The Name of the Star Maureen Johnson 2012 Rory, of Bâenouville, Louisiana, is spending a year at a London boarding school when she witnesses a murder by a Jack the Ripper copycat and becomes involved with the very unusual investigation.

The Book Lover's Guide to London Sarah Sarah Milne 2022-01-30 Many of the greatest names in literature have visited or made their home in the colorful and diverse metropolis of London. From Charles Dickens to George Orwell, Virginia Woolf to Bernadine Evaristo, London's writers have brought the city to life through some of the best known and loved stories and characters in fiction. This book takes you on an area-by-area journey through London to discover the stories behind the stories told in some of the most famous novels, plays and poems written in, or about, the city. * Find out which poet almost lost one of his most important manuscripts in a Soho pub. * Discover how Graham Greene managed to survive the German bomb that destroyed his Clapham home. * Climb down the dingy steps from London Bridge to Thames path below and imagine how it felt to be Nancy trying to save Oliver Twist, only to then meet her own violent death. * Drink in same pub Bram Stoker listened to the ghost stories that inspired Dracula, the plush drinking house where Noel Coward performed, and the bars and cafes frequented by modern writers. * Tour the locations where London's writers, and their characters lived, worked, played, loved, lost and died. This is the first literature guide to London to be fully illustrated with beautiful color photographs throughout the book. This unique book can be used a guidebook on a physical journey through London, or as a treasury of fascinating, often obscure tales and information for book lovers to read wherever they are.

Dutch Courage and Other Stories Jack London 2012-02-07 This book is part of the TREDITION CLASSICS series. The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again - worldwide. Meet Me in London Georgia Toffolo 2021-09-28 "Armchair travelers will adore this tour of Christmastime London...[a] charming rom-com from British reality TV star Georgia Toffolo."

—Publishers Weekly Fans of Josie Silver's *One Day in December* and Christina Lauren's *In a Holiday* will adore watching Victoria and Oliver's pretend engagement dissolve as their very real chemistry threatens to upend all their carefully laid-out secrets. Set against the most charming London backdrop, *Meet Me in London* is an irresistible seasonal treat! What do you do when your fake engagement starts to feel too real... Aspiring clothes designer Victoria Scott spends her days working in a bar in Chelsea and her evenings designing vintage clothes, dreaming of one day opening her own boutique. But these aspirations are under threat from the new department store opening at the end of her road. She needs a Christmas miracle, but one is not forthcoming. Oliver Russell's Christmas is not looking very festive right now. His family's new London department store opening is behind schedule, and on top of that his interfering, if well-meaning, mother is pressing him to introduce his girlfriend to her over the holidays—a girlfriend who does not exist. He needs a diversion...something to keep his mother from meddling while he focuses on the business. When Oliver meets Victoria, he offers a proposition: pretend to be his girlfriend at the opening of his store and he will provide an opportunity for Victoria to showcase her designs. But what starts as a business arrangement soon becomes something more tempting as the fake relationship starts to feel very real. But when secrets in Victoria's past are exposed, will Oliver walk away, or will they both follow their hearts and find what neither knew they were looking for...? "An ideal Christmas escape!"—Laura Jane Williams, Bestselling author of *Our Stop*

My First Book of Patterns Bobby George 2017-09-18 Have you learned your colors and shapes? Now it's time to learn patterns! Stripes, polka dots, plaid, chevron, and more are featured in this first-ever patterns concept book that provides readers with the vocabulary to name what they see in the world around them. The ten most prevalent patterns are presented first as a single element (This is a circle ...), then as a pattern (... a lot of circles make polka dots!). Conceived by educators and illustrated in vivid candy-colored hues, this pitch-perfect introduction to patterns will engage the artistic, mathematical, and linguistic parts of every young child's mind.

