Fighting for Love Kelly Elliott 2017-04-04 A larger-than-life firefighter inspires a career-driven woman to live in the moment—and trust in the power of love—in this flirty, emotional novel from the New York Times bestselling author of *Searching for Harmony*. Finn Ward has two passions: being a firefighter and being single. Although his parents are constantly nagging him to settle down, Finn just wants to enjoy himself while he’s young. Then, at a union meeting, he meets a gorgeous lawyer with a dazzling smile—and suddenly, settling down doesn’t sound so bad. Rory Adams is fresh out of law school and looking to make a name for herself at her mother’s firm. She doesn’t have time for silly games anymore. But when she catches the eye of a dashing fireman who makes her body tingle from across the room, something instantly ignites between them. The only problem? Her father is Finn’s boss. Their relationship turns both of their lives upside-down. Rory tames Finn’s wild ways, while he shows her that life can’t be all work and no play. But it’ll take some serious determination to keep their love secret—and real courage to admit the truth. Praise for *Fighting for Love* “One of the best stories I have read in a while—it had me laughing out loud and brought tears to my eyes!”—*Once Upon An Alpha* “Bottom line: If you are looking for a feel-good romance, look no further—the Boston Love series is for you. Whether you start with *Fighting for Love* or start with book one, you will enjoy the sweet, character-driven romances.”—*Book Briefs* “*Fighting for Love* is a swoony, sexy romance that I couldn’t put down. You’ll quickly make Finn Ward your newest book boyfriend!”—New York Times bestselling author A. Meredith Walters “Fun, flirty, and sexy! What more could you ask for? I sank right into *Fighting for Love*, and didn’t stop rooting for these two!”—New York Times bestselling author A. L. Jackson “*Fighting for Love* is absolute perfection. The banter, love, and emotion is exquisitely crafted in a way no one but Kelly Elliott can do.”—Kristin Mayer, author of the *A Twisted Fate* series “Finn and

Rory define immense chemistry and sizzling passion.”—New York Times bestselling author Heidi McLaughlin Includes an excerpt from another Loveswept title.

Always Enough Kelly Elliott 2020-04-07 The second novel in New York Times bestselling author Kelly Elliott's Meet Me in Montana series turns up the emotion with a story about finding true love and healing broken hearts. Grieving the loss of her fiancé two years ago, Kaylee longs for a fresh start. When she follows her best friend from Atlanta to Hamilton, Montana, Kaylee looks forward to the wild terrain and a new town to help her forget the memories and dreams of a life that will never be hers. After a tragic car accident, Ty Shaw is told he may never walk again. But Ty doesn't easily accept defeat, and through grit, determination, and more physical therapy than any man should ever endure, he beats the odds. Even though he'll never ride again, Ty longs to feel alive--the way he did on the Professional Bull Riders circuit. When Kaylee meets Ty, she finds him just as captivating as the rugged landscape of Montana. When Ty is with Kaylee, he remembers just how good life can be. But can they move beyond their broken hearts and dreams to find a second chance with each other?

Saved Kelly Elliott 2013-04-04 Arianna and Jefferson's love is true but will it be enough? Ari who comes from a loving home with a family who has had more than their share of difficulties, is faced with possibly losing the love of her life. All she dreams of is growing old and having children with Jeff, but a family history and a conniving Rebecca could shatter that dream. Trying to support Jeff and cope with all the truths and possibilities of her own destiny may prove to be more than one person can handle. Jeff's dream is to raise horses on his ranch in Mason with the only woman who has ever filled his heart and soul. But he's running the risk of losing her by trying to be the man he knows he should be by taking on his responsibilities. He's completely bewitched by the passionate and ever outspoken Ari, but needs to do right for the child that could possibly be his. Despite all the odds stacked against them can their relationship be.....SAVED? Contains adult content.

The Sign for Home Blair Fell 2022-04-05 Longlisted for The Center for Fiction First Novel Prize When Arlo Dilly learns the girl he thought was lost forever might still be out there, he takes it as a sign and embarks on a life-changing journey to find his great love—and his freedom. Arlo Dilly is young, handsome and eager to meet the right girl. He also happens to be DeafBlind, a Jehovah's Witness, and under the strict guardianship of his controlling uncle. His chances of finding someone to love seem slim to none. And yet, it happened once before: many years ago, at a boarding school for the Deaf, Arlo met the love of his life—a mysterious girl with onyx eyes and beautifully expressive hands which told him the most amazing stories. But tragedy struck, and their love was lost forever. Or so Arlo thought. After years trying to heal his broken heart, Arlo is assigned a college writing assignment which unlocks buried memories of his past. Soon he wonders if the hearing people he was supposed to trust have been lying to him all along, and if his lost love might be found again. No longer willing to accept what others tell him, Arlo convinces a small band of

misfit friends to set off on a journey to learn the truth. After all, who better to bring on this quest than his gay interpreter and wildly inappropriate Belgian best friend? Despite the many forces working against him, Arlo will stop at nothing to find the girl who got away and experience all of life's joyful possibilities.

