"Devotional Music in the Iberian World, 1450?800 " Tess Knighton 2017-07-05 From the fifteenth century to the beginning of the nineteenth century, devotional music played a fundamental role in the Iberian world. Songs in the vernacular, usually referred to by the generic name of 'villancico', but including forms as varied as madrigals, ensaladas, tonos, cantatas or even oratorios, were regularly performed at many religious feasts in major churches, royal and private chapels, convents and in monasteries. These compositions appear to have progressively fulfilled or supplemented the role occupied by the Latin motet in other countries and, as they were often composed anew for each celebration, the surviving sources vastly outnumber those of Latin compositions; they can be counted in tens of thousands. The close relationship with secular genres, both musical, literary and performative, turned these compositions into a major vehicle for dissemination of vernacular styles throughout the Iberian world. This model of musical production was also cultivated in Portugal and rapidly exported to the Spanish and Portuguese colonies in America and Asia. In many cases, the villancico repertory represents the oldest surviving source of music produced in these regions, thus affording it a primary role in the construction of national identities. The sixteen essays in this volume explore the development of devotional music in the Iberian world in this period, providing the first broad-based survey of this important genre.

Historia General de Colombia Rafael M. Granados 2019-04-16 Recorrido general sobre los aspectos más resaltantes en los órdenes político, social, económico, cultural y militar ocurridos en el actual territorio de la Republica de Colombia desde la época precolombina hasta 1984, mediante los cuales de forma magistral e hilada el autor articula con un lenguaje ameno y de fácil comprensión, la estructura integral de la evolución dinámica del país en su conjunto. Al cumplirse 200 años de vida independiente como república el 7 de agosto de 2019, es oportuno reproducir esta obra que durante varias décadas fue actualizada por el sacerdote jesuita Rafael Granados, para que miles de colombianos recibieran cátedra de historia patria, siempre comparada con los

vaivenes internos y externos, por lo tanto es un documento confiable y de gran utilidad, para los colombianos que viven dentro y fuera del país. Pero este aporte no es solo para los adultos, sino para los niños y jóvenes que como consecuencia de una errónea decisión en 1984, por parte del entonces presidente de la república Belisario Betancur Cuartas, al suspender la materia de historia patria en Colombia, incidió en el alto índice de desconocimiento generalizado de quiénes somos los colombianos, de dónde venimos, cuales son nuestras raíces, nuestros valores culturales, nuestros sueños comunes como nación, en donde reside nuestra identidad socio-cultural y cuál debe ser la proyección integral del país. Enhorabuena llega esta obra para refrescar conocimientos a quienes ya los poseen y para informar con creces a quienes deseen profundizar en todos los procesos históricos, sociales, políticos, económicos y culturales de nuestra país, a lo largo de seis centurias de hechos verificables y medibles.

Putting on his red suit, he goes outside and places gifts under the tree for his animals, bringing holiday cheer to all. Ordinary Work, Extraordinary Grace Scott Hahn 2009-06-03 A deeply personal introduction to the biblical theology and spirituality of Opus Dei by the bestselling Catholic author Scott Hahn. To conspiracy theorists, Opus Dei is a highly secretive and powerful international organization. To its members, however, Opus Dei is a spiritual path, a way of incorporating the teachings of Jesus into everyday life. In *Ordinary Work, Extraordinary Grace*, Scott Hahn, a

member of Opus Dei, describes the organization's founding, its mission, and its profound influence on his life. Hahn recounts the invaluable part Opus Dei played in his conversion from Evangelical Christianity to Catholicism and explains why its teachings remain at the center of his life. Through stories about his job, his marriage, his role as a parent, and his community activities, Hahn shows how Opus Dei's spirituality enriches the meaning of daily tasks and transforms ordinary relationships. He offers inspiring insights for reconciling spiritual and material goals, discussing topics ranging from ambition, workaholicism, friendship, and sex, to the place of prayer and sacrifice in Christianity today. Engaging and enlightening, *Ordinary Work, Extraordinary Grace* is at once a moving personal story and an inspiring work of contemporary spirituality.

La rueda migratoria. Tejiendo historias y experiencias de integración Alberto Ares Mateos 2018-04-16 El autor acompaña la vida, las historias, los estilos de vida de diversas comunidades ecuatorianas en Madrid, salvadoreños en Boston y marroquíes en Valladolid, presentando una propuesta, el modelo de integración mixto que reconoce tres tipos de conductas, o incluso de iconos de personas en el proceso de incorporación: asimilacionistas, multiculturales y de proyecto. La metáfora en torno al "tejer historias" y las "experiencias de integración" anima a poner nuestras capacidades para zambullirnos en la complejidad humana, permitiendo a las personas conectarse con su propia realidad, su propia diversidad y sus propias raíces. Desde esta mirada, el modelo propuesto plantea que habría tantos procesos de integración como personas que emigran. Ningún proceso de integración personal es igual a otro. A modo de recomendación, se plantean cinco propuestas: la necesidad de atender y gestionar la diversidad, fomentar una ciudadanía inclusiva y de acceso a derechos básicos, la importancia de la educación y la formación en liderazgo que impulse con mayor vigor la construcción de cohesión social, el cuidado de los elementos culturales dentro de las tradiciones celebrativas familiares y comunitarias, las devociones religiosas como potentes elementos de construcción de identidad y sentido; y la importancia del empoderamiento y promoción de la mujer como potente agente catalizador y de transformación social.