My First Yoga DK 2020-01-02 Let your baby or toddler discover the joys of yoga through the simple poses in this yoga ebook for kids. With a range of gentle poses carefully selected in an order that will engage, energise, and then relax, this ebook can be accessed by all abilities. Sweet illustrations of yoga positions are brought to life with real photographs of young children practising the moves. From downward dog, to cat stretch, to sleepy sloth, this ebook includes a variety of yoga moves that are made fun for little ones. Babies and toddlers will love looking at the beautiful pictures in this illustrated children's ebook and turning the pages by themselves. There are a range of easy poses for toddlers to copy. Can they stand up tall like a tree and try to balance on one leg, or breathe out fiercely like a lion? *My First Yoga* helps preschoolers to develop their early learning skills as they name the animals and objects that go with each pose; broadening their vocabulary. The sturdy ebook is made for kids to get hands-on with, and is perfect for little children to hold by themselves. Yoga has many health benefits as it helps with balance, coordination and mindfulness, and it's never too early to start!

My Little Cities: London Jennifer Adams 2017-04-11 In this delightful series written by BabyLit author Jennifer Adams and illustrated by kidlit darling Greg Pizzoli, each book showcases a different city with lighthearted baby-appropriate text and ridiculously charming illustrations. Cross the pond and explore the city on the Thames: feed the pigeons in

Trafalgar Square, watch the changing of the guard at Buckingham Palace, marvel at the spinning lights of the London Eye, and say good night to London's landmark skyline.

My Big Picture Book of London Rob Lloyd Jones 2016-05-23 Discover the many exciting sights of the London Landscape. Learn about the history, the culture and the people through this amusing picture book. What's the Time in London? Campbell Books 2020-10 A chunky book with a clock face and moving hands to teach little fans of London how to tell the time. Perfect for ages three plus.

My First Book of My Body Susan Akass 2017-10-10 35 step-by-step activities to inform children about the workings of the human body. This fascinating and informative book offers children an amazing insight into how their body works. Susan Akass and Frances Butcher make learning fun with 35 engaging experiments that give a thorough understanding of body systems and anatomy. In Chapter 1, The Senses, activities include finding your blind spot, getting dizzy, and making snot! In Chapter 2, The Control Center, children get to test their reflexes and memories, and trick their brain with optical illusions. In Chapter 3, Your Skeleton and Muscles, they can investigate their muscles, joints, and ligaments. Chapter 4, Fueling the Machine, explains why teeth are vulnerable to a bad diet and includes how to make a digestive system, including the poop! In Chapter 5, All Systems Go, there's fantastic fake blood, pulse-testing, and how to make a simple stethoscope. As well as exciting experiments, children will be informed by the anatomical artworks, mind-boggling facts, and invaluable health information throughout.

Animals 2016 Know someone who loves creatures? Animal lovers will fixate on this giant book presenting thirty-two big, bold images of friendly beasts. From a star of children's design in Sweden comes an exquisite array of animals rendered with whimsy and stylish splendor. Every oversize page highlights a different specimen, from an adorable sheep to an elegant flamingo, from an endearing hippo to a silly-looking snake. Each animal's name appears in a different eye-catching type treatment, making for an attractive graphic keepsake sure to find a prominent place in nurseries and bookshelves everywhere.

Proxy Alex London 2013 "Privileged Syd and his proxy, Knox, are thrown together to overthrow the system"--

