The Hollywood Body Plan David Higgins 2019-01-10 'David Higgins is a legend. He put me in my best physical shape and he educated me on stretching, strengthening and nutrition!' Margot Robbie 'When I met David, I was broken, physically. He patiently and caringly put me together again. His combinations of strength,

Pilates, stretching and active release ... are nothing short of spectacular.' Samuel L. Jackson 'Working with DH is always fantastic because of his expertise as a fully qualified trainer, personal fitness and in-depth knowledge of nutrition.' Rebecca Ferguson David Higgins's Hollywood-tested Hollywood Body Plan will transform your everyday movement and treat the aches and pains that have built up over years of sedentary living. Once you have regained control of your body, you can live without stiffness and pain and exercise without fear of injury. RESET your body with David's 21-day workout. Just 21 minutes a day. Correct poor posture and body imbalance. The first part of David's plan will strengthen your core, activate your glutes, improve lower back movement and hip flexibility as well as pull back your shoulders and neck. Take 21 minutes a day for 21 days to put yourself back on the right path physically. Combined with David's 21-day food plan, you will soon find yourself moving with confidence, exercising without pain - and losing weight and feeling great!

TRANSFORM your body The second part of David's plan is a transformational workout - a more dynamic, higher intensity exercise plan, 5 days a week. Get leaner, stronger and more toned as you follow this exercise and food programme. FOREVER FIX your body David's self-care programme is the third part of the plan and will help you treat muscle soreness, neck pain or backache and keep you on track for life. David's Hollywood Body Plan is a unique and corrective approach to exercise and diet, based on his belief that until you undo all the dysfunctional movement that you have developed over the years, all the exercise and diets you try will only be short-term fixes. This book will truly reset, transform and forever fix your body for life.

The Tapping Solution for Weight Loss & Body Confidence Jessica Ortner 2015-10-27 “The Tapping Solution for Weight Loss and Body Confidence may just go down in history as a game-changer when it comes to leading women out of weight loss hell.” — Cheryl Richardson, New York Times best-selling author of *The Art of Extreme Self-Care* Placing conditions on our lives and our happiness has become the norm. We see it all the time: We must establish a career before looking for a relationship. We must find love before feeling fulfilled. We must feel stressed out until we finish everything on our to-do list. But by far, the most common conditions we put on ourselves revolve around our weight—no love until we lose the weight, no pursuing a dream until we lose the weight, no happiness until we lose the weight. But now there's a better option. Using tapping, also known as EFT, Jessica Ortner walks you through a process that helps you drop stress so you can drop pounds—without dieting, deprivation, or extreme exercise. Tapping, a tool that is based on the principles of both ancient acupressure and modern psychology, helps you address the underlying issues that make your body hold on to weight and gives you the ability to overcome some of the most common weight loss obstacles. Say good-bye to the cravings, panic, and self-doubt that keep you in a constant fight against your body! Using her own struggles with weight loss, along with success stories of some of the thousands of women she's worked with, Jessica teaches you not only the basics of tapping but also how to use it to address the deeper facets of your weight and self-worth challenges. This proven process is based on extensive research into the effects of tapping on stress hormones, and it provides simple, step-by-step instructions throughout and easy tapping meditations at the end of each chapter. With this loving and supportive guidance you can learn to create a more empowering relationship with food, find pleasure in exercise, and implement self-care into your life. So join Jessica and learn to love yourself and your body!

Tracy Anderson's 30-Day Method Tracy Anderson 2010-09-20 Did you know muscles get bored, just like people do? And did you also know that there's a 9 out of 10 chance that you're working the wrong muscles when you exercise? With TRACY ANDERSON'S 30-DAY METHOD you don't have to worry--her unique workout will help you drop the weight and shrink your body in just 30 days. Based on ten years of scientific research and experience getting not just herself, but A-list stars and everyday people, red carpet ready, Anderson has developed a unique 30-day diet and workout routine that reshapes the body and defies genetics to tone the muscles and drop the pounds. While most people incorrectly target their major muscle groups, like

the bicep or hamstring, the focus should be on the smaller accessory muscles that can create a long, lean, balanced look--instead of bulked up look. Anderson's program is composed of a groundbreaking three-tiered approach, including a mat workout and cardio routine targeting the all-important accessory muscles, and an exclusive 30-day meal plan, complete with dozens of delicious recipes. This comprehensive kick-start program is unlike any other workout on the market and it leaves no chance for anything but terrific, fast results!