The Miseducation of Cameron Post Emily M. Danforth 2012-02-07 The acclaimed book behind the 2018 Sundance Grand Jury Prize-winning movie "LGBTQ cinema is out in force at Sundance Film Festival," proclaimed USA Today. "The acerbic coming-of-age movie is adapted from Emily M. Danforth's novel, and stars Chloë Grace Moretz as a lesbian teen who is sent to a gay conversion therapy center after she gets caught having sex with her friend on prom night." The Miseducation of Cameron Post is a stunning and provocative literary debut that was named to numerous best of the year lists. When Cameron Post's parents die suddenly in a car crash, her shocking first thought is relief. Relief they'll never know that, hours earlier, she had been kissing a girl. But that relief doesn't last, and Cam is forced to move in with her conservative aunt Ruth and her well-intentioned but hopelessly old-fashioned grandmother. She knows that from this point on, her life will forever be different. Survival in Miles City, Montana, means blending in and leaving well enough alone, and Cam becomes an expert at both. Then Coley Talor moves to town. Beautiful, pickup-driving Coley is a perfect cowgirl with the perfect boyfriend to match. She and Cam forge an unexpected and intense friendship, one that seems to leave room for something more to emerge. But just as that starts to seem like a real possibility, Aunt Ruth takes drastic action to "fix" her niece, bringing Cam face-to-face with the cost of denying her true self—even if she's not quite sure who that is. Don't miss this raw and powerful own voices debut, the basis for the award-winning film starring Chloë Grace Moretz.

Never Enough Kelly Elliott 2019-12-10 From the New York Times bestselling author of the Cowboys and Angels series comes an intricate romance that asks the question, Can love heal the pain of the past? Longing to forget the pain of his wife's death, Brock Shaw has immersed himself in the one thing that lets him escape the guilt. Bull riding. But life on the road means leaving his young son at home with his parents. They want him to give up his career and be a father to his child, but Brock needs the adrenaline to get through each day...or so he thinks. Lincoln Pratt needs a fresh start. As a top interior designer in Atlanta, she has everything she could ever want, but she's always at her father's mercy. Something's missing, and Lincoln knows she'll only find it somewhere far away--like the rolling pastures of Hamilton, Montana, where she meets the irresistibly mysterious Brock. In Brock Shaw, Lincoln sees the part of her that's missing. In Lincoln Pratt, Brock sees the part of himself he thought he'd lost. But the pain of his past binds him. Can he let himself love again?

Breaking Clean Judy J. Blunt 2016-04-20 "A memoir with the fierce narrative force of an eastern Montana blizzard, rich in story and character, filled with the bone-chilling details of Blunt's childhood. She writes without bitterness,

with an abiding love of the land and the work and her family and friends that she finally left behind, at great sacrifice, to begin to write. This is a magnificent achievement, a book for the ages. I've never read anything that compares with it." –James Crumley, author of *The Last Good Kiss* Born into a third generation of Montana homesteaders, Judy Blunt learned early how to "rope and ride and jockey a John Deere," but also to "bake bread and can vegetables and reserve my opinion when the men were talking." The lessons carried her through thirty-six-hour blizzards, devastating prairie fires and a period of extreme isolation that once threatened the life of her infant daughter. But though she strengthened her survival skills in what was—and is—essentially a man's world, Blunt's story is ultimately that of a woman who must redefine herself in order to stay in the place she loves. *Breaking Clean* is at once informed by the myths of the West and powerful enough to break them down. Against formidable odds, Blunt has found a voice original enough to be called classic.

