First Days of the Year Hélène Cixous 1998 An inner journey across space and time linking the "author" to other poets, this lyrical essay-poem continues Helene Cixous's rewriting of notions of boundary, self, other, and author. Cixous here interrogates the status of the author, connecting distant instances of herself with other writers who traverse genders, generations, and national boundaries. First Days of the Year is a celebration of beginnings and future possibilities, based on necessity and hope, constantly mediating writing and living, life and death. Like all of Cixous's profoundly original works, it seductively leads the reader into a new way of thinking by disrupting fixed ideas of psychic identity, subjectivity, and language.

The Head of the Saint Socorro Acioli 2016-03-08 A 2017 LA Times Book Prize Finalist A quirky story of love, mischief, and forgiveness from Brazil's foremost award-winning author for young readers, in her U.S. debut. Fourteen-year-old Samuel is newly orphaned and homeless in a small town in Brazil. He lives in a giant, hollow, concrete head of St. Anthony, the lingering evidence of the village's inept and failed attempt to build a monolith over a decade ago. He didn't know what it was when he crawled into it, seeking shelter during a storm, but since coming there, he hears beautiful singing, echoing like magic in the head twice a day. So he stays. Miraculously, he can also hear the private prayers and longings of the villagers. Feeling mischievous, Samuel begins to help answer these prayers, hoping that if he does, their noise will quiet down and he can listen to the beautiful singing in peace. Ironically, his miracles gain him so many fans that he starts to worry he will never fulfill his own true longing and find the source of the singing. Filled with beautiful turns of phrase and wonderfully quirky characters, The Head of the Saint is a riotous story of faith and magic that won't soon leave your thoughts.

The Passion According to G.H. Clarice Lispector 2012-06-13 Lispector's most shocking novel. The Passion According to G.H., Clarice Lispector's mystical novel of 1964, concerns a well-to-do Rio sculptress, G.H., who enters her maid's room, sees a cockroach crawling out of the wardrobe, and, panicking, slams the door —crushing the cockroach —and then watches it die. At the end of the novel, at the height of a spiritual crisis, comes the most famous and most genuinely shocking scene in Brazilian literature... Lispector wrote that of all her works this novel was the one that "best corresponded to her demands as a writer."

The Last Jew Noah Gordon 2014-03-25 In the year 1492, the Inquisition has all of Spain in its grip. After centuries of pogrom-like riots encouraged by the Church, the Jews - who have been an important part of Spanish life since the days of the Romans - are expelled from the country by royal edict. Many who wish to remain are intimidated by Church and Crown and become Catholics, but several hundred thousand choose to retain their religion and depart; given little time to flee, some perish even before they can escape from Spain. Yonah Toledano, the 15-year-old son of a celebrated Spanish silversmith, has seen his father and brother die during these terrible days - victims whose murders go almost unnoticed in a time of mass upheaval. Trapped in Spain by circumstances, he is determined to honor the memory of his family by remaining a Jew. On a donkey named Moise, Yonah begins a meandering journey, a young fugitive zigzagging across the vastness of Spain. Toiling at manual labor, he desperately tries to cling to his memories of a vanished culture. As a lonely shepherd on a mountaintop he hurls snatches of almost forgotten Hebrew at the stars, as an apprentice armorer he learns to fight like a Christian knight. Finally, as a man living in a time and land where danger from the Inquisition is everywhere, he deals

with the questions that mark his past. How he discovers the answers, how he finds his way to a singular and strong Marrano woman, how he achieves a life with the outer persona of a respected Old Christian physician and the inner life of a secret Jew, is the fabric of this novel. The Last Jew is a glimpse of the past, an authentic tale of high adventure, and a tender and unforgettable love story. In it, Noah Gordon utilizes his greatest strengths, and the result is remarkable and moving.

The Secret of Clarice Lispector. Marcus Deminco 2019-11-15 The Secret Of Clarice Lispector -- The Truth No One Has Ever Told. -- WHY THE most important Brazilian woman writer in the 20th century, considered the greatest Jewish writer since Franz Kafka, was known as 'The Great Witch of Brazilian Literature?' What sort of bond did Clarice Lispector establish with the magical universe of sorcery? Why her friend Otto Lara Resende always warned her readers to be careful with her texts, saying they were not only literature but witchcraft? "Number 7 was my secret, kabbalistic number. There are 7 keys with which all the songs that exists or that will exist can be composed [...] I assure you that 1978 will be the real kabbalistic year. Therefore, I commanded to polish the instants of time, to shine the stars, to wash the moon with milk, and the sun with liquid gold. Every year, I start to live another life." Despite having died weeks before starting that so called kabbalistic year, those ritualistic habits and her obsessions for numbers can supposedly clarify why Clarice has promptly accepted the invitation of warlock Simon to participate as a lecturer in the First World Congress of Witchcraft. _____ By Best-Selling Writer Marcus Deminco, Author of 'VERTYGO - The Suicide of Lukas'

Her poems engage that larger world and the lives of its citizens, their history, turmoil, and jeopardy. Hers is a poetry both of celebration and of sober courage."

