White Mouse Nancy Wake 2011-12-01 Nancy Wake, nicknamed 'the white mouse' for her ability to evade capture, tells her own story. As the Gestapo's most wanted person, and one of the most highly decorated servicewomen of the war, it's a story worth telling. After living and working in Paris in the 1930's, Nancy married a wealthy Frenchman and settled in Marseilles. Her idyllic new life was ended by World War II and the invasion of France. Her life shattered, Nancy joined the French resistance and, later, began work with an escape-route network for allied soldiers. Eventually Nancy had to escape from France herself to avoid capture by the Gestapo. In London she trained with the Special Operations Executive as a secret agent and saboteur before parachuting back into France. Nancy became a leading figure in the Maquis of the Auvergne district, in charge of finance and obtaining arms, and helped to forge the Maquis into a superb fighting force. During her lifetime, Nancy Wake was hailed as a legend. Her autobiography recounts her extraordinary wartime experiences in her own words.

A Mind of Its Own David M. Friedman 2008-09-04 Whether enemy or ally, demon or god, the source of satisfaction or the root of all earthly troubles, the penis has forced humanity to wrestle with its enduring mysteries. Here, in an enlightening and entertaining cultural study, is a book that gives context to the central role of the penis in Western civilization. A man can hold his manhood in his hand, but who is really gripping whom? Is the penis the best in man -- or the beast? How is man supposed to use it? And when does that use become abuse? Of all the bodily organs, only the penis forces man to confront such contradictions: something insistent yet reluctant, a tool that creates but also destroys, a part of the body that often seems apart from the body. This is the conundrum that makes the penis both hero and villain in a drama that shapes every man -- and mankind along with it. In *A Mind of Its Own*, David M. Friedman shows that the penis is more than a body part. It is an idea, a conceptual but flesh-and-blood measuring stick of man's place in the world. That men have a penis is a scientific fact; how they think about it, feel about it, and use it is not. It is possible to identify the key moments in Western history when a new idea of the penis addressed the larger mystery of man's relationship with it and changed forever the way that organ was conceived of and put to use. *A Mind of Its Own* brilliantly distills this complex and largely unexamined story. Deified by the pagan cultures of the ancient world and demonized by the early Roman church, the organ was later secularized by pioneering anatomists such as Leonardo da Vinci. After being measured "scientifically" in an effort to subjugate some races while elevating others, the organ was psychoanalyzed by Sigmund Freud. As a result, the penis assumed a paradigmatic role in psychology -- whether the patient was equipped with the organ or envied those who were. Now, after being politicized by feminism and exploited in countless ways by pop culture, the penis has been medicalized. As no one has before him, Friedman shows how the arrival of erection industry products such as Viagra is more than a health or business story. It is the latest -- and perhaps final -- chapter in one of the longest sagas in human history: the story of man's relationship with his penis. *A Mind of Its Own* charts the vicissitudes of that relationship through its often amusing, occasionally alarming, and never boring course. With intellectual rigor and a healthy dose of wry humor, David M. Friedman serves up one of the most thought-provoking, significant, and readable cultural works in

years.

A House for Mr Biswas V. S. Naipaul 2011 A gripping masterpiece, hailed as one of the 20th century's finest novels. A House for Mr Biswas is V.S. Naipaul's unforgettable third novel. Born the "wrong way" and thrust into a world that greeted him with little more than a bad omen, Mohun Biswas has spent his 46 years of life striving for independence. But his determined efforts have met

only with calamity. Shuttled from one residence to another after the drowning of his father, Mr Biswas yearns for a place he can call home. He marries into the domineering Tulsi family, on whom he becomes indignantly dependent, but rebels and takes on a succession of occupations in an arduous struggle to weaken their hold over him and purchase a house of his own. Heartrending and darkly comic, *A House for Mr Biswas* masterfully evokes a man's quest for autonomy against the backdrop of post-colonial Trinidad.