The Book Thief Markus Zusak 2007-12-18 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." –The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." –USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

The Bluff Willa Nash 2021-02-04 As Calamity's newest resident, Everly Christian thought life in small-town Montana would be dull and tame—and she needs a little mundane after the last few chaotic years. But one night, boredom drives her to the local bar, where she finds herself sitting beside a handsome and mysterious artist. The man is anything but dull and tame, especially in the bedroom, and when she steps out of his shower and overhears his conversation, life gets interesting again. Reese Huxley needs a wife. And why shouldn't Everly be the bride? She's got her reasons for agreeing to the hasty nuptials—reasons she's keeping to herself. As long as she can stop herself from falling in love with her husband, she'll make it out of this sham marriage in one piece. But Everly has a weakness for wayward men, and the more Hux pushes her away, the more she realizes this bluff is anything but a lie.

Red Butterfly A.L. Sonnichsen 2015-02-03 In China, a foundling girl with a deformed hand raised in secret by an American woman must navigate China's

strict adoption system when she is torn away from the only family she has ever known.

Into the Wild Jon Krakauer 2009-09-22 Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." –New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Always Too Much and Never Enough Jasmin Singer 2016-02-02 One woman's journey to find herself through juicing, veganism, and love, as she went from fat to thin and from feeding her emotions to feeding her soul. From the extra pounds and unrelenting bullies that left her eating lunch alone in a bathroom stall at school to the low self-esteem that left her both physically and emotionally vulnerable to abuse, Jasmin Singer's struggle with weight defined her life. Most people think there's no such thing as a fat vegan. Most people don't realize that deep-fried tofu tastes amazing and that Oreos are, in fact, vegan. So, even after Jasmin embraced a vegan lifestyle, having discovered her passion in advocating for the rights of animals, she defied any "skinny vegan" stereotypes by getting even heavier. More importantly, she realized that her compassion for animals didn't extend to her own body, and that her low self-

esteem was affecting her health. She needed a change. By committing to monthly juice fasts and a diet of whole, unprocessed foods, Jasmin lost almost a hundred pounds, gained an understanding of her destructive relationship with food, and finally realized what it means to be truly full. Told with humble humor and heartbreaking honesty, this is Jasmin's story of how she went from finding solace in a box of cheese crackers to finding peace within herself.

Bad Land Jonathan Raban 1997 Journeys beyond the myth of the American West to reveal the harsh and desperate realities of the homesteaders' lives, offering an incisive portrait of the American heartland that redefines the essence of the American dream. Reprint. 60,000 first printing. Tour. NYT.

Saving Us Katharine Hayhoe 2021-09-21 United Nations Champion of the Earth, climate scientist, and evangelical Christian Katharine Hayhoe changes the debate on how we can save our future in this nationally bestselling "optimistic view on why collective action is still possible—and how it can be realized" (The New York Times). Called "one of the nation's most effective communicators on climate change" by The New York Times, Katharine Hayhoe knows how to navigate all sides of the conversation on our changing planet. A Canadian climate scientist living in Texas, she negotiates distrust of data, indifference to imminent threats, and resistance to proposed solutions with ease. Over the past fifteen years Hayhoe has found that the most important thing we can do to address climate change is talk about it—and she wants to teach you how. In *Saving Us*, Hayhoe argues that when it comes to changing hearts and minds, facts are only one part of the equation. We need to find shared values in order to connect our unique identities to collective action. This is not another doomsday narrative about a planet on fire. It is a multilayered look at science, faith, and human psychology, from an icon in her field—recently named chief scientist at The Nature Conservancy. Drawing on interdisciplinary research and personal stories, Hayhoe shows that small conversations can have astonishing results. *Saving Us* leaves us with the tools to open a dialogue with your loved ones about how we all can play a role in pushing forward for change.

Fragile Power Paul L. Hokemeyer 2019-10-08 A revealing exploration of people whose wealth, fame, beauty, and social status grant them immense power. Celebrity culture drives us to aspire to be like the few who seem to have figured out how to have it all. But is it possible that they simultaneously have everything and nothing at all? Having treated some of the world's most successful people, psychotherapist "Dr. Paul" sets out to answer why so many people who have everything end up feeling like their achievements are never enough—as well as what that pattern can reveal about ourselves and the society in which we live. The exclusivity of living behind the velvet rope or the gilded gate doesn't guarantee happiness for the rich, famous, and powerful; there are downsides to attainment as well. We all—including people who seem protected by their privileged lives—can experience the self-destructive behaviors common to modern life, including chronic stress, addiction, anxiety, imposter syndrome, infidelity, negative body image, and narcissism. Division

marks our era. There's a growing separation between the haves and have nots, men and women, as well as the empowered and the disenfranchised. At the same time, our culture is defined by celebrities, and the powerful, affluent people we put on a pedestal to idolize and emulate. Too often, we think our lives would be better if we could have what they have or be more like them. It's time to realize that even the most admired people can go through life feeling unloved and unable to escape their problems. From the therapist's chair, we learn how feelings of shame, insecurity, abandonment, and emotional pain are all part of the human condition. With empathy, we can overcome our sense of isolation by realizing that we all crave—and deserve—understanding, intimacy, and real connection.