In *THE FIVE SEASONS OF LOVE*, acclaimed Brazilian writer Joao Almino presents a compelling and sympathetic portrait of a woman whose life has not turned out as she anticipated, and whose once audacious dreams have been replaced by half-truths, failures, and frustration. To fulfill a pact made during her student days, fifty-five-year-old Ana Kauffman plans a party to celebrate the new millennium. As old friends resurface and the countdown to the new century draws near, Ana's past undergoes a series of unexpected revisions--beginning with the arrival of Berta, the newly minted post-op persona of Ana's former boyfriend Norberto. The Columbia Guide to the Latin American Novel Since 1945 Raymond L. Williams 2007 In this expertly crafted, richly detailed guide, Raymond Leslie Williams explores the cultural, political, and historical events that have shaped the Latin American and Caribbean novel since the end of World War II. In addition to works originally composed in English, Williams covers novels written in Spanish, Portuguese, French, Dutch, and Haitian Creole, and traces the profound influence of modernization, revolution, and democratization on the writing of this era. Beginning in 1945, Williams introduces major trends by region, including the Caribbean and U.S. Latino novel, the Mexican and Central American novel, the Andean novel, the Southern Cone novel, and the novel of Brazil. He discusses the rise of the modernist novel in the 1940s, led by Jorge Luis Borges's reaffirmation of the right of invention, and covers the advent of the postmodern generation of the 1990s in Brazil, the Generation of the "Crack" in Mexico, and the McOndo generation in other parts of Latin America. An alphabetical guide offers biographies of authors, coverage of major topics, and brief introductions to individual novels. It also addresses such areas as women's writing, Afro-Latin American writing, and magic realism. The guide's final section includes an annotated bibliography of introductory studies on the Latin American and Caribbean novel, national literary traditions, and the work of individual authors. From early attempts to synthesize postcolonial concerns with modernist aesthetics to the current focus on urban violence and globalization, *The Columbia Guide to the Latin American Novel Since 1945* presents a comprehensive, accessible portrait of a thoroughly diverse and complex branch of world literature.

The End Fernanda Torres 2017-07-11 The End centers on five friends in Rio de Janeiro who, nearing the end of their lives, are left with memories—of parties, marriages, divorces, fixations, inhibitions, bad decisions—and the physical indignities of aging. Alvaro lives alone and spends his time going from doctor to doctor and bemoaning the evils of his ex-wife. Silvio is a junkie who can't give up the excesses of sex and drugs even in his old age. Ribeiro is an athletic beach bum enjoying a prolonged sex life thanks to Viagra. Neto is the square member of the group, a faithful husband until his last days. And Ciro is the Don Juan envied by all—but the first to die, struck down by cancer. For all of them, successful careers, personal revelations, and Zen serenity are out of the question, blocked by a seemingly insurmountable wall of frustrations. Orbiting around them are a priest questioning his vocation and a cast of complicated women, neglected and embattled by these self-involved men. Edgy and wise, this tragicomic debut delves into taboo subjects—death, infidelity, impotence, the difficulties of marriage—with unsentimental honesty, and brings Rio and these characters to life in full color.

The Eternal Son Cristovão Tezza 2013-08-29 In this multi-award-winning autobiographical novel, Cristovão Tezza draws his readers into the mind of a young father whose son, Felipe, is born with Down syndrome. From the initial shock of diagnosis, and through his growing understanding of the world of hospitals and therapies, Tezza threads the story of his son's life with his own. Felipe, who lives in an eternal present, becomes a remarkable young man; for Tezza, however, the story is a settling of accounts with himself and his own limitations and, ultimately, a coming to terms with the sublime ironies and arbitrariness of life. He struggles with the phantom of shame, as if his son's condition were an indication of his own worth, and yearns for a 'normal' world that is always out of reach. Reading this compelling book is like stumbling through a trap door into the writer's mind, where nothing is censored, and everything is constantly examined and reinterpreted. What emerges is a hard-won philosophy of everyday life. It is extraordinary to encounter a common human drama — the birth of a disabled child — investigated profoundly by a father who happens to be a gifted writer. The Eternal Son is an honest and insightful story by one of Brazil's foremost contemporary novelists, here beautifully translated by Alison Entekin. It is world literature at its finest.
