Achieve success in the Esame di Stato and external certification with official preparation materials from Cambridge!

Three Men in a Boat Illustrated Jerome K Jerome 2020-06-15 Jerome Klapka Jerome was an English writer and humourist, best known for the comic travelogue *Three Men in a Boat*. Other works include the essay collections *Idle Thoughts of an Idle Fellow* and *Second Thoughts of an Idle Fellow*; *Three Men on the Bummel*, a sequel to *Three Men in a Boat*, and several other novels. Jerome sat right down to write *Three Men in a Boat* as soon as the couple returned from their honeymoon. Within the novel, his wife was replaced by his longtime friends George Wingrave (George) and Carl Henschel (Harris). This allowed him to make comic (and non-sentimental) situations which were nonetheless intertwined with the history of the Thames region. The book, published in 1889, became a momentous success and has never been out of print. Its popularity was such that the amount of registered Thames boats went up one-half within the year following its publication, and it contributed significantly to the Thames becoming a tourist attraction. In its first twenty years alone, the book sold over 1,000,000 copies worldwide. It's been adapted to films, TV and radio shows, stage plays, and a musical. Its literary genre influenced many humourists and satirists in England et al. With the financial security that the sales of the book provided, Jerome was ready to dedicate all of his time to writing. He wrote a variety of plays, essays, and novels, but was never ready to recapture the success of *Three Men in a Boat*. In 1892, he was chosen by Robert Barr to edit *The Idler* (over Rudyard Kipling). The magazine was an illustrated satirical monthly catering to gentlemen (who, following the theme of the publication, appreciated idleness). In 1893, he founded *To-Day*, but had to withdraw from both publications due to financial difficulties and a libel suit. Jerome's play *Biarritz* had a run of two months at the Prince of Wales Theatre between April and June 1896. In 1898, a brief stay in Germany inspired *Three Men on the Bummel*, the sequel to *Three Men in a Boat*, reintroducing equivalent characters within the setting of a far off bicycle tour. The book was nonetheless unable to capture the life-force and historic roots of its predecessor, and it enjoyed only a light success. In 1902, he published the novel *Paul Klover*, which is widely considered autobiographical. His 1908 play *The Passing of the Third Floor Back* introduced a more sombre and non-secular Jerome. The most character was played by one among the leading actors of the time, Johnston Forbes-Robertson, and therefore the play was an incredible commercial success. It had been twice made into film, in 1918 and in 1935. However, the play was condemned by critics - Beerbohm described it as "vilely stupid" and as written by a "tenth-rate writer"

Dr. B. Daniel Birnbaum 2022-05-24 The former director of the Museum of Modern Art in Stockholm makes his literary debut with this dramatic and riveting novel of book publishing, émigrés, spies, and diplomats in World War II Sweden based on his grandfather's life. In 1933, after Hitler and the Nazi Party consolidated power in Germany, Immanuel Birnbaum, a German Jewish journalist based in Warsaw, is forbidden from writing for newspapers in his homeland. Six years later, just months before the German invasion of Poland that ignites World War II, Immanuel escapes to Sweden with his wife and two young sons. Living as a refugee in Stockholm, Immanuel continues to write, contributing articles to a liberal Swiss newspaper in Basel under the name Dr. B. He also begins working as an editor for the legendary German publisher S. Fischer Verlag. Gottfried Bermann Fischer had established an office in Stockholm to evade German censorship, publishing celebrated German writers such as Thomas Mann and Stefan Zweig. Immanuel also becomes entangled with British intelligence agents who produce and distribute anti-Nazi propaganda in Stockholm. On orders from Winston Churchill, the Allied spies plan several acts of sabotage. But when the Swedish postal service picks up a letter written in invisible ink, the plotters are exposed. The letter, long a mystery in military history accounts, was in fact written by Dr. B. But why would a Jew living in exile and targeted for death by the Nazis have wanted to tip them off? Daniel Birnbaum's novel will intrigue readers with its fascinating portrayal of the astonishing connections and often mysterious players illuminated by his grandfather's remarkable wartime life.

Two Peas & Their Pod Cookbook Maria Lichty 2019-09-03 115 recipes--wholesome new creations and celebrated favorites from the blog--from the husband and wife team behind Two Peas & Their Pod TWO PEAS & THEIR POD celebrates a family, friends, and community-oriented lifestyle that has huge and growing appeal. Maria the genuine, fun, relaxed mom next door who's got the secret sauce: that special knack for effortlessly creating tantalizing and wholesome (and budget-friendly) meals with ease. From a Loaded Nacho Bar bash for 200 guests to quick-and-easy healthy weeknight dinners like never-fail favorites like One-Skillet Sausage Pasta or Asian Pork Lettuce Wraps (always followed by a fab dessert!), Maria shares her best lifestyle tips and home cook smarts. An essential resource for parents looking to update their healthy, inexpensive, time-saving, kid friendly meal roster; aspiring home cooks who want to eat-in delicious food more than they eat out; as well as anyone looking to share their love of food and the giving spirit with their neighbors, TWO PEAS & THEIR POD will help readers bring home that (achievable!) slice of Americana, where families come together to enjoy fresh and nutritious meals and there's always a batch of still-warm cookies waiting on the counter.