Wait for Me (Montana Rescue Book #6) Susan May Warren 2018-11-06 Pete Brooks can't believe he's waited an entire year for Jess Tagg to return to Montana, only to have her break his heart by getting engaged to her ex-fiancé. Worse, a series of mistakes on the job have cost lives, and Pete isn't sure he wants to continue to work in Search and Rescue. Maybe if he can just get over Jess, he can figure out how to move forward. EMT Jess Tagg has returned to Montana to finally give her heart to Pete, but it seems he's no longer interested. When a terrible fight between them sparks an impulsive decision, she finds herself crashed on the side of a highway along with Esme Shaw. And just when she thinks things couldn't get any worse, she and Esme are taken captive and into the untamed Montana wilderness—with murderous intent. Now Pete and the other PEAK Rescue Team members are in a race against time, the elements, and the actions of a vengeful man. Pete will have to use everything he's learned to find Jess and Esme—and pray that his past mistakes don't cost him the life of the woman he can't stop loving.

Good Enough Kelly Elliott 2020-08-22 The third novel in New York Times bestselling author Kelly Elliott's Meet Me in Montana series shows how family and true love can heal a broken past. After her mother died in a car accident when she was only five, and her father was determined not to show any emotions toward his only daughter, Timberlynn longs for a normal family. What she hadn't planned on was finding that family in Hamilton, Montana—thousands of miles away from everything she's ever known in Atlanta, Georgia. She certainly didn't plan on falling for Tanner Shaw. A handsome, charming, cowboy who swept her off her feet the moment he looked at her with eyes the color of the Montana sky. Tanner Shaw was lost and confused...living a life without purpose, traveling between one city to the next. With a longing desire for something he could not quite pinpoint, he heads back to his hometown in Montana to spend Christmas with his family and clear his clouded head. One look at Timberlynn standing in his family's kitchen, and his entire world is turned upside down. Or was it? For once in his life, Tanner knew exactly what he wanted and was determined to prove to the only woman he had ever loved that what they shared was worth the risk. But winning Timberlynn Holden's heart wasn't going to be as easy as he thought. Can Tanner finally rope in the woman he loves, or will he be unable to help her mend her broken heart? Good Enough is a stand alone novel in the Meet Me in Montana series. Suggested reading order - 1. Never Enough2. Always Enough

3. Good Enough 4. Strong Enough

Greenlights Matthew McConaughey 2020-10-20 #1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor's unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN "McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of *The Subtle Art of Not Giving a F*ck* I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

Yellow Bird Sierra Crane Murdoch 2021-02-16 PULITZER PRIZE FINALIST • The gripping true story of a murder on an Indian reservation, and the unforgettable Arikara woman who becomes obsessed with solving it—an urgent work of literary journalism. "I don't know a more complicated, original protagonist in literature than Lissa Yellow Bird, or a more dogged reporter in American journalism than Sierra Crane Murdoch."—William Finnegan, Pulitzer Prize-winning author of *Barbarian Days* In development as a Paramount+ original series WINNER OF THE OREGON BOOK AWARD • NOMINATED FOR THE EDGAR® AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • Publishers Weekly When Lissa Yellow Bird was released from prison in 2009, she found her home, the Fort Berthold Indian Reservation in North Dakota, transformed by the Bakken oil boom. In her absence, the landscape had been altered beyond recognition, her tribal government swayed by corporate interests, and her community burdened by a surge in violence and addiction. Three years later, when Lissa learned that a young white oil worker, Kristopher "KC" Clarke, had

disappeared from his reservation worksite, she became particularly concerned. No one knew where Clarke had gone, and few people were actively looking for him. Yellow Bird traces Lissa's steps as she obsessively hunts for clues to Clarke's disappearance. She navigates two worlds—that of her own tribe, changed by its newfound wealth, and that of the non-Native oilmen, down on their luck, who have come to find work on the heels of the economic recession. Her pursuit of Clarke is also a pursuit of redemption, as Lissa atones for her own crimes and reckons with generations of trauma. Yellow Bird is an exquisitely written, masterfully reported story about a search for justice and a remarkable portrait of a complex woman who is smart, funny, eloquent, compassionate, and—when it serves her cause—manipulative. Drawing on eight years of immersive investigation, Sierra Crane Murdoch has produced a profound examination of the legacy of systematic violence inflicted on a tribal nation and a tale of extraordinary healing.

