Classroom Portraits Julian Germain 2012 What happens when a stranger enters a classroom during a lesson and asks for the pupils' total concentration for 15 minutes in order to make their portrait? He positions everyone with great care (so that they can clearly be seen) and then demands that they stay completely still for the long exposure. The results are both

predictable and astonishing. This ongoing series by Julian Germain started in northeast England. Since then Germain has visited schools throughout North and South America, Europe, the Middle East, Africa, and Southeast Asia. His magnificent photographs are packed with detail--books open on graffitied desks, instructions on white and blackboards, artwork hanging on walls, notes scribbled on the backs of hands. And of course there are the faces of the children themselves; enrapt, bored, inquisitive, arrogant, or shy, they incite endless curiosity about what these kids' lives are like and what their futures hold. Exquisitely reproduced in an oversize format, these portraits trigger memories of our own schooldays and bring into sharp focus the contemporary school experience throughout the world, in all its diversity and universality.

The Chalk Circle Man Fred Vargas 2010-01-05 Jean-Baptiste Adamsberg is not like other policemen. His methods appear unorthodox in the extreme: he doesn't search for clues; he ignores obvious suspects and arrests people with iron-clad alibis; he appears permanently distracted. *The Chalk Circle Man* is the first book featuring Jean-Baptiste Adamsberg, one of the most engaging characters in contemporary detective fiction. When strange, blue chalk circles start appearing overnight on the pavements of Paris, the press take up the story with amusement and psychiatrists trot out their theories. Adamsberg is alone in thinking this is not a game and far from amusing. He insists on being kept informed of new circles and the increasingly bizarre objects which they contain: empty beer cans, four trombones, a pigeon's foot, four cigarette lighters, a badge proclaiming "I Love Elvis," a hat, a doll's head. Adamsberg senses the cruelty that lies behind these seemingly random occurrences. Soon a circle with decidedly less banal contents is discovered: the body of a woman with her throat savagely cut. Adamsberg knows that other murders will follow.

Remembering the Bones Frances Itani 2009-01-19 A life hangs in the balance of memory in this poignant, witty and "effective feminine counterpoint to . . . Philip Roth's 2006 novel, 'Everyman'" by the award-winning author (The Washington Post). Born on the same day as Queen Elizabeth II, Canadian Georgina Danforth Witley is one of ninety-nine lucky Commonwealth residents invited to Her Majesty's eightieth birthday lunch at Buckingham Palace. But en route to the airport to board the plane for London, Georgina's car slips off the

road and plunges into a thickly wooded ravine. Thrown from the car, injured, and unable to move, she must rely on her full store of family memories, her no-nonsense wit, and a recitation of the names of the bones in her body—an exercise from childhood—to remind her that she is still very much alive. But what has the entirety of her life meant? As Georgina lies stranded and helpless, she reflects on her eighty years as a daughter, mother, sister, wife, and widow, on lost loves and secrets, and on painful moments of the past she struggles not to recall. With this exquisite, suspenseful, and surprising tale of the staying power of family through time and memory, “Itani exposes the richness and depth beneath the surface of one ordinary life” (The New Yorker).

The Count of Monte Cristo Alexander Dumas 2019-06-27 The Count of Monte Cristo is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with The Three Musketeers. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815–1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

Vernon Subutex 1 Virginie Despentes 2019-11-05 "Virginie Despentes's Vernon Subutex trilogy is the zeitgeistiest thing I ever read. Everything about it is contemporary, right down to the fearless woman author who doesn't think of herself as a feminist and gives an impression at least in interviews of habitually killing rapists . . . [It] has dupes and assholes and racists and the people they hate and a stunning diversity of internal monologues and trans true love. Like the last decade, it searches for a happy ending that isn't merely personal and can't find it . . . These novels with their depth and detail kick TV's sorry ass." —Nell Zink, Bustle, "The Best Books Of The 2010s" From the provocative writer and filmmaker Virginie Despentes comes volume one of her acclaimed trilogy of novels, Vernon Subutex—short-listed for the Man Booker International Prize. But who is Vernon Subutex? Vernon Subutex was once the proprietor of Revolver, an infamous music shop in Paris, where his name was legend throughout Paris. By the 2000s, however, with the arrival of the internet and the decline in CD and vinyl sales, his shop is struggling, like so many others. When it closes, Subutex finds himself with nowhere to go and nothing to do. Before long, his savings are gone, and when the mysterious rock star who had been covering his rent suddenly drops dead of a drug overdose, Subutex finds himself launched on an epic saga of couch-surfing, boozing, and coke-snorting before finally winding up homeless. Just as he resigns himself to life as a panhandler, a throwaway comment he once made on Facebook takes the internet by storm. The word is out: Subutex is lugging around a bunch of VHS tapes shot by that same dead rock musician—his last recordings on this earth. Soon a crowd of wild characters, from screen writers to social media groupies, from porn stars to failed musicians to random misfits, are hot on Vernon's trail . . . but Vernon is none the wiser.

Wind Drinkers Franck Bouysse 2023-01-17 A thrilling mix of French noir and American Western, this novel charts a family's struggle for freedom and justice in a hostile mountain community. In Gour Noir, an isolated valley cut off from the rest of the world, there live four siblings. Three brothers and one sister, who are united by an unfailing bond: Marc, who constantly reads in secret, in defiance of his father's wishes; Matthieu, who can hear trees thinking; Mabel, a wondrously savage and graceful beauty; and Luc, the tragic child, the idiot,

undoubtedly the wisest of them all, who can speak to frogs, deer, and birds, and dreams of one day becoming one of them. Like their father and grandfather before them, they all work for Joyce the Tyrant, the adventurer, the cold-blooded beast of the Quarries and the Dam. Winner of the Prix Jean Giono, *Wind Drinkers* is a masterful, parable-like novel about the power of nature and the promise of rebellion.

Solitary Albert Woodfox 2019-03-12 “An uncommonly powerful memoir about four decades in confinement . . . A profound book about friendship [and] solitary confinement in the United States.” —New York Times Finalist for the Pulitzer Prize and the National Book Award *Solitary* is the unforgettable life story of a man who served more than four decades in solitary confinement—in a 6-foot by 9-foot cell, twenty-three hours a day, in Louisiana’s notorious Angola prison—all for a crime he did not commit. That Albert Woodfox survived at all was a feat of extraordinary endurance. That he emerged whole from his odyssey within America’s prison and judicial systems is a triumph of the human spirit. While behind bars in his early twenties, Albert was inspired to join the Black Panther Party because of its social commitment and code of living. He was serving a fifty-year sentence in Angola for armed robbery when, on April 17, 1972, a white guard was killed. Albert and another member of the Panthers were accused of the crime and immediately put in solitary confinement. Without a shred of evidence against them, their trial was a sham of justice. Decades passed before Albert was finally released in February 2016. Sustained by the solidarity of two fellow Panthers, Albert turned his anger into activism and resistance. The Angola 3, as they became known, resolved never to be broken by the corruption that effectively held them for decades as political prisoners. *Solitary* is a clarion call to reform the inhumanity of solitary confinement in the United States and around the world.
