101 Essays for IAS/ PCS & other Competitive Exams Disha Experts Most of competitive exams test a candidate's writing skills with the inclusion of Descriptive Questions in the form of separate test(s). These tests are mainly aimed at checking how well a student is aware of his/ her surroundings and how well he/ she can express the same. Clarity of thought is what is required to crack these exams. The Descriptive Questions cover Essay Writing, Article Writing, Making Arguments in favour or against and Opinion Expression to evaluate the aspirant's writing ability. 101 Essays by Disha has been designed for the aspirants of UPSC Mains, various State PSCs, and other competitive exams like MBA, Bank PO etc.. The book

emphasises on the importance of a cogently written essay and the art of essay writing. The book has a special coverage of India as most of competitive exams these days ask rather deeply in respect of issues pertaining to their own country. With this approach, 101 Essays aims to provide a complete roadmap for aspirants aiming to maximize their scores in such Descriptive Questions. The book contains 101 essays of varied variety covering topics of Current Affairs, Social Issues, Environment, Politics, Education, Economy, Science & Technology, International Affairs, Personalities, Sports, etc. All the essays in the book provide sufficient information and data thus providing an insight into the crux of the issues stimulating the thinking ability of the students. 101 Essays has been structured such that it incorporates all the latest and important fascinating topics pertaining to India and the world presented in a classical style. Each essay is a model essay both in respect of language and matter and has fast-flowing facts narrated in a simple and lucid language. The book for sure will prove highly beneficial to students in their academic pursuits and to those preparing for various competitive exams.

SSC Junior Engineer Electrical Recruitment Exam Guide 3rd Edition Disha Experts SSC Junior Engineer Electrical Engineering Recruitment Exam Guide 3rd Edition is a comprehensive book for those who aspire to excel in SSC Paper 1 and Paper 2 for Jr. Engineer – Electrical post. Ethics Moments in Government Donald C. Menzel 2017-09-25 Ethical concerns are among the most common problems public administrators face, yet the issues are often complex, and the correct choices are not always clear. Living up to the public trust is much more than just an act of compliance. It also involves perceiving, preventing, avoiding, and resolving accusations of illegal or unethical behavior, including appearances of inappropriate behavior.

Ethics Moments in Government: Cases and Controversies examines how to identify, assess, and resolve the ethical issues and dilemmas that often confront those who govern the cities, counties, states, and federal agencies throughout America. Real Situations, Real Advice Providing a one-stop resource for all those who must contend with thorny ethical issues, this volume presents case studies that vary in complexity and context and are based on real situations. Each case scenario is followed by discussion questions and case assessments by expert practitioners who describe how they would handle the situation. Using a "total immersion" technique, the book encourages readers to be reflexive and analytical in addressing the problems presented and arriving at appropriate solutions. A supplemental CD is included which contains PowerPoint® slide presentations, articles, workshop programs, tests, and links to organizations. For many of the scenarios presented in this volume, there are no easy answers. Practical guidance on reasoning through difficult decision-making situations enables public administrators to acquire the ethical knowledge, skills, abilities, and instincts that will ultimately help them gain the trust of their citizens and advance in their careers.

Social Theory, Development Administration, and Development Ethics Mohit Bhattacharya 2006 With reference to developing countries.

Administrative Thinkers D. Ravindra Prasad 1991

India Since Independence Bipan Chandra 2008-02-11 A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling *India's Struggle for Independence*, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

The Principles of Constitutionalism N. W. Barber 2018-07-26 In this follow-up volume to the critically acclaimed *The Constitutional State*, N. W. Barber explores how the principles of constitutionalism structure and influence successful states. Constitutionalism is not exclusively a mechanism to limit state powers. An attractive and satisfying account of constitutionalism, and, by derivation, of the state, can only be reached if the principles of constitutionalism are seen as interlocking parts of a broader doctrine. This holistic study of the relationship between the constitutional state and its central principles - sovereignty; the separation of powers; the rule of law; subsidiarity; democracy; and civil society - casts light on long-standing debates over the meaning and implications of constitutionalism. The book provides a concise

introduction to constitutionalism and a detailed account of the nature and implications of each of the principles in question. It concludes with an examination of the importance of constitutional principles to the work of judges, legislators, and others involved in the operation and creation of the constitution. The book is essential reading for those seeking a definitive account of constitutionalism and its benefits.

India After Gandhi: The History of the World's Largest Democracy Ramachandra Guha
2017-07-13 Ramachandra Guha's *India after Gandhi* is a magisterial account of the pains, struggles, humiliations and glories of the world's largest and least likely democracy. A riveting chronicle of the often brutal conflicts that have rocked a giant nation, and of the extraordinary individuals and institutions who held it together, it established itself as a classic when it was first published in 2007. In the last decade, India has witnessed, among other things, two general elections; the fall of the Congress and the rise of Narendra Modi; a major anti-corruption movement; more violence against women, Dalits, and religious minorities; a wave of prosperity for some but the persistence of poverty for others; comparative peace in Nagaland but greater discontent in Kashmir than ever before. This tenth anniversary edition, updated and expanded, brings the narrative up to the present. Published to coincide with seventy years of the country's independence, this definitive history of modern India is the work of one of the world's finest scholars at the height of his powers.

