"The Great American Outdoors Act will address critical repairs within our aging national parks, which will not only add American jobs but will ensure visitor access to, ... long-term economic impact on rural communities and will increase the outdoor experience tremendously once the worst of the pandemic is over."

Sabotage - static1.squarespace.com

Okay, if it's a problem here, then it's important that it's shown. I wrote the word "murder" backwards, like in Stanley Kubrick's movie The Shining, so it said "pure redrum," and it became even more interesting as an artwork. I thought it wouldn't pass, but it did. I probably like the censored version better than the original.
