*Danger from Fifty Feet Below* Dini Duclos 2013-12-18 After living more than twenty years in the dreary Pacific Northwest climate, my friend Carol and I headed to the Caymans. This trip proved to be different than any other, as it marked the start of a new phase of my life underwater. With pristine water, beautiful fish, and intricate coral at my fingertips, I officially caught the scuba diving bug. As I reveled in the glorious undersea world and one dive turned into several hundred, I had no idea that my relatively calm life would soon be tossed upside down while on a trip to Kona, Hawaii. The excursion began so innocently. I spotted an unusual rock during a dive in Kona, stuck it in my pocket, and forgot about it until we returned home. Suddenly, strange events began to occur as I handled my "special rock" and shared it with others. Perplexed, I began researching the rock—not knowing that very soon, Carol and I would be running for our lives, pursued by higher-ups at a large pharmaceutical company who wanted what we had and were willing to do everything in their power to acquire it. This fast-paced, deep-sea adventure shares the story of an intriguing find from Hawaiian waters and how it changed my life forever.

JJ's Journey Tracy Calhoun 2017-10-03 Tracy Calhoun, a longtime nurse, shares her heart-melting memoir of working alongside JJ, the Therapy Dog, the brightest and most intuitive dog Tracy has ever trained. When not mooching dog treats, JJ is dedicated to helping humans cope with tragedy and loss through love and hugs. Tracy Calhoun, a nurse on staff at Samaritan Evergreen Hospice House in Oregon, paused at the bedside of an elderly patient in a coma. The woman had no family or friends, but the hospice team had learned she liked dogs, so Tracy put her Golden Retriever, JJ, a staff "therapist," on the woman's bed. JJ snuggled up, nuzzled a motionless hand, and then settled in, letting her body warmth cuddle and comfort the patient in her final hours. The woman, who had been unresponsive for days, then performed her final, intentional act. She stroked JJ's head. Tracy recorded the intimate moment on her phone, then uploaded it to Facebook where she was keeping a modest account for friends, family, and community members who knew her and JJ. In August 2015, that video went viral, and was rapidly seen by tens of millions of viewers worldwide. To Tracy, it was a turning point in her mission to explain to a wider audience the joy that therapy dogs provide, and to do it with humor and canine chaos, as only a dog obsessed with bacon, puppies, and swimming can. Along the way, Tracy's own story has grown and changed through her love of animals, and she's found, in difficult times, she has needed the same comfort her pups offer to patients—for herself. "These stories of an unforgettable and deeply intuitive Golden Retriever named JJ, as told by her fabulous handler

Tracy, are shared with humor and heart. Many wonderful moments happen when working with therapy dogs and reading about JJ's magic is an extraordinarily moving experience." – Donna Frindt, Executive Director, Project Canine "An emotionally satisfying and entertaining collection of tales not only between a dog and her human, but between this remarkable soul in a Golden Retriever suit and dozens of people in crisis—from hospice care to school shootings." –Janet Velanovsky , Owner, Kaizen Pet Training & Behavior "An inspiring memoir, JJ's Journey illustrates the medical and spiritual benefits of the human-animal bond through JJ's unwavering patience, love, and support for the hospice patients and their grieving families. JJ's Journey brings to light that in our greatest time of need, every person can feel they are loved, honored, and mean something in this world thanks to the unconditional love that comes so naturally from a therapy dog's heart." –Colby Webb, Founder, Sav-a-Bull Rescue and author of Forty One Pit Bulls

**Personal Days** Ed Park 2008-05-13 In an unnamed New York-based company, the employees are getting restless as everything around them unravels. There's Pru, the former grad student turned spreadsheet drone; Laars, the hysteric whose work anxiety stalks him in his tooth-grinding dreams; and Jack II, who distributes unwanted backrubs—aka "jackrubs"—to his co-workers. On a Sunday, one of them is called at home. And the Firings begin. Rich with Orwellian doublespeak, filled with sabotage and romance, this astonishing literary debut is at once a comic delight and a narrative tour de force. It's a novel for anyone who has ever worked in an office and wondered: "Where does the time go? Where does the life go? And whose banana is in the fridge?" Praise for PERSONAL DAYS "Witty and appealing...Anyone who has ever groaned to hear 'impact' used as a verb will cheer as Park skewers the avatars of corporate speak, hellbent on debasing the language....Park has written what one of his characters calls 'a layoff narrative' for our times. As the economy continues its free fall, Park's book may serve as a handy guide for navigating unemployment and