History of New London, Connecticut Frances Manwaring Caulkins 1852

With Love from London Sarah Jio 2022-02-08 When a woman inherits her estranged mother's bookstore in London's Primrose Hill, she finds herself thrust into the pages of a new story—hers—filled with long-held family secrets, the possibility of new love, and, perhaps, the single greatest challenge of her life. When Valentina Baker was only eleven years old, her mother, Eloise, unexpectedly fled to her native London, leaving Val and her father on their own in California. Now a librarian in her thirties, fresh out of a failed marriage and still at odds with her mother's abandonment, Val feels disenchanting with her life. In a bittersweet twist of fate, she receives word that Eloise has died, leaving Val the deed to her mother's Primrose Hill apartment and the Book Garden, the storied bookshop she opened almost two decades prior. Though the news is devastating, Val jumps at the chance for a new beginning and jets across the Atlantic, hoping to learn who her mother truly was while mourning the relationship they never had. As Val begins to piece together Eloise's life in the U.K., she finds herself falling in love with the pastel-colored third-floor flat and the cozy, treasure-filled bookshop, soon realizing that her mother's life was much more complicated than she ever imagined. When Val stumbles across a series of intriguing notes left in a beloved old novel, she sets out to locate the book's mysterious former owner, though her efforts are challenged from the start, as is the Book Garden's future. In order to save the store from financial ruin and preserve her mother's legacy, she must rally its eccentric staff and journey deep into her mother's secrets. *With Love from London* is a story about healing and loss, revealing the emotional, relatable truths about love, family, and forgiveness.

Little Book of London David Long 2010-12-26 *The Little Book of London* is a funny, fast-paced, fact-packed compendium of the sort of frivolous, fantastic or simply strange information which no-one will want to be without. London's looniest laws, its most eccentric inhabitants, and the realities of being royal and literally hundreds of wacky facts about the world's greatest city.

London Robert K. Batchelor 2014-01-06 A historian recounts the unlikely rise of a world capital, and how its understanding of Asia played a key role. If one had looked for a potential global city in Europe in the 1540s, the most likely candidate would have been Antwerp, which had emerged as the center of the German and Spanish silver exchange as well as the Portuguese spice and Spanish sugar trades. It almost certainly would not have been London, an unassuming hub of the wool and cloth trade with a population of around 75,000, still trying to recover from the onslaught of the Black Plague. But by 1700, London's population had reached a staggering 575,000 and it had developed its first global corporations, as well as relationships with non-European societies outside the Mediterranean. What happened in the span of a century and half? And how exactly did London transform itself into a global city? London's success, Robert K. Batchelor argues, lies not just with the well-documented rise of Atlantic settlements, markets, and economies. Using his discovery of a network of Chinese merchant shipping routes on John Selden's map of China as his jumping-off point, Batchelor reveals how London also flourished because of its many encounters, engagements, and exchanges with East Asian trading cities. Translation plays a key role in Batchelor's study—not just of books, manuscripts, and maps, but also of meaning and knowledge across cultures. He demonstrates how translation helped London understand and adapt to global economic conditions. Looking outward at London's global negotiations, Batchelor traces the development of its knowledge networks back to a number of foreign sources, and credits particular interactions with England's eventual political and economic autonomy from church and King. London offers a much-needed non-Eurocentric history of London, first by bringing

to light and then by synthesizing the many external factors and pieces of evidence that contributed to its rise as a global city. It will appeal to students and scholars interested in the cultural politics of translation, the relationship between merchants and sovereigns, and the cultural and historical geography of Britain and Asia.

These Broken Stars. In the last days of the twenty-first century, sea creatures swim through the ruins of London. Trapped in the abyss, humankind wavers between hope and fear of what lurks in the depths around them, and hope that they might one day find a way back to the surface. When sixteen-year-old submersible racer Leyla McQueen is chosen to participate in the city's prestigious annual marathon, she sees an opportunity to save her father, who has been arrested on false charges. The Prime Minister promises the champion whatever their heart desires. But the race takes an unexpected turn, forcing Leyla to make an impossible choice. Now she must brave unfathomable waters and defy a corrupt government determined to keep its secrets, all the while dealing with a guarded, hotheaded companion she never asked for in the first place. If Leyla fails to discover the truths at the heart of her world, or falls prey to her own fears, she risks capture-or worse. And her father will be lost to her forever.

