**Crown** Derrick Barnes 2017-10-10 Named one of the best books of 2017 by NPR, the Huffington Post, Publishers Weekly, Kirkus Reviews, the Los Angeles Times, the Boston Globe, the Horn Book Magazine, the News & Observer, BookPage, Chicago Public Library, and more The barbershop is where the magic happens. Boys go in as lumps of clay and, with princely robes draped around their shoulders, a dab of cool shaving cream on their foreheads, and a slow, steady cut, they become royalty. That crisp yet subtle line makes boys sharper, more visible, more aware of every great thing that could happen to them when they look good: lesser grades turn into As; girls take notice; even a mother's hug gets a little tighter. Everyone notices. A fresh cut makes boys fly. This rhythmic, read-aloud title is an unbridled celebration of the self-esteem, confidence, and swagger boys feel when they leave the barber's chair—a tradition that places on their heads a figurative crown, beaming with jewels, that confirms their brilliance and worth and helps them not only love and accept themselves but also take a giant step toward caring how they present themselves to the world. The fresh cuts. That's where it all begins. Crown: An Ode to the Fresh Cut is a high-spirited, engaging salute to the beautiful, raw, assured humanity of black boys and how they see themselves when they approve of their reflections in the mirror.

He's the one who wears the blue helmet -- to protect his precious brain! Oscar may have a lot of book smarts, but he needs Rico's help to face his biggest fears. Their hair billows in brilliant hues, their dresses end in fishtails, and their joy fills the train car. A guide to the history of racism and a blueprint for change' –The Guardian Who are you? What is racism? Where does it come from? Why does it exist? What can you do to disrupt it? Learn about social identities, the history of racism and resistance against it, and how you can use your anti-racist lens and voice to move the world toward equity and liberation. 'In a racist society, it's not enough to be non-racist—we must be ANTI-RACIST.' –Angela Davis Gain a deeper understanding of your anti-racist self as you progress through 20 chapters that spark introspection, reveal the origins of racism that we are still experiencing and give you the courage and power to undo it. Each chapter builds on the previous one as you learn more about yourself and racial oppression. 20 activities get you thinking and help you grow with the knowledge. All you need is a pen and paper. Author Tiffany Jewell, an anti-bias, anti-racist educator and activist, builds solidarity beginning with the language she chooses – using gender neutral words to honour everyone who reads the book. Illustrator Aurélie Durand brings the stories and characters to life with kaleidoscopic vibrancy. After examining the concepts of social identity, race, ethnicity and racism, learn about some of the ways people of different races have been oppressed, from indigenous Americans and Australians being sent to boarding school to be 'civilized' to a generation of Caribbean immigrants once welcomed to the UK being threatened with deportation by strict immigration laws. Find hope in stories of strength, love, joy and revolution that are part of our history, too, with such figures as the former slave Toussaint Louverture, who led a rebellion against white planters that eventually led to Haiti's independence, and Yuri Kochiyama, who, after spending time in an internment camp for Japanese Americans during WWII, dedicated her life to supporting political prisoners and advocating reparations for those

wrongfully interned. Learn language and phrases to interrupt and disrupt racism. So, when you hear a microaggression or racial slur, you'll know how to act next time. This book is written for EVERYONE who lives in this racialised society—including the young person who doesn't know how to speak up to the racist adults in their life, the kid who has lost themselves at times trying to fit into the dominant culture, the children who have been harmed (physically and emotionally) because no one stood up for them or they couldn't stand up for themselves and also for their families, teachers and administrators. With this book, be empowered to actively defy racism and xenophobia to create a community (large and small) that truly honours everyone.
