Finding My Father Kevin Albright 2012-08 Something sinister is unfolding in a Southern California church. The pastor and radio personality takes a prideful turn opening the door to a dark force that strikes without warning. The choices he makes thrust his family into a paranormal battle with eternal consequences. Under the cover of darkness, something evil enters the family home, leaving the mother for dead. When the son discovers that the father he idolizes was the mastermind behind the murder attempts, the story begins. The story is a tale of two fathers and the dramatic impact they have on a son's life. The deep scars caused by one father leads to a transition from the father who caused the scars to the one who heals them. The journey is unbelievable, except it really happened. Based on the author's true story. "With its gripping account of personal tragedies, Finding My Father probes into deep questions about the reality of evil. In the tradition of C.S. Lewis' Screwtape Letters, Kevin Albright surfaces dark questions about spiritual battles we all may face with Satan. It's a needed focus on the neglected area of where the battleground for our well being really lies." - Lorna Dueck, TV Host and Media Commentator, Context with Lorna Dueck, Faith Commentary Writer; The Globe and Mail "If you're looking for an authentic, frank story of God's redemption in the midst of turmoil, this book is for you". -Roger Cross, President Emeritus Youth for Christ/USA "...Finding My Father is a powerful portrayal of the journey we all need to be on to personally discover the father heart of God and his power to make you an overcomer." -Shane Gould, Lead Pastor Burlington Alliance, Ontario /Canada "This fantastic true story is a classic. It represents a young man re-building his life and soaring above his past with insight and vision." -Bonnie L. Parker, Executive World Missions Director ABEA, Founder of Living Springs Ministries "Kevin's story was engrossing, and his spiritual pilgrimage endearing. I rejoice in what he has found in our Heavenly Father a parent who will never fail him, unlike his earthly father..." -Bill Bjork, Senior Pastor Grace Bible Church, Phoenix, Arizona

The Girl with Ghost Eyes M. H. Boroson 2015-11-03 "The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. My Father - The Dark Creature Nunzia Alemanno 2019-10-26 Mike has a complicated relationship with his son Alex. Elena, Mike's wife, is barbarously murdered after a violent falling out with her husband. Alex catches his father at the crime scene, a murder that investigative bodies would have attributed to Mike if it weren't that Elena's body was torn apart by a ferocious beast. Mike's innocence will never convince his son, especially when Alex will find out, years later, that his father had lied to the police despite his innocence. Why? What's Mike hiding? An incredible story unfolds against the background of the Roman coast. It has roots going back many centuries and involves the Holy See. In fact, a secret order of the Church will be back in action after five hundred years of inactivity to hunt down the one who has returned.. From the authoress of the best-selling Italian trilogy *Il Dominio dei Mondi*

Readers' opinion: "This book, like every book by Nunzia Alemanno, has captured my interest. I usually read books of different genres from My Father-The Dark Creature but this book really intrigued me and I'd like to see how Nunzia Alemanno will cope with this new genre. She wrote an excellent novel, and her fantasy is always phenomenal. She was able to handle this paranormal thriller at the same way as she did with fantasy: in a superb and professional way. I recommend reading this beautiful novel as it is not limited to tension and suspense, but places human values such as friendship, love and brotherhood in the foreground." "Nunzia Alemanno shows us her great narrative skills again by focusing her fervent imagination on a new genre. She had already handled the thriller in her fantasy trilogy but, thanks to the addition of the paranormal, she made the latter novel intriguing and fascinating. It is not limited only to demons and Mephistophelian creatures... we can find a beautiful love story between a damned and a witch! It is a very strange thing because demons and witches, by innate instinct, hate each other to death. I recommend this reading." About the Author Nunzia Alemanno is an independent Italian writer who has come a long way in four years. She is best known for her fantasy trilogy Il Dominio dei Mondi, which includes L'egemonia del Drago, L'Angelo Nero, and Il Mistero del Manoscritto (coming soon in English version with the titles of The Hegemony of the Dragon, The Black Angel and The Mystery of the Manuscript). Her fervent imagination has attracted many readers and some nicknames like "The Queen of Dragons" or "The Dominatrix of the Worlds". Her Italy was beginning to be a bit tight, so she decided to depopulate overseas. The digital version of her books is in exclusivity on Amazon.

Ghost Songs: A Memoir Regina McBride 2016-10-04 A searingly beautiful coming-of-age memoir about a girl who begins to see her parents' ghosts after their tragic deaths. An Oprah.com Editor's Pick and a Paris Review Staff Pick Eighteen-year-old Regina McBride is haunted by the ghosts of her parents. Her father visits her—he is desperate, but she doesn't

know how to help him. Her mother is a quiet figure, obscured by light—a flash at the foot of the bed. Regina, raised Irish Catholic and with the ironclad belief that some sins are unforgivable, fears her parents are trapped between worlds, forever punished after they committed suicide within a few months of each other. Terrorized by these visitations and flattened by grief, Regina slowly begins her hazardous journey to recovery. Lyrical and lovely, harrowing and haunting, *Ghost Songs* charts her struggle to separate madness from imagination and sorrow from devastation. From New York to the desert of New Mexico to the shores of Ireland, Regina searches for herself, her home, and a way to return to the family that remains. *Ghost Songs* is an exploration of memory, a meditation on love and loss, and, in the end, a celebration of life and the living.