Cherished Kelly Elliott 2014-01 "Jessie Rhodes has been in love with Scott Reynolds for most of her life. But he ran away from her once, leaving her heartbroken. When they find their way back to one another, things seem to fall into place, and they begin to plan their future together. Until Scott's ex-fiancée deceives them all."--Page 4 of cover.

No Visible Bruises Rachel Louise Snyder 2019-05-07 WINNER OF THE HILLMAN PRIZE FOR BOOK JOURNALISM, THE HELEN BERNSTEIN BOOK AWARD, AND THE LUKAS WORK-IN-PROGRESS AWARD * A NEW YORK TIMES TOP 10 BOOKS OF THE YEAR * NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST * LOS ANGELES TIMES BOOK PRIZE FINALIST * ABA SILVER GAVEL AWARD FINALIST * KIRKUS PRIZE FINALIST NAMED ONE OF THE BEST BOOKS OF 2019 BY: Esquire, Amazon, Kirkus, Library Journal, Publishers Weekly, BookPage, BookRiot, Economist, New York Times Staff Critics "A seminal and breathtaking account of why home is the most dangerous place to be a woman . . . A tour de force." -Eve Ensler "Terrifying, courageous reportage from our internal war zone." -Andrew Solomon "Extraordinary." -New York Times , "Editors' Choice" "Gut-wrenching, required reading." -Esquire "Compulsively readable . . . It will save lives." -Washington Post "Essential, devastating reading." -Cheryl Strayed, New York Times Book Review An award-winning journalist's intimate investigation of the true scope of domestic violence, revealing how the roots of America's most pressing social crises are buried in abuse that happens behind closed doors. We call it domestic violence. We call it private violence. Sometimes we call it intimate terrorism. But whatever we call it, we generally do not believe it has anything at all to do with us, despite the World Health Organization deeming it a "global epidemic." In America, domestic violence accounts for 15 percent of all violent crime, and yet it remains locked in silence, even as its tendrils reach unseen into so many of our most pressing national issues, from our economy to our education system, from mass shootings to mass incarceration to #MeToo. We still have not taken the true measure of this problem. In *No Visible Bruises*, journalist Rachel Louise Snyder gives context for what we don't know we're seeing. She frames this urgent and immersive account of the scale of domestic violence in our country around key stories that explode the common myths—that if things were bad enough, victims

would just leave; that a violent person cannot become nonviolent; that shelter is an adequate response; and most insidiously that violence inside the home is a private matter, sealed from the public sphere and disconnected from other forms of violence. Through the stories of victims, perpetrators, law enforcement, and reform movements from across the country, Snyder explores the real roots of private violence, its far-reaching consequences for society, and what it will take to truly address it.

Fahrenheit 451 Ray Bradbury 1951 A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Last Bus to Wisdom Ivan Doig 2015-08-18 Named a Best Book of the Year by the Seattle Times and Kirkus Review The final novel from a great American storyteller. Donal Cameron is being raised by his grandmother, the cook at the legendary Double W ranch in Ivan Doig's beloved Two Medicine Country of the Montana Rockies, a landscape that gives full rein to an eleven-year-old's imagination. But when Gram has to have surgery for "female trouble" in the summer of 1951, all she can think to do is to ship Donal off to her sister in faraway Manitowoc, Wisconsin. There Donal is in for a rude surprise: Aunt Kate—bossy, opinionated, argumentative, and tyrannical—is nothing like her sister. She henpecks her good-natured husband, Herman the German, and Donal can't seem to get on her good side either. After one contretemps too many, Kate packs him back to the authorities in Montana on the next Greyhound. But as it turns out, Donal isn't traveling solo: Herman the German has decided to fly the coop with him. In the immortal American tradition, the pair light out for the territory together, meeting a classic Doigian ensemble of characters and having rollicking misadventures along the way. Charming, wise, and slyly funny, *Last Bus to Wisdom* is a last sweet gift from a writer whose books have bestowed untold pleasure on countless readers.