uncertainty. Does anyone who isn't a journalist think there can't be two books on the same subject at the same time? We need as many as we can get right now." –The New York Times Book Review "Never have the minutiae of office life been so lovingly cataloged and collated." –"Three First Novels that Just Might Last," –Time A "comic and creepy début...Park transforms the banal into the eerie, rendering ominous the familiar request "Does anyone want anything from the outside world?" –The New Yorker "The modern corporate office is to Ed Park's debut novel Personal Days what World War II was to Joseph Heller's Catch-22—a theater of absurdity and injustice so profound as to defy all reason....Park may be in line to fill the shoes left by Kurt Vonnegut and other satirists par excellence."—Samantha Dunn, Los Angeles Times "In Personal Days Ed Park has crafted a sometimes funny, sometimes heartbreaking, but always adroit novel about office life...Sharp and lovely language." –Newsweek "A warm and winning fiction debut." – Publishers Weekly "I laughed until they put me in a mental hospital. But Personal Days is so much more than satire. Underneath Park's masterly portrait of wasted workaday lives is a pulsating heart, and an odd, buoyant hope." – Gary Shteyngart, author of Absurdistan "The funniest book I've read about the way we work now." –William Poundstone, author of Fortune's Formula "Ed Park joins Andy Warhol and Don DeLillo as a master of the deadpan vernacular." –Helen DeWitt, author of The Last Samurai

*Confidence* Peggy L. Headlund 2011-11 The Second Edition of Confidence: Reliance on the Spirit, The Innocence and Resilience of Youth is a gripping story of the irrepressible Lilia Faith Christian, which will thrill tweens and teens alike. What are you trying to do Jimmy, kill me? thirteen-year-old Lilia screeched at the top of her lungs when sixteen-year-old Jimmy pitched the softball directly at her head. She heard the whirring of air around the ball as it picked up velocity, and leaned backwards to avoid it as the ball flew past within an inch of her nose. This is supposed to be for fun, not for blood Lilia squalled at him. For years, Jimmy had been the nemesis of her life. He pestered her any chance he had for whatever reason he could find. He's probably just trying to get back at me for sitting on him and holding his hands in the dirt last spring, speculated Lilia. However, Jimmy had grown six inches during the summer, and now stood a head above Lilia Her father's fateful words rang in her ears, Someday that boy will be twice as big as you, and he'll definitely remember that you bullied him and then what will you do? Lilia and Jimmy

attempt to understand each other, but they don't always agree. This is a buoyant and adventurous story of reconciliation, friendship, faith, and self-discovery in the tender hearts of youth. **What I Had Before I Had You** Sarah Cornwell 2014-01-07 A woman must face the truth about her past in this luminous, evocative novel of parents and children, guilt and forgiveness, memory and magical thinking. Olivia Reed was fifteen when she left her hometown of Ocean Vista on the Jersey Shore. Two decades later, divorced and unstrung, she returns with her teenage daughter, Carrie, and nine-year-old son, Daniel, recently diagnosed with bipolar disorder. Distracted by thoughts of the past, Olivia fails to notice when Daniel disappears from her side. Her frantic search for him sparks memories of the summer of 1987, when she exploded out of the cocoon of her mother's fierce, smothering love and into a sudden, full-throttle adolescence, complete with dangerous new friends, first love, and a rebellion so intense that it utterly recharted the course of her life. Olivia's mother, Myla, was a practicing psychic whose powers waxed and waned along with her mercurial moods. Myla raised Olivia to be a guarded child, and also to believe in the ever-present infant ghosts of her twin sisters, whom Myla took care of as if they were alive—diapers, baby food, an empty nursery kept like a shrine. At fifteen, Olivia saw her sisters for the first time, not as ghostly infants but as teenagers on the beach. But when Myla denied her vision, Olivia set out to learn the truth—a journey that led to shattering discoveries about herself and her family. Sarah Cornwell seamlessly weaves together the past and the present in this riveting debut novel, as she examines the relationships between mothers and daughters, and the powerful forces of loss, family history, and magical thinking.

*My Life, Connected* Vera Chvany Hussey-Forbes 2013-09 From an early age, author Vera Chvany Hussey-Forbes knew her mother didn't want her. When her parents divorced, Vera's mother began a campaign to obliterate the child with a concentrated regimen of emotional abuse. Thus began Vera's two-layered existence. In *My Life, Connected*, she narrates the story of her life, beginning with the ways that the trauma affected her. Vera shares how her mother made her feel like she was ugly, untalented, and unlovable, and how Vera's first husband later followed suit, never appreciating her for who she was. In her memoir, Vera describes how she overcame the negative treatment to become the best in everything she had to offer as a painter, singer, songwriter, actress, lover, and mother of three sons. She discusses the highs and lows as she experienced operas and orgies; dead pigeons and paralysis; ballet and bats; fleas, a fish run, and fire; and lovers and laughter. Honest and unabashed, *My Life, Connected* tells how Vera's friendly disposition and curious personality enabled her to conquer abuse, make connections, and form incredible friendships with people from all walks of life.
