New Readings of Yiddish Montreal – Traduire le Montréal yiddish Pierre Anctil 2007-06-30 The texts collected in this volume unveil the practice and the methods of the translators and scholars who contributed to the reemergence of Yiddish in contemporary Canada. Each of the personalities discussed enlarged the historical position and interpreted various aspects of the Yiddish language in Montreal that until recently remained obscure or inaccessible. -- Les textes rassemblés dans ce volume tentent de lever le voile sur la démarche et les méthodes des traducteurs et chercheurs qui ont contribué à la réémergence du yiddish dans le Canada contemporain. Ces traducteurs et chercheurs ont élargi l'assise historique et interprété de nombreux aspects de la langue yiddish à Montréal, aspects qui jusque-là demeuraient obscurs et inaccessibles.

Montreal's Irish Mafia D'Arcy O'Connor 2011-03-21 Their names resonate with organized crime in Montreal: the Matticks, MacAllisters, Johnstons and Griffins, and Peter Dunie Ryan. They are the Irish equivalent of the infamous Rizzuto and Cotroni families, and the "Mom" Bouchers and Walter Stadnicks of the Hells Angels. Award-winning producer, journalist and author D'Arcy O'Connor narrates the genesis and rise to power of one of Montreal's most powerful, violent and colorful criminal organizations. It is the West End Gang, whose members controlled the docks and fought the Hells Angels and Mafia for their share of the city's prostitution, gambling, loan sharking and drug dealing. At times, they did not disdain forging alliances with rival gangs when huge profits were at stake, or when a killing needed to be carried out. The West End Gang—the Irish Mafia of Montreal—is a legendary beast. They sprang out of the impoverished southwest of the city, some looking for ways to earn enough just to survive, some wanting more than a job in an abattoir or on a construction site. In that sense, they were no different from other immigrants from Italy and other European countries. A shortcut to wealth was their common goal. And Montreal, with its burgeoning post-WWII population, was ripe for the picking. The Irish Mob made

headlines with a spectacular Brinks robbery in 1976, using the money to broker a major heroin and cocaine trafficking ring. It took over the Port of Montreal, controlling the flow of drugs into the city, drugs which the Mafia funnelled to New York. The West End Gang had connections to the cocaine cartel in Colombia; hashish brokers in Morocco and France; and marijuana growers in Mexico. The gang imported drugs on an enormous scale. One bust that took place off the coast of Angola in 2006 involved 22.5 tonnes of hashish, destined for Montreal. The West End Gang is a ripping tale that unveils yet another chapter in Montreal's colorful criminal underworld.

Montreal at War, 1914–1918 Terry Copp 2021-11-01 Drawing from newspapers, journals, government reports, and archival records, Terry Copp – one of Canada’s leading military historians – tells the story of how citizens in Canada’s largest city responded to the challenges of the First World War. *Montreal at War* addresses responses to the outbreak of war in Europe and the process of raising an army for service overseas. It details the shock of intense combat and heavy casualties, studies the mobilization of volunteers, and follows the experience of battalions from Montreal to the Battle of Vimy Ridge. Challenging long-held assumptions, *Montreal at War* aims to understand the war experience as it unfolded, approaching history from the perspective of those who lived through it.

Montreal'S Gay Village Donald W. Hinrichs 2012-01-04 The Gay Village in Montreal is a vibrant and unique neighborhood born in the 1980s. It serves as the locus of much of the social life of LGBTQ persons, and is the site of many celebrations including annual pride activities such as the Divers/Cit arts and music festival, Community Day, and the Pride parade. As a result, it has become a popular draw for tourists from around the world. Montreals Gay Village explores the neighborhood from a variety of vantage points and attempts to answer many salient questions about its origins, name, residents, and more: When and why did the Village emerge as a gay neighborhood? Where did it get its name? Who are the residents of the Village? Is the Village primarily a space for gay men, or is it open to a diverse group of people? Is it truly a village, or is it a ghetto and what are the differences? Is it a safe neighborhood to live in and visit? How do LGBTQ persons, tourists, the media, the city, and the tourist industry view the Village? Does the Village have a future as a viable gay neighborhood? This scholarly profile explores the answer to these and many other questions regarding this unique, internationally known community.

The Rubber Age 1921

Church of Notre Dame in Montreal Franklin Toker 1991-05-01 The construction of the Church of Notre-Dame was one of the boldest building projects of the nineteenth century. The first major example of Gothic Revival architecture in Canada, it was, at the time of its completion, the largest building in North America. Franklin Toker treats the church not only as a work of art but also as a historical document that reflected the social and nationalist aspirations of the community and marked a high point in the fascinating career of its architect, James O'Donnell.

Mindscapes of Montreal Ceri Morgan 2012-10-15 In examining a number of francophone Montréal novels from 1960 to 2005, this interdisciplinary study considers the ways in which these connect with material landscapes to produce a city of neighbourhoods. In so doing, it reflects on how Montréal has been seen as both home and not home for francophone Quebecers. Morgan offers an overview of the fiction; examines micro and macro geographies of Montréal, and identifies some key literary trends. In so doing, it reflects on the importance of the imaginary in our experiencing and understanding of the urban.

Negotiating Identities in Nineteenth- and Twentieth-Century Montreal Bettina Bradbury 2011-11-01 With its focus on sites where identities were forged and contested over crucial decades in Montreal's history, this collection illuminates the cultural complexity and richness of a modernizing city. Readers will discover the links between identity, place, and historical moment as they meet vagrant women, sailors in port, unemployed men of the Great Depression, elite families, shopkeepers, and reformers, among others. This fascinating study explores the intersections of state, people, and the voluntary sector to elucidate the processes that took people between homes and cemeteries, between families and shops, and onto the streets.

The Greatest Game Todd Denault 2011-10-04 This game wasn't about money, points, or trophies. Instead it was played for pride, both personal and national. It was a confrontation twenty years in the making and it marked a turning point in the history of hockey. On December 31, 1975, the Montreal Canadiens, the most successful franchise in the NHL, hosted the touring Central Red Army, the dominant team in the

Soviet Union. For three hours millions of people in both Canada and the Soviet Union were glued to their television sets. What transpired that evening was a game that surpassed all the hype and was subsequently referred to as "the greatest game ever played." Held at the height of the Cold War, this remarkable contest transcended sports and took on serious cultural, sociological, and political overtones. And while the final result was a 3-3 tie, no one who saw the game was left disappointed. This exhibition of skill was hockey at its finest, and it set the bar for what was to follow as the sport began its global expansion.

The History of Montréal Paul André Linteau 2013 This book tells the fascinating story of Montreal, Canada, from prehistoric time through the 21st century. From the Iroquoian community of Hochelaga to the bustling economic metropolis that Montreal has become, this account describes the social, economic, political, and cultural forces and trends that have driven the city's development, shedding light on the city's French, British, and American influences. Outlining Montreal's diverse ethnic and cultural origins and its

strategic geographical position, this lively account shows how a small missionary colony founded in 1642 developed into a leading economic city and cultural center, the thriving cosmopolitan hub of French-speaking North America.
