Janey the Vet Janey Lowes 2020-03-19 'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.

Debating Otaku in Contemporary Japan Patrick W. Galbraith 2015-05-21 With the spread of manga (Japanese comics) and anime (Japanese cartoons) around the world, many have adopted the Japanese term 'otaku' to identify fans of such media. The connection to manga and anime may seem straightforward, but, when taken for granted, often serves to obscure the debates within and around media fandom in Japan since the term 'otaku' appeared in the niche publication *Manga Burikko* in 1983. *Debating Otaku in Contemporary Japan* disrupts the naturalization and trivialization of 'otaku' by examining the historical contingency of the term as a way to identify and contain problematic youth, consumers and fan cultures in Japan. Its chapters, many translated from Japanese and available in English for the first time - and with a foreword by Otsuka Eiji, former editor of *Manga Burikko* - explore key moments in the evolving discourse of 'otaku' in Japan. Rather than presenting a smooth, triumphant narrative of the transition of a subculture to the mainstream, the edited volume repositions 'otaku' in specific historical, social and economic contexts, providing new insights into the significance of the 'otaku' phenomenon in Japan and the world. By going back to original Japanese documents, translating key contributions by Japanese scholars and offering sustained analysis of these documents and scholars, *Debating Otaku in Contemporary Japan* provides alternative histories of and approaches to 'otaku'. For all students and scholars of contemporary Japan and the history of Japanese fan and consumer cultures, this volume will be a foundation for understanding how 'otaku', at different places and times and to different people, is meaningful.

Slave Stealers Timothy Ballard 2018-09-04 Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

The Miserable Mill Lemony Snicket 2012-09-01 There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasanties befall the charming and clever Baudelaire

children read on . . . There are many pleasant things to read about, but *The Miserable Mill* contains none of them. Within its pages one will find a giant pincher machine, a bad casserole, a man with a cloud of smoke where his head should be, a hypnotist, a terrible accident and coupons. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

Teratoid Heights Mat Brinkman 2000-05-01 *Teratoid Heights* realistically depicts the lifecycles of various species found in the tide location's cave-riddled terrain, down to the most painstakingly detailed behavioral patterns. It matters not that both *Teratoid Heights* and its inhabitants are entirely fictional. Brinkman taps into the zeitgeist of modern suburban America with what seems to be a mixture of J.R.R. Tolkien-style adventure, video-game inspired syncopation and an endless barrage of cable-television nature films all filtered through the reddened eyes of a marijuana-addled teenager. A book that reveals levels of humor and humanity no matter what age the reader.

DEADPOOL! June 26, 1971. Location: Mr. Happy Food & Drink, outside El Paso, Texas. John J. Ramirez is a Vietnam veteran. While serving in Southeast Asia in the late 60's, he was a test subject for an experimental combat performance enhancement drug - essentially a super-soldier serum. Now stateside, Ramirez can't remember his own name or how he ended up here. His life has become a series of disjointed flashes - past and present, real and imaginary, continuously overlapping and morphing. And then there's that annoying Grim Reaper only he can see. The chatty bastard won't stop talking and calling him "bro." Meanwhile, elsewhere in El Paso, Father Karras is a pastor who has determined he is a Knight of the Apocalypse, descended to Earth against the will of a too-forgiving God. Holding a sawed-off shotgun named Salvation, he sets out to do his work. At the Mr. Happy Food & Drink, the paths of these two men are meant to cross. There WILL be blood. A Caliber Comics release.

Eden Underground Alessandro Manzetti 2015-07-03 Another snake, another tree, another Eve. A new dark poetry collection from the Bram Stoker Awards(r) nominee Alessandro Manzetti. Eden Underground is a surreal journey into obsessions and aberrations of the modern world and its darker side, which often takes control of the situation. Madness, violence, aberrant sex, war, hallucinations, sadism, disturbing archetypes: these are the black fruits of human loneliness, these are the bloody roots of Eden Underground. In this untold world, men and women build their deformed, artificial underground Eden, where they can unleash their dark side. Death is the hidden queen of these strange places designed by human alienation: harem of silicone dolls who come to life, abandoned warehouses with copper tubs full of broken pieces of Eve, a bloody collection of copies of the first primordial woman, imaginary worlds inspired by the ghosts of the drug, small Eden dug into the bowels of the sand of war, trenches for refuge from too much horror, the religious fanaticisms and their heretics and violent Eden stained with blood, open air glittering brothels turned into landfills of souls and lost loves. Haven't you ever heard the loneliness knocking at your door? Or the steps of our dark side, freed from the body and the cage of our conscience, that is coming to take us with a shimmering cleaver in its hand? In Eden Underground you can hear all these ghostly noises, too real, too close. Includes: The Last Prey The Monkey with the Big Head Pieces of Eden Dead Circus Green Apples Koo-o Interiora II Eastern Heaven Red Monsoon A Modern Berserker The Half Bride Eden Underground Carlos, Diego, Vamos! Themes and Issues in Asian Cartooning John A. Lent 1999 Today, comic art is the favorite reading fare for millions of Asians, and is a government-sanctioned, value-added product, as in the case of Korean and Japanese animation. Yet not much is known about Asian cartooning. Themes and Issues in Asian Cartooning uses overviews and case studies by scholars to discuss Asian animation, humor magazines, gag cartoons, comic strips, and comic books. The first half of the book looks at contents and audiences of Malay humor magazines, cultural labor in Korean animation, the reception of Aladdin in Islamic Southeast Asia, and a Singaporean comic book as a reflection of that society's personality. Four other chapters treat gender and Asian comics, concentrating on Japanese anime and manga and Indian comic books.

Edible Seashore John Wright 2018-02-22 In the fifth of the River Cottage Handbook series, John Wright reveals the rich pickings to be had on the seashore - and the team at River Cottage explain how to cook them to perfection. For the forager, the seashore holds surprising culinary potential. In this authoritative, witty book John Wright takes us on a trip to the seaside. But before introducing us to the various species to be harvested, he touches on such practicalities as conservation and the ethics of foraging; safety from tides, rocks and food poisoning; the law and access to the shore, our right to fish, landing sizes and seasons; and equipment such as nets, pots and hooks. Next comes the nitty-gritty: all the main British seashore species that one might be tempted to eat. The conservation status, taste and texture, availability, seasonality, habitat, collecting technique and biology of each species is covered; there are also quite a few gratuitous but fascinating diversions. The species covered include crustacea

(brown shrimp, common crab, lobster, prawn, shore crab, spider crab, squat lobster, velvet swimming crab); molluscs (clams, cockle, dog whelk, limpet, mussel, oyster, razor clam, winkle); mushrooms; plants (alexanders, babbington's orache, fennel, frosted orache, marsh samphire, perennial wall rocket, rock samphire, sea beet, sea buckthorn, sea holly, sea kale, sea purslane, sea rocket, spear-leaved orache, wild cabbage, wild thyme); and seaweed (carragheen, dulse, gut weed, laver, pepper dulse, sea lettuce, sugar kelp, kelp). Finally, there are thirty brilliant recipes. Introduced by Hugh Fearnley-Whittingstall, *Edible Seashore* is destined to join the other handbooks in the series as an indispensable household reference.