[The 30-Day Keto Plan](#) Aimee Aristotelous 2020-11-03 Kick your sugar habit, lose weight, and feel amazing in just one month! Plus, enjoy tactics for success to live your best keto life sustainably after the 30-day mark. The ketogenic diet, which promotes weight loss from being in the metabolic state of ketosis, is one of the most popular and effective diet plans in recent years. And it continues to grow in popularity as people across the country are learning more and more about it. However, there is conflicting research regarding the safety of consuming unlimited amounts of items such as bacon, cheese, fatty cuts of meats, and fried pork rinds. A large percentage of Keto dieters find the 70–80 percent fat intake requirement unsustainable, and even worrisome due to potential health implications. Many people are curious about the Keto lifestyle, given the weight loss results they hear about from others, but will not attempt the diet as the fat intake requirement sounds daunting! The 30-Day Keto Plan provides a detailed system to help readers lose weight and see blood sugar level improvements in just one month. With emphasis on the healthiest fats and cleaner ketogenic foods, readers will benefit from detailed grocery lists, and meal plans, macro-nutrient charts, and categorized fats, carbohydrates, and proteins which are most beneficial for the healthiest keto plan. Nutritionists and authors Aimee and Richard instruct readers on exactly what to eat for four weeks to achieve ketosis, weight loss, and overall health improvements, without requiring exercise. In just thirty days, readers will learn how to achieve freedom from sugar and the processed food lifestyle, and they will kick-start their weight loss goals. It is very common for keto dieters to see dramatic results, only to regress and regain the lost weight once they are no longer following the ketogenic regimen. This book provides a formal and sustainable program for the post-ketosis stage, which will yield positive long-term results and assist in maintaining life-long health and wellness.

The UltraSimple Diet Mark Hyman 2009-12-01 Offers an accelerated program designed to help readers lose weight quickly and keep it off, in a guide that features menus, exercise routines, and stress reduction techniques.

The Ecology of the Soul Aidan Walker 2016-02-26 Power Seeds and Magic Minutes: the route to inner space. The Ecology of the Soul: A Manual of Peace, Power and Personal Growth for Real People in the Real World explains the seven powers of our own inner ecosystem – the Ecology of the Soul – and how to revive them to regain our natural, true state of peace, power and well-being. When the Ecology of the Soul is in balance, we live and thrive in this world, and create the new one, with grace, harmony and beauty. Each one of the seven powers – Nature, Creativity, Endurance, Love, Communication, Focus and Connection – generates seven separate meditations, which in turn create 'Power Seeds' of thought and mental habit. Plant one a day, and in a 'Magic Minute' – 60 powerful seconds of daily, active meditation – you achieve the balance, power and peace of Soul Consciousness. Warm, accessible, even humorous, the book acknowledges that we're all human and not everyone is able or willing to aim for the highest path of enlightenment. It gives practical methods by which anyone, at whatever level of commitment, can benefit.

The Urban Monk Pedram Shojai 2017-10-24 In this New York Times bestseller, you will discover how the calmness of Zen masters can help you stop time, refuel, and focus on the things that really matter. With practice, you can stop time, refuel, and focus on the things that really matter, even among the chaos that constantly surrounds us. His no-nonsense life mastery program

brings together clear tools to elevate your existence. He guides you in learning to honor the body and mind, discharge stuck energy, and shake free from toxicity and excess stress. The world needs you to step up and live your life to the fullest. Pedram Shojai is the Urban Monk who can show you how to drink from infinity, find peace and prosperity, and thrive.