Too Much and Never Enough Mary L. Trump 2020-07-14 In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb

to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

The Rest Of Me Ashley Munoz 2019-10-09 Death never simply settles for the life it claims. It's greedy. It stole all of our lives that night and while it put my husband in the ground, it left my four children and me behind. After an ugly year of grief, something had to change. My sister suggested open spaces, big skies and fresh air in the heart of Wyoming. We settled into our shared estate the best we could until I met my new neighbor. Arrogant, bossy and rude; Reid was easily the worst person I'd ever met. I'd decided to write him off entirely until I realized he was the only local horse instructor. I'd heard that if I could get my kids onto a horse, they'd start to heal. Desperation had me creating an alliance with him. Envy had me craving the connection he had with them. Distracted by the newness of our situation, I missed how close his demons danced to my ghosts. While I was ignorantly letting him take my heart, it was too late to realize . . . He'd already stolen it once before. **This is a standalone romance novel.**

Alone Megan E. Freeman 2021-01-12 Perfect for fans of Hatchet and the I Survived series, this harrowing middle grade debut novel-in-verse from a Pushcart Prize-nominated poet tells the story of a young girl who wakes up one day to find herself utterly alone in her small Colorado town. When twelve-year-old Maddie hatches a scheme for a secret sleepover with her two best friends, she ends up waking up to a nightmare. She's alone-left behind in a town that has been mysteriously evacuated and abandoned. With no one to rely on, no power, and no working phone lines or internet access, Maddie slowly learns to survive on her own. Her only companions are a Rottweiler named George and all the books she can read. After a rough start, Maddie learns to trust her own ingenuity and invents clever ways to survive in a place that has been deserted and forgotten. As months pass, she escapes natural disasters, looters, and wild animals. But Maddie's most formidable enemy is the crushing loneliness she faces every day. Can Maddie's stubborn will to survive carry her through the most frightening experience of her life?

Land of My Heart Tracie Peterson 2004-02-01 Many were drawn to the Big Sky land of 1860s Montana, but the life awaiting them was difficult and dangerous.

Wanted Kelly Elliott 2012-11-30 Verbally abused by her mother for years, 18 year old Ellie Johnson always believed she would never be loved or wanted by anyone. The last thing Ellie expected was to fall in love with Gunner Mathews, her brother's best friend.

Faithful Kelly Elliott 2013-08-19 No matter how faithful love can be...it takes

only one moment to change it all. After Heather Lambert's parents died in a tragic car accident her senior year of high school, she refuses to let anyone into her heart for fear of being hurt again. Focusing only on school to follow her dreams of becoming an elementary school teacher, the last thing Heather intends to do is fall in love with Josh Hayes. Josh knows the moment he lays eyes on Heather that she is the one he's been waiting for. During months of obstacles and denied feelings, he is rejected by her time and time again. When he finally wins her love, Josh and Heather start planning their future together...until Heather receives one bit of news she never wanted to hear again. There has been a car accident. Josh wakes up with no memory of Heather, and his ex-girlfriend, Victoria, is his nurse. Heather must decide if she'll risk being hurt again and fight for the one man she loves with all her heart. Will Josh remember Heather when she needs him the most? Or will Victoria take advantage of this opportunity, pushing Heather away from Josh for good? Faithful is the third book in the Wanted series by Kelly Elliott.

We Begin at the End Chris Whitaker 2021-03-02 Winner of the Gold Dagger for Best Crime Novel from the Crime Writers' Association (UK) Winner for Best International Crime Fiction from Australian Crime Writers Association An Instant New York Times Bestseller "A vibrant, engrossing, unputdownable thriller that packs a serious emotional punch. One of those rare books that surprise you along the way and then linger in your mind long after you have finished it." –Kristin Hannah, #1 New York Times bestselling author of *The Nightingale* and *The Four Winds* Right. Wrong. Life is lived somewhere in between. Duchess Day Radley is a thirteen-year-old self-proclaimed outlaw. Rules are for other people. She is the fierce protector of her five-year-old brother, Robin, and the parent to her mother, Star, a single mom incapable of taking care of herself, let alone her two kids. Walk has never left the coastal California town where he and Star grew up. He may have become the chief of police, but he's still trying to heal the old wound of having given the testimony that sent his best friend, Vincent King, to prison decades before. And he's in overdrive protecting Duchess and her brother. Now, thirty years later, Vincent is being released. And Duchess and Walk must face the trouble that comes with his return. *We Begin at the End* is an extraordinary novel about two kinds of families—the ones we are born into and the ones we create.

