family, etc) or internal physical things (e.g., illness). ... you), and use it to write out one of your typical worry chains. What was the first "what if" ... passing up a new job project because they know all they will do is worry about it, or not watching the TV news because it is usually a source

### *VA CLAIM EXAM - Veterans Affairs*

Unlike a typical medical exam, the VA claim exam will not give you any treatment or prescribe any medicine. The examiner may ask you questions, observe you, and/or perform a limited physical exam. The purpose of the exam is to have an examiner evaluate your condition and review claim-related medical records and your claim file (c-file/e-file).