London Large Roy Robson 2015-10-23 LONDON LARGE: Blood on the Streets - The thrilling novel of crime, punishment and vengeance by Garry and Roy Robson. An exciting, gritty read that develops into a smooth, unputdownable thriller ...' Bookpostmortem A double murder Two socialite sisters are murdered in plain sight in the heart of London. The killer is gunned down by the police. No one on planet earth can identify the killer; nor understand why the sisters were murdered. A gang war As gang war erupts on the streets of London Detective Inspector Harry 'H' Hawkins is sent to investigate. He links the warring factions to a high level establishment conspiracy; and the conspiracy to the murder. And then his partner is kidnapped. A race against time H is a hardened copper, but uncovers truths that chill even him to the bone. If he is to save his partner and avenge his best friend he knows that every second counts.....

Rivers of London Ben Aaronovitch 2017-06-13 My name is Peter Grant and until January I was just probationary constable in that mighty army for justice known to all right-thinking people as the Metropolitan Police Service (and as the Filth to everybody else). My only concerns in life were how to avoid a transfer to the Case Progression Unit - we do paperwork so real coppers don't have to - and finding a way to climb into the panties of the outrageously perky WPC Leslie May. Then one night, in pursuance of a murder inquiry, I tried to take a witness statement from someone who was dead but disturbingly valuable, and that brought me to the attention of Inspector Nightingale, the last wizard in England. Now I'm a Detective Constable and a trainee wizard, the first apprentice in fifty years, and my world has become somewhat more complicated: nests of vampires in Purley, negotiating a truce between the warring god and goddess of the Thames, and digging up graves in Covent Garden ... and there's something festering at the heart of the city I love, a malicious vengeful spirit that takes ordinary Londoners and twists them into grotesque mannequins to act out its drama of violence and despair. The spirit of riot and rebellion has awakened in the city, and it's falling to me to bring order out of chaos - or die trying.

My First Book about Me Felicity Brooks 2017-04-01 This brightly coloured information book is a fun way for children to learn about themselves and the world around them. Learn about human diversity (skin colour, hair colour, eyes, tastes etc), about different emotions a person can feel, about daily routines, about different types of families and loved ones and about their body. This hard cover edition with index and contents list is ideal for schools and libraries; also available as a paperback with stickers. Internet links lead readers to age-appropriate websites with games and activities.

My First Book of London Ingela P. Arrhenius 2020-09-08 Take an eye-opening look at the wonders of London in a stylish big picture book for little travelers. From the Beefeaters at the Tower of London to the Changing of the Guard at Buckingham Palace, from red telephone booths to black cabs, the city of London offers many sights to see. In colorful, graphic spreads, look for fountains and full English breakfasts, museums and monuments, afternoon tea and art galleries--and discover all the things big and small, new and old, that make London one of a kind. Bountifully illustrated and beautifully designed, this gift for London lovers is the second in a series about great cities of the world.

The Most Eligible Lord in London Ella Quinn 2020-03-31 “Quinn explores the allures and idiosyncrasies of aristocratic life with wit and charm reminiscent of Jane Austen. This intelligent romance gets the series off to a promising start.” —Publishers Weekly In this captivating new Regency trilogy perfect for *Bridgerton* fans, bestselling author Ella Quinn picks up where her beloved *Worthingtons* series left off, as a charming and infamous rake falls for a steadfast and dazzling woman... Handsome, rakish, incorrigibly flirtatious—Fredrick, Lord Littleton, is notorious. Lady Adeline Wivenly is resolved to keep him at arm’s length during her first Season—until she overhears another woman’s plot to trick him into marriage. Even a rogue is undeserving of such deception, and Adeline feels obliged to warn him—only to find herself perilously attracted . . . In the past, Littleton’s charm nearly got him leg-shackled to the wrong woman. Now he’s positive he’s found the right one, for Adeline is everything he wants and needs in a wife. Her sense of justice is so strong she agrees to help him despite her mistrust. But can the ton’s most elusive lord convince the lady he is finally serious about marriage—as long as she will be his bride? Praise for Ella Quinn’s *Believe in Me* “Quinn continues to delight with the surprising adventures of the Worthington family. Fans of Lisa Kleypas and Julia Quinn will enjoy this family.” —Booklist

London Ashley Evanson 2015-10-20 Hello, World is an exciting book series that pairs early learning concepts with colorful, stylish illustrations of cities around the world. London can be rainy, or it can be sunny. Some Buckingham Palace guards are big, and others are little. Explore opposites through the sights of London in this gorgeous book!