Away in Montana Jane Porter 2016-12-06 Beautiful, spirited heiress McKenna Frasier—daughter to one of the Butte Copper Kings—vowed eternal love to Sinclair Douglas before she left for college and an introduction to society. Four years in New York and travel abroad have opened her eyes, making her realize she wanted more than marriage and a simple Montana life. But when McKenna commits an unforgivable transgression and destroys her reputation, her dreams are shattered and she is forced to return to Montana disgraced, disowned and unmarriageable. Sinclair Douglas left Butte to escape the Frasier power and Frasier name, but suddenly all anyone talks about in Marietta is scandalous McKenna Douglas, Paradise Valley's new teacher. Sin doesn't want to know about McKenna anymore. He doesn't want to have to help her, and he sure as hell doesn't want to love her. But McKenna has lived so long in his heart that it's

her home—even if she doesn't deserve to be there. But if there is one man who knows how to rebuild a life when all dreams have been smashed, it's fierce, uncompromising Sinclair Douglas. Can Sinclair and McKenna heal enough to find their own Christmas miracle, and one more chance at love?

Lost Love Kelly Elliott 2017-06-27 From bestselling author Kelly Elliott comes the first book in her brand new Cowboys and Angels series. Moving back home to my parents' cattle ranch in Texas was the last thing I thought I'd be doing. But, here I stand . . . in front of my high school girlfriend. A beautiful, confident woman has replaced the young girl I once knew and loved. Yep. Paxton Monroe was my first love and the one girl in town who now hated my guts. So much so, Paxton swore her revenge on me if it took her until the day she died. The fight between my heart, and my head starts tonight. This time I'm staying and fighting and I won't give up until I get what I want. And what I want is Paxton Monroe. Cowboys & Angels series: 1. Lost Love 2. Love Profound 3. Tempting Love 4. Love Again 5. Blind Love 6. This Love 7. Reckless Love

Six Months in Montana Pamela M. Kelley 2013-11-20 Molly Bishop loves living in Manhattan and managing a boutique luxury hotel. She's about to be promoted to her dream job of General Manager, the role she's been striving for her entire career. There's only one thing standing in her way. The will of her childhood friend, Christian Ford's grandfather. She hasn't even seen Christian in over ten years, but a recent run-in with his grandfather during a rare visit home, resulted in a new condition to the will. Christian will only inherit the ranch he's been running and the real estate development business that he has expanded, if he marries Molly and stays married for at least six months.

Maid Stephanie Land 2019-01-22 NEW YORK TIMES BESTSELLER AND INSPIRATION FOR THE NETFLIX LIMITED SERIES, HAILED BY ROLLING STONE AS "A GREAT ONE." "A single mother's personal, unflinching look at America's class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work." -PRESIDENT BARACK OBAMA, Obama's Summer Reading List At 28, Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. Maid is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a "nameless ghost" who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. Maid is Stephanie's story, but it's not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit.

Together We Will Go J. Michael Straczynski 2022-02-22 The Breakfast Club meets The Silver Linings Playbook in this powerful, provocative, and heartfelt novel about twelve strangers who come together to make the most of their final days, from New York Times bestselling and award-winning author J. Michael Straczynski. Mark Antonelli, a failed young writer looking down the barrel at thirty, is planning a cross-country road trip. He buys a beat-up old tour bus. He hires a young army vet to drive it. He puts out an ad for others to join him along the way. But this will be a road trip like no other: His passengers are all fellow disheartened souls who have decided that this will be their final journey—upon arrival in San Francisco, they will find a cliff with an amazing view of the ocean at sunset, hit the gas, and drive out of this world. The unlikely companions include a young woman with a chronic pain sensory disorder and another who was relentlessly bullied at school for her size; a bipolar, party-loving neo-hippie; a gentle coder with a literal hole in his heart and blue skin; and a poet dreaming of a better world beyond this one. We get to know them through access to their texts, emails, voicemails, and the daily journal entries they write as the price of admission for this trip. By turns tragic, funny, quirky, charming, and deeply moving, *Together We Will Go* explores the decisions that brings these characters together, and the relationships that grow between them, with some discovering love and affection for the first time. But as they cross state lines and complications to the initial plan arise, it becomes clear that this is a novel as much about the will to live as it is the choice to end it. The final, unforgettable moments as they hurtle toward the outcomes awaiting them will be remembered for a lifetime.

