**The Opera Singer's Acting Toolkit** Martin Constantine 2019-10-31 The complete dramatic toolbox for the opera singer – a step-by-step guide detailing how to create character, from auditions through to rehearsal and performance and formulate a successful career. Drawing upon the innovative approach to the training of young opera singers developed by Martin Constantine, Co-Director of ENO Opera Works, The Opera Singer's Acting Toolkit leads the singer through the process of bringing the libretto and score to life in order to create

character. It draws on the work of practitioners such as Stanislavski, Lecoq, Laban and Cicely Berry to introduce the singer to the tools needed to create an interior and physical life for character. The book draws on operatic repertoire from Handel through Mozart to Britten to present practical techniques and exercises to help the singer develop their own individual dramatic toolbox. The Opera Singer's Toolbox features interviews with leading conductors, directors, singers and casting agents to offer invaluable insights into the professional operatic world, and advice on how to remain focused on the importance of the work itself.

### Musical Digest 1925

Musical Chairs Amy Poeppel 2020-07-21 "A fiercely funny tale of family, friendship, and later-in-life love." –People "Poeppel has created a story that is well thought out, well plotted, well written, and fully developed. A delightful novel that celebrates the messiness and joy to be found in real life." –Kirkus Reviews (starred review) "A hilariously heartfelt, witty novel." –Woman's World The "quick-witted and razor-sharp" (Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six) author of Limelight and Small Admissions returns with a hilarious and heartfelt new novel about a perfectly imperfect summer of love, secrets, and second chances. Bridget and Will have the kind of relationship that people envy: they're loving, compatible, and completely devoted to each other. The fact that they're strictly friends seems to get lost on nearly everyone; after all, they're as good as married in (almost) every way. For three decades, they've nurtured their baby, the Forsyth Trio—a chamber group they created as students with their Juilliard classmate Gavin Glantz. In the intervening years, Gavin has gone on to become one of the classical music world's reigning stars, while Bridget and Will have learned to embrace the warm reviews and smaller venues that accompany modest success. Bridget has been dreaming of spending the summer at her well-worn Connecticut country home with her boyfriend Sterling. But her plans are upended when Sterling, dutifully following his ex-wife's advice, breaks up with her over email and her twin twenty-somethings arrive unannounced, filling her empty nest with their big dogs, dirty laundry, and respective crises. Bridget has problems of her own: her elderly father announces he's getting married, and the Forsyth Trio is once again missing its violinist. She concocts a plan to host her dad's wedding on her ramshackle property, while putting the Forsyth Trio back into the spotlight. But to catch the attention of the music world, she and Will place their bets on luring back Gavin, whom they've both avoided ever since their stormy parting. With her trademark humor, pitch-perfect voice, and sly perspective on the human heart, Amy Poeppel crafts a love letter to modern family life with all of its discord and harmony. In the tradition of novels by Maria Semple and Stephen McCauley, *Musical Chairs* is an irresistibly romantic story of role reversals, reinvention, and sweet synchronicity.

### **Modern Music and Musicians: The pianist's guide** 1918

**The London Literary Gazette and Journal of Belles Lettres, Arts, Sciences, Etc**  
1830

The Joy of Classical Music Joan Kennedy 2011-04-20 Who's Afraid of Classical Music? For years Joan Kennedy, at home, on the campaign trail, and in concert, has shared her love of classical music with adults and children. Now she uses her experience as a teacher and musician to show how you and your family can make music an enriching part of your lives. In this easy-to-understand and reassuring guide, Joan Kennedy explains: • How to start listening to classical music and enjoying what you hear—with a minimum of effort and expense • Creative, fun ways to bring music to your children—both at home and in school • All you and your family will need to enjoy a musical performance: a brief history of classical music, a user-friendly guide to concert rituals, and advice on how to bring your children to concerts—choosing the performances they will enjoy and making sure they get the most out of the experience Also: a glossary of musical terms • lists of the most popular classical pieces and Joan Kennedy's personal favorites • a guide to further reading • sixteen pages of photographs • foreword by John Williams, former conductor of the Boston Pops and Academy Award-winning composer of the classic film scores for Star Wars, E.T., and Schindler's List.

**Harmony and Discord** Lynn M. Sargeant 2011-01-26 *Harmony and Discord: Music and the Transformation of Russian Cultural Life* explores the complex development of Russian musical life during the nineteenth and early twentieth centuries. At the heart of this cultural history lies the Russian Musical Society, as both a unique driving force behind the institutionalization of music and a representative of the growing importance of voluntary associations in public life. Sustained simultaneously by private initiative and cooperative relationships with the state, the Russian Musical Society played a key role in the creation of Russia's infrastructure for music and music education. Author Lynn M. Sargeant explores the fluid nature of Russian social identity through the broad scope of musical life, including not only the "leading lights" of the era but also rank-and-file musicians, teachers, and students. Although Russian musicians longed for a secure place within the new hierarchy of professions, their social status remained ambiguous throughout the nineteenth century. Traditional reliance on serf musicians and foreigners left lasting scars that motivated musicians' efforts to obtain legal rights and social respectability. And women's increasing visibility in the musical world provoked acrimonious debates that were, at heart, efforts by male musicians to strengthen their claims to professional status by denying the legitimacy of female participation. Sargeant demonstrates that the successful development of a Russian musical infrastructure salved persistent anxieties about Russia's place vis-à-vis its European cultural competitors. Remarkably, the institutions developed by the Russian Musical Society survived the upheavals of war and

revolution to become the foundation for the Soviet musical system. A wealth of historical documentation makes *Harmony and Discord* required reading for musicologists, sociologists and historians interested in this period, and the abundance of amusing anecdotes and the author's lucid and lively literary style make it an enjoyable history for all readers.

**A Little Night Music** Stephen Sondheim 1995 Sam S.
