment. Fun to read for adults and easy for children to read all by themselves as they grow into it, with simple words and illustrations that give clues to their meaning.

The Beauty of the Beasts Ralph Helfer 2014-04-29 A trainer shares true stories of famous lion, orangutan, and other animal actors that "will hold readers enthralled" (School Library Journal). They are major stars

who do not speak a word onscreen, yet are world famous for their compelling performances. Who are they? The animal stars of the big screen, of course! In *The Beauty of the Beasts*, Ralph Helfer shares with the reader his love of animals and his work with some of Hollywood's biggest stars: Clarence the Cross-Eyed Lion, Gentle Ben, the Schlitz Malt Liquor Bull, Clint Eastwood's orangutan sidekick Clyde, and many more. Helfer shares his philosophy on training these beautiful beasts to do amazing feats and maximize their acting potential without coercion. Join Ralph Helfer in his exploration of animal acting and read of his masterful use of TLC to work with these phenomenal, non-human actors.

Babylon's Ark Lawrence Anthony 2007-03-06 The astonishing story of the soldiers, conservationists, and ordinary Iraqis who united to save the animals of the Baghdad Zoo When the Iraq war began, conservationist Lawrence Anthony could think of only one thing: the fate of the Baghdad Zoo, caught in the crossfire at the heart of the city. Once Anthony entered Iraq he discovered that hostilities and uncontrolled looting had devastated the zoo and its animals. Working with members of the zoo staff and a few compassionate U.S. soldiers, he defended the zoo, bartered for food on war-torn streets, and scoured bombed palaces for desperately needed supplies. *Babylon's Ark* chronicles Anthony's hair-raising efforts to save a pride of Saddam's lions, close a deplorable black-market zoo, run ostriches through shoot-to-kill checkpoints, and rescue the dictator's personal herd of Thoroughbred Arabian horses. A tale of the selfless courage and humanity of a few men and women living dangerously for all the right reasons, *Babylon's Ark* is an inspiring and uplifting true-life adventure of individuals on both sides working together for the sake of magnificent wildlife caught in a war zone.

The Circus and Victorian Society Brenda Assael 2005 This conflict informs us not only of the complicated role that the circus played in Victorian society but provides a unique view into a collective psyche fraught by contradiction and anxiety.

Ballet for Martha Jan Greenberg 2010-08-03 A picture book about the making of Martha Graham's Appalachian Spring, her most famous dance performance Martha Graham : trailblazing choreographer Aaron Copland : distinguished American composer Isamu Noguchi : artist, sculptor, craftsman Award-winning authors Jan Greenberg and Sandra Jordan tell the story behind the scenes of the collaboration

that created APPALACHIAN SPRING, from its inception through the score's composition to Martha's intense rehearsal process. The authors' collaborator is two-time Sibert Honor winner Brian Floca, whose vivid watercolors bring both the process and the performance to life.

Love, Life, and Elephants Daphne Sheldrick 2012-05-08 Daphne Sheldrick, whose family arrived in Africa from Scotland in the 1820s, is the first person ever to have successfully hand-reared newborn elephants. Her deep empathy and understanding, her years of observing Kenya's rich variety of wildlife, and her pioneering work in perfecting the right husbandry and milk formula have saved countless elephants, rhinos, and other baby animals from certain death. In this heartwarming and poignant memoir, Daphne shares her amazing relationships with a host of orphans, including her first love, Bushy, a liquid-eyed antelope; Rickey-Tickey-Tavey, the little dwarf mongoose; Gregory Peck, the busy buffalo weaver bird; Huppety, the mischievous zebra; and the majestic elephant Eleanor, with whom Daphne has shared more than forty years of great friendship. But this is also a magical and heartbreaking human love story between Daphne and David Sheldrick, the famous Tsavo Park warden. It was their deep and passionate love, David's extraordinary insight into all aspects of nature, and the tragedy of his early death that inspired Daphne's vast array of achievements, most notably the founding of the world-renowned David Sheldrick Wildlife Trust and the Orphans' Nursery in Nairobi National Park, where Daphne continues to live and work to this day. Encompassing not only David and Daphne's tireless campaign for an end to poaching and for conserving Kenya's wildlife, but also their ability to engage with the human side of animals and their rearing of the orphans expressly so they can return to the wild, *Love, Life, and Elephants* is alive with compassion and humor, providing a rare insight into the life of one of the world's most remarkable women.
