Creature from Reelfoot Lake James L. Dickerson 1912-08-03 "The Creature from Reelfoot Lake: The Merman Who Loved Women" is a horror novel that it is reminiscent of the classic cinemas of the 1950s such as "Creature from the Black Lagoon" and "The Blob." But with one major difference: The Reelfoot creature is half-human, a merman who has been on an obsessive search for his birth mother that has lasted more than 200 years. At the heart of the story are three former college roommates—two male, one female—who all have childhood and relationship issues that dominate their lives. The roommates—and their issues—converge at Reelfoot Lake, Tennessee, where the creature is inflicting a reign of terror that makes it difficult for the ex-roommates to locate a treasure that has been buried since the New Madrid earthquake of 1811. The protagonist is female, and the plot is complicated by the fact that she is being stalked by the third roommate, her ex-husband, at the same time that she is stalked by the creature. It is a sophisticated, multi-layered psychological thriller in which all the main characters are forced to deal with their individual issues. The creature cannot speak, but he has a distinctive voice that will touch the hearts of readers as he searches for the meaning of his tormented life.

The Black Lizard 2006-01-01 Two Golden Age classics from Japan's grand master of mystery. Edogawa Rampo (pseudonym of Hirai Taro, 1894-1965) is the acknowledged grand master of Japan's golden age of crime and mystery fiction. In the early part of his career, he created the Japanese gothic mystery, developing the work of Edgar Allan Poe and related nineteenth century writers in a distinctly Japanese form. This part of his career coincided with a great flowering in Japanese literature and culture, a relatively free and uninhibited popular press being a defining feature of the times. In this context, Rampo's dark vision and extravagant grotesquery found an avid readership, and had a profound influence on other writers. The Black Lizard, a master criminal as deadly as she is beautiful, wagers all in an epic battle with a master detective. A mystery writer vows to protect the woman he secretly loves from the Beast in the Shadows, but disaster strikes when he turns detective himself.

The Beast Between Matthew G. Looper 2019-04-22 The white-tailed deer had a prominent status in Maya civilization; it was the most important wild-animal food source at many inland Maya sites and also functioned as a major ceremonial symbol. Offering an in-depth semantic analysis of this imagery, *The Beast Between* considers iconography, hieroglyphic texts, mythological discourses, and ritual narratives to translate the significance and meaning of the vibrant metaphors expressed in a variety of artifacts depicting deer and hunting. Charting the progression of deer as a key component of the Maya diet, especially for elites, to the coupling of deer and maize in the Maya worldview, *The Beast Between* reveals a close and long-term interdependence. Not only are

deer depicted naturalistically in hunting and ritual scenes, but they are also ascribed with human attributes. This rich imagery reflects the many ways in which deer hunting was linked to status, sexuality, and war as part of a deeper process to ensure the regeneration of both agriculture and ancestry. Drawing on methodologies of art history, archaeology, and ethnology, this illuminating work is poised to become a key resource for multiple fields.

Free Roll Brandt Tobler 2017-05-22 Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad."