My First Book of Quantum Physics Sheddad Kaid-Salah Ferrón 2018-03-29 Everything around us - trees, buildings, food, light, water, air and even ourselves - is composed of minute particles, smaller than a nanometre (a billionth of a metre). Quantum physics is the science of these particles and without it none of our electronic devices, from smartphones to computers and microwave ovens, would exist. But quantum physics also pushes us to the very boundaries of what we know about science, reality and the structure of the universe. The world of quantum physics is an amazing place, where quantum particles can do weird and wonderful things, acting totally unlike the objects we experience in day-to-day life. How can atoms exist in two places at once? And just how can a cat be dead and alive at the same time? Find out more with this entertaining illustrated guide to the fascinating, mysterious world of quantum physics.

Love of Life Jack London 1906

A fun way to practise the alphabet for pre-schoolers, this book can be used out and about in London - or at home. Marion Billet's illustrations bring the bustling city to life with busy scenes of Buckingham Palace, Tower Bridge, Oxford Circus and more. The pull-out ending has lots of extra things for children to search for and find. Little tourists can discover more of London with *There are 101 Things to Find in London* and *The London Noisy Book*.

My First Book of New York Ingela P. Arrhenius 2019-09-10 See all the best-loved sites of New York City in this stylish big picture book by Ingela P. Arrhenius. Visit the Statue of Liberty, climb the Empire State Building, catch a show on Broadway -- there's so much to do in New York City! Take a taxi to Times Square, check out the Apollo Theater, cross the Brooklyn Bridge, and stroll in Central Park in this big word book about the Big Apple. With colorful, graphic illustrations of everything from iconic landmarks to mah-jongg players in Chinatown, this is a beautifully designed gift for New York lovers of all ages -- the first in a series about the great cities of the world.

My First Drumming Book Sam Taplin 2017-08-30 A soundchip book with a difference! By pressing the big buttons in this unique and charming book, children can drum along to a variety of different tunes. The lively artwork and simple step-by-step instructions make learning the basics great fun, and then they can press a button to activate the music and drum along with it. A perfect way to stimulate creativity in children and encourage them to have fun with rhythm. Five different tunes to play along to, plus another button that has a simple "beat" to use for practising. Fans of our keyboard books will love this new twist on the idea.

The Shadows of London Nick Jones 2021-06-01 A time traveler's work is never done. Likable antiques dealer Joseph Bridgeman is back in the present and dreaming of a quiet life. But when a mysterious and enigmatic time traveler arrives in his shop, Joe learns that his first trip was just the beginning and this time, the rules of the game have changed. Blackmailed into accepting a new mission, Joe is flung back to 1960s London where he comes face-to-face with a ruthless gangster and witnesses the brutal murder of an innocent woman. Joe knows better than most that death can be reversed and the final chapter is sometimes where the story actually begins. Emotionally involved, he has no choice but to act, and quickly. With the help of Vinny, his vinyl-loving sidekick, Joe once again sets out to change the course of history. Sounds simple enough ... but when it comes to time travel, nothing is ever as it seems. Who is the old time traveler working for? And who decides what can and can't be changed? In a thrilling twist, Joe discovers that the victim is critically important to

the future, and what starts out as a straightforward mission soon becomes a race to unravel a mystery—one that threatens the very timeline he fought so hard to protect. Joe must dig deeper than ever, master his newfound skills, and save the woman before the past catches up with him for good. Turns out time doesn't heal after all. It just adds salt.

A Novel Approach Jack Woodville London 2014-09-02 This book assists authors in writing a first novel or improving their writing skills with lessons and practical advice on the craft and conventions of writing literature, including planning the book, story arc and storytelling, developing conflict, creating memorable characters, writing descriptions, and writing dialogue.
