Our Cats and All about Them - Their Varieties, Habits, and Management Harrison Weir 2006-04-06 *Our Cats and All about Them - Their Varieties, Habits, and Management* and for Show, the Standard of Excellence and beauty - By Harrison Weir. Originally published in 1889 this rare book has long been considered a classic among cat books. It is now very hard to find in its first edition. Read Country Books have republished it, using the original text and illustrations as part of their History of the Cat series. The author spent over fifty years carefully researching the history, and observing the nature of the cat in preparation for writing this important work. He noted their habits, watched their ways and found lasting pleasure in their companionship. The book abounds with Harrison Weir's beautiful engravings of cat varieties and associated subjects. Two hundred and sixty pages contain many comprehensive chapters on the ways of the cat, its habits, instincts, peculiarities, usefulness, colours, markings, forms, etc. Other chapters deal with the folk and other lore, including superstitions and proverbs, both ancient and modern, connected with the cat. Of much interest to the serious cat enthusiast will be the notes and descriptions on the various varieties of cat: Long Haired Cats The Angora, The Persian Cat, The Russian Long Haired Cat, The Tortoiseshell Cat, Tabby Cats, The Abyssinian, White Cats, Black Cats, Manx Cats, and Various Others. Also included is information on breeding, mating, diseases, showing, points etc. This is a fascinating and well illustrated read for any cat lover or historian of the breeds, but also contains much information that is still useful and practical today. Many of the earliest cat books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Read Country Books are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Hawai'i Chronicles II Robert P. Dye 1997-12-01 The first volume of Hawaii Chronicles presented little known, yet highly interesting historical facts about Hawaii that originally appeared in the pages of Honolulu magazine, the successor to Paradise of the Pacific and the oldest continuously published regional magazine in the United States. Articles in the first volume ranged from the Islands' volcanic beginnings to the bombing of Pearl Harbor and the first days of World War II. In this new volume, Hawaii Chronicles II looks at the people that have made a difference in the Islands since World War II, including artists and writers, politicians, local heroes, and leaders in the Hawaiian sovereignty movement. Through interviews and biographical profiles, this new collection provides a historical context for the events that have shaped Hawaii's recent past.

How to Lead a Life of Crime Kirsten Miller 2013-02-21 A meth dealer. A prostitute. A serial killer. Anywhere else, they'd be vermin. At the Mandel Academy, they're called prodigies. The most exclusive school in New York City has been training young criminals for over a century. Only the most ruthless students are allowed to graduate. The rest disappear. Flick, a teenage pickpocket, has risen to the top of his class. But then Mandel recruits a fierce new competitor who also happens to be Flick's old flame. They've been told only one of them will make it out of the Mandel Academy. Will they find a way to save each other—or will the school destroy them both?

Gentle and Fierce Vanessa Berry 2021-07-01 New collection of essays on the relationships between humans and animals, by Vanessa Berry, author of *Mirror Sydney*, and the memoir of adolescence *Ninety9*. *Gentle and Fierce* focuses on the world of animals, and the way their presence has shaped the author's attitudes and her sense of self. Having spent her life in city environments, Vanessa Berry's experiences with animals have largely been through encounters with urban creatures, representations of animals in art and the media, and as decorative ornaments or kitsch. The essays suggest that these mediated encounters, rather than being mundane or removed from nature, provide meaningful connections with the animal world, at a time in which it is threatened by climate change and environmental destruction. The subjects of Berry's singular bestiary include butterflies, a glass fish, a stuffed Kodiak bear, the rabbits on a Japanese island, the sinking horse from *The NeverEnding Story*, snails and flies, a porcelain otter, Lassie, dream spiders and cats, and wallabies on the Isle of Man. Berry responds to each with the attentiveness and empathy that is the hallmark of her writing. The essays are accompanied by illustrations that testify to her background as an artist and zine maker. 'Sydney writer and artist Vanessa Berry recalls the cinematic moment that imprinted itself on the collective memory of her generation in *Gentle and Fierce*, a meditative book of essays – also illustrated by Berry – that explores the many ways animals have shaped the author's identity and the course of her life...*Gentle and Fierce* is an unusual and empathetic book that should appeal to fans of personal essayists such as Fiona Wright and Jessica Friedmann.' – Carody Culver, Books+Publishing

