*American Headway* Liz Soars 2002-11-01 American Headway is a multilevel series for adults and young adults who want to use American English both accurately and fluently. Grammar and vocabulary are taught and explained thoroughly, and all four language skills are developed systematically. American Headway combines the best of traditional methods with more recent approaches to make the learning of English stimulating, motivating, and effective. American Headway 3 builds on the firm grammatical, lexical, and functional foundation laid in American Headway 1 and 2. Students broaden and deepen their understanding of English and extend their abilities to use it. Both fluency and accuracy are given equal

attention at this intermediate level. Key features - Integrated skills work, where all four skills are developed in context - Universal topics selected from a wide variety of material - In-depth treatment of grammar, with clear presentations, self-check exercises in the Grammar Spot, and detailed explanations in the Grammar Reference followed by extensive practice activities - Systematic vocabulary syllabus, including dictionary training and work on systems such as collocation - Pronunciation work, which is integrated at appropriate points - Everyday English section, which practices functional language and social situations

**Family and Friends 3: Family and Friends ITools** Oxford 2010-09 One third of each unit is dedicated to skills training. The step-by-step approach focuses on writing and early literacy skills to build children's confidence in reading, writing, speaking, and understanding English. One in six lessons is a phonics lesson to train children to recognize and produce English sounds. At levels 1-3 the lessons are supported by flashcards, and by more activities on the Student MultiROM. The civic education syllabus educates children in good values and behaviour. The Photocopy Masters Books at levels 1-2 include 15 values worksheets. The Testing and Evaluation Book and the test builder element of the Teacher's Resource CD-ROM help teachers to evaluate children's progress. One lesson per page with clear lesson objectives makes the course easy to teach. Accompanying resources, including the Grammar Friends series, skills series, Teacher's Resource Pack, course readers, and Teacher Resource CD-ROM allow teachers to focus on additional skills training and means the course can fit different teaching programmes per week.
