Little Kids First Big Book of Reptiles and Amphibians Catherine D. Hughes 2020-09-08 This addition to the hit Little Kids First Big Book series explores the fascinating world of reptiles and amphibians, from slithering snakes and scaly lizards to bumpy frogs and spotty salamanders. Get ready to meet a variety of awesome animals, from frilled lizards to giant tortoises to goliath frogs. This reference book for the younger set answers questions that range from "What is the biggest reptile in the world?" to "How can a boa constrictor fit a deer into its mouth?" Readers explore what makes an animal a reptile or an amphibian and learn about more than 45 different creatures. Packed with more than 250 stunning color photos, the book also provides information on animal habitats, characteristics, and behavior. Filled with fun facts and designed for interactive learning, it is sure to become a favorite with budding herpetologists and their parents.

Wild Animal Sounds National Geographic Kids 2019 Roar, ribbit, squeak, snore! Children will love imitating the noises made by creatures in the wild, from lions to dolphins to frogs and more. Illustrated with charming photographs, these sturdy pages showcase wild animals and the sounds they make with supersimple facts and lively, age-appropriate language to keep babies and toddlers--and their grown-ups--fascinated by every colorful page. Designed to be the stepping-stone to the best-selling National Geographic Little Kids First Big Book series, the Little Kids First Board Book series takes similar subjects and distills them down to the simplest nonfiction concepts for the youngest audience. Not only will readers learn the sounds wild animals make, they can also find recurring shapes and patterns in the art, while adults can keep their eyes open for occasional funny commentary from the animals. Sidebar text offers additional learning for older siblings or those ready for more complex information. With their square shape, bright and playful design, awesome photography, clear text, and cues to encourage interactive learning, the Little Kids First Board Books mirror the beloved First Big Books while taking a fresh new approach to excite a baby's sense of wonder and make learning about nature and science fun.

National Geographic Readers: Tadpole to Frog (L1/Co-Reader) Shira Evans 2018 Caterpillar to butterfly, tadpole to frog--some creatures take growing up to a whole new level! Learn all about how animals grow and change in this leveled Co-reader, perfect for parents and kids to read together. Through vibrant, adorable images and expert-vetted text, you'll glimpse some of the most amazing metamorphoses in the natural world. Kids will see a tadpole transform into a frog, watch a caterpillar become a butterfly, and learn how a nymph becomes a dragonfly. National Geographic Kids Readers have been a hit in the beginning reader category, and this book builds upon that success with a new approach--parents and children reading together. With the same combination of careful text, brilliant photographs, and fun approach to high-interest subjects that has proved to be a winning formula with kids, National Geographic Co-readers provide one page of adult read-aloud and one page of kid read-aloud text on

each spread, building toward a collaborative reading experience.