Connecticut Needlework Susan P. Schoelwer 2012-01-01 Winner of the Connecticut

Book Award (2011) Winner of the Connecticut League of History Organizations Award of Merit (2012) Connecticut women have long been noted for their creation of colorful and distinctive needlework, including samplers and family registers, bed rugs and memorial pictures, crewel-embroidered bed hangings and garments, silk-embroidered pictures of classical or religious scenes, quilted petticoats and bedcovers, and whitework dresses and linens. This volume offers the first regional study, encompassing the full range of needle arts produced prior to 1840. Seventy entries showcase more than one hundred fascinating examples—many never before published—from the Connecticut Historical Society's extensive collection of this early American art form. Produced almost exclusively by women and girls, the needle arts provide an illuminating vantage point for exploring early American women's history and education, including family-based traditions predating the establishment of formal academies after the American Revolution. Extensive genealogical research reveals unseen family connections linking various types of needlework, similar to the multi-generational male workshops documented for other artisan trades, such as woodworking or metalsmithing. Photographs of stitches, reverse sides, sketches, design sources, and related works enhance our understanding and appreciation of this fragile art form and the talented women who created it. An exhibition of needlework in this book will be held at the Connecticut Historical Society in late fall, 2010. Funding for this project has been provided by the Coby Foundation, Ltd., and the National Endowment for the Arts.

Wild Cat and the Marine Jade Taylor 2012-03-15 Jackson Gray has finally come home... Jackson had always hated living on a farm and, as soon as he could, he got out of Engerville, North Dakota, leaving Catherine Darnell behind. Now, back temporarily to help his ailing father, Jackson is happy to see the lovely "Wild Cat" again. But he can't let himself get too close to his beautiful neighbor, or to her adorable young daughter, because he isn't staying. Cat has struggled to make her broken-down horse farm a home for her and Joey. When she finds out Jackson has returned, she worries that the security she fought so hard to achieve will fall apart once he finds out her secret—that Jackson left more than her broken heart behind...

The Crafty Cat Workbasket Julie Hasler 1995

Martin Leman's needlepoint cats 1990

Needlepoint Cats Julie Hasler 2004 A delightful collection of more than 35 needlepoint designs for all cat lovers. Tentatively Ashok Niyogi 2005-02 A tangential look at life in America through the eyes of an enchanted explorer disenchanted with life. An acerbic but optimistic commentary on Life presented through a succession of vivid visual images. Later, the author returns to himself in Kolkata, a paradoxical phantasmagoria, which never ceases to amaze him and seize him. Tentatively is a tribute to the indomitable human spirit which survives in the filth that is Kolkata.

Improper Cross-Stitch Haley Pierson-Cox 2018-08-07 A fun, witty, nerdy, and irreverent craft book for the modern cross-stitcher. Sometimes it's good to be a little...improper. Profane, funny, and smart, Haley Pierson-Cox's IMPROPER CROSS-STITCH invites the modern crafter to bring personality and humor to their cross stitch projects. From a fully designed "Damn it feels good to be a crafter" to the beautiful Art Deco inspired "fuck," Haley's patterns are fresh, lively and just what the crafter ordered. In this book, she'll introduce readers to the joys of stitching the naughty, the profane, the irreverent, and the just plain awesome. First, she starts with a basic lesson in cross-stitch technique, no previous experience required. Then, once readers know your way around an embroidery hoop and a skein of floss, the books moves on to the designs—35 in total, ranging from hip, to nerdy, to ironically domestic—where Haley encourages crafters to embrace their inner snark with gleeful abandon. Her easy to follow instructions and colorful designs can make a cross stitcher out of anyone. In all her years of crafting, Haley's learned many things, but this simple fact remains one of the most important: There is absolutely nothing in this world quite so satisfying as enshrining something deeply inappropriate within the delicate stitches of a cross-stitch sampler. It's truly one of life's great delights!

Shaping Traditions Goizueta Folklife Gallery (Atlanta History Museum) 2000 A complete catalog of the Atlanta History Center's permanent folk art exhibition, this richly illustrated volume defines and documents the folk arts of the lower southeastern United States. The objects, crafting processes, and performances represented here illustrate the unique qualities of the community-learned traditional arts of the South. John A. Burrison examines a multitude of traditional art forms, many of which still thrive today. Intricately constructed miniatures of covered wagons, sorghum-syrup mills, and pottery workshops speak of a life of subsistence farming. Decorated baskets represent the cultural exchanges of Native Americans, European Americans, and African Americans. Intricate wrought-iron gates, musical instruments, quilts, and such curiosities as face jugs combine beauty and utility--the dual nature of most folk art--with southern flair. An illuminating introduction by Burrison, the curator of the exhibit and an expert folk art collector, presents highlights of his thirty years of research and collecting experience, offering a behind-the-scenes glimpse of the exhibition. A concluding section looks at the adaptations and innovations shaping the future of southern folk arts.

