Indian Genre Fiction Bodhisattva Chattopadhyay 2018-07-06 This volume maps the breadth and domain of genre literature in India across seven languages (Tamil, Urdu, Bangla, Hindi, Odia, Marathi and English) and nine genres for the first time. Over the last few decades, detective/crime fiction and especially science fiction/fantasy have slowly made their way into university curricula and consideration by literary critics in India and the West. However, there has been no substantial study of genre fiction in the Indian languages, least of all from a comparative perspective. This volume, with contributions from leading national and international scholars, addresses this lacuna in critical scholarship and provides an overview of diverse genre fictions. Using methods from literary analysis, book history and Indian aesthetic theories, the volume throws light on the variety of contexts in which genre literature is read, activated and used, from political debates surrounding national and regional identities to caste and class conflicts. It shows that Indian genre fiction (including pulp fiction, comics and graphic novels) transmutes across languages, time periods, in translation and through publication processes. While the book focuses on contemporary postcolonial genre literature production, it also draws connections to individual, centuries-long literary traditions of genre literature in the Indian subcontinent. Further, it traces contested hierarchies within these languages as well as current trends in genre fiction criticism. Lucid and comprehensive, this book will be of great interest to academics, students, practitioners, literary critics and historians in the fields of postcolonialism, genre studies, global genre fiction, media and popular culture, South Asian literature, Indian literature, detective fiction, science fiction, romance, crime fiction, horror, mythology, graphic novels, comparative literature and South Asian studies. It will also appeal to the informed general reader.

The Pull of the Moon Elizabeth Berg 2010-03-23 "This is not a novel about a woman leaving home but rather about a human being finding her way back."—Chicago Tribune In the middle of her life, Nan decides to leave her husband at home and begin an impromptu trek across the country, carrying with her a turquoise leather journal she intends to fill. *The Pull of the Moon* is a novel about a woman coming to terms with issues of importance to all women. In her journal, Nan addresses the thorniness—and the allure—of marriage, the sweet ties to children, and the gifts and lessons that come from random encounters with strangers, including a handsome man appearing out of the woods and a lonely housewife sitting on her front porch steps. Most of all, Nan writes about the need for the self to stay alive. In this luminous and exquisitely written novel, Elizabeth Berg shows how sometimes you have to leave your life behind in order to find it. *the pull of the moon* BONUS: This edition contains an excerpt from Elizabeth Berg's *Once Upon a Time, There Was You*. Praise for *The Pull of the Moon* "Breathtaking . . . [Berg] writes with wry wit and aching lyricism, painting her characters as vividly as anyone writing today."—The Charlotte Observer "When was the last time you thought about running away? . . . In *The Pull of the Moon*, Berg shares her strength, the wonderful widening of her soul so that we, too, can take the journey in the ease of our chair."—Greensboro News & Record "Berg's gift as a storyteller lies most powerfully in her ability to find the extraordinary in the ordinary, the remarkable in the everyday."—The Boston Globe "Reading *The Pull of the Moon* is like sitting down for a long, satisfying chat with a best girlfriend. . . . [It] pleasantly encourages readers to recover a little life-embracing enthusiasm themselves."—Orlando Sentinel

A Cut-Like Wound Anita Nair 2014-06-16 "Nair writes big, brave descriptions of one brutal murder after the next, relentlessly describing each death even as sub-inspector Santosh loses his breakfast over them."—Time Out It's the first day of Ramadan in heat-soaked Bangalore. A young man begins to dress: makeup, a sari, and expensive pearl earrings. Before the mirror he is transformed into Bhuvana. She is a hijra, a transgender seeking love in the bazaars of the city. What Bhuvana wants, she nearly gets: a passing man is attracted to this elusive young woman—but someone points out that Bhuvana is no woman. For that, the interloper's throat is cut. A case for Inspector Borei Gowda, going to seed, and at odds with those around him including his wife, his colleagues, even the informers he must deal with. More corpses and Urmila, Gowda's ex-flame, are added to this spicy concoction of a mystery novel. Most intriguing is the grim world of Bhuvana. Her hijra fantasies, emotions, and hopes are etched in a way that is chilling yet oddly touching. Some mysteries remain till almost the end, for instance Bhuvana's connection with the wealthy, corrupt Corporator Ravikumar, who lives in a mansion as grand as the Mysore Palace and controls whole districts of Bangalore. Anita Nair lives in Bangalore and is a prize-winning author. Her novel *Ladies Coupe*, published in the United States by St. Martin's Press, is a feminist classic which has been translated in thirty languages all over the world. This is her first crime novel.

I Will Survive Gloria Gaynor 2014-03-11 *I Will Survive* is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom

in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

The Monochrome Madonna Kalpana Swaminathan 2012-05-25 Sitara said, with awful distinctness, 'I

think I'm going to die'. And that's how I got stuck with the annual corpse. Half an hour later I stood in an empty flat, along with a stranger who was very recently, and very violently, dead. Rushing to Sitara's aid, Lalli's niece Sita is distracted by Raphael's Sistine Madonna. Why is it monochrome? And what does it have to do with the body on the living-room floor? Such questions are hardly relevant to the police in their hunt for the murderer. But Lalli is a detective who revels in curiosities, and she thinks otherwise. A brisk thriller of deceit and intrigue, *The Monochrome Madonna* has Lalli at her most astute as she interprets the nuances of a murder without motive.

Aided by a train driver with whom she has a tumultuous and reckless affair, a junkie in rehab and two street kids willing to risk everything for a can of Coke, she uncovers a group of men involved in betting on working-class youngsters convinced to play Russian roulette by standing in front of fast-coming trains to see who endures the longest.

Paper Shadows Wayson Choy 2005 In 1995, during the publicity tour for his much-acclaimed first novel, "The Jade Peony," Wayson Choy received a mysterious phone call from a woman claiming to have just seen his mother on a streetcar. He politely informed the caller that she must be mistaken, since his mother had died long ago. "No, no, not that mother," the voice insisted. "Your real mother." Inspired by the startling realization that, like many children of Chinatown, he had been adopted, Choy constructs a vivid and moving memoir that reveals uncanny similarities between his award-winning first novel and the newly discovered secrets of his Vancouver childhood. From his early experiences with ghosts, through his youthful encounters with cowboys and bachelor uncles, to his discovery of family secrets that crossed the ocean from mainland China to Gold Mountain in the form of paper shadows, this is a beautifully wrought portrait of a child's world from one of Canada's most gifted storytellers.
