Gaṇeśapurāṇa Greg Bailey 2008 This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

[The Masterpiece](#) Francine Rivers 2018-02-06 A New York Times, USA Today, and Publishers Weekly bestseller "This character-driven romance will enthrall [Rivers's] many fans."
—Library Journal The New York Times bestselling author of Redeeming Love returns to her

romance roots with this unexpected and redemptive love story, a probing tale that reminds us that mercy can shape even the most broken among us into an imperfect yet stunning masterpiece. A successful LA artist, Roman Velasco appears to have everything he could possibly want—money, women, fame. Only Grace Moore, his reluctant, newly hired personal assistant, knows how little he truly has. The demons of Roman’s past seem to echo through the halls of his empty mansion and out across his breathtaking Topanga Canyon view. But Grace doesn’t know how her boss secretly wrestles with those demons: by tagging buildings as the Bird, a notorious but unidentified graffiti artist—an alter ego that could destroy his career and land him in prison. Like Roman, Grace is wrestling with ghosts and secrets of her own. After a disastrous marriage threw her life completely off course, she vowed never to let love steal her dreams again. But as she gets to know the enigmatic man behind the reputation, it’s as if the jagged pieces of both of their pasts slowly begin to fit together . . . until something so unexpected happens that it changes the course of their relationship—and both their lives—forever. “Rivers deftly threads Roman’s and Grace’s lives together as they tiptoe around their emotional scars, eventually shifting into a dance of tentative steps toward a love neither can resist. Fans of Christian romance will delight in this tale of salvation through love.” —Kirkus Reviews “Richly detailed characters with traumatic pasts are woven together with biblical truths and redemptive themes... This is an amazing, beautifully written tale to be savored and pondered and shared with others.” —Romantic Times “Readers will marvel at Rivers’s storytelling arc encompassing the reconciliation of gritty past misdeeds and the work in progress of a life of forgiveness.” —Booklist “Fans of Francine Rivers will eagerly devour *The Masterpiece* and find exactly what they are looking for: a beautifully written story of faith, romance, and the power that true freedom can bring.” —Bookreporter.com

The Double José Saramago 2005-10-03 A “wonderfully twisted meditation on identity and individuality” from a Nobel Prize-winning author who pushes fiction to its very limits (*The Boston Globe*). As this novel by the author of *Blindness* and *All the Names* begins, Tertuliano Máximo Afonso is a divorced, depressed history teacher. To lift his spirits, a colleague suggests he rent a certain video. Tertuliano watches the film, unimpressed. But during the night, when he is awakened by noise, he finds the VCR replaying the video and watches in astonishment as a man who looks exactly like him—or, more specifically, exactly like he did five years earlier, mustachioed and fuller in the face—appears on the screen. Against his own better judgment, Tertuliano decides to pursue his double. As he roots out the man’s identity, what begins as a whimsical chase becomes a probing investigation into what makes us human. Can we be reduced to our outward appearance, rather than the sum of our experiences? The inspiration for the film *Enemy* starring Jake Gyllenhaal and directed by Denis Villeneuve, *The Double* is a timeless novel from a writer John Updike described in *The*

Don't Worry, Little Crab Chris Haughton 2020 From the award-winning creator of Shh! We Have a Plan comes a vibrantly colorful story about mustering the courage to try something new. Little Crab and Very Big Crab live in a tiny rock pool near the sea. Today they're going for a dip in the big ocean. "This is going to be so great," says Little Crab, splish-splashing and squelch-squelching along, all the way to the very edge. Then comes a first glance down at the waves. WHOOSH! Maybe it's better if they don't go in? With vivid colors, bold shapes, and his trademark visual humor, Chris Haughton shows that sometimes a gentle "don't worry, I'm here" can keep tentative little crabs sidestepping ahead -- and help them discover the brilliant worlds that await when they take the plunge.