Cats and Kittens Charted Designs Julie S. Hasler 1986 It's hard to imagine a more delightful subject for needlework than the ever-popular feline. In fact, cat-fancying needleworkers have long known that cat and kitten motifs are a perfect way to enliven pillows, wall hangings, afghans, rugs, virtually every kind of needlework project. For this affordable collection of 31 original charted designs, noted British needlework expert Julie Hasler has created a

lovely menagerie of cats and kittens charmingly captured in a wide variety of scenes and activities. Playful kittens, sleepy tabbies, hardy tomcats, a pair of exotic Siamese, plus many others are here with all kinds of decorative backgrounds and borders: rainbows, a window frame, a sunset, a hearth, even a desert island scene. Although intended for counted cross-stitch or needlepoint, designs can be easily adapted to many different forms of needlework: knitting, crochet, latch-hooking, etc. Thoroughly detailed instructions guide the beginner and explain exactly how to translate the charts for other needlework techniques. To make it even easier, each of the 31 black-and-white charts has a color key telling exactly how to color the design. Needleworkers at all levels will use these inexpensive charted designs again and again to make feline decorations they'll treasure for years to come.

Disturbances in the Field Lynne Sharon Schwartz 2012-11-20 "A more-than-welcome return to a classic idea of the novel . . . A wonder to read" (Los Angeles Times Book Review). The field is all around us. It's our needs and our wants. This is what George tells Lydia. A disturbance, however, is something that keeps us from grasping and attaining the things we need. Usually, we can adapt to these disturbances and move forward. But, what happens if a disturbance becomes too great to move past? In this entrancing tale of loss and understanding, acclaimed author Lynne Sharon Schwartz plots the course of a woman's life, through the cycles of love, loss, and acceptance. Lydia's early life is marked by calm constants: a house in Cape Cod, a philosophy group in college. These remain her touchstones as she becomes a busy wife, mother, and music teacher. But when her family's world is suddenly shattered, she struggles to regain her equilibrium. Will she be able to find her way in such a radically altered field?

The Unlikely Romance of Kate Bjorkman Louise Plummer 1997-10-06 I'm Kate Bjorkman. I don't like romance novels. They're full of three-paragraph kisses describing people's tongues and spittle. But what do you do if you've lived a real romance with a great-looking guy (Richard) and he loves you as much as you love him? I know what I did. I wrote this romance novel about myself, using the Romance Writer's Phrase Book. I also used stuff my English teach taught me about writing. He said a story must have conflict. No problem there. My life was one big conflict last Christmas. I didn't make anything up. This is the honest truth and I want truth even in romance. I'm betting you'll want the same.

How to Stitch Beginner Landscapes Realistically Art Needlepoint Company 2013-05-15 Designed for both beginning and experienced stitchers, this book has

innovative stitches and techniques to stitch many of the most common elements found in landscapes, including water, plants, sky, ground, and structures. By showing the actual stitches on real needlepoint canvases, this book goes beyond the usual needlepoint book. With it you'll learn easy needlepoint techniques that will enliven your work. With every technique explained in detail and with color stitch diagrams, this is a book you'll use again and again. Part of the Art & Needlepoint series, *How to Stitch Beginning Landscapes Realistically* puts these designs within the larger context of art and shows how you, as a stitcher, are similar to the landscape painter. If you're looking for something that not only tells you about stitches but shows you how they can be used, this is the book for you.