Perspectives Intermediate National Geographic Learning 2017-08-03 Perspectives teaches learners to think critically and to develop the language skills they need to find their own voice in English. The carefully guided language lessons, real-world stories and TED Talks motivate learners to think, creatively and communicate effectively.

Italian grammar in practice Susanna Nocchi 2002 "A book for English-speaking students who want to practice Italian grammar in a complete and successful way. All the main rules of Italian are clearly illustrated with essential grammar tables. The exercises, quizzes and games not only train the students to use language, but also provide them with interesting information about Italian life, society, culture and history ... Idioms, slang and typical expressions of spoken Italian are also presented and practiced ... The volume has answer keys."--Éditeur.

In Other Words Jhumpa Lahiri 2016-02-09 National Best Seller From the best-selling author and Pulitzer Prize winner, a powerful nonfiction debut—an “honest, engaging, and very moving account of a writer searching for herself in words.” —Kirkus Reviews (starred) *In Other Words* is a revelation. It is at heart a love story—of a long and sometimes difficult courtship, and a passion that verges on obsession: that of a writer for another language. For Jhumpa Lahiri, that love was for Italian, which first captivated and capsized her during a trip to Florence after college. Although Lahiri studied Italian for many years afterward, true mastery always eluded her. Seeking full immersion, she decides to move to Rome with her family, for “a trial by fire, a sort of baptism” into a new language and world. There, she begins to read, and to write—initially in her journal—solely in Italian. *In Other Words*, an autobiographical work written in Italian, investigates the process of learning to express oneself in another language, and describes the journey of a writer seeking a new voice. Presented in a dual-language format, this is a wholly original book about exile, linguistic and otherwise, written with an intensity and clarity not seen since Vladimir Nabokov: a startling act of self-reflection and a provocative exploration of belonging and reinvention.

With its wide range of support material, it meets the diverse needs of learners in a variety of teaching situations and helps bridge the gap between the classroom and the real world.

Bookmarks - A manual for combating hate speech online through human rights education 2014-05-13 The work of the Council of Europe for democracy is strongly based on education: education in schools, and education as a lifelong learning process of practising democracy, such as in non-formal learning activities. Human rights education and education for democratic citizenship form an integral part of what we have to secure to make democracy sustainable. Hate speech is one of the most worrying forms of racism and discrimination prevailing across Europe and amplified by the Internet and social media. Hate speech online is the visible tip of the iceberg of intolerance and ethnocentrism. Young people are directly concerned as agents and victims of online abuse of human rights; Europe needs young people to care and look after human rights, the life insurance for democracy. Bookmarks is published to support the No Hate Speech Movement youth campaign of the Council of Europe for human rights online. Bookmarks is useful for educators wanting to address hate speech online from a human rights perspective, both inside and outside the formal education system. The manual is designed for working with learners aged 13 to 18 but the activities can be adapted to other age ranges.

Workbook with key (71 p.) Clive Oxenden 2009

Gateway 2nd Edition - Build Up to B1 DAVID. SPENCER 2014-12 No other description available.

Linee di confine Moracci, Giovanna 2014-03-05 Il titolo di questo volume rimanda a una realtà presente, spesso drammaticamente, in tutti i territori in cui le culture slave, in diverse fasi storiche, si sono trovate a vivere a contatto con altre etnie. Al di là dei problemi di convivenza, complicati oggi da fenomeni quali globalizzazione e multiculturalismo che dissimulano i conflitti identitari, la storia degli slavi si è sempre intrecciata a quella di altri popoli. È sembrato opportuno dunque proporre il tema, non inedito, dei 'confini', che offre ampio spazio di riflessione su una molteplicità di aspetti delle culture slave. Ancora oggi dall'Italia si guarda ai paesi dell'Europa centro-orientale con un certo scetticismo. Le lingue e le tradizioni di quest'area restano poco o niente affatto note. I flussi migratori dei popoli di questi ultimi vent'anni hanno contribuito a creare l'immagine di un'Europa di secondaria importanza, arretrata, che vuole imporsi alla prima. Questo volume collettivo vuole invece mostrare come la nostra identità di europei si riesca a mettere a fuoco, e con difficoltà, solo allargando lo sguardo ad est e imparando la lezione dei territori dell'Europa centro-orientale. Anche se gli slavi occidentali e parte degli slavi meridionali hanno partecipato alla storia occidentale sin dal medioevo e ne sono stati poi divisi dagli eventi storici, si potrà forse forgiare una nuova identità europea solo riflettendo sulle vicende dell'intero mondo slavo, e sperimentando le stesse difficoltà di convivenza (quale è ora anche l'esperienza dell'Europa occidentale) fra residenti e immigrati, culture maggioritarie e minoritarie, identità e alterità.