A Brief History of Modern India Rajiv Ahir 2018

Public Policy Bidyut Chakrabarty 2016-08-22 The book offers a balanced mix of practical and theoretical aspects of public policy by tracing its evolution in the Indian context and helping to strengthen conceptual articulation. Development of public policy as a subject of academic study and as a field of practice depends a lot on the prevalent socio-economic and political milieu. *Public Policy: Concept, Theory and Practice* highlights the critical aspects of public policy making and its implementation by contextualizing it in the Indian historical and modern-day perspective. Filling the existing content gap due to non-availability of comprehensive textbooks on the subject, this book makes the ideas and concepts easily intelligible for everybody. Students pursuing graduate and postgraduate courses in Political Science, Public Administration and civil services and UGC NET aspirants will find this book immensely useful. Key Features * Draws largely on instances from Indian experiences * Relates to and takes cue from contributions of well-established authors in the field * Raises questions to aid and inspire further research in this area * Dedicated sections on environmental policies and education and health policies discussed, devised and implemented in India.

Indian Railways Bibek Debroy 2017-02-10 The fascinating story of the network that made modern India The railways brought modernity to India. Its vast network connected the far corners of the subcontinent, making travel, communication and commerce simpler than ever before. Even more importantly, the railways played a large part in the making of the nation: by connecting historically and geographically disparate regions and people, it forever changed the way Indians lived and thought, and eventually made a national identity possible. This

IBPS CWE Bank Clerk 101 Speed Tests with Success Guarantee 2nd Edition Disha Experts 2017-09-01 "IBPS CWE Bank Clerk 101 Speed Tests with Success Guarantee" IF YOU MASTER THIS BOOK SUCCESS IS GUARANTEED IN THE UPCOMING IBPS BANK CLERK EXAM. Yes it's true. If you can master this book you will crack the IBPS CWE Bank Clerk Exam for sure. This is the 1st and the Most Innovative Book for the most sought after IBPS Bank Clerk Exam. It contains all the IMPORTANT CONCEPTS which are required to crack this exam. The concepts are covered in the form of 101 SPEED TESTS. No matter where you PREPARE from - a coaching or any textbook/ Guide - 101 SPEED TESTS provides you the right ASSESSMENT on each topic. Your performance provides you the right cues to IMPROVE your concepts so as to perform better in the final examination. It is to be noted here that these are not mere tests but act as a checklist of student's learning and ability to apply concepts to different problems. The book is based on the concept of TRP - Test, Revise and Practice. It aims at improving your SPEED followed by STRIKE RATE which will eventually lead to improving your SCORE. How is this product different? • 1st unique product with 101 speed tests. • Each test is based on small topics which are most important for the IBPS PO exam. Each test contains around 25-30 MCQs on the latest pattern of the exam. • The whole syllabus has been divided into 5 sections which

are further distributed into 91 topics. Each section ends with a Section Test. 1. QUANTITATIVE APTITUDE is distributed into 31 topics + 1 Section Test. 2. REASONING ABILITY is distributed into 30 topics + 1 Section Test. 3. ENGLISH is distributed into 14 topics + 1 Section Test. 4. COMPUTER KNOWLEDGE is distributed into 6 topics + 1 Section Test. 5. GENERAL KNOWLEDGE is distributed into 15 topics + 1 Section Test. • Finally at the end 5 PRACTICE SETS based on the complete syllabus is provided so as to give the candidates the real feel of the final exam. • In all, the book contains 3600+ Highly Relevant MCQ's in the form of 101 tests. • Solutions to each of the 101 tests are provided at the end of the book. • The book provides Separate Tests. The book comes with perforation such that each test can be torn out of the book. • Separate Time Limit, Maximum Marks, Cut-off, Qualifying Score is provided for each test. • The book also provides a separate sheet, SCORE TRACKER where you can keep a record of your scores and performance. • It is advised that the students should take each test very seriously and must attempt only after they have prepared that topic. • The General Awareness section has been updated with latest Current Affairs Questions. • Once taken a test the candidates must spend time in analysing their performance which will provide you the right cues to IMPROVE the concepts so as to perform better in the final examination. • It is our strong belief that if an aspirant works hard on the cues provided through each of the tests he/ she can improve his/ her learning and finally the SCORE by at least 15-20%.

Changing India Robert W. Stern 2003-02-26 The revised edition of Robert Stern's book brings India's story up to date. Since its original publication in 1993, much has altered and yet central to the author's argument remains his belief in the remarkable continuity and vitality of India's social systems and its resilience in the face of change. This is a colourful, readable and comprehensive introduction to modern India. In a journey through its family households and villages, the author explains its long-lived and little understood caste and class systems, its venerable faiths and extraordinary ethnic diversity, its history as 'the jewel in the crown' of British imperialism and its post-Independence career as a major agricultural and industrial nation. While paradoxes abound in an India which is constantly transforming, Stern demonstrates how and why it remains the largest and most enduring democracy in the developing world.