Stewart Island Tracey Alvarez 2020-08-07 Stewart Island The Complete Series contains all of USA TODAY bestselling author Tracey Alvarez's romantic novels and novellas set against the stunning backdrop of Aotearoa, New Zealand. If you like heartwarming, sexy and sweet small-town romances with a touch of comedy, you'll love sharing the journey with these authentic men and women struggling to find their special someone. 7 Full-length novels 3 Novellas 1 Short-Story Collection
In Too Deep (Book #1) What if the man you loved played a part in your father's death? Piper is haunted by the ghosts of her past. As an elite police diver, she's forced back to the one place she'd sworn never to return. She left her hometown on an isolated New Zealand island, and her first and only love stayed behind. Can they face their past and be together?
Melting Into You (Book #2) Big, sexy men who don't relate well to kids need not apply... Ben Harland doesn't need more drama in his world. So cue insta-daddyhood to an eight-year-old girl who lands on his doorstep and an out-of-control attraction to Stewart Island's widowed school teacher. But no matter how much Kezia yearns for Ben's touch, and her daughter Zoe longs for a daddy, can he ever be the right man for the job?
Ready To Burn (Book #3) Take little Miss Perfect. Add a bad-boy chef. Watch the sparks fly in the kitchen... There's a fly in sous chef Shaye Harland's soup, in the form of Del Westlake—a cocky, infuriatingly sexy outsider who muscled in on her kitchen. Can Del keep his secrets, keep his hands off Shaye, and prevent his bad-boy ways from destroying his shot at being her Mr. Perfect?
Christmas With You (Book #4) The Kiwi barbecue isn't the only thing sizzling this summer... Carly Gatlin's doesn't want to spend another Christmas alone since her father died the year before. She's come to Stewart Island in New Zealand to spend the holiday with her stepfamily, though she feels more of a Christmas Grinch than filled with good cheer. Kip Sullivan's big, boisterous family have also arrived en-masse—someone just shoot him before his match-making relatives get out of control. Kip agrees to make Carly's first Kiwi Christmas special, but will he gain more than mistletoe kisses from the woman who threatens to claim his heart?
My Forever Valentine (Book #5) Love small town romance and Happily Ever Afters? Dive into the Stewart Island world to find out what your favorite characters are doing to celebrate Valentine's Day with these four short and sweet romance stories.
Playing For Fun (Book #6) Is Ford Komeke New Zealand's most reluctant bachelor? New Zealand's octogenarian matchmaker is at work, with Holly Parker and Ford Komeke in the cross-hairs. One kiss forces them out of the friendzone, but the ugliness in Ford's past holds his heart hostage. Playing for fun or playing for keeps? Holly and Ford must decide because the consequences of falling in love means that someone's heart or someone's dream will ultimately end up shattered.
Drawing Me In (Book #7) A nine-year-old secret he never saw coming... Bree Findlow's ordered life just got complicated. Harley, the man who once broke her heart has moved back to Stewart Island, and her sister arrives with a boy with Harley's eyes and artistic talent. With Harley's dark past, he never wanted to

risk a family. But what choice does he have when Bree won't see reason? Fight hard, fight dirty. Fight to win. *Kissing The Bride* (Book #7.5) The countdown is on to the Wedding of the Year, New Zealand! It's seven days until Shaye Harland and Del Westlake finally tie the knot—and it'll be the most awesomesauce wedding Stewart Island has ever seen if Shaye has anything to do with it. Her *All Things Nuptial* journal has the big day planned to perfection, but not everything runs like clockwork. While marrying the man of her dreams beats chocolate as an Easter treat, a few mini-catastrophes like Boris the obstinate sea lion threaten to ruin their special day. *Saying I Do* (Book #8) Marriage and happily-ever-after are for suckers... Joe Whelan was fooled once on the way to the altar, and the Irish doctor isn't about to be an eejit over a woman again. MacKenna Jones loves a good wedding—so long as she's sewing the bride's gown, not walking down the aisle herself. When the stakes are so high, will these two gun-shy cynics ever say I Do? *Home For Christmas* (Book #9) They're dreaming of a White Christmas... Carly Gatlin can't wait to take her fiancé to Colorado for a snuggly snow-filled Christmas, only a freakish summer storm sweeps in disabling everyone's plans. Still, with holiday surprises in store and even a secret admirer for Stewart Island's elderly notorious matchmaker, the happy couples of Oban might not mind being home for Christmas after all. *Bending The Rules* (Book #10) The first rule of falling in love is...There are no rules. Cop Noah Daniels doesn't believe in unicorns or true love, not since his life went to hell six years ago. Emotions are easier to handle when they're out of sight, out of mind. But when script writer Tilly Montgomery crash-lands into his world on Stewart Island for a month, she might just be the one to convince him that unicorns and true love do exist. If they're prepared to bend the rules a bit.