The Woman Warrior Maxine Hong Kingston 2014-12-15 With an introduction by Xiaolu Guo A classic memoir set during the Chinese revolution of the 1940s and inspired by folklore, providing a unique insight into the life of an immigrant in America. When we Chinese girls listened to the adults talking-story, we learned that we failed if we grew up to be but wives or slaves. We could be heroines, swordswomen. Throughout her childhood, Maxine Hong Kingston listened to her mother's mesmerizing tales of a China where girls are worthless, tradition is exalted and only a strong, wily woman can scratch her way upwards. Growing up in a changing America, surrounded by Chinese myth and memory, this is her story of two cultures and one trenchant, lyrical journey into womanhood. Complex and beautiful, angry and adoring, Maxine Hong Kingston's *The Woman Warrior* is a seminal piece of writing about emigration and identity. It won the National Book Critics Circle Award in 1976 and is widely hailed as a feminist classic.

Lovecraft's most important critical work, *Supernatural Horror in Literature*. Each chapter illuminates a crucial aspect of Lovecraft's criticism, from its aesthetic, philosophical and literary sources, to its psychobiological underpinnings, to its pervasive influence on the conception and course of horror and weird literature through the twentieth and early twenty-first centuries. These essays investigate the meaning of cosmic horror before and after Lovecraft, explore his critical relevance to contemporary social science, feminist and queer readings of his work, and ultimately reveal Lovecraft's importance for contemporary speculative philosophy, film and literature.

Descanso for My Father Harrison Candelaria Fletcher 2012-03-01 When his father died, Harrison Candelaria Fletcher wasn't quite two. His mother packed up his father's belongings, put the boxes in a hall closet, and closed the door. The "man in a box" remained a mystery, hardly mentioned, and making only rare appearances in stories when Fletcher or his siblings inquired. Meanwhile, his young Hispanic mother transformed herself into an artist, scouting the back roads and secondhand shops of New Mexico for relics and unlikely treasures to add to her "little shrines," or descansos. "Look closely," she'd say to her son. "Everything tells a story." This book is Fletcher's literary descanso, a piecing together—from moments and objects and words—of a father's life, of the life lived without that father, and of his own mixed-race identity. Fletcher's reflections unfold like a collage, offering a rich array of images and stories of life with his single mother, organizing weekend family car trips to explore graveyards and adobe ruins; of growing up on the fault lines of class and culture; of being a father who never had one of his own to learn from. From incidents and observations, Fletcher assembles a beautifully crafted portrait of his family's unspoken affliction with loss over the decades, a portrait that finally evokes the father at its heart.

Harlot's Ghost Norman Mailer 2007-01-23 With unprecedented scope and consummate skill, Norman Mailer unfolds a rich and riveting epic of an American spy. Harry Hubbard is the son and godson of CIA legends. His journey to learn the secrets of his society—and his own past—takes him through the Bay of Pigs, the Cuban Missile Crisis, and the "momentous catastrophe" of the Kennedy assassination. were loved by both his godfather and President Kennedy. Featuring a tapestry of unforgettable characters both real and imagined, Harlot's Ghost is a panoramic achievement in the tradition of Tolstoy, Melville, and Balzac, a triumph of Mailer's literary prowess. When I returned from the world of Harlot's Ghost to the present I wished to be enveloped again by Mailer's imagination."—Robert Wilson, *USA Today* "Immense, fascinating, and in large part brilliant."—Salman Rushdie, *The Independent on Sunday* "A towering creation . . . a fiction as real and as possible as actual history."—*The New York Times* Praise for Norman Mailer "[Norman Mailer] loomed over American letters longer and larger than any other writer of his generation."—*The New York Times* "A writer of the greatest and most reckless talent."—*The New Yorker* "Mailer is indispensable, an American treasure."—*The Washington Post* "A devastatingly alive and original creative mind."—*Life* "Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance."—*The New York Review of Books* "The largest mind and imagination [in modern] American literature . . . Unlike just about every American writer since Henry James, Mailer has managed to grow and become richer in wisdom with each new book."—*Chicago Tribune* "Mailer is a master of his craft. Ghost Letters Baba Badji 2021-01-01 In *Ghost Letters*, one emigrates to America again, and again, and again, though one also never leaves Senegal, the country of one's birth; one grows up in America, and attends university in America, though one also never leaves Senegal, the country of one's birth; one wrestles with one's American blackness in ways not possible in Senegal, though one never leaves Senegal, the country of one's birth; and one sees more deeply into Americanness than any native-born American could. *Ghost Letters* is a 21st century Notebook of a Return to the Native Land, though it is a notebook of arrival and being in America. It is a major achievement. —Shane McCrae

The Haunted House in Women's Ghost Stories Emma Liggins 2020-06-30 This book explores Victorian and modernist haunted houses in female-authored ghost stories as representations of the architectural uncanny. It reconsiders the gendering of the supernatural in terms of unease, denial, disorientation, confinement and claustrophobia within domestic space. Drawing on spatial theory by Gaston Bachelard, Henri Lefebvre and Elizabeth Grosz, it analyses the reoccupation and appropriation of space by ghosts, women and servants as a means of addressing the opposition between the past and modernity. The chapters consider a range of haunted spaces, including ancestral mansions, ghostly gardens, suburban villas, Italian churches and houses subject to demolition and ruin. The ghost stories are read in the light of women's non-fictional writing on architecture, travel, interior design, sacred space, technology, the ideal home and the servant problem. Women writers discussed include Elizabeth Gaskell, Margaret Oliphant, Vernon Lee, Edith Wharton, May Sinclair and Elizabeth Bowen. This book will appeal to students and researchers in the ghost story, Female Gothic and Victorian and modernist women's writing, as well as general readers with an interest in the supernatural.