Jesus of Nazareth Pope Benedict XVI 2007-05-15 “This book is . . . my personal search ‘for the face of the Lord.’” -Benedict XVI In this bold, momentous work, the Pope—in his first book written as Benedict XVI—seeks to salvage the person of Jesus from recent “popular” depictions and to restore Jesus’ true identity as discovered in the Gospels. Through his brilliance as a theologian and his personal conviction as a believer, the Pope shares a rich, compelling, flesh-and-blood portrait of Jesus and incites us to encounter, face-to-face, the central figure of the Christian faith. From Jesus of Nazareth: “. . . the great question that will be with us throughout this entire book: But what has Jesus really brought, then, if he has not brought world peace, universal prosperity, and a better world? What has he brought? The answer is very simple: God. He has brought God! He has brought the God who once gradually unveiled his countenance first to Abraham, then to Moses and the prophets, and then in the wisdom literature—the God who showed his face only in Israel, even though he was also honored among the pagans in various shadowy guises. It is this God, the God of Abraham, of Isaac, and of Jacob, the true God, whom he has brought to the peoples of the earth. He has brought God, and now we know his face, now we can call upon him. Now we know the path that we human beings have to take in this world. Jesus has brought God and with God the truth about where we are going and where we come from: faith, hope, and love.”

Terra Nostra Carlos Fuentes 2003 One of the great masterpieces of modern Latin American fiction, Terra Nostra is concerned with nothing less than the history of Spain and of South America, with the Indian Gods and with Christianity, with the birth, the passion, and the death of civilizations. Fuentes skillfully blends a wide range of literary forms, stories within stories, Mexican and Spanish myth, and famous literary characters in this novel that is both a historical epic and an apocalyptic vision of modern times. Terra Nostra is that most ambitious and rare of creations—a total work of art.

The Trouble with Being Born E. M. Cioran 2013-02-01 Through a series of aphorisms, the Romanian philosopher meditates on the nature of being alive. In this volume, which reaffirms the uncompromising brilliance of his mind, Cioran strips the human condition down to its most basic components, birth and death, suggesting that disaster lies not in the prospect of death but in the fact of birth, “that laughable accident.” In the lucid, aphoristic style that characterizes his work, Cioran writes of time and death, God and religion, suicide and suffering, and the temptation to silence. Through sharp observation and patient contemplation, Cioran cuts to the heart of the human experience. “A love of Cioran creates an urge to press his writing into someone’s hand, and is followed by an equal urge to pull it away as poison.” —The New Yorker “In the company of Nietzsche and Kierkegaard.” —Publishers Weekly “No modern writer twists the knife with Cioran’s dexterity. . . . His writing . . . is informed with the bitterness of genuine compassion.” —Boston Phoenix “An orgy of cynicism and philosophical violence that circles around a ludicrous jibe . . . that the thing to be avoided at all costs is—yes!—getting born. The renewal of Species is an endless holocaust, and in this “fallen universe” the one unpardonable crime is to inflict Life on the unborn.” —The Irish Times (Ireland)

Autobiography of a Spiritually Incorrect Mystic Osho 2001-06-09 Understand the life and teachings of Osho, one of the twentieth century's most unusual gurus and philosophers, in *Autobiography of a Spiritually Incorrect Mystic*. In 1990, Osho prepared for his departure from the body that had served him for fifty-nine years—in the words of his attending physician—"as calmly as though he were packing for a weekend in the country." Who was this man, known as the Sex Guru, the "self-appointed bhagwan" (Rajneesh), the Rolls-Royce Guru, the Rich Man's Guru, and simply the Master? Drawn from nearly five thousand hours of Osho's recorded talks, this is the story of his youth and education, his life as a professor of philosophy and years of travel teaching the importance of meditation, and the true legacy he sought to leave behind: a religion-less religion centered on individual awareness and responsibility and the teaching of "Zorba the Buddha," a celebration of the whole human being. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times* of London as one of the "1000 Makers of the 20th Century" and by *Sunday Mid-Day* (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Sinners in the Hands of an Angry God Jonathan Edwards 2019-08-15 Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved;

oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.
