*Love Scenes* Bridget Morrissey 2021-06-22 A BuzzFeed Best Book of June "A heart-stirring, tear-inducing read you won't want to put down."—Emily Henry, New York Times bestselling author of *Beach Read* Acting like she's in love with her handsome nightmare of a co-star—in a movie directed and produced by her complicated Hollywood royalty family—is Sloane's job. But what happens when the lines between script and reality get blurred? Out-of-work actress Sloane Ford is in desperate need of something to do after losing her steady TV gig. When her famous family ropes her into working as a producer on their World War II-era romance, they neglect to mention that the film will be headlined by Joseph Donovan, her least favorite former co-star of all time. The roguish actor made her life a living hell the last time they worked together, using his movie star good looks and Irish charm to cover for his erratic professional behavior. On their new film set, he promises he's different now, but Sloane is far from convinced. As filming gets underway, it becomes clear that anything that can go wrong will go wrong. When the lead actress is abruptly fired, Sloane agrees to step in and take over the role, and she starts to remember why she fell in love with acting in the first place. On camera, she and Joseph share an electric chemistry. Off camera, they've been honing their characters and, much to Sloane's surprise, growing closer. But playing the role of a woman in love with Joseph Donovan is a dangerous business, and the more time they spend together, the less Sloane can tell what's real between them, and what's just for show.

The V Card Lauren Blakely A sinfully sexy brother's best friend romance from bestselling authors Lauren Blakely and Lili Valente! When you think about how easy it is to lose keys, phones, sunglasses and your dignity on social media, you might figure it'd be a cinch for me to ditch my V Card. You'd be wrong. At 25, I run a successful business, live in a fantastic apartment, and have fabulous friends to go out with any night of the week. And yet I'm still a card-carrying member of a club I don't want to belong to anymore. Good thing I know just the man for the deflowering job—my brother's business partner and best friend. Graham Campbell is charming, smart, and, I'm told, oh-so-skilled in the sack. As long as I keep my eyes on the prize, there's no way this pluck-the-flower project could possibly complicate matters. \*\*\* Work and pleasure. As the CEO of a fast-growing company, I've been enjoying both to the fullest. What do I do when the board throws me for an unexpected loop so I can keep my business in my hands? I enlist the help of my best friend's little sister since she holds a big stake in the company. But then I learn there's another big stake she wants. The one between my legs. I can do this. Seven nights to teach her everything I know in the bedroom. There's no way I'll fall for her, even though she's earning top grades in every single sinfully sexy lesson. And turns out I'm learning something too. The trouble is I don't have the answer key to what to do when I fall hard for her. And that throws a whole new hitch in my plans.