The Equanimous Mind (2nd Edition) Manish Chopra, PhD 2021-08-01 The Equanimous Mind (2nd Edition) chronicles the author's first ten-day Vipassana meditation camp experience at the end of 2010 and the life-changing impact it has had on his personal and professional life since that time. This new second edition comes at an important milestone in Manish's journey as ten years have passed since that first ten-day retreat. A new epilogue in this 10th anniversary edition has been expanded and enriched with updates on his progress since the journey began a decade ago. The book describes a ten-day Vipassana meditation course in the tradition of S. N. Goenka from the standpoint of someone encountering meditation for the first time. It contains a detailed, journal-like narrative of the rich and complex sequence of events that unrolls during the retreat. The author's capacity to recall and sequence vivid details by the hundreds gives the book the feeling of an experience rather than merely of a recounting. The Equanimous Mind has a particular heartwarming quality because of the earnestness with which the author seeks to grow into being the best possible person he can be. Many people will benefit from this volume of clear sentences, deep feelings, and important messages.

=====
Out of gratitude for the benefits the author has received from the practice of Vipassana meditation, he will be donating the proceeds from this book to spreading awareness about the technique, so that others can draw value from it as well. =====

The Healthy Life Jessica Sepel 2015-08-01 This is a specially formatted fixed layout ebook that retains the look and feel of the print book. Jessica Sepel, a young Sydney-based nutritionist, is following in the footsteps of health bloggers such as Lee Holmes, Lola Berry and Sarah Wilson. Jessica is a trained nutritionist with a burgeoning private practice and a hugely popular health blog. Her philosophy is simple: good health starts in the kitchen. Her focus is on fresh produce, prepared simply and with love. Her work with girls and young women has taught her that the common practice of counting calories and restricting food groups is counterproductive to a healthy relationship with food. Her message is 'get healthy' rather than 'lose weight'. The Healthy Life is fully photographed, and has 100 recipes, meal plans, and a kind approach to creating better health and stress-free living.

Super Natural Sarah Graham 2020-02-01 *Super Natural* pivots around an abundance of vegetables and natural, whole foods, celebrating seasonal produce, good fats and whole grains, pulses and legumes, and foods that are almost entirely free of refined carbohydrates and sugars. Best of all, the recipes are accessible, easy, budget friendly, beautiful and delicious. And for Sarah Graham's loyal army of fans, *Super Natural* is a guide to living well and eating mindfully – a continuum of her highly popular cookbook *Wholesome*, which is heading towards its fifth printing. Besides the health benefits of eating more vegetables and, ultimately, fewer animal products, Sarah also has a more altruistic motive, that of caring for our planet and being more aware of where our food comes from and how our eating impacts our world.

Wounded 2013 In his new book, *Wounded: The Legacy of War*, Bryan Adams presents portraits of young British soldiers who have suffered life-changing injury in Iraq and Afghanistan or during training. His lens bears witness to their scars, disability and disfigurement. This unexpected directness challenges the viewer. At

the same time the images reveal the sheer grit and bravery of the victims who, despite personal sacrifice, live each day with resolute vim, vigor and dignity. What we see are staggering portraits of inspiring individuals who whilst not faltering have stood the test of war and lived to tell the tale. The images come with haunting interviews which provide a narrative to each personal journey to recovery.

High Fiber Keto Naomi Whittel 2020-02-25 A female-centric keto diet and jumpstart plan from the New York Times bestselling author of Glow15. Have you tried going keto and found that it has made you feel worse rather than better? Does keto seem to make sense in so many ways yet seem just slightly off in several key ones? What if it's not just you? What if traditional keto diet simply fails to encompass the needs of the female body? Naomi Whittel, the New York Times best-selling author of Glow15, explores how the problem isn't keto, it's fiber. Ninety percent of women are fiber deficient, and when women go the standard keto route, they often lean into animal-based, high-fat, zero-fiber foods, leading to low energy, brain fog, and unnecessary weight gain. Whittel explores the prebiotic fiber sources that work within a keto framework to speed up your metabolism, transform your microbiome, balance your hormones, and keep you feeling full. Included are a 22-day meal plan, movement plan, and delicious, easy-to-make recipes.