Strong Enough Kelly Elliott 2021-02-04 The fourth and final novel in New York Times bestselling author Kelly Elliott's Meet Me in Montana series fires up the passion in a story about forgiveness and finding your soul mate. Dirk Littlewood had the world at his feet and a life he claimed to love. He was a world-champion bull rider with plenty of women to keep his nights busy and make his inner loneliness nothing but a delusion. Dirk's life was exactly how he wanted it. Until it wasn't. The moment Merit Eden showed back up in Hamilton, Montana, everything was turned upside down. Life changed immediately and then tragedy struck. Merit was the only woman who could bring Dirk to his knees—and the only woman who could heal his broken past. If only he'd let her in, they could heal each other in the process. The only thing left for Dirk to do was figure out how to not only forgive himself, but accept forgiveness from the only woman he had ever truly loved...if only he was strong enough to withstand the heartbreak. *Strong Enough* is a stand alone novel in the Meet Me in Montana series, but for a better reading experience the order is as follows: 1. Never Enough 2. Always Enough 3. Good Enough 4. Strong Enough Suggested Reading Order - 1. Never Enough 2. Always Enough 3. Good Enough 4. Strong Enough

Meet Me Halfway Anika Fajardo 2022-09-13 When new classmates Mattie and Mercedes meet and realize they have the same Colombian dad, the two team up in a Parent Trap-inspired misadventure to meet him for the first time in this sharp and poignant middle grade novel about the bonds that make a family.

Mattie Gomez feels directionless after being uprooted from her beloved Minnesota and forced to move in with her new stepfamily in California. So when she meets a girl at her new middle school who looks exactly like her, she's not sure what to make of it. But her doppelganger, the popular Mercedes Miller, doesn't like it one bit. Mercedes is used to getting what she wants, when she wants; Mattie would rather be invisible and blend into the background. Mercedes lives in a big empty house with her nanny; Mattie's new home is packed-to-the-gills, twenty-four/seven chaos. Mercedes has a short fuse; Mattie is a planner. Though they may look alike, the two of them couldn't be more different. Soon enough, however, Mattie and Mercedes learn that they have at least one thing in common: a dad from Colombia that neither of them has ever met. Determined to meet the father they've never known, these polar opposites suddenly have to work together to fake sleepovers, evade their friends, and plot daring escapes from school field trips in an effort to track down him down. If only they could stop bickering long enough to get the show on the road.

The Bribe Willa Nash 2021-11-11 Duke Evans didn't expect to interrupt a beautiful woman in a staring contest with a bison on his favorite hiking trail. He also didn't expect to see her again after rescuing her from the surly beast. As the sheriff in Calamity, Montana, he's had his fair share of surprises but none as pleasant as pulling over a shiny black car and finding his mysterious hiking companion behind the wheel. Only, she lied to Duke. She gave him a name as fake as her hair color. According to her driver's license, her real name is Lucy Ross, the famous country music singer whose sudden disappearance has been a hot topic in the media over the past two weeks. He's not sure why Lucy lied about her identity or why she's in Calamity. And she's not talking. Instead, she offers him a bribe to keep her secret. But Duke doesn't want her money. He wants to know why this woman is on the run. And as long as the star shines on his badge, he's going to find out.

Fox and I Catherine Raven 2021-07-08 INSTANT NEW YORK TIMES BESTSELLER "If there's one book you pick up this summer, make it this one." - Washington Post "A wise and intimate book about a solitary woman, a biologist by training, who befriends a fox." - Yann Martel, author of Life of Pi Catherine Raven has lived alone since the age of 15. After finishing her PhD in biology, she built herself a tiny cottage on an isolated plot of land in Montana, in a place as far away from other people as possible. She viewed the house as a way station, a temporary rest stop where she could gather her nerves and fill out applications for what she hoped would be a real job that would help her fit into society. Then one day she realises she has company: a mangy-looking fox who starts showing up at her house every afternoon at 4.15pm. She has never had a visitor before. How do you even talk to a fox? She brings out her camping chair, sits as close to him as she dares, and begins reading to him from The Little Prince. Her scientific training has taught her not to anthropomorphise animals, yet as she grows to know him, his personality reveals itself and the two form a powerful bond - shaken only when natural disaster threatens to destroy their woodland refuge. Fox and I is a story of survival and transformation, a captivating tale of a friendship between two species in a

shared habitat, battling against the uncontrollable forces of nature on one side and humanity on the other - immersive, original and utterly unforgettable.
