Nigeria John Campbell 2018 Nigeria is one of the most important democracies in the world, but scarcely examined. With its continent-wide influence in a host of areas, Nigeria's success as a democracy is in the fundamental interest of its African neighbors, the United States, and the international community. This volume provides interested readers with an accessible overview of essential questions related to widening inequality stemming from Nigeria's oil wealth, Nigeria's historic 2015 presidential election, the persistent security threat of Boko Haram, Nigeria's subpar human rights and corruption records, and the continual conflicts that arise in a country that is demographically half Christian and half Muslim.

Public Broadcasting in Africa Series Akin Akingbulu 2010-12 This report on the broadcast media in Nigeria finds that liberalisation efforts in the broadcasting sector have only been partially achieved. More than a decade after military rule, the nation still has not managed to enact media legislation that is in line with continental standards, particularly the Declaration on Freedom of Expression in Africa. The report, part of an 11-country survey of broadcast media in Africa, strongly recommends the transformation of the two state broadcasters into a genuine public broadcaster as an independent legal entity with editorial independence and strong safeguards against any interference from the federal government, state governments and other interests. The report was written by Mr. Akin Akingbulu Executive Director, Institute for Media and Society, IMS, Nigeria.

Never Look an American in the Eye Okey Ndibe 2016 The author of *Foreign Gods, Inc.* and *Arrows of Rain* tells his own immigrant's tale, where what is lost in translation is often as hilarious as it is harrowing. Okey Ndibe's funny, charming, and penetrating memoir tells of his move from Nigeria to America, where he came to edit the influential--but forever teetering on the verge of insolvency--*African Commentary* magazine. It recounts stories of Ndibe's relationships with Chinua Achebe, Wole Soyinka, and other literary figures; examines the differences between Nigerian and American etiquette and politics; recalls an incident of racial profiling just thirteen days after he arrived in the US, in which he was mistaken for a bank robber; considers American stereotypes about Africa (and vice-versa); and juxtaposes African folk tales with Wall Street trickery. All these stories and more come together in a generous, encompassing book about the making of a writer and a new American.

Nigerian History, Politics and Affairs Adiele Eberechukwu Afigbo 2005 These essays attempt to focus the light of history, on Nigeria, Nigerians and their contemporary, condition. The root idea here is that fundamental, to all historical works - that when the mind, interacts with the past, the result is something, like a torchlight whose beam is focused on the, present, thus enabling us to achieve a better, understanding of the problems which face us., Afigbo has probed deep into Nigeria's past bringing out all the facets, all the elements and, all the issues that are necessary to improve the, present.

Palm of the Rainforest Ikénnà Nn?l? 2020-08-28 I know who I am Kelvin seemed desperate to win his father's approval. However, Mr Eze not only seemed unwilling to bestow it, but hell bent in making life unbearable for his acclaimed son. Kelvin thought it would be best to find his true family rather than endure the torture of being the unwanted child. He realised that his quest for recognition was unlikely to succeed, so he set his eyes on freedom. In the meantime, Kelvin expected that a good academic performance would change his luck and put him right with Mr Eze or at least boost his confidence in his abilities. With all his attention on his studies, competing for the best grades against the leading brains in his class, especially Christian, an indomitable rival, he would not let school romance get in the way fo his goal. But slowly and steadily, Chioma, gained his trust and won him over. He would have to make a decision between holding on to his moral principle or satisfying his human desire for friendship. New Home, New Identity Marginalised and decimated, the Biafran people were forced to go to war and secede from Nigeria. But decades after losing the war and embracing the Nigerian

identity, they are still not treated as equal citizens in their home country. As a new wave of terrorism sweeps the northern parts of the country, the Biafran people, predominantly Igbo are again decimated as they have been for decades in every crises and this led to renewed discussions about their independence. For Biafra, the fight for equality was over and their Sovereignty was not negotiable. For Kelvin, it wasn't very different, and so his quest for truth and independence must begin. His compulsory holiday in Igbo land would expose him to the truth that might have indirectly caused him to abandon his academic pursuit. Perhaps, it was just an excuse to free himself from the clutch of Mr Eze and begin his quest for the truth about his identity.

Through My Eyes Omololu Elegbe 2009-03 One is bound to pay glowing tributes to the efforts of the author of this book Omololu Elegbe not only for the sublimity of style, but also, and more significantly, for a detailed, well-researched and painstaking analyses of events and situations, putting in context every assertion of fact. The tantalizing effect of the simplicity of style is such that a reader may likely get stuck reading from the first page till the end. The transcripts of speeches at the end of the book are an invaluable research material on the subject. Near perfect is the rendition that one easily forgets that the writer is not an American. The accounts of what transpired during the last election in America is presented in such a manner that makes the reader to leave with the impression that he or she is now seised of the intricacies of American politics.

Effective Leadership in Nigeria Dr. Onyema G. Nkwocha 2012-01-04 Effective Leadership In Nigeria: Practical Ways To Build an Effective, Inspiring, Transformational and Visionary Leadership and Governance in Nigeria is mostly based on the current apathetic and virtual lack of effective and visionary leadership situation in contemporary Nigeria and distills the golden gems: - principles, processes, procedures and practical applications inherent in effective, inspiring, visionary and enthusiastic leadership. It attempts at instituting, building and encouraging good, effective, and visionary leadership in the nation and that is currently, virtually lacking. From the outset, the author makes it clear that this writing is not designed to model or fit any known leadership paradigm, theory or management style. Rather, based on relevant research on leadership as it impacts the Nigerian situation, the book attempts to explore what it takes for there to be an effective and good leadership to successfully lead and change Nigeria for the better. The book is written and organized in a way that reflects and captures the contemporary experiences, frustrations, psychological emotions, aspirations and hopes of every Nigerian and perhaps of promising politicians and future leaders who are honestly touched by the virtual vacuum of real and effective leadership in the country, their concerns, questions, dreams, and the expectations that have virtually gone unmet in the past more than half a century. Properly elucidating what leadership means, and differentiating it from rulership this book couldn't have come at a better time to assist Nigeria's leadership-struggles! A masterpiece, Dr. Nkwocha has taken the current apathetic leadership lull and

almost leadership void in the nation and set the leadership principles and processes on the cutting edge. The book is a definitive guide to anyone aspiring to the leadership of Nigeria and is therefore in search of meaningful leadership, its principles, processes and pragmatic applications. The book is a must read!

Other People's Diasporas Sinéad Moynihan 2013-04-04 With the economic rise of the "Celtic Tiger" in the 1990s, Irish culture was deeply impacted by a concurrent rise in immigration. A nation tending to see itself as a land of emigrants suddenly saw waves of newcomers. In this book, Moynihan takes as her central question a formulation by sociologist Steve Garner: "What happens when other people's diasporas converge on the homeland of diasporic people?" Approaching the question from a cultural rather than a sociological vantage

point, Moynihan delves into fiction, drama, comedy, and cinema since 1998 to examine the various representations of and insights into race relations. "Other People's Diasporas" draws upon the recent fiction of Joseph O'Connor, Roddy Doyle, and Emma Donoghue; films directed by Jim Sheridan and Eugene Brady; drama by Donal O'Kelly and Ronan Noone; and the comedy of Des Bishop to present a highly original and engaging exploration of contemporary Irish discourses on race.
