Vauxhall/Opel Meriva Haynes Publishing 2014-07 A maintenance and repair manual for the DIY mechanic.

Auto Repair For Dummies Deanna Sclar 2019-01-07 Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

Nigel Mansell Mike Doodson 2007 The British public adored Nigel Mansell more than any other driver. When he was at his height, crowds at the British Grand Prix were bigger – and more fervently patriotic – than at any time before or since. Mansell has always been the consummate showman, wringing every ounce of speed from a car, racing wheel-to-wheel with the fiercest rival and exhibiting incredible tenacity. This superbly produced book brings Mansell's career vividly to life through stunning images sourced exclusively from the archives of LAT, the world's biggest library of motor racing photographs.
